In this connection, as desired we would like to report as under:-

We have been informed by one of our major shareholders i.e. M/S. SAPICO that they are in advanced stage of divestment and have signed a Non-Disclosure Agreement with three (3) short listed parties and proceeding further as per rules.

As intimated on PUCARS that the as part of acquisition process the acquirer has extended the date of Public Announcement of Offer (PAO) by ninety days as admissible under the applicable Regulations of the Listed Cffompany

b. Alternative Plan for meeting the MER

Even if SAPICO remains unsuccessful in materializing the divestment efforts we will continue with our ongoing efforts for implementation of Rehabilitation plan duly approved by BOD in letter and spirit. Subject to favorable business environment in a normal course without any Force –Majeure circumstances i.e. natural calamity or pandemic we expect to meet MER and settle COIs and other money market liabilities in coming months.

c. Repayment to outstanding COI depositors and creditors through sale of property

Owing to COVID- 19 pandemic Sindh High Court has decided to hear cases of Urgent nature only hence our efforts for vacation of stay obtained by counter party against sale of investment property are being hampered. We expect to obtain positive results in this regard as soon as Sindh High Court resumes its normal functioning.
