Dear Sir,

**Sub: Non-Holding of Annual General Meeting for the Year Ended September 30, 2021**

Refer to your letter no. PSX/Gen- 252 dated February 08, 2022, with the captioned subject, we regret that we are still unable to hold the Annual General Meeting (AGM) and submit the related annual audited accounts for the year ended September 30, 2021 even within the extended time.

As informed earlier, through our request letter for extension to hold AGM, to SECP (letter no. SSML/Acct/259/2021, dated December 21, 2021), from the start of this Financial Year, the Company has been facing number of changes in its top management;

- During the financial year under consideration, SSML received 1 Director and 2 CFOs resignations,
- After the end of financial year under consideration, 3 Directors resigned during November 2021, whereas 2 Directors resigned during December 2021.

This frequent resignation / changes in Top Management, hampered and delayed the process of timely gathering and review of data and ultimately resulted delay in finalization of financial statement. However, accounts has been finalized and its audit by external auditors is in progress. Completion of the audit by External Auditors will also need considerable time. We are trying our level best to get the accounts audited as soon as possible and accordingly comply with all the related AGM and accounts submission requirements.

Keeping in view the undesirable conditions and scenario, we humbly request you to kindly condone the non-compliances.

Thanks for your consideration and co-operation.

Yours truly,
