REVIEW REPORT OF THE DIRECTORS OF THE MANAGEMENT COMPANY FOR THE PERIOD ENDED SEPTEMBER 30, 2022

The Board of Directors of HBL Asset Management Limited is pleased to present its report together with Financial Statements of HBL Income Fund, HBL Government Securities Fund, HBL Money Market Fund, HBL Cash Fund, HBL Stock Fund, HBL Equity Fund, HBL Energy Fund, HBL Multi Asset Fund, HBL Financial Planning Fund, HBL Growth Fund, HBL Investment Fund, HBL Financial Sector Income Fund – Plan-1 and HBL Total Treasury Exchange Traded Fund (the Funds) for the period ended September 30, 2022.

ECONOMIC REVIEW

The government's GDP growth target for FY23 was 5.0% (against 5.97% achieved in FY22), however, on account of the recent floods, SBP/ADB/World Bank have revised down their growth projections to 2.4%/3.5%/2.0%, respectively. As per various estimates, economic losses as a result of the floods are expected to reach ~USD 40bn. A positive development has been the resumption of IMF program, which has provided much needed breathing space to the ailing economy, and opened other avenues of funding for the government. Moreover, in order to achieve sustainable economic growth, the authorities have taken some contractionary monetary and fiscal policy measures.

The Current Account Deficit (CAD) for Sep-22 clocked in at USD 316mn, taking 1QFY23 CAD to USD 2.2bn, compared to a Deficit of USD 3.5bn during the same period last year. This was primarily driven by a decline in imports as a result of stringent measures taken by the Government to reduce the outflow of foreign exchange. However, the decline in remittances set off some of the positive impact, which fell by 6.3% during 1QFY23 to USD 7.7bn, compared to USD 8.2bn during the same period last year. In order to curtail the rapid increase in CAD, the government has taken several measures, such as imposition of Regulatory Duty (RD) and Additional Customs Duty (ACD) in the range of 100-150% on almost 600-700 luxury items. However, the recent floods have raised concerns regarding CAD overshooting the government's initial target on account of the expected increase in import of agricultural products and decline in textile exports.

CPI for Sep-22 clocked in at 23.2% YoY, taking 1QFY22 average inflation to 25.11%, compared to 8.58% during the SPLY. The increase in CPI was largely driven by higher food and fuel prices, whereby food prices have been on a rising trajectory owing to the widespread flooding that has devastated crops and farmlands, while fuel prices have risen on account of the Petroleum Development Levy (PDL) imposed by the government.

Fiscal deficit for July was recorded at 0.3% of GDP, compared to 0.4% of GDP during the same period last year (SPLY). Primary balance posted a surplus of PKR 142bn, compared to a deficit of PKR 5bn during the SPLY. FBR has provisionally collected PKR 1,635bn during 1QFY23, compared to PKR 1,403bn during the SPLY, surpassing its target by PKR 27bn.

STOCK MARKET REVIEW

During 1QFY23, the KSE-100 index declined by 412pts or 1% to close at 41,541pts. The market started off on a positive note, increasing by 2.0% during Jul-22 and Aug-22 on the back of resumption of the IMF program, which opened other avenues of external funding for the government. Investor sentiment was also boosted by news flow that Saudi Arabia was seeking to renew its USD 3bn deposits with Pakistan, along with provision of USD 100mn per month for import of petroleum products. Furthermore, news flow suggested that Qatar had announced plans to invest USD 3bn in various commercial and investment sectors of the country. However, during Sep-22, the positive sentiment was overshadowed by the devastation caused by the floods, as it led to concerns regarding expected increase in the twin deficits due to the required spending on rehabilitation efforts, expected increase in import of agricultural products and decline in textile exports.

During 1QFY23, major negative contribution came from Fertilizer (380 pts), Commercial Banks (260pts), and Oil & Gas Exploration (249pts) sectors. On the other hand, major positive contribution came from Technology & Communication (761pts), and Cement (275pts) sectors.

During the period, average traded volume declined by 2% QoQ to 109mn shares, while average traded value increased by $^{\sim}3\%$ QoQ to PKR 5.4bn. On the flows side, Foreigners were net sellers during 1QFY23 and sold shares worth USD 297.5mn.

We expect the market to remain range-bound in the near-term amid lack of positive triggers, as investors remain concerned about the political uncertainty, coupled with expected economic slowdown due to the recent floods. However, our longer-term equity outlook remains positive due to attractive valuations. Positive triggers in the medium-term can be in the form of realization of flows and grants from multilateral sources, which would provide strength to the Rupee. In the medium- to long-term, reversal in international commodity prices, either on the back of disruption in demand or increase in supply, is likely to reignite investor interest in equities.

MONEY MARKET REVIEW

During 1QFY23, SBP, in an attempt to curb inflation as a result of the Russia-Ukraine war, increased the Policy Rate by 125bps to 15%. The hike was inevitable, given persistently high global energy prices, the abrupt ending of fuel subsidies and the need to control demand.

The cut-off yields in the last T-bills auction were ere 15.9999%, 15.9998%, and 15.9900% for 3M, 6M and 12M tenors, respectively. The cut-off yields in the last PIBs auction were 13.92%, 13.39%, and 12.95% in 3Y, 5Y and 10Y tenors, respectively, while no bids were received in 15Y, 20Y and 30Y tenors.

A GOP Ijara Sukuk auction was held on 22-Sep-22, with a target of PKR 100bn (PKR 25bn for Fixed Rental and PKR 75bn for Variable Rental Rate) for a period of 5 years. The Ministry of Finance accepted bids worth PKR 0.77bn (at 12.9029%) in FRR Sukuk, and PKR 18.48bn (at 13.61%) in VRR Sukuk.

The latest hike in the Policy Rate to 15% is expected to help moderate demand to a more sustainable pace, while keeping inflation expectations anchored, and containing risks to external stability. We believe high international commodity prices, along with reform measures under the IMF program, and recent crop and infrastructure damage caused by the floods, will translate adversely in CPI, based on which further hike in interest rate cannot be ruled out. However, possibility of further rate hike is very low under the current political environment.

FUTURE OUTLOOK

Moving ahead, we expect economic growth to slow down to 1.5-2.0% in FY23 on the back of fiscal consolidation by the government, along with disruption in agricultural activities due to the ongoing floods. Focus would remain on how the government keeps economic growth at a sustainable level, while keeping the external and fiscal accounts in check.

On the fiscal side, the government initially targeted a Fiscal deficit of PKR 3.80tn ($^{\sim}4.6\%$ of GDP) in FY23 on the back of $^{\sim}20\%$ increase in FBR's tax collection to PKR 7.4tn, along with increase in collection of PDL to PKR 550bn. However, however, we believe that Fiscal Deficit may clock in the range of 6.0-6.5% due to the required spending on rehabilitation efforts after the recent floods.

On the fixed income front, we believe that gradual imposition of PDL on fuel, along with hike in electricity and gas tariffs, will translate adversely in CPI. Resultantly, we expect average inflation for FY23 to be in the range of 20-22%. However, inflation is expected to taper down from FY24 onwards due to high-base effect and expectation of easing in international commodity prices. Upside risks to our estimates remain in the form of elevated international commodity prices for an extended period due to geopolitical concerns.

Our long-term view on Pakistan equities is positive due to cheap valuations. The equity market is trading at an eye catching P/E multiple of 4.2x compared to regional average of 13.9x, and offers an attractive dividend yield of 9.8%, compared to regional average of 3.1%. It is pertinent to note that the spread between KSE-100 index earnings yield and 10Y PKRV is ~13%, compared to 5-year historical average spread of 4.9%, which implies upside of ~56%. Hence, we believe that Pakistan equities offer a good opportunity for long-term investors.

^{**} In case of debt securities against which a provision has been made, these are carried at amortised cost less provision. For non-performing securities market value / valuation by MUFAP is not available.

5.1.3 Saudi Pak Leasing Company Limited defaulted towards payment falling due in September 2010. Accordingly, the exposure was classified as non-performing and provision was recognised in accordance with the SECP's provisioning guidelines.

Subsequently, on the request of the Issuer, TFC holders approved the restructuring of the facility by extending repayment period from 5 years to 9 years and by reducing mark-up rate to 6% for 24 months from restructuring date and 8% for next 24 months and thereafter fixing the mark-up rate at 1 month KIBOR. Further, half of the accrued mark-up is to be paid in cash and the balance is being deferred.

Debt security can be classified as performing once all arrears (principal & mark-up) have been received in cash and debt security is regular on all payments for the next two instalments. The above exposure had been classified as performing by the MUFAP as arrears due on the date of restructuring were rescheduled and the investee company has settled the next two instalments.

The Issuer defaulted again in the payment of principal and mark-up due on September 13, 2011. In accordance with the requirements of Circular No. 33 of 2012 dated October 24, 2012 issued by the Securities Exchange Commission of Pakistan (SECP), the exposure has been classified as non-performing and no further mark-up is being accrued after classification as non performing exposure. A provision of Rs. 5.550 million equivalent to 100% of the amount outstanding has been made.

5.1.4 Worldcall Telecom Limited TFC's were classified by MUFAP as non-performing on November 8, 2012 after default of instalment due on October 7, 2012 (earlier default on April 7, 2012) for the second time. A restructuring agreement was signed on December 26, 2012. The restructuring included the extension of repayment period by 2 years, deferral of principal instalments till October 7, 2014 and payment of regular mark-up during the restructuring period. In accordance with Circular No. 33 of 2012 dated October 24, 2012, a provision of Rs. 47.77 million equivalent to 100% of the amount outstanding has been made.

During the current period the issuer paid 0.87 million on account of principal repayment.

- 5.1.5 These represent investments in privately placed Term Finance Certificates and Sukuk bonds of the investee company. These investments have been fully provided.
- 5.1.6 The Term Finance Certificates and Sukuk bonds held by the Fund are generally secured against hypothecation of stocks and receivables and mortgage / pledge of fixed assets of the issuer.
- 5.1.7 Instalments amounting to Rs. 1.998 million became due for payment of the following TFCs / sukuks.

9.1 PROVISION FOR FEDERAL EXCISE DUTY

The legal status of applicability of Federal Excise Duty on the Fund is same as that disclosed in note 13.1 to the annual audited financial statements of the Fund for the year ended June 30, 2022, and the appeal filed by tax authorities against the order by Honourable Supreme Court of Pakistan dated July 16, 2016, is pending for decision.

In view of above, the Management Company, as a matter of abundant caution, is carrying provision for FED for the period from January 13, 2013 to June 30, 2016 aggregating to Rs. 27.57 million (June 30, 2022: Rs.27.578 million). Had the provision not been made, the Net Asset Value per unit as at September 30, 2022 would have been higher by Rs. 1.091 (June 30, 2022: Re. 0.724) per unit.

5.2 ALLOCATION OF EXPENSES RELATED TO REGISTRAR SERVICES, ACCOUNTING, OPERATION AND VALUATION SERVICES

During the year, the Securities and Exchange Commission of Pakistan notified amendments in the Non-Banking Finance Companies and Notified Entities Regulation, 2007 dated November 25, 2015, where the asset management companies are allowed to charge fees and expenses related to registrar services, accounting, operation and valuation services related to CIS maximum up to 0.1% of average annual net assets of the Scheme or actual whichever is less. In this regard, the Management Company has started charging these expenses effective from November 25, 2015.

9.2 WORKERS' WELFARE FUND AND SINDH WORKERS' WELFARE FUND

The Government of Sindh also introduced levy of the Sindh Workers' Welfare Fund (SWWF) through the Sindh Workers' Welfare Act, 2014. The Mutual Fund Association of Pakistan, in the previous years based on opinion obtained from the tax consultants, concluded that SWWF is not applicable on mutual funds. MUFAP also wrote to the Sindh Revenue Board (SRB) that mutual funds are not establishments and are pass through vehicles; therefore, they do not have any worker and, as a result, no SWWF is payable by them. SRB responded back that as mutual funds are included in definition of financial institutions in the Financial Institutions (Recovery of Finance) Ordinance, 2001, and thus SWWF is payable by them. MUFAP has taken up the matter with the concerned ministry [Sindh Finance Ministry] for appropriate resolution of the matter.

During the current year, SRB through its letter dated August 12, 2021 (received on August 13, 2021) to Mutual Funds Association of Pakistan (MUFAP) has clarified that Asset Management Company's (AMCs) are covered under the term "financial institutions" as per the Sindh WWF Act 2014 and are therefore subject to SWWF charge whereas as the Mutual Funds/Pension Funds managed by those AMCs do not qualify as "financial institutions" as per SWWF Act 2014.

In the wake of the aforesaid clarification of SRB, the MUFAP called its Extraordinary General Meeting (EOGM) on August 13, 2021, wherein the MUFAP recommended to its members that effective from August 13, 2021, SWWF recognised earlier should be reversed in light of the clarification issued by SRB. Subsequently, MUFAP approached SECP and obtained the clarification with resprect to this matter as well.

On August 13, 2021 the Fund ceased to charge further provision for SWWF and has reversed full provision for SWWF amounting to Rs. 31.86 million for the period from July 1, 2014 till August 12, 2021.

10 CONTINGENCIES AND COMMITMENTS

10.1 Contingencies

There were no contingencies or commitments outstanding as at September 30, 2022 and June 30, 2022.

11 TAXATION

The income of the Fund is exempt from tax under clause 99 of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by the capital gains whether realised or unrealised, is distributed among its unit holders. The Fund has not recorded a tax liability in respect of income relating to the current period as the Management Company intends to distribute more than 90 percent of the Fund's accounting income for the period as reduced by capital gains (whether realised or unrealised) to its unit holders.

12 EARNINGS PER UNIT (EPU)

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, determination of weighted average units for calculating earnings per unit is not practicable.

13 TOTAL EXPENSE RATIO

The Scheme has maintained Total Expense Ratio (TER) 2.43% (0.12% representing Government Levies, and SECP Fee).

14 TRANSACTIONS WITH CONNECTED PERSONS / RELATED PARTIES

Connected persons include HBL Asset Management Limited being the Management Company, Habib Bank Limited being the Sponsor, Central Depository Company of Pakistan Limited, being the Trustee of the Fund, other collective investment schemes managed by the Management Company, directors and officers of the Management Company, directors of the connected persons and persons having 10% or more beneficial ownership of the units of the Fund.

Transactions with connected persons are in the normal course of business, at contracted rates and terms determined in accordance with market rates.

Remuneration payable to Management Company and Trustee is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed respectively.

Details of the transactions with connected persons and balances with them, if not disclosed elsewhere in the condensed interim financial information are as follows:

15 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets i.e. listed equity shares are based on the quoted market prices at the close of trading on the period end date. The quoted market price used for financial assets held by the Fund is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

IFRS 13, 'Fair Value Measurements: Disclosures' requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

HBL Government Securities Fund Notes to the Condensed Interim Financial Information (Unaudited) FOR THE THREE MONTHS ENDED SEPTEMBER 30, 2022

LEGAL STATUS AND NATURE OF BUSINESS

HBL Government Secirities Fund (formerly PICIC income Fund) ("the Fund") was established under a Trust Deed executed between PICIC Asset Management Company Limited (now, HBL Asset Management Limited) as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Fund was approved by the Securities and Exchange Commission of Pakistan (SECP) vide its letter No. NBFC-II/DD/PICICIF/199 dated March 10, 2010 and the Trust Deed was executed on March 17, 2010.

SECP approved merger of PICIC Asset Management Company Limited with and into HBL Asset Management Limited effective from August 31, 2016 through an order dated August 31, 2016. Effective from September 1, 2016 HBL Asset Management Limited became Management Company of the fund which is a wholly owned subsidiary of Habib Bank Limited. The Aga Khan Fund for Economic Development (AKFED), S.A. is the parent company of Habib Bank Limited. After the merger, trust deed was revised on February 17, 2017.

The Management Company of the Fund has been registered as a Non-Banking Finance Company (NBFC) under the NBFC Rules, 2003 and has obtained the requisite license from the SECP to undertake Asset Management Services. The registered office of the Management Company is located at 7th Floor, Emerald Tower, G-19, Block 5, Main Clifton Road, Clifton, Karachi.

The Fund is an open-ended sovereign income scheme and is listed on Pakistan Stock Exchange Limited. The units of the Fund were initially offered for public subscription at par value of Rs. 100 per unit from December 11, 2010 to December 13, 2010. Thereafter, the units are offered to the public for subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

The core objective of the Fund is to provide competitive returns to its investors through active investments in low risk portfolio.

JCR-VIS Credit Rating Company has assigned an asset manager rating of 'AM2++' (AM Two Plus) to the Management Company and a stability rating of 'AA(f)' to the Fund.

2 BASIS OF PREPARATION

2.1 Statement of Compliance

- 2.1.1 This condensed interim financial information has been prepared in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, the requirements of the Trust Deed, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the Securities and Exchange Commission of Pakistan (SECP). Wherever the requirements of the Trust Deed, the NBFC Regulations or directives issued by SECP differ with the requirements of IFRSs, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by SECP prevail.
- 2.1.2 The disclosures made in this condensed interim financial information have, however, been limited based on the requirements of the International Accounting Standard 34, 'Interim Financial Reporting'. This condensed interim financial information does not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published financial statements of the Fund for the year ended June 30, 2022.
- 2.1.3 This condensed interim financial information is unaudited. In compliance with schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the directors of the Management Company hereby declare that this condensed interim financial information gives a true and fair view of the state of the Fund's affairs as at September 30, 2022.

2.2 Basis of measurement

This condensed interim financial information has been prepared under the historical cost convention, except that certain financial assets are stated at fair value.

2.3 Functional and presentation currency

This condensed interim financial information is presented in Pakistani Rupees which is the Fund's functional and presentation currency.

- 3 SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ACCOUNTING ESTIMATES, JUDGEMENT AND CHANGES THEREIN
- 3.1 The accounting policies adopted for the preparation of the condensed interim financial information are the same as those applied in the preparation of the annual audited financial statements of the Fund for the year, ended June 30, 2021.
- 3.2 The preparation of this condensed interim financial information in conformity with approved accounting standards requires management to make estimates, assumptions and use judgements that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.
- 3.3 Certain amendments to approved accounting standards have been published and are mandatory for the Fund's accounting period beginning on or after July 01, 2021. None of these amendments are expected to have a significant effect on this condensed interim financial information.
- 3.4 The Fund's financial risk management objectives and policies are consistent with that disclosed in this financial information for the year ended June 30, 2022.

9.1 Provision for Sindh workers' welfare fund

The Government of Sindh also introduced levy of the Sindh Workers' Welfare Fund (SWWF) through the Sindh Workers' Welfare Act, 2014. The Mutual Fund Association of Pakistan, in the previous years based on opinion obtained from the tax consultants, concluded that SWWF is not applicable on mutual funds. MUFAP also wrote to the Sindh Revenue Board (SRB) that mutual funds are not establishments and are pass through vehicles; therefore, they do not have any worker and, as a result, no SWWF is payable by them. SRB responded back that as mutual funds are included in definition of financial institutions in the Financial Institutions (Recovery of Finance) Ordinance, 2001, and thus SWWF is payable by them. MUFAP has taken up the matter with the concerned ministry [Sindh Finance Ministry] for appropriate resolution of the matter.

During the current year, SRB through its letter dated August 12, 2021 (received on August 13, 2021) to Mutual Funds Association of Pakistan (MUFAP) has clarified that Asset Management Company's (AMCs) are covered under the term "financial institutions" as per the Sindh WWF Act 2014 and are therefore subject to SWWF charge whereas as the Mutual Funds/Pension Funds managed by those AMCs do not qualify as "financial institutions" as per SWWF Act 2014.

In the wake of the aforesaid clarification of SRB, the MUFAP called its Extraordinary General Meeting (EOGM) on August 13, 2021, wherein the MUFAP recommended to its members that effective from August 13, 2021, SWWF recognised earlier should be reversed in light of the clarification issued by SRB. Subsequently, MUFAP approached SECP and obtained the clarification with resprect to this matter as well.

On August 13, 2021 the Fund ceased to charge further provision for SWWF and has reversed full provision for SWWF amounting to Rs. 20.15 million for the period from July 1, 2014 till August 12, 2021.

9.2 Provision for federal excise duty and additional sales tax

The legal status of applicability of Federal Excise Duty on the Fund is the same as that disclosed in note 13.2 to the annual audited financial statements of the Fund for the year ended June 30, 2019, and the appeal which was filed by tax authorities against the order passed by the Honourable Supreme Court of Pakistan dated July 16, 2016, is pending for decision.

In view of the above, the Management Company, as a matter of abundant caution, is carrying provision for FED for the period from January 13, 2013 to June 30, 2016 aggregating to Rs. 15.531 million. Had the provision not been retained, NAV per unit of the Fund as at September 30, 2022 would have been higher by Rs. 3.5520 per unit (June 30, 2022: Rs. 2.77 per unit).

15 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets i.e. listed equity shares are based on the quoted market prices at the close of trading on the period end date. The quoted market prices used for financial assets held by the company is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

IFRS 13, 'Fair Value Measurements' requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or Liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

HBL Money Market Fund (the Fund) was established under a Trust Deed, dated March 18, 2010, executed between HBL Asset Management Limited as the Management Company and Central Depository Company of Pakistan Limited as the Trustee. The Fund has been authorised by the Securities and Exchange Commission of Pakistan (the SECP) as a unit trust scheme on April 9, 2010.

During the year ended June 30, 2021, the Trust Act, 1882 has been repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act) as empowered under the Eighteenth Amendment to the Constitution of Pakistan. The Fund is required to be registered under the Sindh Trust Act. Accordingly, on September 8, 2021, the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

The Management Company of the Fund has been registered as a Non-Banking Finance Company (NBFC) under the NBFC Rules, 2003 and has obtained the requisite license from the SECP to undertake Asset Management Services. The registered office of the Management Company is located at 7th Floor, Emerald Tower, G-19, Block 5, Main Clifton Road, Clifton, Karachi.

The Fund is an open-ended mutual fund and offers units for public subscription on a continuous basis. The units are transferable and can also be redeemed by surrendering to the Fund. The Fund is listed on the Pakistan Stock Exchange Limited. The units of the Fund were initially offered for public subscription 'at par from July 12, 2010 to July 14, 2010.

The principal activity of the Fund is to seek high liquidity and comparative return for investors by investing in low risk securities of shorter duration and maturity.

The Management Company has been assigned a quality rating of 'AM2++' (positive outlook) by VIS Credit Rating Company Limited.

Title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as Trustee of the Fund.

9.1 PROVISION FOR FEDERAL EXCISE DUTY

The legal status of applicability of Federal Excise Duty on the Fund is same as that disclosed in note 12.2 to the annual audited financial statements of the Fund for the year ended June 30, 2022, and the appeal filed by tax authorities against the order passed by Honourable Supreme Court of Pakistan dated July 16, 2016, is pending for decision.

In view of above, the Management Company, as a matter of abundant caution, is carrying provision for FED for the period from January 13, 2013 to June 30, 2016 aggregating to Rs. 41.21 million (June 30, 2022:Rs. 41.211 million). Had the provision not been made, the Net Asset Value per unit as at September 30, 2022 would have been higher by Re. 0.29 (June 30, 2022: Re. 0.27) per unit.

9.2 PROVISION WORKERS' WELFARE FUND AND SINDH WORKERS' WELFARE FUND

The Government of Sindh also introduced levy of the Sindh Workers' Welfare Fund (SWWF) through the Sindh Workers' Welfare Act, 2014. The Mutual Fund Association of Pakistan, in the previous years based on opinion obtained from the tax consultants, concluded that SWWF is not applicable on mutual funds. MUFAP also wrote to the Sindh Revenue Board (SRB) that mutual funds are not establishments and are pass through vehicles; therefore, they do not have any worker and, as a result, no SWWF is payable by them. SRB responded back that as mutual funds are included in definition of financial institutions in the Financial Institutions (Recovery of Finance) Ordinance, 2001, and thus SWWF is payable by them. MUFAP has taken up the matter with the concerned ministry [Sindh Finance Ministry] for appropriate resolution of the matter.

During the current year, SRB through its letter dated August 12, 2021 (received on August 13, 2021) to Mutual Funds Association of Pakistan (MUFAP) has clarified that Asset Management Company's (AMCs) are covered under the term "financial institutions" as per the Sindh WWF Act 2014 and are therefore subject to SWWF charge whereas as the Mutual Funds/Pension Funds managed by those AMCs do not qualify as "financial institutions" as per SWWF Act 2014.

In the wake of the aforesaid clarification of SRB, the MUFAP called its Extraordinary General Meeting (EOGM) on August 13, 2021, wherein the MUFAP recommended to its members that effective from August 13, 2021, SWWF recognised earlier should be reversed in light of the clarification issued by SRB. Subsequently, MUFAP approached SECP and obtained the clarification with resprect to this matter as well.

On August 13, 2021 the Fund ceased to charge further provision for SWWF and has reversed full provision for SWWF amounting to Rs. 64.77 million for the period from July 1, 2014 till August 12, 2021.

10. CONTINGENCIES AND COMMITMENTS

There were no contingencies or commitments outstanding as at September 30, 2022.

11. TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund (annuallized) as at September 30, 2022 is 2.14% (2021: 0.19%) which includes 0.12% (2021: 0.02%) representing government levies on the Fund such as sales taxes, annual fee to the SECP etc.

12. TAXATION

The income of the Fund is exempt from tax under clause 99 of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by the capital gains whether realised or unrealised, is distributed among its unit holders. The Fund has not recorded a tax liability in respect of income relating to the current period as the Management Company intends to distribute more than 90 percent of the Fund's accounting income for the period as reduced by capital gains (whether realised or unrealised) to its unit holders.

13. EARNINGS PER UNIT (EPU)

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, determination of weighted average units for calculating earnings per unit is not practicable.

14. TRANSACTIONS WITH CONNECTED PERSONS / RELATED PARTIES

Connected persons include HBL Asset Management Limited being the Management Company, Habib Bank Limited being the Sponsor, Central Depository Company of Pakistan Limited, being the Trustee of the Fund, other collective investment schemes managed by the Management Company, directors and officers of the Management Company and directors of connected persons.

Transactions with connected persons are in the normal course of business, at contracted rates and terms determined in accordance with market rates.

Remuneration payable to Management Company and Trustee is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed respectively.

Details of the transactions with connected persons and balances with them, if not disclosed elsewhere in these financial statements are as follows:

15. FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets i.e. listed equity shares are based on the quoted market prices at the close of trading on the period end date. The quoted market price used for financial assets held by the Fund is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

IFRS 13, 'Fair Value Measurements: Disclosures' requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

Notes to the Condensed Interim Financial Information (Un-Audited)

For Three Months Ended September 30, 2022

1 LEGAL STATUS AND NATURE OF BUSINESS

HBL Cash Fund (the Fund) was established under a Trust Deed executed between PICIC Asset Management Company Limited (now, HBL Asset Management Limited) as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Fund was approved by the Securities and Exchange Commission of Pakistan (SECP) vide its letter No. SCD/NBFC-II/DD/PCF/844/2010 dated November 11, 2010 and the Trust Deed was executed on October 22, 2010.

Through an order dated August 31, 2016, SECP approved the merger of PICIC Asset Management Company Limited with and into HBL Asset Management Limited effective from August 31, 2016 and the trust deed was revised on February 17, 2017. Effective from September 1, 2016 HBL Asset Management Limited became Management Company of the fund which is a wholly owned subsidiary of Habib Bank Limited. The Aga Khan Fund for Economic Development (AKFED), S.A. is the parent company of Habib Bank Limited.

The Management Company of the Fund has been registered as a Non-Banking Finance Company (NBFC) under the NBFC Rules, 2003 and has obtained the requisite license from the SECP to undertake Asset Management Services. The registered office of the Management Company is located at 7th Floor, Emerald Tower, G-19, Block 5, Main Clifton Road, Clifton, Karachi.

The Fund is an open-ended money market scheme and is listed on Pakistan Stock Exchange Limited. The units of the Fund were initially offered for public subscription at par value of Rs. 100 per unit from December 11, 2010 to December 13, 2010. Thereafter, the units are offered to the public for subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

The Fund has been categorised as a money market scheme as per the criteria laid down by the SECP for categorisation of open-end Collective Investment Schemes (CISs).

The core objective of the Fund is to provide competitive returns to its investors through active investments in low risk portfolio of short duration, while maintaining high liquidity.

JCR-VIS Credit Rating Agency has assigned management quality rating of 'AM2++ (Positive Outlook)' to the Management Company and a stability rating of AA+(f) to the Fund.

Title to the assets of the Fund is held in the name of Central Depository Company Limited as trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

- 2.1.1 This condensed interim financial information have been prepared in accordance with the requirements of the International Accounting Standard 34 Interim Financial Reporting (IAS 34) and provision of and directives issued under the Companies Ordinance, 1984, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non- Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the Securities and Exchange Commission of Pakistan (SECP). Wherever the requirements of NBFC Rules, the NBFC Regulations or directives issued by the SECP differ with the requirements of the IFRS the requirements of NBFC Rules, the NBFC Regulations or the directives issued by the SECP shall prevail.
- 2.1.2 The disclosures made in this condensed interim financial information have, however, been limited based on the requirements of IAS 34. This condensed interim financial information does not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2022.

2.1.3 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that this condensed interim financial information gives a true and fair view of the state of the Fund's affairs as at September 30, 2022.

2.2 Basis of measurement

Previously, such expenses were chargeable maximum upto 0.1% of the average annual net assets of the Fund or the actual cost, whichever is lower.
 - However, SECP vide S.R.O. 639(I)/2019, dated June 20, 2019, has removed the maximum limit of 0.1%. During the year, the fee has been charged at the rate ranging 0.2% of the average annual net assets of the Fund.
- As per Non-Banking Finance Companies and Notified Entities Regulation, 2007 the Management Company is allowed to recover expenses incurred in relation to "selling and marketing expenses" to Collective Investment Scheme subject to certain conditions. During the period the Management Company has charged at the rate 0.2% of the average annual net asset of the fund.

8.1 PROVISION FOR SINDH WORKERS' WELFARE FUND

The Government of Sindh also introduced levy of the Sindh Workers' Welfare Fund (SWWF) through the Sindh Workers' Welfare Act, 2014. The Mutual Fund Association of Pakistan, in the previous years based on opinion obtained from the tax consultants, concluded that SWWF is not applicable on mutual funds. MUFAP also wrote to the Sindh Revenue Board (SRB) that mutual funds are not establishments and are pass through vehicles; therefore, they do not have any worker and, as a result, no SWWF is payable by them. SRB responded back that as mutual funds are included in definition of financial institutions in the Financial Institutions (Recovery of Finance) Ordinance, 2001, and thus SWWF is payable by them. MUFAP has taken up the matter with the concerned ministry [Sindh Finance Ministry] for appropriate resolution of the matter.

During the current year, SRB through its letter dated August 12, 2022 (received on August 13, 2022) to Mutual Funds Association of Pakistan (MUFAP) has clarified that Asset Management Company's (AMCs) are covered under the term "financial institutions" as per the Sindh WWF Act 2014 and are therefore subject to SWWF charge whereas as the Mutual Funds/Pension Funds managed by those AMCs do not qualify as "financial institutions" as per SWWF Act 2014.

In the wake of the aforesaid clarification of SRB, the MUFAP called its Extraordinary General Meeting (EOGM) on August 13, 2022, wherein the MUFAP recommended to its members that effective from August 13, 2022, SWWF recognised earlier should be reversed in light of the clarification issued by SRB. Subsequently, MUFAP approached SECP and obtained the clarification with resprect to this matter as well.

On August 13, 2022 the Fund ceased to charge further provision for SWWF and has reversed full provision for SWWF amounting to Rs. 102.73 million for the period from July 1, 2014 till August 12, 2022.

8.2 The legal status of applicability of Federal Excise Duty on the Fund is the same as that disclosed in note 12.2 to the annual audited financial statements of the Fund for the year ended June 30, 2020, and the appeal which was filed by tax authorities against the order by the Honourable Supreme Court of Pakistan dated July 16, 2016, is pending for decision.

In view of the above, the Management Company, as a matter of abundant caution, is carrying provision for FED for the period from January 13, 2013 to June 30, 2016 aggregating to Rs. 7.528 million. Had the provision not been retained, NAV per unit of the Fund as at September 30, 2022 would have been higher by Rs. 0.02 per unit (June 30, 2022: 0.0212 per unit).

9 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments as at September 30, 2022 and June 30, 2022.

10 TAXATION

The income of the Fund is exempt from tax under clause 99 of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by the capital gains whether realised or unrealised, is distributed among its unit holders in cash. The Fund has not recorded a tax liability in respect of income relating to the current period as the Management Company intends to distribute more than 90 percent of the Fund's accounting income for the period as reduced by capital gains (whether realised or unrealised) to its unit holders. Furthermore, as per regulation no. 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute 90 percent of net accounting income other than capital gains/loss to unit holders. The Fund is also exempt from the provision of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

The Government of Sindh introduced levy of the Sindh Workers' Welfare Fund (SWWF) through the Sindh Workers' Welfare Act, 2014. The Mutual Fund Association of Pakistan (MUFAP), in the previous years based on opinion obtained from the tax consultants, concluded that SWWF is not applicable on mutual funds. MUFAP also wrote to the Sindh Revenue Board (SRB) that mutual funds are not establishments and are pass through vehicles; therefore, they do not have any worker and, as a result, no SWWF is payable by them. SRB responded back that as mutual funds are included in definition of financial institutions in the Financial Institutions (Recovery of Finance) Ordinance, 2001, and thus SWWF is payable by them. MUFAP has taken up the matter with the concerned ministry i.e (Sindh Finance Ministry) for appropriate resolution of the matter.

During the current year, SRB through its letter dated August 12, 2021 (received on August 13, 2021) to Mutual Funds Association of Pakistan (MUFAP) has clarified that Asset Management Companies (AMCs) are covered under the term "financial institutions" as per the Sindh WWF Act 2014 and are therefore subject to SWWF charge whereas as the Mutual Funds / Pension Funds managed by those AMCs do not qualify as "financial institutions" as per SWWF Act 2014.

Based on the aforesaid clarification of SRB, the MUFAP called its Extraordinary General Meeting (EOGM) on August 13, 2021, wherein the MUFAP recommended to its members that effective from August 13, 2021, SWWF recognised earlier should be reversed in light of the clarification issued by SRB. Subsequently, MUFAP approached SECP and obtained the clarification with respect to this matter as well.

On August 13, 2021 the Fund ceased to charge further provision for SWWF and has reversed full provision for SWWF amounting to Rs. 98.533 million that was charged for the period from July 1, 2014 till August 12, 2021.

13 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants and measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets i.e. listed equity shares are based on the quoted market prices at the close of trading on the reporting date. The quoted market price used for financial assets held by the Fund is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

As per the requirements of IFRS 7 (Financial Instrument: Disclosures) and IFRS 13(Fair Value Measurement), the Fund classifies fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Fair value measurement using Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Fair value measurement inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Fair value measurement inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

13.1 Valuation Techniques

For level 2 investments at fair value through fair value profit or loss- investment in respect of Treasury Bills, Fund uses rates which are derived from PKRV rates at reporting date per certificate multiplied by the number of certificate held as at period end.

- 13.2 The fund has not disclosed the fair values for these financial assets and financial liabilities, as these are either short term in nature or reprice periodically. Therefore, their carrying amounts are reasonable approximation of fair value.
- During the period ended september 30, 2022, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 financial instruments.

14 TOTAL EXPENSE RATIO

In accordance with the directive 23 of 2016 dated July 20, 2016 issued by the Securities and Exchange Commission of Pakistan, the total expense ratio

of the Fund for the three month ended September 30, 2022 is 1.15% (YTD) which includes 0.08% representing government levy and SECP fee.

2 BASIS OF PREPARATION

2.1 STATEMENT OF COMPLIANCE

- 2.1.1 This condensed interim financial information has been prepared in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, the requirements of the Trust Deed, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the Securities and Exchange Commission of Pakistan (SECP).
- 2.1.2 Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or directives issued by SECP differ with the requirements of IFRSs, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by SECP prevail.
- 2.1.3 The disclosures made in this condensed interim financial information have, however, been limited based on the requirements of the International Accounting Standard 34, 'Interim Financial Reporting'. This condensed interim financial information does not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published financial statements of the Fund for the year ended June 30, 2019.
- 2.1.4 This condensed interim financial information is unaudited. In compliance with schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the directors of the Management Company hereby declare that this condensed interim financial information gives a true and fair view of the state of the Fund's affairs as at September 30, 2021.

2.2 Basis of measurement

This condensed interim financial information has been prepared under the historical cost convention, except that certain financial assets are stated at fair value.

2.3 Functional and presentation currency

This condensed interim financial information is presented in Pakistani Rupees which is the Fund's functional and presentation currency.

3 SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ACCOUNTING ESTIMATES, JUDGEMENT AND CHANGES THEREIN

- 3.1 The accounting policies adopted for the preparation of the condensed interim financial information are the same as those applied in the preparation of the annual audited financial statements of the Fund for the year, ended June 30, 2022.
- 3.2 The preparation of this condensed interim financial information in conformity with approved accounting standards requires management to make estimates, assumptions and use judgements that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.
- 3.3 The significant estimates, judgements and assumptions made by the management in applying the accounting policies and the key sources of estimation uncertainty are the same as those applied to the annual audited financial statements as at and for the year ended June 30, 2022.
- 3.4 Certain amendments to approved accounting standards have been published and are mandatory for the Fund's accounting period beginning on or after July 01, 2021. None of these amendments are expected to have a significant effect on this condensed interim financial information.
- 3.5 The Fund's financial risk management objectives and policies are consistent with that disclosed in this financial information for the year ended June 30, 2022.

^{*}Sponser of the Management Company

- 5.2 Investments include shares having market value aggregating to Rs. 102.5891 million that have been pledged with National Clearing Company of Pakistan Limited for guaranteeing settlement of the Fund's trades in terms of Circular 11 dated October 23, 2007 issued by the SECP.
- 5.2.1 This includes gross bonus shares as per Fund's entitlement declared by the investee company. Finance Act, 2014 has brought amendments in the Income Tax Ordinance, 2001 whereby the bonus shares received by the shareholder are to be treated as income and a tax at the rate of 5 percent is to be applied on value of bonus shares determined on the basis of day end price on the first day of closure of books. The tax is to be collected at source by the investee company which shall be considered as final discharge of tax liability on such income. However, the Management Company of the Fund jointly with other asset management companies and Mutual Fund Association of Pakistan, has filed a petition in Honorable Sindh High Court to declare the amendments brought in Income Tax Ordinance, 2001 with reference to tax on bonus shares for collective investment schemes as null and void and not applicable on the mutual funds based on the premise of exemption available to mutual funds under clause 99 of Part I and clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. The Honorable Sindh High Court has granted stay order till the final outcome of the case. However, the investee company(s) has withheld the share equivalent to 5% of bonus announcement of the Fund having fair market value of Rs. 3.58 million at Sep 30, 2022 (June 30, 2022: Rs.3.445 million) and not yet deposited on CDC account of department of Income tax. Management Company is of the view that the decision will be in the favor and accordingly has recorded the bonus shares on gross basis at fair value in Fund's investments at year end.

Under the agreement, the issuer was required to complete the public offering by October 9, 2008. However, no public offering has been carried out by the issuer till Sep 30, 2022. In addition, profit on the advance against subscription, due after six months from the date of subscription, has also not been received by the Fund. As at Sep 30, 2021, the advance against subscription has been fully provided in accordance with the provisioning policy of the Fund as approved by the Board of Directors of the Management Company

9.1 PROVISION FOR FEDERAL EXCISE DUTY AND ADDITIONAL SALES TAX ARISING AS A RESULT OF IMPOSITION THEREOF

The legal status of applicability of Federal Excise Duty on the Fund is same as that disclosed in note 12.1 to the annual audited financial statements of the Fund for the year ended June 30, 2021, and the appeal filed by tax authorities against the order passed by Honourable Supreme Court of Pakistan dated July 16, 2016, is pending for decision.

In view of above, the Management Company, as a matter of abundant caution, is carrying provision for FED for the period from January 13, 2013 to June 30, 2016 aggregating to Rs. 37.838 million. Had the provision not been made, the Net Asset Value per unit as at September 30, 2022 would have been higher by Rs. 11.28 (June 30, 2022: Rs. 11.55) per unit.

9.2 WORKERS' WELFARE FUND AND SINDH WORKERS' WELFARE FUND

As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) had been passed by the Government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs 0.50 million, is required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to two percent of such income. The matter was taken up by the Mutual Funds Association of Pakistan (MUFAP) with the Sindh Revenue Board (SRB) collectively on behalf of various asset management companies and their CISs whereby it was contested that mutual funds should be excluded from the ambit of SWWF Act as these were not industrial establishments but were pass-through investment vehicles and did not employ workers. The SRB held that mutual funds were included in the definition of financial institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. Thereafter, MUFAP had taken up the matter with the Sindh Finance Ministry to have CISs / mutual funds excluded from the applicability of SWWF. In view of the above developments regarding the applicability of SWWF on CISs / mutual funds, MUFAP had recommended that as a matter of abundant caution provision in respect of SWWF should be made on a prudent basis with effect from the date of enactment of the Sindh WWF Act, 2014 (i.e. starting from May 21, 2015). However, the Fund had recorded provision in respect of SWWF with effect from July 1, 2014.

During the year, SRB through its letter dated August 12, 2021 intimated MUFAP that the mutual funds do not qualify as Financial Institutions / Industrial Establishments and are therefore, not liable to pay the SWWF contributions. This development was discussed at MUFAP level and was also taken up with the SECP. All the Asset Management Companies, in consultation with the SECP, have reversed the cumulative provision for SWWF recognised in the financial statements of the Funds, for the period from July 1, 2014 to August 12, 2021, on August 13, 2021. The SECP also gave its concurrence for prospective reversal of provision for SWWF. Going forward, no provision for SWWF has been recognised in the financial statements of the Fund.

9.3 CONTINGENCIES AND COMMITMENTS

There were no contingencies or commitments outstanding as at September 30, 2022

9.1 COMMITTED CREDIT LINES

The Securities and Exchange Commission of Pakistan Vide Direction No. 2 of 2017 dated January 13, 2017 as amended by Direction No. 7 of 2017 dated March 3, 2017, has directed all asset management companies to arrange committed credit lines from banks / DFIs for the equity funds equivalent to 10% of its net assets for redemption purposes. Accordingly, the Management Company of the fund has obtained committed credit lines of PKR 925 million at rate of 3 months KIBOR plus 0.45%. The management company is required to review the committed credit at least on a quarterly basis against the net assets of the Fund.

10 TOTAL EXPENSE RATIO

The Scheme has maintained Total Expense Ratio (TER) 5.16% (0.36% representing Government Levies, and SECP Fee).

12 TAXATION

The income of the Fund is exempt from tax under clause 99 of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by the capital gains whether realised or unrealised, is distributed among its unit holders. The Fund has not recorded a tax liability in respect of income relating to the current period as the Management Company intends to distribute more than 90 percent of the Fund's accounting income for the period as reduced by capital gains (whether realised or unrealised) to its unit holders.

13 EARNINGS PER UNIT (EPU)

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, determination of weighted average units for calculating earnings per unit is not practicable.

15 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets i.e. listed equity shares are based on the quoted market prices at the close of trading on the period end date.

The quoted market price used for financial assets held by the Fund is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

IFRS 13, 'Fair Value Measurements: Disclosures' requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

HBL Equity Fund

Notes to the Condensed Interim Financial Information (Unaudited)

FOR THE QUARTER ENDED SEPTEMBER 30, 2022

1 LEGAL STATUS AND NATURE OF BUSINESS

HBL Equity Fund ("the Fund") was established under a Trust Deed executed between PICIC Asset Management Company Limited (now, HBL Asset Management Limited) as the Management Company and the Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Fund was approved by the Securities and Exchange Commission of Pakistan (SECP) vide its letter no. SCD/NBFC-II/PSF/249/2011 dated June 1, 2011 and the trust deed was executed on June 14, 2011.

During the year, the Securities and Exchange Commission of Pakistan approved merger of PICIC Asset Management Company Limited with and into HBL Asset Management Limited effective from August 31, 2016 through an order dated August 31, 2016. Effective from September 1, 2016 HBL Asset Management Limited became Management Company of the Fund which is a wholly owned subsidiary of Habib Bank Limited. Accordingly, the trust deed was revised on February 17, 2017. The Aga Khan Fund For Economic Development (AKFED), S.A. is the parent company of Habib Bank Limited.

The Management Company of the Fund has been registered as a Non-Banking Finance Company (NBFC) under the NBFC Rules, 2003 and has obtained the requisite license from the SECP to undertake Asset Management Services. During the year, the office of the Management Company shifted to 7th Floor, Emerald Tower, G-19, Block 5, Main Clifton Road, Clifton, Karachi.

The Fund is an open-ended mutual Fund and is listed on the Pakistan Stock Exchange Limited. The units of the Fund were initially offered to the public for subscription at par value of Rs 100 per unit from September 24, 2011 to September 26, 2011. Thereafter, the units are offered to the public for subscription on a continuous basis and are transferrable and redeemable by surrendering them to the Fund.

The Fund has been categorised as an equity scheme as per the criteria laid down by the SECP for categorisation of Collective Investment Schemes (CISs).

The investment objective of the Fund is to provide investors a diversified equity portfolio with a primary objective of maximizing risk-adjusted returns over longer investment horizon through a combination of capital gains and dividend income.

Title to the assets of the Fund is held in the name of CDC as trustee of the Fund.

JCR-VIS Credit Rating Company has assigned an asset manager rating of 'AM2++ (Positive outlook)' to the Management Company.

2 BASIS OF PREPARATION

2.1 STATEMENT OF COMPLIANCE

- 2.1.1 This condensed interim financial information has been prepared in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, the requirements of the Trust Deed, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the Securities and Exchange Commission of Pakistan (SECP). Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Rules, the NBFC Regulations or the directives issued by SECP prevail.
- 2.1.2 The disclosures made in this condensed interim financial information have, however, been limited based on the requirements of the International Accounting Standard 34, 'Interim Financial Reporting'. This condensed interim financial information does not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published financial statements of the Fund for the year ended June 30, 2021.

2.1.3 This condensed interim financial information is unaudited. In compliance with schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the directors of the Management Company hereby declare that this condensed interim financial information gives a true and fair view of the state of the Fund's affairs as at September 30, 2020.

2.2 Basis of measurement

This condensed interim financial information has been prepared under the historical cost convention, except that certain financial assets are stated at fair value.

2.3 Functional and presentation currency

This condensed interim financial information is presented in Pakistani Rupees which is the Fund's functional and presentation currency.

- 3 SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ACCOUNTING ESTIMATES, JUDGEMENT AND CHANGES THEREIN
- 3.1 The accounting policies adopted for the preparation of the condensed interim financial information are the same as those applied in the preparation of the annual audited financial statements of the Fund for the year, ended June 30, 2020.
- 3.2 The preparation of this condensed interim financial information in conformity with approved accounting standards requires management to make estimates, assumptions and use judgements that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.
- 3.3 The significant estimates, judgements and assumptions made by the management in applying the accounting policies and the key sources of estimation uncertainty are the same as those applied to the annual audited financial statements as at and for the year ended June 30, 2020.
- 3.4 Certain amendments to approved accounting standards have been published and are mandatory for the Fund's accounting period beginning on or after July 01, 2020. None of these amendments are expected to have a significant effect on this condensed interim financial information.
- 3.5 The Fund's financial risk management objectives and policies are consistent with that disclosed in this financial information for the year ended June 30, 2020.

- 5.1.1 The above investments include shares with market value aggregating to Rs. 86.87 million (June 2021: Rs. 154.6 million) which have been pledged with the National Clearing Company of Pakistan Limited (NCCPL) as collateral for guaranteeing settlement of the fund's trades in accordance with Circular No. 11 dated October 23, 2007 issued by the SECP.
- 5.1.2 These investments include gross bonus shares as per Fund's entitlement declared by the investee companies. Finance Act, 2014 has brought amendments in the Income Tax Ordinance, 2001 whereby the bonus shares received by the shareholder are to be treated as income and a tax at the rate of 5% is to be applied on value of bonus shares determined on the basis of day end price on the first day of closure of books. The tax is to be collected at source by the investee company which shall be considered as final discharge of tax liability on such income. However, the Management Company of the Fund jointly with other asset management companies and Mutual Fund Association of Pakistan, has filed a petition in Honorable Sindh High Court to declare the amendments brought in Income Tax Ordinance, 2001 with reference to tax on bonus shares for collective investment schemes as null and void and not applicable on the funds based on the premise of exemption given to mutual funds under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001. The Honorable Sindh High Court has granted stay order till the final outcome of the case. However, the investee company(s) has withheld the share equivalent to 5% of bonus announcement of the Fund having aggregate fair market value of Rs. 0.55 million at September 30, 2021 (June 30, 2021: Rs. 1.58 million) and not yet deposited on CDC account of department of Income tax. Management is of the view that the decision will be in the favor and accordingly has recorded the bonus shares on gross basis at fair value in its investments at period end.

- As per the offering document of the Fund, the Management Company may charge a fee at the rate of 2% of the average daily net asset of the scheme. The fee is payable monthly in arrears.
- 6.2 The Sindh Provincial Government has levied Sindh Sales Tax (SST) at the rate of 13 percent on the remuneration of management company through Sindh Sales Tax on Services Act, 2011.

7 PAYABLE TO THE TRUSTEE

The trustee is entitled to a monthly remuneration for services rendered to the fund under the provision of the Trust Deed. CDC vide notification CDC/CEO/L-112/02/2019, dated June 27, 2019, has revised the rates of the Trustee fee, with effect from July 1, 2019, according to which, Trustee fee shall be charged by permanently eliminating the minimum fee component as mentioned in the offering documents. During the year, Management Company has charged the Trustee fee accordingly. The fee is payable monthly in arrears.

8 PAYABLE TO SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

Under the regulation 62 of the NBFC Regulations, a Collective Investment Scheme (CIS) categorized as an equity scheme is required to pay as annual fee to the SECP, an amount equal to 0.095% of the average annual net assets of the Scheme. However, SECP, vide S.R.O. 685 (I)/2019, dated June 28, 2019, has reduced the rate of the fee to 0.02% of the average annual net assets for all categories of CIS(s). During the year, Management Company has charged the fee accordingly. The fee is payable annually in arrears.

9.1 PROVISION FOR SINDH WORKERS' WELFARE FUND

The Government of Sindh also introduced levy of the Sindh Workers' Welfare Fund (SWWF) through the Sindh Workers' Welfare Act, 2014. The Mutual Fund Association of Pakistan, in the previous years based on opinion obtained from the tax consultants, concluded that SWWF is not applicable on mutual funds. MUFAP also wrote to the Sindh Revenue Board (SRB) that mutual funds are not establishments and are pass through vehicles; therefore, they do not have any worker and, as a result, no SWWF is payable by them. SRB responded back that as mutual funds are included in definition of financial institutions in the Financial Institutions (Recovery of Finance) Ordinance, 2001, and thus SWWF is payable by them. MUFAP has taken up the matter with the concerned ministry [Sindh Finance Ministry] for appropriate resolution of the matter.

During the current year, SRB through its letter dated August 12, 2021 (received on August 13, 2021) to Mutual Funds Association of Pakistan (MUFAP) has clarified that Asset Management Company's (AMCs) are covered under the term "financial institutions" as per the Sindh WWF Act 2014 and are therefore subject to SWWF charge whereas as the Mutual Funds/Pension Funds managed by those AMCs do not qualify as "financial institutions" as per SWWF Act 2014.

In the wake of the aforesaid clarification of SRB, the MUFAP called its Extraordinary General Meeting (EOGM) on August 13, 2021, wherein the MUFAP recommended to its members that effective from August 13, 2021, SWWF recognised earlier should be reversed in light of the clarification issued by SRB. Subsequently, MUFAP approached SECP and obtained the clarification with resprect to this matter as well.

On August 13, 2021 the Fund ceased to charge further provision for SWWF and has reversed full provision for SWWF amounting to Rs. 8.20 million for the period from July 1, 2014 till August 12, 2021.

9.2 PROVISION FOR FEDERAL EXCISE DUTY

The legal status of applicability of Federal Excise Duty on the Fund is same as that disclosed in note 12.1 to the annual audited financial statements of the Fund for the year ended June 30, 2020, and the appeal filed by tax authorities against the order by Honourable Supreme Court of Pakistan dated July 16, 2016, is pending for decision. 2

In view of above, the Management Company, as a matter of abundant caution, is carrying provision for FED for the period from January 13, 2013 to June 30, 2016 aggregating to Rs. 5.685 million. Had the provision not been retained, NAV per unit of the Fund as at September 30, 2022 would have been higher by Re. 0.781 (June 30, 2022: Re. 0.534) per unit.

10 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at September 30, 2022 and June 30, 2022.

11 TAXATION

The income of the Fund is exempt from tax under clause 99 of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by the capital gains whether realised or unrealised, is distributed among its unit holders. The Fund has not recorded a tax liability in respect of income relating to the current period as the Management Company intends to distribute more than 90 percent of the Fund's accounting income for the period as reduced by capital gains (whether realised or unrealised) to its unit holders.

12 EARNINGS PER UNIT

Earnings per unit has not been disclosed as in the opinion of the management determination of cumulative weighted average number of outstanding units for calculating earnings per unit is not practicable.

13 TOTAL EXPENSE RATIO

The Scheme has maintained Total Expense Ratio (TER) 6.08% (June 2022: 4.49%) (0.48% of TER representing Government Levies (June 2022: 0.32%), and SECP Fee).

14 TRANSACTIONS WITH CONNECTED PERSONS

Connected persons include HBL Asset Management Company Limited being the Management Company, Central Depository Company of Pakistan Limited being the Trustee, HBL Group Being the Holding Group, other collective investment schemes managed by the Management Company, other associated companies of the Management Company and directors and officers of the Management Company.

The transactions with connected persons are in the normal course of business, at contracted rates and term determined in accordance with the market rates.

Remuneration and front-end load payable to the Management Company is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed respectively.

Remuneration payable to the Trustee is determined in accordance with the provisions of the Trust Deed.

Details of transactions carried out by the Fund with connected persons and balances with them other than those disclosed elsewhere in these condensed interim financial statements, as at period end, are as follows:

15 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets i.e. listed equity shares are based on the quoted market prices at the close of trading on the period end date. The quoted market prices used for financial assets held by the company is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

IFRS 13, 'Fair Value Measurements' requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or Liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

Condensed Interim Statement of Cash Flow (Un- Audited)

For The Three Months Ended September 30, 2022

1. LEGAL STATUS AND NATURE OF BUSINESS

HBL Energy Fund (Formerly PICIC Energy Fund) ("the Fund") was established in 2006 as a closed-end scheme under a Trust Deed executed between PICIC Asset Management Company Limited as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee.

In accordance with clause 65(1) of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, a meeting of the certificate holders of the Fund was held on January 31, 2013 whereby the conversion of the Fund into an open-end scheme was duly approved through a resolution passed by the majority of the certificate holders present in the meeting who were entitled to vote. The Securities and Exchange Commission of Pakistan accorded its final approval for conversion of the Fund into an open-end scheme through its letter dated May 3, 2013. The second supplemental Trust Deed and replacement Offering Document were approved by SECP vide its letter no SCD/PRDD/AMCW/PEF/567/2013 dated May 31, 2013 and letter no SCD/PRDD/AMCW/PEF/606/2013 dated June 24, 2013 respectively. The conversion of the Fund from a closed end fund to an open-end fund was authorised by the Securities and Exchange Commission of Pakistan (SECP) vide its letter No. SCD/PRDD/AMCW/PEF/607/2013 dated June 24, 2013. The Fund converted into an open end scheme on the effective date i.e. June 25, 2013. The certificates of the closed-end fund were cancelled on the effective date and were exchanged with the units of the open-end scheme in the swap ratio of 1:1. Each certificate holder was allotted units according to their respective holdings as at that date on the basis of a ratio of 1 certificate to 1 unit. Accordingly 100,000,000 units were issued on the date of conversion.

Since the effective date of conversion, the certificates of the closed-end scheme were de-lisited from Pakistan Stock Exchange. Units of the open-end scheme are listed on the Pakistan Stock Exchange Limited. The units are offered to the public for subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.

Through an order dated August 31, 2016, SECP approved the merger of PICIC Asset Management Company Limited with and into HBL Asset Management Limited effective from August 31, 2016 and the trust deed was revised on February 17, 2017. Effective from September 1, 2016, HBL Asset Management Limited became Management Company of the Fund which is a wholly owned subsidiary of Habib Bank Limited. The Aga Khan Fund For Economic Development (AKFED), S.A. is the parent company of Habib Bank Limited.

The Management Company of the Fund has been registered as a Non-Banking Finance Company (NBFC) under the NBFC Rules, 2003 and has obtained the requisite license from the SECP to undertake Asset Management Services. The registered office of the Management Company is located at 7th Floor, Emerald Tower, G-19, Block 5, Main Clifton Road, Clifton, Karachi.

The Fund has been categorised as an equity scheme as per the criteria laid down by the SECP for categorisation of open-end Collective Investment Schemes (CISs).

The core objective of the Fund is to invest in securities of the energy sector in Pakistan so as to provide investors an access to high quality blue chip stocks in the energy sector. The eligible stocks comprise of investment in shares of companies engaged in the following activities:

- Oil and Gas Exploration
- Oil and Gas Marketing
- Oil Refining
- Power Generation and Distribution

JCR-VIS Credit Rating Company has assigned an asset manager rating of 'AM2++ (Positive outlook)' to the Management Company.

Title to the assets of the Fund is held in the name of Central Depository Company Limited as trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

2.1.1 This condensed interim financial information has been prepared in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting. Approved accounting standards comprise of such International Financial Reporting Standards ("IFRSs") issued by the International Accounting Standards Board as are notified under the Companies Act, 2017, the requirements of the Trust Deed, the NBFC Rules, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the "NBFC Regulations") and the directives issued by the SECP.

Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP differ with the requirements of the IFRS, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP prevail

- 2.1.2 The disclosures made in this condensed interim financial information have, however, been limited based on the requirements of IAS 34. This condensed interim financial information does not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2022.
- 2.1.3 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that this condensed interim financial information gives a true and fair view of the state of the Fund's affairs as at September 30, 2022.

2.2 Basis of measurement

This condensed interim financial information has been prepared under the historical cost convention, except that certain financial assets are stated at fair value.

2.3 Functional and presentation currency

This condensed interim financial information is presented in Pakistani Rupees which is the Fund's functional and presentation currency.

3 SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ACCOUNTING ESTIMATES, JUDGEMENT AND CHANGES THEREIN

- 3.1 The accounting policies adopted for the preparation of the condensed interim financial information are the same as those applied in the preparation of the annual audited financial statements of the Fund for the year ended June 30, 2022.
- 3.2 The preparation of this condensed interim financial information in conformity with approved accounting standards requires management to make estimates, assumptions and use judgements that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.
- 3.3 The significant estimates, judgements and assumptions made by the management in applying the accounting policies and the key sources of estimation uncertainty are the same as those applied to the annual audited financial statements as at and for the year ended June 30, 2022.
- 3.4 Certain amendments to approved accounting standards have been published and are mandatory for the Fund's accounting period beginning on or after July 01, 2020. None of these amendments are expected to have a significant effect on this condensed interim financial information.
- 3.5 The financial risk management objectives and policies are consistent with those disclosed in the annual financial statements of the Fund for the year ended June 30, 2022.

- 5.2 Investments include shares having market value aggregating to Rs. 51.249 million that have been pledged with National Clearing Company of Pakistan Limited for guaranteeing settlement of the Fund's trades in terms of Circular 11 dated October 23, 2007 issued by the SECP.
- These investments include gross bonus shares as per Fund's entitlement declared by the investee companies. Finance Act, 2014 has brought amendments in the Income Tax Ordinance, 2001 whereby the bonus shares received by the shareholder are to be treated as income and a tax at the rate of 5% is to be applied on value of bonus shares determined on the basis of day end price on the first day of closure of books. The tax is to be collected at source by the investee company which shall be considered as final discharge of tax liability on such income. However, the Management Company of the Fund jointly with other asset management companies and Mutual Fund Association of Pakistan, has filed a petition in Honorable Sindh High Court to declare the amendments brought in Income Tax Ordinance, 2001 with reference to tax on bonus shares for collective investment schemes as null and void and not applicable on the funds based on the premise of exemption given to mutual funds under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001. The Honorable Sindh High Court has granted stay order till the final outcome of the case. However, the investee company(s) has withheld the share equivalent to 5% of bonus announcement of the Fund having aggregate fair market value of Rs. 0.39 million at September 30, 2022 (June 30, 2022: 0.411 million) and not yet deposited on CDC account of department of Income tax. Management is of the view that the decision will be in the favor and accordingly has recorded the bonus shares on gross basis at fair value in its investments at period end.

7.1 PROVISION FOR FEDERAL EXCISE DUTY

The legal status of applicability of Federal Excise Duty on the Fund is same as that disclosed in note 12.1 to the annual audited financial statements of the Fund for the year ended June 30, 2022, and the appeal filed by tax authorities against the order passed by Honourable Supreme Court of Pakistan dated July 16, 2016, is pending for decision.

In view of above, the Management Company, as a matter of abundant caution, is carrying provision for FED for the period from January 13, 2013 to June 30, 2016 aggregating to Rs. 13.920 million. Had the provision not been made, the Net Asset Value per unit as at September 30, 2022 would have been higher by Re. 0.43 (June 30, 2022: Re. 0.32) per unit.

7.2 Provision Workers' Welfare Fund and Sindh Workers' Welfare Fund

The Government of Sindh introduced levy of the Sindh Workers' Welfare Fund (SWWF) through the Sindh Workers' Welfare Act, 2014. The Mutual Fund Association of Pakistan (MUFAP), in the previous years based on opinion obtained from the tax consultants, concluded that SWWF is not applicable on mutual funds. MUFAP also wrote to the Sindh Revenue Board (SRB) that mutual funds are not establishments and are pass through vehicles; therefore, they do not have any worker and, as a result, no SWWF is payable by them. SRB responded back that as mutual funds are included in definition of financial institutions in the Financial Institutions (Recovery of Finance) Ordinance, 2001, and thus SWWF is payable by them. MUFAP has taken up the matter with the concerned ministry i.e. (Sindh Finance Ministry) for appropriate resolution of the matter.

During the current year, SRB through its letter dated August 12, 2021 (received on August 13, 2021) to Mutual Funds Association of Pakistan (MUFAP) has clarified that Asset Management Companies (AMCs) are covered under the term "financial institutions" as per the Sindh WWF Act 2014 and are therefore subject to SWWF charge whereas as the Mutual Funds / Pension Funds managed by those AMCs do not qualify as "financial institutions" as per SWWF Act 2014.

Bases on the aforesaid clarification of SRB, the MUFAP called its Extraordinary General Meeting (EOGM) on August 13, 2021, wherein the MUFAP recommended to its members that effective from August 13, 2021, SWWF recognised earlier should be reversed in light of the clarification issued by SRB. Subsequently, MUFAP approached SECP and obtained the clarification with resprect to this matter as well.

On August 13, 2021 the Fund ceased to charge further provision for SWWF and has reversed full provision for SWWF amounting to Rs. 7.320 million that was charged for the period from July 1, 2014 till August 12, 2021.

8 CONTINGENCIES AND COMMITMENTS

There were no contingencies as at September 30, 2022 and June 30, 2022.

9 TAXATION

The income of the Fund is exempt from tax under clause 99 of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by the capital gains whether realised or unrealised, is distributed among its unit holders in cash. The Fund has not recorded a tax liability in respect of income relating to the current period as the Management Company intends to distribute more than 90 percent of the Fund's accounting income for the period as reduced by capital gains (whether realised or unrealised) to its unit holders. Furthermore, as per regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute 90 percent of net accounting income other than capital gains/loss to unit holders. The Fund is also exempt from the provision of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

10 EARNING PER UNIT (EPU)

Earnings per unit has not been disclosed as in the opinion of the management determination of cumulative weighted average number of outstanding units for calculating earnings per unit is not practicable.

11 TOTAL EXPENSE RATIO

In accordance with the directive 23 of 2016 dated July 20, 2016 issued by the Securities and Exchange Commission of Pakistan (SECP), the total expense ratio of the Fund for the three months ended September 30, 2022 is 4.68% which includes 0.36% representing government levy and SECP fee.

14 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets i.e. listed equity shares are based on the quoted market prices at the close of trading on the period end date. The quoted market price used for financial assets held by the Fund is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

IFRS 13, 'Fair Value Measurements: Disclosures' requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

2. BASIS OF PREPARATION

2.1 STATEMENT OF COMPLIANCE

2.1.1 This condensed interim financial information has been prepared in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting. Approved accounting standards comprise of such International Financial Reporting Standards (""IFRSs"") issued by the International Accounting Standards Board as are notified under the Companies Act, 2017, the requirements of the Trust Deed, the NBFC Rules, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the ""NBFC Regulations"") and the directives issued by the SECP.

Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP differ with the requirements of the IFRS, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP prevail.

- 2.1.2 The disclosures made in this condensed interim financial information have, however, been limited based on the requirements of IAS 34. This condensed interim financial information does not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2021.
- 2.1.3 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that this condensed interim financial information gives a true and fair view of the state of the Fund's affairs as at September 30, 2021.

2.2 Basis of measurement

This condensed interim financial information has been prepared under the historical cost convention, except that certain financial assets are stated at fair value.

2.3 Functional and presentation currency

This condensed interim financial information is presented in Pakistani Rupees which is the Fund's functional and presentation currency.

3. SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ACCOUNTING ESTIMATES, JUDGEMENT AND CHANGES THEREIN

- 3.1 The accounting policies adopted for the preparation of the condensed interim financial information are the same as those applied in the preparation of the annual audited financial statements of the Fund for the year, ended June 30, 2022.
- 3.2 The preparation of this condensed interim financial information in conformity with approved accounting standards requires management to make estimates, assumptions and use judgements that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.
- 3.3 The significant estimates, judgements and assumptions made by the management in applying the accounting policies and the key sources of estimation uncertainty are the same as those applied to the annual audited financial statements as at and for the year ended June 30, 2022.
- 3.4 Certain amendments to approved accounting standards have been published and are mandatory for the Fund's accounting period beginning on or after July 01, 2021. None of these amendments are expected to have a significant effect on this condensed interim financial information.
- 3.5 The Fund's financial risk management objectives and policies are consistent with that disclosed in this financial information for the year ended June 30, 2022.

- 5.3.1 Investments include shares having market value aggregating to Rs. 21.699 million that have been pledged with National Clearing Company of Pakistan Limited for guaranteeing settlement of the Fund's trades in terms of Circular 11 dated October 23, 2007 issued by the SECP.
- 5.3.2 Thses include gross bonus shares as per Fund's entitlement declared by the investee companies. Finance Act, 2014 has brought amendments in the Income Tax Ordinance, 2001 whereby the bonus shares received by the shareholder are to be treated as income and a tax at the rate of 5 percent is to be applied on value of bonus shares determined on the basis of day end price on the first day of closure of books. The tax is to be collected at source by the investee company which shall be considered as final discharge of tax liability on such income. However, the Management Company of the Fund jointly with other asset management companies and Mutual Fund Association of Pakistan, has filed a petition in Sindh High Court to declare the amendments brought in Income Tax Ordinance, 2001 with reference to tax on bonus shares for collective investment schemes as null and void and not applicable on the mutual funds based on the premise of exemption available to mutual funds under clause 99 of Part I and clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. The Sindh High Court has granted stay order till the final outcome of the case. However, the investee companies have withheld the bonus shares equivalent to 5% of bonus announcement of the Fund having fair market value of Rs. 383,158 at September 30, 2022 (2021: Rs.514,000) and not yet deposited in CDC account of Department of Income tax. Management Company is of the view that the decision will be in the favor and accordingly has recorded the bonus shares on gross basis at fair value in Fund's investments at year end.

9.1 PROVISION FOR FEDERAL EXCISE DUTY

The legal status of applicability of Federal Excise Duty on the Fund is same as that disclosed in note 11.1 to the annual audited financial statements of the Fund for the year ended June 30, 2022, and the appeal filed by tax authorities against the order passed by Honourable Supreme Court of Pakistan dated July 16, 2016, is pending for decision.

In view of above, the Management Company, as a matter of abundant caution, is carrying provision for FED for the period from January 13, 2013 to June 30, 2016 aggregating to Rs. 6.61 million. Had the provision not been made, the Net Asset Value per unit as at September 30, 2021 would have been higher by Re. 8.5061 (June 30, 2022: Re. 5.8977) per unit.

9.2 WORKERS' WELFARE FUND AND SINDH WORKERS' WELFARE FUND

The Government of Sindh also introduced levy of the Sindh Workers' Welfare Fund (SWWF) through the Sindh Workers' Welfare Act, 2014. The Mutual Fund Association of Pakistan, in the previous years based on opinion obtained from the tax consultants, concluded that SWWF is not applicable on mutual funds. MUFAP also wrote to the Sindh Revenue Board (SRB) that mutual funds are not establishments and are pass through vehicles; therefore, they do not have any worker and, as a result, no SWWF is payable by them. SRB responded back that as mutual funds are included in definition of financial institutions in the Financial Institutions (Recovery of Finance) Ordinance, 2001, and thus SWWF is payable by them. MUFAP has taken up the matter with the concerned ministry [Sindh Finance Ministry] for appropriate resolution of the matter.

During the previous year, SRB through its letter dated August 12, 2021 (received on August 13, 2021) to Mutual Funds Association of Pakistan (MUFAP) has clarified that Asset Management Company's (AMCs) are covered under the term "financial institutions" as per the Sindh WWF Act 2014 and are therefore subject to SWWF charge whereas as the Mutual Funds/Pension Funds managed by those AMCs do not qualify as "financial institutions" as per SWWF Act 2014.

In the wake of the aforesaid clarification of SRB, the MUFAP called its Extraordinary General Meeting (EOGM) on August 13, 2021, wherein the MUFAP recommended to its members that effective from August 13, 2021, SWWF recognised earlier should be reversed in light of the clarification issued by SRB. Subsequently, MUFAP approached SECP and obtained the clarification with resprect to this matter as well.

On August 13, 2021 the Fund ceased to charge further provision for SWWF and has reversed full provision for SWWF amounting to Rs. 5.5624 million for the period from July 1, 2014 till August 12, 2021.

10. CONTINGENCIES AND COMMITMENTS

There were no contingencies or commitments outstanding as at September 30, 2022.

11. TAXATION

The income of the Fund is exempt from tax under clause 99 of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by the capital gains whether realised or unrealised, is distributed among its unit holders. The Fund has not recorded a tax liability in respect of income relating to the current period as the Management Company intends to distribute more than 90 percent of the Fund's accounting income for the period as reduced by capital gains (whether realised or unrealised) to its unit holders.

12. EARNINGS PER UNIT (EPU)

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, determination of weighted average units for calculating earnings per unit is not practicable.

13. TOTAL EXPENSE RATIO

14.1

The Scheme has maintained Total Expense Ratio (TER) 4.84% (0.36% representing Government Levies, and SECP Fee).

14. TRANSACTIONS WITH CONNECTED PERSONS / RELATED PARTIES

Connected persons include HBL Asset Management Limited being the Management Company, Habib Bank Limited being the Sponsor, Central Depository Company of Pakistan Limited, being the Trustee of the Fund, other collective investment schemes managed by the Management Company, directors and officers of the Management Company, directors of connected persons and persons having 10% or more beneficial ownership of the units of the Fund.

Transactions with connected persons are in the normal course of business, at contracted rates and terms determined in accordance with market rates.

Remuneration payable to Management Company and Trustee is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed respectively.

Details of the transactions with connected persons and balances with them, if not disclosed elsewhere in the condensed interim financial information are as follows:

16 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets i.e. listed equity shares are based on the quoted market prices at the close of trading on the period end date. The quoted market price used for financial assets held by the Fund is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

IFRS 13, 'Fair Value Measurements: Disclosures' requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

Notes to the Condensed Interim Financial Information (Un-Audited)

For the Three months ended September 30, 2022

LEGAL STATUS AND NATURE OF BUSINESS

HBL Financial Planning Fund (the Fund), was established under the Trust Deed executed between HBL Asset Management Limited as the Management Company and MCB Financial Services Limited (MCBFSL) as the Trustee. The Trust Deed was executed on March 22, 2017 and was approved by the Securities and Exchange Commission of Pakistan (SECP) on April 14, 2017 in accordance with the requirements of the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules). The registered office of the Management Company is situated at 7th Floor, Emerald Tower, G-19, Block 5, Main Clifton Road, Clifton. The Fund commenced its operations from October 11, 2017.

The Fund is an open ended fund of fund scheme and the Fund is listed on Pakistan Stock Exchange Limited. The Fund has three different plans namely Active Allocation Plan, Conservative Allocation Plan and Strategic Allocation Plan (collectively referred as 'Plans'). The units of Conservative Allocation Plan and Active Allocation Plan were initially offered to public (IPO) on September 11, 2017 to October 10, 2017 whereas units of Strategic Allocation Plan were offered from August 07, 2017 to October 10, 2017. The units are transferable and can be redeemed by surrendering them to the Fund at the option of unit holder. The Fund is perpetual but the allocation plans may have a set time frame. Each Allocation Plan will announce separate NAVs which will rank pari passu inter se according to the number of units of the respective Allocation Plans. Units are offered for public subscription on a continuous basis. However, term-based plans, may be offered for a limited subscription period.

The Fund aims to generate returns on investment as per the respective Allocation Plan by investing in Mutual Funds in line with the risk tolerance of the Investor. Following is the description of three plans currently in operation:-

The "Active Allocation Plan" is an Allocation Plan under the "HBL Financial Planning Fund" with an objective to earn a potentially high return through active asset allocation between Equity scheme(s), Income scheme(s) and Money Market Schemes based on the Fund Manager's outlook on the asset classes.

The "Conservative Allocation Plan" is an Allocation Plan under the "HBL Financial Planning Fund" and primarily aims to provide stable returns with some capital appreciation through a pre-determined mix of investments in equity, income and money market funds. This Allocation Plan is suitable for Investors who have moderate risk tolerance and have a short to medium term investment horizon.

2 BASIS OF PREPARATION

2.1 Statement of compliance

This condensed interim financial information has been prepared in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, the requirements of the Trust Deed, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the Securities and Exchange Commission of Pakistan (SECP). Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or directives issued by SECP differ with the requirements of IFRSs, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by SECP prevail.

The disclosures made in this condensed interim financial information have, however, been limited based on the requirements of the International Accounting Standard 34, 'Interim Financial Reporting'. This condensed interim financial information does not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published financial statements of the Fund for the year ended June 30, 2020.

2.2 Basis of Measurement

These financial statements have been prepared under the historical cost convention except for the investments which are stated at fair value.

2.3 Functional and presentation currency

These financial statements are presented in Pak Rupees which is the functional and presentation currency of the Fund. Figures have been rounded off to the nearest thousand rupees, except otherwise stated.

3 SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ACCOUNTING ESTIMATES, JUDGEMENT AND CHANGES THEREIN

The accounting policies adopted for the preparation of the condensed interim financial information are the same as those applied in the preparation of the annual audited financial statements of the Fund for the year, ended June 30, 2022.

The preparation of this condensed interim financial information in conformity with approved accounting standards requires management to make estimates, assumptions and use judgements that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.

Certain amendments to approved accounting standards have been published and are mandatory for the Fund's accounting period beginning on or after July 01, 2021. None of these amendments are expected to have a significant effect on this condensed interim financial information.

This condensed interim financial information is unaudited. In compliance with schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the directors of the Management Company hereby declare that this condensed interim financial information gives a true and fair view of the state of the Fund's affairs as at September 30, 2022.

The Fund's financial risk management objectives and policies are consistent with that disclosed in this financial information for the year ended June 30, 2022.

8.1 SINDH WORKER'S WELFARE FUND

The Government of Sindh also introduced levy of the Sindh Workers' Welfare Fund (SWWF) through the Sindh Workers' Welfare Act, 2014. The Mutual Fund Association of Pakistan, in the previous years based on opinion obtained from the tax consultants, concluded that SWWF is not applicable on mutual funds. MUFAP also wrote to the Sindh Revenue Board (SRB) that mutual funds are not establishments and are pass through vehicles; therefore, they do not have any worker and, as a result, no SWWF is payable by them. SRB responded back that as mutual funds are included in definition of financial institutions in the Financial Institutions (Recovery of Finance) Ordinance, 2001, and thus SWWF is payable by them. MUFAP has taken up the matter with the concerned ministry [Sindh Finance Ministry] for appropriate resolution of the matter.

During the current year, SRB through its letter dated August 12, 2021 (received on August 13, 2021) to Mutual Funds Association of Pakistan (MUFAP) has clarified that Asset Management Company's (AMCs)are covered under the term "financial institutions" as per the Sindh WWF Act 2014 and are therefore subject to SWWF charge whereas as the Mutual Funds/Pension Funds managed by those AMCs do not qualify as "financial institutions" as per SWWF Act 2014.

In the wake of the aforesaid clarification of SRB, the MUFAP called its Extraordinary General Meeting (EOGM) on August 13, 2021, wherein the MUFAP recommended to its members that effective from August 13, 2021, SWWF recognised earlier should be reversed in light of the clarification issued by SRB. Subsequently, MUFAP approached SECP and obtained the clarification with resprect to this matter as well.

On August 13, 2021 the Fund ceased to charge further provision for SWWF and has reversed full provision for SWWF amounting to Rs. 0.41 mn, Rs. 0.33 mn and Rs. 0.48 mn in Active Allocation Plan, Conservative Allocation Plan and Speical Income Plan million for the period from July 1, 2014 till August 12, 2021.

9. TAXATION

The Fund's income is exempt from Income Tax as per clause (99) of part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains whether realised or unrealised is distributed to the unit holders in cash. The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. During the period, management has distributed cash dividend of at least 90% of the aforementioned accounting income to the unit holders. Accordingly, no provision for taxation has been recognised in these financial statements.

10 EARNINGS PER UNIT (EPU)

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, determination of weighted average units for calculating earnings per unit is not practicable.

12. FAIR VALUE AND CATEGORIES OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets i.e. units of mutual funds are based on the quoted NAVs at the close of the reporting date. The quoted market price used for financial assets held by the Fund is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

The Fund classifies fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);

Fair value measurements using inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices) (level 2); and

Fair value measurements using Inputs for assets or liability that are not based on observable market data (i.e. unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

HBL Growth Fund

Notes to the Condensed Interim Financial Information (Unaudited)

FOR THE THREE MONTHS ENDED SEPTEMBER 30, 2022

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 HBL Growth Fund was established under a Trust Deed, executed between PICIC Asset Management Company (Now HBL Asset Management Limited) as the Management Company and Central Depository Company of Pakistan Limited as the Trustee.
- 1.2 Through an order dated August 31, 2016, SECP approved merger of PICIC Asset Management Company Limited with and into HBL Asset Management Limited effective from August 31, 2016. Effective from September 1, 2016, HBL Asset Management Limited became Management Company of the Fund which is a wholly owned subsidiary of Habib Bank Limited. The Aga Khan Fund For Economic Development (AKFED), S.A. is the parent company of Habib Bank Limited.
- 1.3 As per Regulation 65 of the NBFC Regulations, all closed end funds were required to converted into open end schemes upon expiry of five years from November 21, 2007 i.e. by November 21, 2012. However Closed end funds whose portfolios were frozen as a result of Consent Agreements with Government of Pakistan were allowed to be converted into open end schemes within three months from the date of the removal of the freezing of the portfolios. Since the Fund has Frozen Portfolio comprising shares of Pakistan State Oil Company Limited and Sui Northern Gas Pipelines Limited, its conversion into an open end scheme was deferred.

The Board of the Management Company (HBL Asset Management Limited) of the Fund in its meeting held on November 23, 2017 approved the Conversion Plan (the Plan) of the fund for the conversion of the Fund into an Open End Scheme, with the approval of the Certificate Holders of the Fund to fulfill the requirements of the merger order dated August 31, 2016. For this purpose, the Plan was presented to and approved by the Certificate Holders of the Fund in its General Meeting dated January 10, 2018. The Plan was also approved by Securities and Exchange Commission of Pakistan (the Commission) on February 16, 2018.

The Replacement Trust Deed and Replacement Offering Document were approved by SECP vide its letter no. SCD/AMCW/HIF/339/2018 dated April 18, 2018 and letter no. SCD/AMCW/HIF/398/2018 dated June 7, 2018 respectively. As per the approved Plan, the conversion took place on July 2, 2018 and every Certificate Holder of the closed end fund was entitled to following for each certificate held;

- One Class-A Unit of the Fund was issued to every Certificate Holders of Fund for each certificate held representing Frozen Portfolio and related assets and liabilities.
- One Class-B Unit of the Fund was issued to the every Certificate Holder of Fund for each certificate held representing Unfrozen Portfolio and related assets and liabilities.

The Plan also envisages that Class-A Units would not be redeemable and would be traded on the Pakistan Stock Exchange. Whereas Class-B Units can be redeemed at the redemption price.

- 1.4 The Management Company of the Fund has been registered as a Non-Banking Finance Company (NBFC) under the NBFC Rules, 2003 and has obtained the requisite license from the SECP to undertake Asset Management Services. The registered office of the Management Company is located at 7th Floor, Emerald Tower, G-19, Block 5, Main Clifton Road, Clifton, Karachi.
- 1.5 The objective of the Fund is to maximize the wealth of the unit holders by investing primarily in listed equities in the best available opportunities, while considering acceptable risk parameters and applicable rules and regulations.
- 1.6 JCR-VIS Credit Rating Company has assigned an asset manager rating of 'AM2+' (Outlook: Positive) to the Management Company.
- 1.7 Title to the assets of the Fund is held in the name of Central Depository Company Limited as trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

2.1.1 This condensed interim financial information has been prepared in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting. Approved accounting standards comprise of such International Financial Reporting Standards (""IFRSs"") issued by the International Accounting Standards Board as are notified under the Companies Act, 2017, the requirements of the Trust Deed, the NBFC Rules, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the ""NBFC Regulations"") and the directives issued by the SECP.

Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP differ with the requirements of the IFRS, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP prevail.

- 2.1.2 The disclosures made in this condensed interim financial information have, however, been limited based on the requirements of IAS 34. This condensed interim financial information does not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2020.
- 2.1.3 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that this condensed interim financial information gives a true and fair view of the state of the Fund's affairs as at September 30, 2022.

2.2 Basis of measurement

This condensed interim financial information has been prepared under the historical cost convention, except that certain financial assets are stated at fair value.

2.3 FUNCTIONAL AND PRESENTATION CURRENCY

This condensed interim financial information is presented in Pakistani Rupees which is the Fund's functional and presentation currency.

3 SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ACCOUNTING ESTIMATES, JUDGEMENT AND CHANGES THEREIN

- 3.1 The accounting policies adopted for the preparation of the condensed interim financial information are the same as those applied in the preparation of the annual audited financial statements of the Fund for the year ended June 30, 2020 except as explained in note 3.1 and 3.2.
- 3.2 The preparation of this condensed interim financial information in conformity with approved accounting standards requires management to make estimates, assumptions and use judgements that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.
- 3.3 The significant estimates, judgements and assumptions made by the management in applying the accounting policies and the key sources of estimation uncertainty are the same as those applied to the annual audited financial statements as at and for the year ended June 30, 2022.
- 3.4 Certain amendments to approved accounting standards have been published and are mandatory for the Fund's accounting period beginning on or after July 01, 2020. None of these amendments are expected to have a significant effect on this condensed interim financial information.
- 3.5 The financial risk management objectives and policies are consistent with those disclosed in the annual financial statements of the Fund for the year ended June 30, 2022.

5.1.1 These investments include gross bonus shares as per Fund's entitlement declared by the investee companies. Finance Act, 2014 has brought amendments in the Income Tax Ordinance, 2001 whereby the bonus shares received by the shareholder are to be treated as income and a tax at the rate of 5% is to be applied on value of bonus shares determined on the basis of day end price on the first day of closure of books. The tax is to be collected at source by the investee company which shall be considered as final discharge of tax liability on such income. However, the Management Company of the Fund jointly with other asset management companies and Mutual Fund Association of Pakistan, has filed a petition in Honorable Sindh High Court to declare the amendments brought in Income Tax Ordinance, 2001 with reference to tax on bonus shares for collective investment schemes as null and void and not applicable on the funds based on the premise of exemption given to mutual funds under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001. The Honorable Sindh High Court has granted stay order till the final outcome of the case. However, the investee company(s) has withheld the share equivalent to 5% of bonus announcement of the Fund having aggregate fair market value of Rs. 1.11 million at September 30, 2022 (June 30, 2022: Rs. 1.073) and not yet deposited on CDC account of department of Income tax. Management is of the view that the decision will be in the favor and accordingly has recorded the bonus shares on gross basis at fair value in its investments at year end.

7.1 PROVISION FOR WORKERS' WELFARE FUND AND SINDH WORKERS' WELFARE FUND

The Government of Sindh also introduced levy of the Sindh Workers' Welfare Fund (SWWF) through the Sindh Workers' Welfare Act, 2014. The Mutual Fund Association of Pakistan, in the previous years based on opinion obtained from the tax consultants, concluded that SWWF is not applicable on mutual funds. MUFAP also wrote to the Sindh Revenue Board (SRB) that mutual funds are not establishments and are pass through vehicles; therefore, they do not have any worker and, as a result, no SWWF is payable by them. SRB responded back that as mutual funds are included in definition of financial institutions in the Financial Institutions (Recovery of Finance) Ordinance, 2001, and thus SWWF is payable by them. MUFAP has taken up the matter with the concerned ministry [Sindh Finance Ministry] for appropriate resolution of the matter.

During the current year, SRB through its letter dated August 12, 2022 (received on August 13, 2022) to Mutual Funds Association of Pakistan (MUFAP) has clarified that Asset Management Company's (AMCs) are covered under the term "financial institutions" as per the Sindh WWF Act 2014 and are therefore subject to SWWF charge whereas as the Mutual Funds/Pension Funds managed by those AMCs do not qualify as "financial institutions" as per SWWF Act 2014.

In the wake of the aforesaid clarification of SRB, the MUFAP called its Extraordinary General Meeting (EOGM) on August 13, 2022, wherein the MUFAP recommended to its members that effective from August 13, 2022, SWWF recognised earlier should be reversed in light of the clarification issued by SRB. Subsequently, MUFAP approached SECP and obtained the clarification with resprect to this matter as well.

On August 13, 2022 the Fund ceased to charge further provision for SWWF and has reversed full provision for SWWF amounting to Rs. 2.5 million & 50.98 million for both and HBL Growth Fund Class A and Class B respectively for the period from July 1, 2014 till August 12, 2022.

7.2 PROVISION FOR FEDERAL EXCISE DUTY

The legal status of applicability of Federal Excise Duty on the Fund is same as that disclosed in note 12.1 to the annual audited financial statements of the Fund for the year ended June 30, 2022, and the appeal filed by tax authorities against the order passed by Honourable Supreme Court of Pakistan dated July 16, 2016, is pending for decision.

While disposing the above petition through order dated June 30, 2016, the SHC declared the said provisions to be ultra vires and as a result no FED is payable with effect from July 01, 2011. However, the tax authorities subsequently filed appeal against the decision of the SHC in the Supreme Court of Pakistan, which is pending for the decision.

The finance act 2016 excluded the mutual funds from the levy of FED with effect from July 01, 2016. therefore, no provision is charged during the period ended September 30, 2017.

The Management Company, as a matter of abundant caution, has made a provision on FED on remuneration of Management Company, aggregating to Rs. 125.303 million (June 30, 2022: Rs. 125.303 million). Had the provision not been made, the Net Asset Value per unit of Class-B as at September 30, 2020 would have been higher by Re. 1.3799 (June 30, 2022: Rs. 1.340) per unit.

13 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

IFRS 13, 'Fair Value Measurements: Disclosures' requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

Notes to the Condensed Interim Financial Information (Un-Audited)

FOR THE THREE MONTHS ENDED SEPTEMBER 30, 2022

1. STATUS AND NATURE OF BUSINESS

- 1.1 HBL Investment Fund was established under a Trust Deed, executed between HBL Asset Management Limited as the Management Company and Central Depository Company of Pakistan Limited as the Trustee.
- 1.2 The Management Company of the Fund has been registered as a Non-Banking Finance Company(NBFC) under the NBFC Rules, 2003 and has obtained the requisite license from the SECP to under take Asset Management Services. The registered office of the Management Company is located at 7th Floor, Emerald Tower, G-19, Block 5, Main Clifton Road, Clifton, Karachi.
- 1.3 The objective of the Fund is to maximize the wealth of the unit holders by investing primarily in listed equities in the best available opportunities, while considering acceptable risk parameters and applicable rules and regulations.
- As per Regulation 65 of the NBFC Regulations, all closed end funds were required to converted into open end schemes upon expiry of five years from November 21, 2007 i.e. by November 21, 2012. However Closed end funds whose portfolios were frozen as a result of Consent Agreements with Government of Pakistan were allowed to be converted into open end schemes within three months from the date of the removal of the freezing of the portfolios. Since the Fund has Frozen Portfolio comprising shares of Pakistan State Oil Company Limited and Sui Northern Gas Pipelines Limited, its conversion into an open end scheme was deferred.

The Board of the Management Company (HBL Asset Management Limited) of the Fund in its meeting held on November 23, 2017 approved the Conversion Plan (the Plan) of the fund for the conversion of the Fund into an Open End Scheme, with the approval of the Certificate Holders of the Fund to fulfill the requirements of the merger order dated August 31, 2016. For this purpose, the Plan was presented to and approved by the Certificate Holders of the Fund in its General Meeting dated January 10, 2018. The Plan was also approved by Securities and Exchange Commission of Pakistan (the Commission) on February 16, 2018.

The Replacement Trust Deed and Replacement Offering Document were approved by SECP vide its letter no. SCD/AMCW/HIF/339/2018 dated April 18, 2018 and letter no. SCD/AMCW/HIF/398/2018 dated June 7, 2018 respectively. As per the approved Plan, the conversion took place on July 2, 2018 and every Certificate Holder of the closed end fund was entitled to following for each certificate held;

- One Class-A Unit of the Fund was issued to every Certificate Holders of Fund for each certificate held representing Frozen Portfolio and related assets and liabilities.
- One Class-B Unit of the Fund was issued to the every Certificate Holder of Fund for each certificate held representing Unfrozen Portfolio and related assets and liabilities.

The Plan also envisages that Class-A Units would not be redeemable and would be traded on the Pakistan Stock Exchange. Whereas Class-B Units can be redeemed at the redemption price.

- 1.5 JCR-VIS Credit Rating Company has assigned an asset manager rating of 'AM2++' (Outlook: Positive) to the Management Company.
- 1.6 Title to the assets of the Fund is held in the name of Central Depository Company Limited as trustee of the Fund.

2. BASIS OF PREPARATION

2.1 Statement of compliance

This condensed interim financial information has been prepared in accordance with the requirements of the International Accounting Standard 34 - Interim Financial Reporting (IAS-34) and provision of and directives issued under the Companies Ordinance, 1984, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the Securities and Exchange Commission of Pakistan (SECP).

Wherever the requirements of NBFC Rules, the NBFC Regulations or directives issued by the SECP differ with the requirements of the IFRS the requirements of NBFC Rules, the NBFC Regulations or the directives issued by the SECP shall prevail.

- 2.1.1 The disclosures made in this condensed interim financial information have, however, been limited based on the requirements of IAS 34. This condensed interim financial information does not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2022.
- 2.1.2 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that this condensed interim financial information gives a true and fair view of the state of the Fund's affairs as at September 30, 2022.

2.2 Basis of measurement

This condensed interim financial information has been prepared under the historical cost convention, except that certain financial assets are stated at fair value.

2.3 Functional and presentation currency

This condensed interim financial information is presented in Pakistani Rupees which is the Fund's functional and presentation currency.

3 SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ACCOUNTING ESTIMATES, JUDGEMENT AND CHANGES THREREIN

- 3.1 The accounting policies adopted for the preparation of the condensed interim financial information are the same as those applied in the preparation of the annual audited financial statements of the Fund for the year, ended June 30, 2022
- 3.2 The preparation of this condensed interim financial information in conformity with approved accounting standards requires management to make estimates, assumptions and use judgements that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.
- The significant estimates, judgements and assumptions made by the management in applying the accounting policies and the key sources of estimation uncertainty are the same as those applied to the annual audited financial statements as at and for the year ended June 30, 2022.
- 3.4 Certain amendments to approved accounting standards have been published and are mandatory for the Fund's accounting period beginning on or after July 01, 2022. None of these amendments are expected to have a significant effect on this condensed interim financial information.
- 3.5 The Fund's financial risk management objectives and policies are consistent with that disclosed in this financial information for the year ended June 30, 2022.

^{*}Suspended/Delisted Companies

Investments include shares having market value aggregating to Rs. 111.69 million (June 30, 2022: Rs. 179.40 million) that have been pledged with National Clearing Company of Pakistan Limited for guaranteeing settlement of the Fund's trades in terms of Circular No. 11 dated October 23, 2007 issued by the SECP.

These investments include gross bonus shares as per Fund's entitlement declared by the investee companies. Finance Act, 2014 has brought amendments in the Income Tax Ordinance, 2001 whereby the bonus shares received by the shareholder are to be treated as income and a tax at the rate of 5% is to be applied on value of bonus shares determined on the basis of day end price on the first day of closure of books. The tax is to be collected at source by the investee company which shall be considered as final discharge of tax liability on such income. However, the Management Company of the Fund jointly with other asset management companies and Mutual Fund Association of Pakistan, has filed a petition in Honorable Sindh High Court to declare the amendments brought in Income Tax Ordinance, 2001 with reference to tax on bonus shares for collective investment schemes as null and void and not applicable on the funds based on the premise of exemption given to mutual funds under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001. The Honorable Sindh High Court has granted stay order till the final outcome of the case. However, the investee company(s) has withheld the share equivalent to 5% of bonus announcement of the Fund having aggregate fair market value of Rs. 0.44 million at September 30, 2022 (June 30, 2022: Rs. 0.526 Million) and not yet deposited on CDC account of department of Income tax. Management is of the view that the decision will be in the favor and accordingly has recorded the bonus shares on gross basis at fair value in its investments at year end.

7.1 As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) had been passed by the Government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs 0.50 million, is required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to two percent of such income. The matter was taken up by the Mutual Funds Association of Pakistan (MUFAP) with the Sindh Revenue Board (SRB) collectively on behalf of various asset management companies and their CISs whereby it was contested that mutual funds should be excluded from the ambit of SWWF Act as these were not industrial establishments but were pass-through investment vehicles and did not employ workers. The SRB held that mutual funds were included in the definition of financial institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. Thereafter, MUFAP had taken up the matter with the Sindh Finance Ministry to have CISs / mutual funds excluded from the applicability of SWWF. In view of the above developments regarding the applicability of SWWF on CISs / mutual funds, MUFAP had recommended that as a matter of abundant caution provision in respect of SWWF should be made on a prudent basis with effect from the date of enactment of the Sindh WWF Act, 2014 (i.e. starting from May 21, 2015). However, the Fund had recorded provision in respect of SWWF with effect from July 1, 2014.

During the year, SRB through its letter dated August 12, 2021 intimated MUFAP that the mutual funds do not qualify as Financial Institutions / Industrial Establishments and are therefore, not liable to pay the SWWF contributions. This development was discussed at MUFAP level and was also taken up with the SECP. All the Asset Management Companies, in consultation with the SECP, have reversed the cumulative provision for SWWF recognised in the financial statements of the Funds, for the period from July 1, 2014 to August 12, 2021, on August 13, 2021. The SECP also gave its concurrence for prospective reversal of provision for SWWF. Going forward, no provision for SWWF has been recognised in the financial statements of the Fund.

7.2 The legal status of applicability of Federal Excise Duty on the Fund is the same as that disclosed in note 12.1 to the annual audited financial statements of the Fund for the year ended June 30, 2022, and the appeal which was filed by tax authorities against the order by the Honourable Supreme Court of Pakistan dated July 16, 2016, is pending for decision.

In view of the above, the Management Company, as a matter of abundant caution, is carrying provision for FED for the period from January 13, 2013 to June 30, 2016 aggregating to Rs. 55.961 million. Had the provision not been retained, NAV per certificate of the Fund as at September 30, 2022 would have been higher by Rs. 0.4186 per unit (June 30, 2022: 0.413 per certificate) of class B.

8 Contingencies & Commitments

There are no contigencies and commitment as at September 30,2022.

9 TAXATION

The income of the Fund is exempt from tax under clause 99 of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by the capital gains whether realised or unrealised, is distributed among its unit holders in cash. The Fund has not recorded a tax liability in respect of income relating to the current period as the Management Company intends to distribute more than 90 percent of the Fund's accounting income for the period as reduced by capital gains (whether realised or unrealised) to its unit holders. The Fund is also exempt from the provision of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

10 TOTAL EXPENSES RATIO

In accordance with the directive 23 of 2016 dated July 20, 2016 issued by the Securities and Exchange Commission of Pakistan (SECP), the total expense ratio of the Fund for the period ended September 30, 2022 of class A is 2.46% (2021:0.63%) and of class B is 4.84%(2021:1.38%) which includes 0.24%(2021:0.06%) of class A and 0.36%(2021:0.08%) of class B representing government levy and SECP fee.

11 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets are based on the quoted market prices at the close of trading on the period end date. The quoted market price used for financial assets held by the Fund is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

The Fund classifies fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- Fair value measurements using inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices) (level 2); and
- Fair value measurements using Inputs for assets or liability that are not based on observable market data (i.e. unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

HBL FINANCIAL SECTOR INCOME FUND NOTES TO THE FINANCIAL STATEMENTS

FOR THE THREE MONTHS ENDED SEPTEMBER 30, 2022 (Un-Audited)

1. LEGAL STATUS AND NATURE OF BUSINESS

HBL Financial Sector Income Fund Plan 1 ("the Fund") was established under a Trust Deed, dated November 16, 2021, executed between HBL Asset Management Limited as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Fund was authorised by the Securities and Exchange Commission of Pakistan as a unit trust scheme on December 14, 2021.

The Management Company of the Fund has been registered as a Non-Banking Finance Company (NBFC) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules, 2003) and has obtained the requisite license from the SECP to undertake Asset Management Services. The registered office of the Management Company is situated 7th Floor, Emerald Tower, G-19, Block 5, Main Clifton Road, Clifton, Karachi.

The Fund is an open-ended mutual fund. The units are transferable and can also be redeemed by surrendering to the Fund.

The Fund has been categorised as a Compliant Income Scheme as per the criteria laid down by the SECP for categorization of open-end Collective Investment Schemes (CIS) and is listed on the Pakistan Stock Exchange Limited. The units are offered for public subscription on a continuous basis. The units are transferable and can be redeemed by surrendering them to the Fund.

The objective of the Fund is to provide income enhancement and preservation of capital by investing in prime quality Financial Sector TFCs / Sukuks, bank deposits and short-term money market instruments.

Title to the assets of the Fund is held in the name of CDC as Trustee of the Fund.

VIS Credit Rating Company has assigned a management quality rating of AM2++ (Stable Outlook) to the Management Company on December 31,2021.

Pursuant to the enactment of the Sindh Trusts Act, 2020 (as amended vide Sindh Trusts (Amended) Act, 2021), the Trusts including Collective Investment Schemes, Private Funds, etc, being Specialized Trusts are required to be registered with the Assistant Directorate of Industries and Commerce (Trust Wing), Government of Sindh under Section 12 of the Sindh Trusts Act, 2020. In this regard, the Fund was duly registered on December 06, 2021.

2. BASIS OF PREPARATION

2.1 Statement of compliance

- 2.1.1 This financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards as applicable in Pakistan comprise of:
 - International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
 - Provisions of and directives issued under the Companies Act, 2017, along with part VIIIA of the repealed Companies Ordinance, 1984; and
 - NBFC Rules, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the 'NBFC Regulations') and requirements of the Trust Deed.

Where the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations, the directives issued by the SECP and requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations, the directions issued by the SECP and requirements of the Trust Deed have been followed.

2.2 Basis of measurement

This financial statements have been prepared under the historical cost convention except for the investments which are classified as fair value through profit and loss.

2.3 Functional and presentation currency

This financial statements are presented in Pakistan Rupees which is the Fund's functional and presentation currency.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the approved accounting standards requires the use of certain critical accounting estimates, judgments and assumptions that affect the reported amounts of assets and liabilities and income and expenses. It also requires management to exercise its judgment in the process of applying the Fund's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances, the result of which from the basis of making the judgment about the company values of assets and liabilities that are not readily apparent from other sources and actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. The areas where various assumptions and estimates are significant to the Fund's financial statements or where judgment was exercised in the application of accounting policies are given below:

- (a) classification and measurement of financial assets (Note 4.2.1.1)
- (b) impairment of financial assets (Note 4.2.1.2)
- (c) provisions (Note 4.3)

3. APPLICATION OF NEW STANDARDS, AMENDMENTS AND INTERPRETATIONS TO PUBLISHED APPROVED ACCOUNTING AND REPORTING STANDARDS

3.1 New accounting standards, amendments and IFRS interpretations that are effective for the period ended June 30, 2022

The following standards, amendments and interpretations are effective for the period ended June 30, 2022. These standards, amendments and interpretations are either not relevant to the Fund's operations or are not expected to have significant impact on the financial statements other than certain additional disclosures.

Effective from accounting year beginning on or after:

4. SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of this financial statements are set out below.

4.1 Cash and cash equivalents

Cash and cash equivalents comprise balances with banks and short-term highly liquid investments with original maturities of three months or less.

4.2 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

4.2.1 Financial assets

4.2.1.1 Classification and measurement of financial assets

On initial recognition, a financial asset is classified as measured at: amortised cost, or fair value through profit or loss (FVTPL). The classification of financial assets under IFRS 9 is generally based on the business model in which a financial asset is managed and its contractual cash flow characteristics.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at EVTPI:

- it is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All financial assets not classified as measured at amortised cost as described above are measured at FVTPL. On initial recognition, the Fund may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

A financial asset is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition.

The following accounting policies apply to the subsequent measurement of financial assets:

Financial assets at FVTPL

These assets are subsequently measured at fair value. Net gains and losses, including any

interest or dividend income, are recognised in income statement.

Financial assets at amortised cost

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses (refer note 4.2.1.2). Interest income, foreign exchange gains and losses and impairment are recognised in income

statement.

4.2.1.2 Impairment of financial assets

The Management Company assesses at each reporting date whether there is objective evidence that the Fund's financial assets or a group of financial assets are impaired. If any such indication exists, the recoverable amount of such assets is estimated. An impairment loss is recognised whenever the carrying value of an asset exceeds its recoverable amount.

The SECP/Commission, through its letter no. SCD/AMCW/RS/MUFAP/2017-148 dated November 21, 2017, has deferred the applicability of the impairment requirements of IFRS 9 for debt securities on mutual funds. Therefore, the Fund will not be subject to the impairment provisions of IFRS 9.

For financial assets other than debt securities measured at amortised cost, IFRS 9 requires recognition of impairment based on expected credit loss (ECL) model. Under IFRS 9, the Fund is required to measure loss allowance equal to an amount equal to lifetime ECL or 12 months ECL based on credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Fund considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Fund's historical experience and informed credit assessment and including forward-looking information.

However, majority of the assets of the Fund exposed to credit risk pertain to counter parties which have high credit rating or where credit risk has not been increased since initial recognition. Therefore, management believes that the impact of ECL would be very minimal and hence, the same has not been accounted for in these financial statements.

4.2.1.3 Regular way contracts

Regular purchases and sales of financial assets are recognised on the trade date - the date on which the Fund commits to purchase or sell the asset.

4.2.1.4 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership.

4.2.2 Classification and measurement of Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair value and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired.

4.2.3 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the statement of assets and liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

4.3 Provisions

Provisions are recognised when the Fund has a present, legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.4 Taxation

The income of the Fund is exempt from income tax under Clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed in cash to the unit holders.

The Fund is also exempt from the provisions of section 113 (minimum tax) and section 113C (Alternative Corporate Tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

The Fund does not account for deferred tax in these financial statements as the Fund intends to continue availing the tax exemption in future years by distributing in cash at least 90% of its accounting income for the year as reduced by capital gains, whether realised or unrealised, to its unit holders.

4.5 Proposed distributions

Distributions declared subsequent to the reporting date are considered as non-adjusting events and are not recognised before the reporting date.

4.6 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors during business hours on that day. The offer price represents the net assets value per unit as of the close of the business day plus the allowable sales load, provision for transaction costs and any provision for duties and charges, if applicable.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors receive redemption applications during business hours of that day. The redemption price represents the net assets value per unit as of the close of the business day less any back-end load (if applicable), any duties, taxes, charges on redemption and any provision for transaction costs, if applicable. Redemption of units is recorded on acceptance of application for redemption.

4.7 Element of income

Element of income represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period. Element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

4.8 Net assets value per unit

The net assets value (NAV) per unit as disclosed in the statement of assets and liabilities is calculated by dividing the net assets of the Fund by the number of units in issue at the period end.

4.9 Revenue recognition

- Capital gain / (loss) arising on sale of investments are included in the income statement on the date at which the transaction takes place.
- Profit / return on Market treasury bills and investment in debt securities are recognized at a time apportionment basis using the effective interest method.
- Unrealised gain / (loss) arising on re-measurement of investments classified as 'financial assets at fair value through profit or loss' are included in the income statement in the year in which they arise.
- Profit on bank balances is recognised on a time proportionate basis using bank's approved rates.
- Dividend income is recognised when the right to receive the dividend is established.

4.10 Transactions with related parties / connected persons

Transactions with connected persons are carried in the normal course of business, at contracted rates and terms determined in accordance with market rates.

Remuneration to the Management Company and the Trustee is determined in accordance with the provisions of NBFC Regulations and the Trust Deed respectively.

4.11 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company, Trustee fee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

13. FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets are based on the quoted market prices at the close of trading on the reporting date. The quoted market price used for financial assets held by the Fund is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

As per the requirements of IFRS 7 (Financial Instruments: Disclosures) and IFRS 13 (Fair Value Measurement), the Fund classifies fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- Fair value measurements using inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices) (level 2); and
- Fair value measurements using inputs for assets or liability that are not based on observable market data (i.e. unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

14 Valuation techniques

For level 2 investments at fair value through profit or loss - investment in respect of corporate sukuk bonds and market treasury bills, Fund uses rates which are prescribed by MUFAP at reporting date in accordance with the methodology prescribed by SECP vide its circular no. 1 of 2009 dated January 6, 2009 and circular no. 33 of 2012 dated October 24, 2012 at reporting date.

14.1 The Fund has not disclosed the fair values for these financial assets and financial liabilities, as these are either short term in nature or repriced periodically. Therefore, their carrying amounts are reasonable approximation of fair value.

15. TOTAL EXPENSE RATIO

In accordance with the directive 23 of 2016 dated July 20, 2016 issued by the Securities and Exchange Commission of Pakistan the maximum limit of total expense ratio is 2.5% and the total expense ratio of the Fund for the period ended September 30, 2022 1.15% is (June 2022: 0.42%) which includes 0.12% (June 2022: 0.04%) representing Government levy and SECP fee.

16. GENERAL

Figures have been rounded off to the nearest thousand Rupees, unless otherwise stated.

2. BASIS OF PREPARATION

2.1 Statement of Compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

2.2 Basis of measurement

These financial statements have been prepared under the historical cost convention, except for the investments which are measured at fair value.

2.3 Functional and presentation currency

These financial statements are presented in Pakistani Rupees, which is the Fund's functional and presentation currency. All amounts have been rounded to the nearest thousands of Rupees, unless otherwise indicated.

2.4 Use of judgments and estimates

The preparation of financial statements in conformity with accounting and reporting standards as applicable in Pakistan requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. The areas where various assumptions and estimates are significant to the Fund's financial statements or where judgment was exercised in the application of accounting policies are given below:

- (i) Classification and valuation of financial instruments (notes 4.2)
- (ii) Provision (notes 4.7)

3. APPLICATION OF NEW STANDARDS, AMENDMENTS AND INTERPRETATIONS TO THE PUBLISHED APPROVED ACCOUNTING STANDARDS

3.1 New accounting standards, amendments and IFRS interpretations that are effective for the year ended June 30, 2022

The following standards, amendments and interpretations are effective for the year ended June 30, 2022. These standards, amendments and interpretations are either not relevant to the Fund's operations or are not expected to have significant impact on the Fund's financial statements other than certain additional disclosures.

Effective from accounting year beginning on or after:

Amendment to IFRS 16 'Leases' - Covid-19 related rent concessions	June 01, 2020
Amendments to the conceptual framework for financial reporting, including amendments to references to the conceptual framework in IFRS	January 01, 2020
Amendments to IFRS 3 'Business Combinations' - Definition of a business	January 01, 2020
Amendments to IAS 1 'Presentation of Financial Statements' and IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' - Definition of material	January 01, 2020
Amendments to IFRS 9 'Financial Instruments', IAS 39 'Financial Instruments: Recognition and Measurement' and IFRS 7 'Financial Instruments: Disclosures' - Interest rate benchmark reform	January 01, 2020

Certain annual improvements have also been made to a number of IFRSs.

3.2 New accounting standards / amendments and IFRS interpretations that are not yet effective

3.2.1 The following standards, amendments and interpretations are only effective for accounting periods, beginning on or after the date mentioned against each of them. These standards, interpretations and the amendments are either not relevant to the Company's operations or are not expected to have significant impact on the Company's financial statements other than certain additional disclosures.

Effective from accounting year beginning on or after:

Interest Rate Benchmark Reform – Phase 2 (Amendments to IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16)	January 01, 2021

Amendments to IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' - Definition of accounting estimates	January 01, 2023
Amendments to 'IAS 12 Income Taxes' - deferred tax related to assets and liabilities arising from a single transaction.	January 01, 2023

Certain annual improvements have also been made to a number of IFRSs.

Other than the aforesaid standards, interpretations and amendments, the International Accounting Standards Board (IASB) has also issued the following standards which have not been adopted locally by the Securities and Exchange Commission of Pakistan:

- IFRS 1 First Time Adoption of International Financial Reporting Standards
- IFRS 17 Insurance Contracts

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting policies set out below have been applied consistently to all periods presented in these financial statements.

4.1 Cash and cash equivalents

Cash comprises savings accounts with banks. Cash equivalents are short-term highly liquid investments that are readily convertible to known amounts of cash, are subject to insignificant change in value, and are held for the purpose of meeting short-term cash commitments rather than for investment or other purposes.

4.2 Financial assets and liabilities

4.2.1 Initial recognition

All financial assets and liabilities are initially measured at cost which is the fair value of the consideration given or received. These are subsequently measured at fair value or amortised cost as the case may be.

The Fund recognizes financial assets and financial liabilities on the date it becomes a party to the contractual provisions of the instrument.

Financial liabilities are not recognized unless one of the parties has performed its part of the contract or the contract is a derivative contract.

4.2.2 Classification and measurement

4.2.2.1 Financial assets

There are three principal classification categories for financial assets:

- Measured at amortized cost ("AC"),
- Fair value through other comprehensive income ("FVTOCI") and
- Fair value through profit or loss ("FVTPL").

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognised at FVPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVPL.

4.2.2.2 Financial liabilities

The Fund classifies its financial liabilities in the following categories:

- Measured at amortized cost ("AC"), or
- Fair value through profit or loss ("FVTPL").

Financial liabilities are measured at amortised cost, unless they are required to be measured at FVTPL (such as instruments held for trading or derivatives) or the Fund has opted to measure them at FVTPL.

With regard to the measurement of financial liabilities designated as at fair value through profit or loss, IFRS 9 requires as follows:

- The amount of change in the fair value of a financial liability that is attributable to changes in the credit risk of that liability is presented in other comprehensive income, unless the recognition of such changes in other comprehensive income would create or enlarge an accounting mismatch in profit or loss.
- Changes in fair value attributable to a financial liability's credit risk are not subsequently reclassified to profit or loss.

4.2.3 Impairment of financial assets

The SECP/Commission has through its letter no. SCD/AMCW/RS/MUFAP/2017-148 dated November 21, 2017 has deferred the applicability of the impairment requirements of IFRS 9 for debt securities on mutual funds. Therefore the Fund will not be subject to the impairment provisions of IFRS 9. Meanwhile, asset management companies shall continue to follow the requirements of Circular 33 of 2012.

For financial assets other than debt securities measured at amortised cost, IFRS 9 requires recognition of impairment based on expected credit loss (ECL) model rather than incurred credit loss model as previously required under IAS 39. The Fund is required to measure loss allowance of an amount equal to lifetime ECL or 12 months ECL based on credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Fund considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Fund's historical experience and informed credit assessment and including forward-looking information.

However, majority of the assets of the Fund exposed to credit risk pertain to counter parties which have high credit rating or where credit risk has not been increased since initial recognition. Therefore, management believes that the impact of ECL would be very minimal and hence, the same has not been accounted for in these financial statements.

4.2.4 Fair value measurement principles and provision

The fair value of financial instruments is determined as follows:

Basis of valuation of debt securities

The fair value of debt securities (other than government securities) is based on the value determined and announced by Mutual Funds association of Pakistan (MUFAP) in accordance with the criteria laid down in Circular No. 1 of 2009 and Circular No. 33 of 2012 issued by Securities and Exchange Commission of Pakistan (SECP). In the determination of the rates, MUFAP takes into account the holding pattern of these securities and categorises them as traded, thinly traded and non-traded securities. The aforementioned circular also specifies the valuation process to be followed for each category as well as the criteria for the provisioning of non-performing debt securities.

Basis of valuation of government securities

The government securities not listed on a stock exchange and traded in the interbank market are valued at the average rates quoted on a widely used electronic quotation system (PKRV rates) which are based on the remaining tenor of the securities.

Basis of valuation of equity securities

The fair value of shares of listed companies is based on their prices quoted on the Pakistan Stock Exchange Limited at the reporting date without any deduction for estimated future selling costs.

Net gains and losses arising on changes in the fair value of financial assets carried at fair value through profit or loss are taken to the income statement.

Basis of valuation of instruments at amortised cost

Subsequent to initial recognition, financial assets classified as amortised cost are carried at amortised cost using the effective interest method.

Gains or losses are also recognised in the income statement when financial assets carried at amortised cost are derecognised or impaired, and through the amortisation process.

4.2.5 Regular way contracts

All purchases and sales of securities that require delivery within the time frame established by regulation or market convention are recognised at the trade date. Trade date is the date on which the Fund commits to purchase or sell assets.

4.2.6 Offsetting of financial instruments

Financial assets and financial liabilities are set off and the net amount is reported in the statement of assets and liabilities if the Fund has a legal right to set off the transaction and also intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

4.3 Net asset value per unit

The net asset value (NAV) per unit as disclosed in the statement of assets and liabilities is calculated by dividing the net asset of the Fund by the number of units in issue at the year end.

4.3 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors during business hours on that day. The offer price represents the net assets value per unit as of the close of the business day plus the allowable sales load, provision for transaction costs and any provision for duties and charges, if applicable. The sales load is payable to the Management Company.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors receive redemption applications during business hours of that day. The redemption price represents the net assets value per unit as of the close of the business day less any back-end load (if applicable), any duties, taxes, charges on redemption and any provision for transaction costs, if applicable. Redemption of units is recorded on acceptance of application for redemption.

4.4 Revenue recognition

- Gain / (loss) arising on sale of investments are included in the 'income statement' on the date at which the sale transaction takes place.
- Unrealised gain / (loss) arising on remeasurement of investments classified as 'financial assets at fair value through profit or loss' are included in the 'income statement' in the period in which they arise.
- Dividend income is recognized when the right to receive the dividend is established.
- Mar-up / return on bank deposits, investment in debt and government securities are recognised at effective profit rates based on a time proportion basis using the effective interest method.
- Profit on debt securities classified as non performing assets are recognised on receipt basis.

4.5 Expenses

All expenses including NAV based expenses (namely management fee, trustee fee, annual fee to the SECP and selling and marketing expense) are recognised in the 'income statement' on an accrual basis.

4.6 Taxation

The Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed in cash to the unit holders (excluding distribution made by issuance of bonus shares).

The Fund is also exempt from the Provisions of Section 113 (minimum tax) and section 113C (Alternative Corporate Tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

The Fund does not account for deferred tax in these financial statements as the Fund intends to continue availing the tax exemption in future years by distributing in cash at least ninety percent of its accounting income for the year as reduced by capital gains, whether realised or unrealised, to its unit holders.

4.7 Provisions

Provisions are recognised when the Fund has a present, legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.8 Derivatives

Derivative instruments are initially recognised at fair value and subsequent to initial measurement each derivative instrument is premeasured to its fair value and the resultant gain or loss is recognised in the income statement.

4.9 Distribution to the unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

4.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

An equalisation account called the element of income / (loss) included in prices of units sold less those in units redeemed is created, in order to prevent the dilution of per unit income and distribution of income already paid out on redemption.

Element of income / (loss) represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period.

Further, the element of income is a transaction of capital nature and the receipt and payment of element of income shall be taken to unit holders' fund. However, to maintain the same ex-dividend net assets value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution.

On redemption of units, element of income is paid on units redeemed from element of income contributed by unit holders on issue of units (i.e. return of capital) or the element of income is paid from the income earned by the fund or the element of income is partly paid out of element of income contributed by unit holders (i.e. return of capital) and partly from the income earned by the fund.

16. FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets (i.e. listed equity shares) are based on the quoted market prices at the close of trading on the reporting date. The quoted market price used for financial assets held by the Fund is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

IFRS 13, 'Fair Value Measurements' requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

REVIEW REPORT OF THE DIRECTORS OF THE MANAGEMENT COMPANY FOR THE PERIOD ENDED SEPTEMBER 30, 2021

The Board of Directors of HBL Asset Management Limited is pleased to present its report together with Financial Statements of HBL Islamic Money Market Fund, HBL Islamic Income Fund, HBL Islamic Stock Fund, HBL Islamic Equity Fund, HBL Islamic Asset Allocation Fund, HBL Islamic Financial Planning Fund and HBL Islamic Dedicated Equity Fund (the Funds) for the period ended September 30, 2022.

ECONOMIC REVIEW

The government's GDP growth target for FY23 was 5.0% (against 5.97% achieved in FY22), however, on account of the recent floods, SBP/ADB/World Bank have revised down their growth projections to 2.4%/3.5%/2.0%, respectively. As per various estimates, economic losses as a result of the floods are expected to reach ~USD 40bn. A positive development has been the resumption of IMF program, which has provided much needed breathing space to the ailing economy, and opened other avenues of funding for the government. Moreover, in order to achieve sustainable economic growth, the authorities have taken some contractionary monetary and fiscal policy measures.

The Current Account Deficit (CAD) for Sep-22 clocked in at USD 316mn, taking 1QFY23 CAD to USD 2.2bn, compared to a Deficit of USD 3.5bn during the same period last year. This was primarily driven by a decline in imports as a result of stringent measures taken by the Government to reduce the outflow of foreign exchange. However, the decline in remittances set off some of the positive impact, which fell by 6.3% during 1QFY23 to USD 7.7bn, compared to USD 8.2bn during the same period last year. In order to curtail the rapid increase in CAD, the government has taken several measures, such as imposition of Regulatory Duty (RD) and Additional Customs Duty (ACD) in the range of 100-150% on almost 600-700 luxury items. However, the recent floods have raised concerns regarding CAD overshooting the government's initial target on account of the expected increase in import of agricultural products and decline in textile exports.

CPI for Sep-22 clocked in at 23.2% YoY, taking 1QFY22 average inflation to 25.11%, compared to 8.58% during the SPLY. The increase in CPI was largely driven by higher food and fuel prices, whereby food prices have been on a rising trajectory owing to the widespread flooding that has devastated crops and farmlands, while fuel prices have risen on account of the Petroleum Development Levy (PDL) imposed by the government.

Fiscal deficit for July was recorded at 0.3% of GDP, compared to 0.4% of GDP during the same period last year (SPLY). Primary balance posted a surplus of PKR 142bn, compared to a deficit of PKR 5bn during the SPLY. FBR has provisionally collected PKR 1,635bn during 1QFY23, compared to PKR 1,403bn during the SPLY, surpassing its target by PKR 27bn.

STOCK MARKET REVIEW

During 1QFY23, the KMI-30 index declined by 1,303pts or 1.9% to close at 67,463pts. The market started off on a positive note, increasing by 2.3% during Jul-22 and Aug-22 on the back of resumption of the IMF program, which opened other avenues of external funding for the government. Investor sentiment was also boosted by news flow that Saudi Arabia was seeking to renew its USD 3bn deposits with Pakistan, along with provision of USD 100mn per month for import of petroleum products. Furthermore, news flow suggested that Qatar had announced plans to invest USD 3bn in various commercial and investment sectors of the country. However, during Sep-22, the positive sentiment was overshadowed by the devastation caused by the floods, as it led to concerns regarding expected increase in the twin deficits due to the required spending on rehabilitation efforts, expected increase in import of agricultural products and decline in textile exports.

During 1QFY23, major negative contribution came from Fertilizer (942 pts), Oil & Gas Exploration (858 pts), Chemicals (575 pts) and Auto Assemblers (266 pts) sectors. On the other hand, major positive contribution came from Technology & Communications (683 pts), Cement (612), and Commercial Banks (368 pts) sectors.

During the period, average traded volume declined by 11% QoQ to 61mn shares, while average traded value decreased by ~6% QoQ to PKR 3.4bn. On the flows side, Foreigners were net sellers during 1QFY23 and sold shares worth USD 297.5mn.

We expect the market to remain range-bound in the near-term amid lack of positive triggers, as investors remain concerned about the political uncertainty, coupled with expected economic slowdown due to the recent floods. However, our longer-term equity outlook remains positive due to attractive valuations. Positive triggers in the medium-term can be in the form of realization of flows and grants from multilateral sources, which would provide strength to the Rupee. In the medium- to long-term, reversal in international commodity prices, either on the back of disruption in demand or increase in supply, is likely to reignite investor interest in equities.

MONEY MARKET REVIEW

During 1QFY23, SBP, in an attempt to curb inflation as a result of the Russia-Ukraine war, increased the Policy Rate by 125bps to 15%. The hike was inevitable, given persistently high global energy prices, the abrupt ending of fuel subsidies and the need to control demand.

The cut-off yields in the last T-bills auction were ere 15.9999%, 15.9998%, and 15.9900% for 3M, 6M and 12M tenors, respectively. The cut-off yields in the last PIBs auction were 13.92%, 13.39%, and 12.95% in 3Y, 5Y and 10Y tenors, respectively, while no bids were received in 15Y, 20Y and 30Y tenors.

A GOP Ijara Sukuk auction was held on 22-Sep-22, with a target of PKR 100bn (PKR 25bn for Fixed Rental and PKR 75bn for Variable Rental Rate) for a period of 5 years. The Ministry of Finance accepted bids worth PKR 0.77bn (at 12.9029%) in FRR Sukuk, and PKR 18.48bn (at 13.61%) in VRR Sukuk.

The latest hike in the Policy Rate to 15% is expected to help moderate demand to a more sustainable pace, while keeping inflation expectations anchored, and containing risks to external stability. We believe high international commodity prices, along with reform measures under the IMF program, and recent crop and infrastructure damage caused by the floods, will translate adversely in CPI, based on which further hike in interest rate cannot be ruled out. However, possibility of further rate hike is very low under the current political environment.

FUTURE OUTLOOK

Moving ahead, we expect economic growth to slow down to 1.5-2.0% in FY23 on the back of fiscal consolidation by the government, along with disruption in agricultural activities due to the ongoing floods. Focus would remain on how the government keeps economic growth at a sustainable level, while keeping the external and fiscal accounts in check.

On the fiscal side, the government initially targeted a Fiscal deficit of PKR 3.80tn (~4.6% of GDP) in FY23 on the back of ~20% increase in FBR's tax collection to PKR 7.4tn, along with increase in collection of PDL to PKR 550bn. However, however, we believe that Fiscal Deficit may clock in the range of 6.0-6.5% due to the required spending on rehabilitation efforts after the recent floods.

On the fixed income front, we believe that gradual imposition of PDL on fuel, along with hike in electricity and gas tariffs, will translate adversely in CPI. Resultantly, we expect average inflation for FY23 to be in the range of 20-22%. However, inflation is expected to taper down from FY24 onwards due to high-base effect and expectation of easing in international commodity prices. Upside risks to our estimates remain in the form of elevated international commodity prices for an extended period due to geopolitical concerns. On the Islamic front, we expect the Government to issue GoP Ijara Sukuk and other GoP Guaranteed Sukuk in FY23 to bridge the fiscal gap.

Our long-term view on Pakistan equities is positive due to cheap valuations. The equity market is trading at an eye catching P/E multiple of 4.2x compared to regional average of 13.9x, and offers an attractive dividend yield of 9.8%, compared to regional average of 3.1%. It is pertinent to note that the spread between KSE-100 index earnings yield and 10Y PKRV is ~13%, compared to 5-year historical average spread of 4.9%, which implies upside of ~56%. Hence, we believe that Pakistan equities offer a good opportunity for long-term investors.

HBL Islamic Money Market Fund

Notes to the Condensed Interim Financial Information (Un-Audited)

For the three months ended September 30, 2022

1. LEGAL STATUS AND NATURE OF BUSINESS

HBL Islamic Money Market Fund (the Fund) was established under a Trust Deed, dated November 23, 2010, executed between HBL Asset Management Limited as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Fund was authorised by the Securities and Exchange Commission of Pakistan (the SECP) as a unit trust scheme on December 10, 2010.

HBL Asset Management Limited is the Management Company of the fund which is a wholly owned subsidiary of Habib Bank Limited. The Aga Khan Fund for Economic Development (AKFED), S.A. is the parent company of Habib Bank Limited. The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The registered office of the Management Company is situated at 7th Floor, Emerald Tower, G-19, Block 5, Main Clifton Road, Clifton, Karachi Pakistan.

The Fund is an open ended mutual fund and offers units for public subscription on a continuous basis. The units are transferable and can also be redeemed by surrendering to the Fund. The Fund is listed on the Pakistan Stock Exchange. The units of the Fund were initially offered for public subscription at par from May 9, 2011 to May 10,2011.

The principal activity of the Fund is to seek high liquidity and comparative Shariah Compliant return for investors by investing in low risk securities of shorter duration and maturity.

JCR-VIS Credit Rating Agency has assigned management quality rating of 'AM2++' positive outlook to the Management Company and the fund stability rating of AA+(f) to the fund.

Title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as trustee of the Fund.

2. STATEMENT OF COMPLIANCE

- 2.1.1 This condensed interim financial information have been prepared in accordance with the requirements of the International Accounting Standard 34 Interim Financial Reporting (IAS 34) and provision of and directives issued under the Companies Ordinance, 1984, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the Securities and Exchange Commission of Pakistan (SECP). Wherever the requirements of NBFC Rules, the NBFC Regulations or directives issued by the SECP differ with the requirements of the IFRS the requirements of NBFC Rules, the NBFC Regulations or the directives issued by the SECP shall prevail.
- 2.1.2 The disclosures made in this condensed interim financial information have, however, been limited based on the requirements of IAS 34. This condensed interim financial information does not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2022.
- 2.1.3 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that this condensed interim financial information gives a true and fair view of the state of the Fund's affairs as at September 30, 2022.

2.2 Basis of measurement

9.1 PROVISION FOR FEDERAL EXCISE DUTY

The legal status of applicability of Federal Excise Duty on the Fund is same as that disclosed in note 11.1 to the annual audited financial statements of the Fund for the year ended June 30, 2022, and the appeal filed by tax authorities against the order passed by Honourable Supreme Court of Pakistan dated July 16, 2016, is pending for decision.

In view of above, the Management Company, as a matter of abundant caution, is carrying provision for FED for the period from January 13, 2013 to June 30, 2016 aggregating to Rs. 2.185 million (June 30, 2021: 2.185 million). Had the provision not been made, the Net Asset Value per unit as at September 30, 2022 would have been higher by Rs. 0.0085 (June 30, 2022: Re. 0.0142) per unit.

9.2 PROVISION WORKERS' WELFARE FUND AND SINDH WORKERS' WELFARE FUND

The Government of Sindh also introduced levy of the Sindh Workers' Welfare Fund (SWWF) through the Sindh Workers' Welfare Act, 2014. The Mutual Fund Association of Pakistan, in the previous years based on opinion obtained from the tax consultants, concluded that SWWF is not applicable on mutual funds. MUFAP also wrote to the Sindh Revenue Board (SRB) that mutual funds are not establishments and are pass through vehicles; therefore, they do not have any worker and, as a result, no SWWF is payable by them. SRB responded back that as mutual funds are included in definition of financial institutions in the Financial Institutions (Recovery of Finance) Ordinance, 2001, and thus SWWF is payable by them. MUFAP has taken up the matter with the concerned ministry [Sindh Finance Ministry] for appropriate resolution of the matter.

During the current year, SRB through its letter dated August 12, 2021 (received on August 13, 2021) to Mutual Funds Association of Pakistan (MUFAP) has clarified that Asset Management Company's (AMCs) are covered under the term "financial institutions" as per the Sindh WWF Act 2014 and are therefore subject to SWWF charge whereas as the Mutual Funds/Pension Funds managed by those AMCs do not qualify as "financial institutions" as per SWWF Act 2014.

In the wake of the aforesaid clarification of SRB, the MUFAP called its Extraordinary General Meeting (EOGM) on August 13, 2021, wherein the MUFAP recommended to its members that effective from August 13, 2021, SWWF recognised earlier should be reversed in light of the clarification issued by SRB. Subsequently, MUFAP approached SECP and obtained the clarification with resprect to this matter as well.

On August 13, 2021 the Fund ceased to charge further provision for SWWF and has reversed full provision for SWWF amounting to Rs. 20.07 million for the period from July 1, 2014 till August 12, 2021.

10. CONTINGENCIES AND COMMITMENTS

There were no contingencies or commitments outstanding as at September 30, 2022.

11. TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) annualized of the Fund as at September 30, 2022 is 0.71% (2021: 0.09%) which includes 0.08% (2021: 0.01%) representing government levies on the Fund such as sales taxes, annual fee to the SECP etc.

12. TAXATION

The income of the Fund is exempt from tax under clause 99 of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by the capital gains whether realised or unrealised, is distributed among its unit holders. The Fund has not recorded a tax liability in respect of income relating to the current period as the Management Company intends to distribute more than 90 percent of the Fund's accounting income for the period as reduced by capital gains (whether realised or unrealised) to its unit holders.

13. EARNINGS PER UNIT (EPU)

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, determination of weighted average units for calculating earnings per unit is not practicable.

14. TRANSACTIONS WITH CONNECTED PERSONS / RELATED PARTIES

Connected persons include HBL Asset Management Limited being the Management Company, Habib Bank Limited being the Sponsor, Central Depository Company of Pakistan Limited, being the Trustee of the Fund, other collective investment schemes managed by the Management Company, directors and officers of the Management Company, directors of connected persons and persons having 10% or more beneficial ownership of the units of the Fund.

Transactions with connected persons are in the normal course of business, at contracted rates and terms determined in accordance with market rates.

Remuneration payable to Management Company and Trustee is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed respectively.

Details of the transactions with connected persons and balances with them, if not disclosed elsewhere in these condensed interim financial information are as follows:

15. FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets i.e. listed equity shares are based on the quoted market prices at the close of trading on the period end date. The quoted market price used for financial assets held by the Fund is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

IFRS 13, 'Fair Value Measurements' requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

1. LEGAL STATUS AND NATURE OF BUSINESS

HBL Islamic Asset Allocation Fund (the Fund) was established under a Trust Deed, dated September 07, 2015, executed between HBL Asset Management Limited as the Management Company and Central Depository Company of Pakistan Limited as the Trustee. The Fund was authorised by the Securities and Exchange Commission of Pakistan (SECP) as a unit trust scheme on October 28, 2015.

HBL Asset Management Limited is the Management Company of the fund which is a wholly owned subsidiary of Habib Bank Limited. The Aga Khan Fund for Economic Development (AKFED), S.A. is the parent company of Habib Bank Limited. The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The registered office of the Management Company is situated at 7th Floor, Emerald Tower, G-19, Block 5, Main Clifton Road, Clifton, Karachi Pakistan.

The Fund is an open ended mutual fund and offers units for public subscription on a continuous basis. The initial public offer period was from January 07, 2016 to January 08, 2016 (both days inclusive). The units are transferable and can also be redeemed by surrendering to the Fund. The Fund is listed on the Pakistan Stock Exchange.

The primary objective of the Fund is to provide superior returns through investments in Shari'ah Compliant Equity Securities and Shari'ah Compliant Income/ Money Market Instruments.

JCR-VIS Credit Rating Agency has assigned management quality rating of 'AM2++' (Positive Outlook) to the Management Company.

Title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as trustee of the Fund.

2 BASIS OF PREPARATION

2.1 STATEMENT OF COMPLIANCE

2.1.1 This condensed interim financial information has been prepared in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting. Approved accounting standards comprise of such International Financial Reporting Standards (""IFRSs"") issued by the International Accounting Standards Board as are notified under the Companies Act, 2017, the requirements of the Trust Deed, the NBFC Rules, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the ""NBFC Regulations"") and the directives issued by the SECP.

Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP differ with the requirements of the IFRS, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP prevail.

- 2.1.2 The disclosures made in this condensed interim financial information have, however, been limited based on the requirements of IAS 34. This condensed interim financial information does not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2022.
- 2.1.3 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that this condensed interim financial information gives a true and fair view of the state of the Fund's affairs as at September 30, 2022.

2.2 Basis of measurement

This condensed interim financial information has been prepared under the historical cost convention, except that certain financial assets are stated at fair value.

2.3 Functional and presentation currency

This condensed interim financial information is presented in Pakistani Rupees which is the Fund's functional and presentation currency.

3 SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ACCOUNTING ESTIMATES, JUDGEMENT AND CHANGES THEREIN

- 3.1 The accounting policies adopted for the preparation of the condensed interim financial information are the same as those applied in the preparation of the annual audited financial statements of the Fund for the year, ended June 30, 2022.
- 3.2 The preparation of this condensed interim financial information in conformity with approved accounting standards requires management to make estimates, assumptions and use judgements that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.
- 3.3 The significant estimates, judgements and assumptions made by the management in applying the accounting policies and the key sources of estimation uncertainty are the same as those applied to the annual audited financial statements as at and for the year ended June 30, 2022.
- 3.4 Certain amendments to approved accounting standards have been published and are mandatory for the Fund's accounting period beginning on or after July 01, 2022. None of these amendments are expected to have a significant effect on this condensed interim financial information.
- 3.5 The Fund's financial risk management objectives and policies are consistent with that disclosed in this financial information for the year ended June 30, 2022.

- 5.1.1 This includes gross bonus shares as per Fund's entitlement declared by the investee company. Finance Act, 2014 has brought amendments in the Income Tax Ordinance, 2001 whereby the bonus shares received by the shareholder are to be treated as income and a tax at the rate of 5 percent is to be applied on value of bonus shares determined on the basis of day end price on the first day of closure of books. The tax is to be collected at source by the investee company which shall be considered as final discharge of tax liability on such income. However, the Management Company of the Fund jointly with other asset management companies and Mutual Fund Association of Pakistan, has filed a petition in Honorable Sindh High Court to declare the amendments brought in Income Tax Ordinance, 2001 with reference to tax on bonus shares for collective investment schemes as null and void and not applicable on the funds based on the premise of exemption given to mutual funds under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001. The Honorable Sindh High Court has granted stay order till the final outcome of the case. However, the investee companies have withheld the share equivalent to 5% of bonus announcement of the Fund having aggregate fair market value of Rs. 0.1902 million at September, 2022 (June 30, 2022: Rs. 0.20 million) and not yet deposited on CDC account of department of Income tax. Management is of the view that the decision will be in the favor and accordingly has recorded the bonus shares on gross basis at fair value in its investments at year end.
- 5.1.2 Investments include shares having market value aggregating to Rs. 32.2560 million that have been pledged with National Clearing Company of Pakistan Limited for guaranteeing settlement of the Fund's trades in terms of Circular 11 dated October 23, 2007 issued by the SECP.

8.1 PROVISION FOR FEDERAL EXCISE DUTY

The legal status of applicability of Federal Excise Duty on the Fund is same as that disclosed in note 12.2 to the annual audited financial statements of the Fund for the year ended June 30, 2020, and the appeal filed by tax authorities against the order passed by Honourable Supreme Court of Pakistan dated July 16, 2016, is pending for decision.

In view of above, the Management Company, as a matter of abundant caution, is carrying provision for FED for the period from January 13, 2013 to June 30, 2016 aggregating to Rs. 1.06 million. Had the provision not been made, the Net Asset Value per unit as at September 30, 2022 would have been higher by Re. 0.8533 (June 30, 2022: Re. 0.5708) per unit.

8.2 WORKERS' WELFARE FUND AND SINDH WORKERS' WELFARE FUND

The Government of Sindh also introduced levy of the Sindh Workers' Welfare Fund (SWWF) through the Sindh Workers' Welfare Act, 2014. The Mutual Fund Association of Pakistan, in the previous years based on opinion obtained from the tax consultants, concluded that SWWF is not applicable on mutual funds. MUFAP also wrote to the Sindh Revenue Board (SRB) that mutual funds are not establishments and are pass through vehicles; therefore, they do not have any worker and, as a result, no SWWF is payable by them. SRB responded back that as mutual funds are included in definition of financial institutions in the Financial Institutions (Recovery of Finance) Ordinance, 2001, and thus SWWF is payable by them. MUFAP has taken up the matter with the concerned ministry [Sindh Finance Ministry] for appropriate resolution of the matter.

During the current year, SRB through its letter dated August 12, 2021 (received on August 13, 2021) to Mutual Funds Association of Pakistan (MUFAP) has clarified that Asset Management Company's (AMCs) are covered under the term "financial institutions" as per the Sindh WWF Act 2014 and are therefore subject to SWWF charge whereas as the Mutual Funds/Pension Funds managed by those AMCs do not qualify as "financial institutions" as per SWWF Act 2014.

In the wake of the aforesaid clarification of SRB, the MUFAP called its Extraordinary General Meeting (EOGM) on August 13, 2021, wherein the MUFAP recommended to its members that effective from August 13, 2021, SWWF recognised earlier should be reversed in light of the clarification issued by SRB. Subsequently, MUFAP approached SECP and obtained the clarification with resprect to this matter as well.

On August 13, 2021 the Fund ceased to charge further provision for SWWF and has reversed full provision for SWWF amounting to Rs. 7.1299 million in HBL IAAF and Rs 3.4833 in HBL IAAF Plan 1 for the period from July 1, 2014 till August 12, 2021.

9. CONTINGENCIES AND COMMITMENTS

There were no contingencies or commitments outstanding as at September 30, 2022.

10. TAXATION

The income of the Fund is exempt from tax under clause 99 of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by the capital gains whether realised or unrealised, is distributed among its unit holders. The Fund has not recorded a tax liability in respect of income relating to the current period as the Management Company intends to distribute more than 90 percent of the Fund's accounting income for the period as reduced by capital gains (whether realised or unrealised) to its unit holders.

11. EARNINGS PER UNIT (EPU)

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, determination of weighted average units for calculating earnings per unit is not practicable.

12. TOTAL EXPENSE RATIO

The Scheme has maintained Total Expense Ratio (TER) 4.21% (0.24% representing Government Levies, and SECP Fee) in HBL IAAF, 0.36% (0.04 representing government levies and SECP Fee) in HBL IAAF Plan-1 and 0.75% (0.08 representing government levies and SECP Fee) in HBL IAAF Plan-2.

13. TRANSACTIONS WITH CONNECTED PERSONS / RELATED PARTIES

Connected persons include HBL Asset Management Limited being the Management Company, Habib Bank Limited being the Sponsor, Central Depository Company of Pakistan Limited, being the Trustee of the Fund, other collective investment schemes managed by the Management Company, directors and officers of the Management Company and directors of connected persons.

Transactions with connected persons are in the normal course of business, at contracted rates and terms determined in accordance with market rates.

Remuneration payable to Management Company and Trustee is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed respectively.

15. FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets i.e. listed equity shares are based on the quoted market prices at the close of trading on the period end date. The quoted market price used for financial assets held by the Fund is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

IFRS 13, 'Fair Value Measurements: Disclosures' requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

2. BASIS OF PREPARATION

2.1 Statement of Compliance

2.1.1 This condensed interim financial information has been prepared in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting. Approved accounting standards comprise of such International Financial Reporting Standards ('IFRSs') issued by the International Accounting Standards Board as are notified under the Companies Act, 2017, the requirements of the Trust Deed, the NBFC Rules, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the 'NBFC Regulations') and the directives issued by the SECP.

Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP differ with the requirements of the IFRSs, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP prevail.

- 2.1.2 The disclosures made in this condensed interim financial information have, however, been limited based on the requirements of IAS-34. This condensed interim financial information does not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published audited financial statements of the Fund for the year ended June 30, 2021.
- 2.1.3 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that this condensed interim financial information gives a true and fair view of the state of the Fund's affairs as at September 30, 2021.

2.2 Basis of measurement

This condensed interim financial information has been prepared under the historical cost convention, except that certain financial assets are stated at fair value.

- 2.3 Functional and presentation currency
 - This condensed interim financial information is presented in Pakistani Rupees which is the Fund's functional and presentation currency.
- 3. SIGNIFICANT ACCOUNTING POLICIES AND RISK MANAGEMENT POLICIES, ACCOUNTING ESTIMATES, JUDGEMENTS AND CHANGES THEREIN
- 3.1 The accounting policies adopted in the preparation of these condensed interim financial statements are consistent with those applied in the preparation of the annual audited financial statements of the Fund for the year ended June 30, 2022.
- 3.2 The preparation of these condensed interim financial statements in conformity with the approved accounting standards requires the management to make estimates, judgements and assumptions that affect the reported amount of assets, liabilities, income and expenses. It also requires the management to exercise judgement in application of its accounting policies. The estimates, judgements and associated assumptions are based on the historical experience and various other factors that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognised in the period in which the estimates are revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.
- 3.3 The significant judgments made by management in applying its accounting policies and the key sources of estimation uncertainty were the same as those applied to the annual audited financial statements of the Fund for the year ended June 30, 2022.
- 3.4 There are certain new and amended standards, interpretations and amendments that are mandatory for the Fund's accounting periods beginning on or after July 01, 2018 but are considered not to be relevant or do not have any significant effect on the Fund's operations and therefore not detailed in these condensed interim financial statements.
- 3.5 The Fund's financial risk management objectives and policies are consistent with those disclosed in the annual audited financial statements of the Fund for the year ended June 30, 2022.

- 5.1.1 Investments include shares having market value aggregating to Rs. 79.02 million that have been pledged with National Clearing Company of Pakistan Limited for guaranteeing settlement of the Fund's trades in terms of Circular 11 dated October 23, 2007 issued by the SECP.
- 5.1.2 These includes gross bonus shares as per Fund's entitlement declared by the investee company. Finance Act, 2014 brought amendments in the Income Tax Ordinance, 2001 whereby the bonus shares received by the shareholder are to be treated as income and a tax at the rate of 5 percent is to be applied on value of bonus shares determined on the basis of day end price on the first day of closure of books. The tax is to be collected at source by the investee company which shall be considered as final discharge of tax liability on such income. However, the Management Company of the Fund jointly with other asset management companies and Mutual Fund Association of Pakistan, has filed a petition in Honorable Sindh High Court to declare the amendments brought in Income Tax Ordinance, 2001 with reference to tax on bonus shares for collective investment schemes as null and void and not applicable on the funds based on the premise of exemption given to mutual funds under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001. The Honorable Sindh High Court has granted stay order till the final outcome of the case. However, the investee company(s) has withheld the share equivalent to 5% of bonus announcement of the Fund having aggregate fair market value of Rs. 0.38 million at September 30, 2022 (June 30, 2020: Rs. 0.40 million) and not yet deposited on CDC account of department of Income tax. Management is of the view that the decision will be in favor and accordingly has recorded the bonus shares on gross basis at fair value in its investments at period end.

7.1 The legal status of applicability of Federal Excise Duty on the Fund is same as that disclosed in note 12.2 to the annual audited financial statements of the Fund for the year ended June 30, 2018, and the appeal filed by tax authorities against the order passed by Honourable Supreme Court of Pakistan dated July 16, 2016, is pending for decision.

In view of above, the Management Company, as a matter of abundant caution, is carrying provision for FED for the period from January 13, 2013 to June 30, 2016 aggregating to Rs. 6.785 million. Had the provision not been retained, NAV per unit of the Fund as at September 30, 2020 would have been higher by Rs. 1.3295 per unit (June 30, 2020: 1.145 per unit).

7.2 The Government of Sindh also introduced levy of the Sindh Workers' Welfare Fund (SWWF) through the Sindh Workers' Welfare Act, 2014. The Mutual Fund Association of Pakistan, in the previous years based on opinion obtained from the tax consultants, concluded that SWWF is not applicable on mutual funds. MUFAP also wrote to the Sindh Revenue Board (SRB) that mutual funds are not establishments and are pass through vehicles; therefore, they do not have any worker and, as a result, no SWWF is payable by them. SRB responded back that as mutual funds are included in definition of financial institutions in the Financial Institutions (Recovery of Finance) Ordinance, 2001, and thus SWWF is payable by them. MUFAP has taken up the matter with the concerned ministry [Sindh Finance Ministry] for appropriate resolution of the matter.

During the current year, SRB through its letter dated August 12, 2022 (received on August 13, 2022) to Mutual Funds Association of Pakistan (MUFAP) has clarified that Asset Management Company's (AMCs) are covered under the term "financial institutions" as per the Sindh WWF Act 2014 and are therefore subject to SWWF charge whereas as the Mutual Funds/Pension Funds managed by those AMCs do not qualify as "financial institutions" as per SWWF Act 2014.

In the wake of the aforesaid clarification of SRB, the MUFAP called its Extraordinary General Meeting (EOGM) on August 13, 2022, wherein the MUFAP recommended to its members that effective from August 13, 2022, SWWF recognised earlier should be reversed in light of the clarification issued by SRB. Subsequently, MUFAP approached SECP and obtained the clarification with respect to this matter as well.

On August 13, 2022 the Fund ceased to charge further provision for SWWF and has reversed full provision for SWWF amounting to Rs. 9.51 million for the period from July 1, 2014 till August 12, 2022.

7.3 This represents amount attributable to income earned from shariah non-compliant avenues, earmarked for onward distribution as charity in accordance with the instructions of the Shariah Advisor.

8. TAXATION

The Fund's income is exempt from income tax as per clause 99 of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by the capital gains whether realised or unrealised, is distributed to the unit holders in cash. The Fund is also exempt from the provision of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. The Fund has not recorded a tax liability in the current period, as the Management Company intends to distribute more than 90 percent of the Fund's accounting income as reduced by capital gains (whether realised or unrealised) for the year June 30, 2020 to its unit holders.

9. TRANSACTIONS WITH CONNECTED PERSONS / RELATED PARTIES

Connected persons / related parties include HBL Asset Management Limited being the Management Company, Habib Bank Limited being the Sponsor, Central Depository Company of Pakistan Limited, being the Trustee of the Fund, other collective investment schemes managed by the Management Company, directors and officers of the Management Company, directors of connected persons and persons having 10% or more beneficial ownership of the units of the Fund.

10. FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets (i.e. listed equity shares) are based on the quoted market prices at the close of trading on the reporting date. The quoted market price used for financial assets held by the Fund is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

IFRS 13, 'Fair Value Measurements' requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

2 BASIS OF PREPARATION

2.1 STATEMENT OF COMPLIANCE

- 2.1.1 This condensed interim financial information has been prepared in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, the requirements of the Trust Deed, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the Securities and Exchange Commission of Pakistan (SECP). Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or directives issued by SECP differ with the requirements of IFRSs, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by SECP prevail.
- 2.1.2 The disclosures made in this condensed interim financial information have, however, been limited based on the requirements of the International Accounting Standard 34, 'Interim Financial Reporting'. This condensed interim financial information does not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published financial statements of the Fund for the year ended June 30, 2022.
- 2.1.3 In compliance with Schedule V of the NBFC Regulations, the directors of the Management Company hereby declare that this condensed interim financial information gives a true and fair view of the state of the Fund's affairs as at September 30, 2022.

2.20 Basis of measurement

This condensed interim financial information has been prepared under the historical cost convention, except that certain financial assets are stated at fair value.

2.30 Functional and presentation currency

This condensed interim financial information is presented in Pakistani Rupees which is the Fund's functional and presentation currency.

3 SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ACCOUNTING ESTIMATES, JUDGEMENT AND CHANGES THEREIN

- 3.1 The accounting policies adopted for the preparation of the condensed interim financial information are the same as those applied in the preparation of the annual audited financial statements of the Fund for the year, ended June 30, 2022.
- 3.2 The preparation of this condensed interim financial information in conformity with approved accounting standards requires management to make estimates, assumptions and use judgements that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.
- 3.3 The significant estimates, judgements and assumptions made by the management in applying the accounting policies and the key sources of estimation uncertainty are the same as those applied to the annual audited financial statements as at and for the year ended June 30, 2022.
- 3.4 Certain amendments to approved accounting standards have been published and are mandatory for the Fund's accounting period beginning on or after July 01, 2021. None of these amendments are expected to have a significant effect on this condensed interim financial information.
- 3.5 The Fund's financial risk management objectives and policies are consistent with that disclosed in this financial information for the year ended June 30, 2022.

8.1 PROVISION FOR SINDH WORKERS' WELFARE FUND

The Government of Sindh also introduced levy of the Sindh Workers' Welfare Fund (SWWF) through the Sindh Workers' Welfare Act, 2014. The Mutual Fund Association of Pakistan, in the previous years based on opinion obtained from the tax consultants, concluded that SWWF is not applicable on mutual funds. MUFAP also wrote to the Sindh Revenue Board (SRB) that mutual funds are not establishments and are pass through vehicles; therefore, they do not have any worker and, as a result, no SWWF is payable by them. SRB responded back that as mutual funds are included in definition of financial institutions in the Financial Institutions (Recovery of Finance) Ordinance, 2001, and thus SWWF is payable by them. MUFAP has taken up the matter with the concerned ministry [Sindh Finance Ministry] for appropriate resolution of the matter.

During the current year, SRB through its letter dated August 12, 2021 (received on August 13, 2021) to Mutual Funds Association of Pakistan (MUFAP) has clarified that Asset Management Company's (AMCs) are covered under the term "financial institutions" as per the Sindh WWF Act 2014 and are therefore subject to SWWF charge whereas as the Mutual Funds/Pension Funds managed by those AMCs do not qualify as "financial institutions" as per SWWF Act 2014.

In the wake of the aforesaid clarification of SRB, the MUFAP called its Extraordinary General Meeting (EOGM) on August 13, 2021, wherein the MUFAP recommended to its members that effective from August 13, 2021, SWWF recognised earlier should be reversed in light of the clarification issued by SRB. Subsequently, MUFAP approached SECP and obtained the clarification with resprect to this matter as well.

On August 13, 2021 the Fund ceased to charge further provision for SWWF and has reversed full provision for SWWF amounting to Rs. 16.91 million for the period from July 1, 2014 till August 12, 2021.

8.2 PROVISION FOR FEDERAL EXCISE DUTY

The legal status of applicability of Federal Excise Duty on the Fund is same as that disclosed in note 12.1 to the annual audited financial statements of the Fund for the year ended June 30, 2020, and the appeal filed by tax authorities against the order by Honourable Supreme Court of Pakistan dated July 16, 2016, is pending for decision.

In view of above, the Management Company, as a matter of abundant caution, is carrying provision for FED for the period from January 13, 2013 to June 30, 2016 aggregating to Rs. 1.344 million. Had the provision not been retained, NAV per unit of the Fund as at September 30, 2022 would have been higher by Re. 0.0301 (June 30, 2022: Re. 0.0296) per unit.

9 CONTINGENCIES AND COMMITMENTS

There were no contingencies or commitments outstanding as at September 30, 2022 and June 30, 2022.

10 TAXATION

The income of the Fund is exempt from tax under clause 99 of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by the capital gains whether realised or unrealised, is distributed among its unit holders. The Fund has not recorded a tax liability in respect of income relating to the current period as the Management Company intends to distribute more than 90 percent of the Fund's accounting income for the period as reduced by capital gains (whether realised or unrealised) to its unit holders.

11 EARNINGS PER UNIT

Earnings per unit has not been disclosed as in the opinion of the management determination of cumulative weighted average number of outstanding units for calculating earnings per unit is not practicable.

12 TOTAL EXPENSE RATIO

In accordance with the directive 23 of 2016 dated July 20, 2016 issued by the Securities and Exchange Commission of Pakistan (SECP), the total expense ratio of the Fund for the three months ended September 30, 2022 is 0% which includes 0.08% representing government levy and SECP fee.

13 TRANSACTIONS AND BALANCES WITH CONNECTED PERSONS / RELATED PARTIES

Connected persons include the HBL Asset Management Limited being the Management Company, Habib Bank Limited being the holding company of the Management Company, Central Depository Company of Pakistan Limited being the Trustee, other collective investment schemes managed by the Management Company, other associated companies of the Management Company and directors and officers of the Management Company.

The transactions with connected persons are in the normal course of business, at contracted rates and term determined in accordance with the market rates.

Remuneration of the Management Company is determined in accordance with the provisions of the NBFC Regulations, 2008 and the Trust Deed.

Remuneration of the Trustee is determined in accordance with the provisions of the Trust Deed.

Details of transactions carried out by the Fund with connected persons and balances with them other than those disclosed elsewhere in these financial statements, as at year end, are as follows:

14 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets i.e. listed equity shares are based on the quoted market prices at the close of trading on the period end date. The quoted market prices used for financial assets held by the company is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly.

IFRS 13, 'Fair Value Measurements' requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or Liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

Carrying value as at September 30, 2021

5.2 The above investments include shares with market value aggregating to Rs 37.53 million (2021: Rs 82.84 million) which have been pledged with the National Clearing Company of Pakistan Limited (NCCPL) as collateral for guaranteeing settlement of the Fund's trades in accordance with Circular no. 11 dated October 23, 2007 issued by the SECP, which are as follows:

These investments include gross bonus shares as per Fund's entitlement declared by the investee company. Finance Act, 2014 brought amendments in the Income Tax Ordinance, 2001 whereby the bonus shares received by the shareholder are to be treated as income and a tax at the rate of 5 percent is to be applied on value of bonus shares determined on the basis of day end price on the first day of closure of books. The tax is to be collected at source by the investee company which shall be considered as final discharge of tax liability on such income. However, the Management Company of the Fund jointly with other asset management companies and Mutual Fund Association of Pakistan has filed a petition in Honorable Sindh High Court to declare the amendments brought in Income Tax Ordinance, 2001 with reference to tax on bonus shares for collective investment schemes as null and void and not applicable on the funds based on the premise of exemption given to mutual funds under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001. The Honorable Sindh High Court has granted stay order till the final outcome of the case. However, the investee company(s) has withheld the share equivalent to 5% of bonus announcement of the Fund having aggregate fair market value of Rs. 3.114 million (June 30, 2021 Rs. 2.616 million) and not yet deposited on CDC account of department of Income tax. Management is of the view that the decision will be in the favor and accordingly has recorded the bonus shares on gross basis at fair value in its investments at year end. Moreover the requirement to deduct tax on bonus shares has been withdrawn through Finance Act, 2018.

8.1 PROVISION FOR SINDH WORKERS' WELFARE FUND

The Government of Sindh also introduced levy of the Sindh Workers' Welfare Fund (SWWF) through the Sindh Workers' Welfare Act, 2014. The Mutual Fund Association of Pakistan, in the previous years based on opinion obtained from the tax consultants, concluded that SWWF is not applicable on mutual funds. MUFAP also wrote to the Sindh Revenue Board (SRB) that mutual funds are not establishments and are pass through vehicles; therefore, they do not have any worker and, as a result, no SWWF is payable by them. SRB responded back that as mutual funds are included in definition of financial institutions in the Financial Institutions (Recovery of Finance) Ordinance, 2001, and thus SWWF is payable by them. MUFAP has taken up the matter with the concerned ministry [Sindh Finance Ministry] for appropriate resolution of the matter.

During the current year, SRB through its letter dated August 12, 2021 (received on August 13, 2021) to Mutual Funds Association of Pakistan (MUFAP) has clarified that Asset Management Company's (AMCs)are covered under the term "financial institutions" as per the Sindh WWF Act 2014 and are therefore subject to SWWF charge whereas as the Mutual Funds/Pension Funds managed by those AMCs do not qualify as "financial institutions" as per SWWF Act 2014.

In the wake of the aforesaid clarification of SRB, the MUFAP called its Extraordinary General Meeting (EOGM) on August 13, 2021, wherein the MUFAP recommended to its members that effective from August 13, 2021, SWWF recognised earlier should be reversed in light of the clarification issued by SRB. Subsequently, MUFAP approached SECP and obtained the clarification with resprect to this matter as well.

On August 13, 2021 the Fund ceased to charge further provision for SWWF and has reversed full provision for SWWF amounting to Rs.5.54 million for the period from July 1, 2014 till August 12, 2021.

8.2 PROVISION FOR FEDERAL EXCISE DUTY

The legal status of applicability of Federal Excise Duty on the Fund is same as that disclosed in note 12.1 to the annual audited financial statements of the Fund for the year ended June 30, 2020, and the appeal filed by tax authorities against the order by Honourable Supreme Court of Pakistan dated July 16, 2016, is pending for decision.

In view of above, the Management Company, as a matter of abundant caution, is carrying provision for FED for the period from January 13, 2013 to June 30, 2016 aggregating aggregating to Rs. 3.268 million (June 30, 2018: Rs. 3.268 million). Had the provision not been made, the Net Asset Value per unit as at September 30, 2022 would have been higher by Re. 1.539 (June 30, 2022: Re. 1.567) per unit.

9 CONTINGENCIES AND COMMITMENTS

There were no contingencies outstanding as at September 30, 2022 and June 30, 2022.

10 TAXATION

The income of the Fund is exempt from tax under clause 99 of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by the capital gains whether realised or unrealised, is distributed among its unit holders in cash. The Fund has not recorded a tax liability in respect of income relating to the current period as the Management Company intends to distribute more than 90 percent of the Fund's accounting income for the period as reduced by capital gains (whether realised or unrealised) to its unit holders. Furthermore, as per regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute 90 percent of net accounting income other than capital gains/loss to unit holders. The Fund is also exempt from the provision of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

11 EARNINGS PER UNIT

Earnings per unit has not been disclosed as in the opinion of the management determination of cumulative weighted average number of outstanding units for calculating earnings per unit is not practicable.

12 TOTAL EXPENSE RATIO

In accordance with the directive 23 of 2016 dated July 20, 2016 issued by the Securities and Exchange Commission of Pakistan (SECP), the total expense ratio of the Fund for the three months ended September 30, 2022 is 0.61% which includes 0.36% representing government levy and SECP fee.

13 TRANSACTIONS WITH CONNECTED PERSONS

Connected persons include HBL Asset Management Limited being the Management Company, Habib Bank Limited being the Sponsor, Central Depository Company of Pakistan Limited, being the Trustee of the Fund, other collective investment schemes managed by the Management Company, directors and officers of the Management Company, directors of connected persons and persons having 10% or more beneficial ownership of the units of the Fund.

14 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets i.e. listed equity shares are based on the quoted market prices at the close of trading on the period end date. The quoted market price used for financial assets held by the Fund is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

IFRS 13, 'Fair Value Measurements: Disclosures' requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

HBL Islamic Financial Planning Fund Notes to the Condensed Interim Financial Information (Unaudited)

For the three months ended September 30, 2022

1. LEGAL STATUS AND NATURE OF BUSINESS

HBL Islamic Financial Planning Fund (the "Fund"), was established under the Trust Deed executed between HBL Asset Management Limited as the Management Company and MCB Financial Services Limited (MCBFSL) as the Trustee. The Trust Deed was executed on March 22, 2017 and was approved by the Securities and Exchange Commission of Pakistan (SECP) on May 4, 2017 in accordance with the requirements of the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules). The registered office of the Management Company is situated at 7th Floor, Emerald Tower, G-19, Block 5, Main Clifton Road, Clifton. The Fund commenced its operations from June 17, 2017.

The Fund is an open ended shariah compliant fund of fund scheme and is listed on Pakistan Stock Exchange Limited. The Fund has three different plans namely Conservative Allocation Plan, Active Allocation Plan and Strategic Allocation Plan (collectively referred as 'Plans'). The units of Conservative Allocation and Active Allocation Plan were initially offered to public (IPO) on June 16, 2016 whereas units of Strategic Allocation Plan were offered from June 15, 2016 to June 16, 2016. The units are transferable and can be redeemed by surrendering them to the Fund at the option of unit holder. The duration of the Fund is perpetual however the allocation plans may have a set time frame. Each Allocation Plan announce separate NAVs which rank pari passu inter se according to the number of units of the respective Allocation Plans. Units are offered for public subscription on a continuous basis. However, term-based plans, may be offered for a limited subscription period.

The objective of the Fund is to generate returns on Investment as per the respective Allocation Plan by investing in Shariah Compliant Mutual Funds in line with the risk tolerance of the investor. The investment policy for each of the Plan including the newly launched Fund "Islamic Capital Preservation Plan" (launched on 2nd October, 2018) are as follows;

- The "Conservative Allocation Plan" is an Allocation Plan under the Fund and primarily aims to provide stable returns with some capital appreciation through a pre-determined mix of shariah compliant investments in equity, income and money market funds. This Allocation Plan is suitable for investors who have moderate risk tolerance and have a short to medium term investment horizon.
- The "Active Allocation Plan" is an Allocation Plan under the Fund with an objective to earn a potentially high return through active asset allocation between Islamic Equity scheme(s), Islamic Income scheme(s) and Islamic Money Market scheme(s) based on the Fund Manager's outlook on the asset classes.
- The "Strategic Allocation Plan" is an Allocation Plan under the Fund with an objective to earn a potentially high return through active allocation of funds between Islamic Equity scheme(s), Islamic Income scheme(s) and Islamic Money Market scheme(s) based on fundamental analysis of economic indicators, underlying asset values and a strategy of risk aversion to market volatility. Fund Manager take a medium term strategic view of the portfolio assets to deliver competitive returns to investors. The duration of this plan is 24 months (Two Years).
- The "Islamic Capital Preservation Plan" is an Allocation Plan under the Fund with an objective to earn a potentially high return through dynamic asset allocation between Shariah Compliant Equities and Shariah Compliant Money Market based Collective Investment Schemes, Shariah compliant saving accounts and term deposits while aiming providing capital preservation on the initial amount excluding front end load upon maturity of the allocation plan. The duration of this plan is 24 months (Two Years).

JCR-VIS Credit Rating Company has assigned a management quality rating of AM2++ (AM Two Plus) to the Management Company.

Title to the assets of the Fund are held in the name of MCB Financial Services Limited as trustee of the Fund.

7.1 Sindh Workers' Welfare Fund

The Government of Sindh also introduced levy of the Sindh Workers' Welfare Fund (SWWF) through the Sindh Workers' Welfare Act, 2014. The Mutual Fund Association of Pakistan, in the previous years based on opinion obtained from the tax consultants, concluded that SWWF is not applicable on mutual funds. MUFAP also wrote to the Sindh Revenue Board (SRB) that mutual funds are not establishments and are pass through vehicles; therefore, they do not have any worker and, as a result, no SWWF is payable by them. SRB responded back that as mutual funds are included in definition of financial institutions in the Financial Institutions (Recovery of Finance) Ordinance, 2001, and thus SWWF is payable by them. MUFAP has taken up the matter with the concerned ministry [Sindh Finance Ministry] for appropriate resolution of the matter.

During the current year, SRB through its letter dated August 12, 2022 (received on August 13, 2022) to Mutual Funds Association of Pakistan (MUFAP) has clarified that Asset Management Company's (AMCs) are covered under the term "financial institutions" as per the Sindh WWF Act 2014 and are therefore subject to SWWF charge whereas as the Mutual Funds/Pension Funds managed by those AMCs do not qualify as "financial institutions" as per SWWF Act 2014.

In the wake of the aforesaid clarification of SRB, the MUFAP called its Extraordinary General Meeting (EOGM) on August 13, 2022, wherein the MUFAP recommended to its members that effective from August 13, 2022, SWWF recognised earlier should be reversed in light of the clarification issued by SRB. Subsequently, MUFAP approached SECP and obtained the clarification with resprect to this matter as well.

On August 13, 2022 the Fund ceased to charge further provision for SWWF and has reversed full provision for SWWF amounting to Rs. 0.54 million and 0.5 million in Active Allocation Plan and Conservative Allocation Plan for the period from July 1, 2014 till August 12, 2022.

8. TAXATION

The Fund's income is exempt from income tax as per clause 99 of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by the capital gains whether realised or unrealised, is distributed to the unit holders in cash. The Fund is also exempt from the provision of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. The Fund has not recorded a tax liability in the current period, as the Management Company intends to distribute more than 90 percent of the Fund's accounting income as reduced by capital gains (whether realised or unrealised) for the year June 30, 2020 to its unit holders.

9. TRANSACTIONS WITH CONNECTED PERSONS

The Fund is an open ended shariah compliant fund of fund scheme and is listed on Pakistan Stock Exchange Limited. The Fund has three different plans namely Conservative Allocation Plan, Active Allocation Plan and Strategic Allocation Plan (collectively referred as 'Plans'). The units of Conservative Allocation and Active Allocation Plan were initially offered to public (IPO) on June 16, 2016 whereas units of Capital Preservation Plan were offered from July 19, 2018 to October 01, 2018. The units are transferable and can be redeemed by surrendering them to the Fund at the option of unit holder. The duration of the Fund is perpetual however the allocation plans may have a set time frame. Each Allocation Plan announce separate NAVs which rank pari passu inter se according to the number of units of the respective Allocation Plans. Units are offered for public subscription on a continuous basis. However, term-based plans, may be offered for a limited subscription period.

10. FAIR VALUE AND CATEGORIES OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets i.e. units of mutual funds are based on the quoted NAVs at the close of the reporting date. The quoted market price used for financial assets held by the Fund is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

The Fund classifies fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- Fair value measurements using inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices) (level 2); and
- Fair value measurements using Inputs for assets or liability that are not based on observable market data (i.e. unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

2.2 Basis of measurement

This condensed interim financial information has been prepared under the historical cost convention, except that certain financial assets are stated at fair value.

2.3 Functional and presentation currency

This condensed interim financial information is presented in Pakistani Rupees which is the Fund's functional and presentation currency.

3 SIGNIFICANT ACCOUNTING AND RISK MANAGEMENT POLICIES, ACCOUNTING JUDGEMENT AND CHANGES THEREIN

- 3.1 The accounting policies adopted for the preparation of the condensed interim financial information are the same as those applied in the preparation of the annual audited financial statements of the Fund for the year, ended June 30, 2022.
- 3.2 The preparation of this condensed interim financial information in conformity with approved accounting standards requires management to make estimates, assumptions and use judgements that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.
- 3.3 The significant estimates, judgements and assumptions made by the management in applying the accounting policies and the key sources of estimation uncertainty are the same as those applied to the annual audited financial statements as at and for the year ended June 30, 2022.

14 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of financial assets and liabilities traded in active markets i.e. listed equity shares are based on the quoted market prices at the close of trading on the period end date. The quoted market price used for financial assets held by the Fund is current bid price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

IFRS 13, 'Fair Value Measurements: Disclosures' requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.
