STATEMENT UNDER SECTION 134(3) OF THE COMPANIES ACT, 2017 (AGENDA ITEM NO. 2)

This statement sets out below the material facts concerning the Special Business to be transacted at the Meeting of the Company to be held at Ramada Karachi Creek, Zulfikar Street 1, DHA Phase VIII, Karachi on July 19, 2023, at 11:00 a.m.

The Shareholders in the meeting held on July 28, 2022, had approved the investment of eighty-five percent (85%) in the equity of the associated company, namely OBS Pakistan (Private) Limited (OBS PK) to acquire a selected portfolio of products from Viatris Inc. ("Viатris") which were commercialized in Pakistan primarily under the brands previously owned by Pfizer Inc. ("Brands"), through an optimal capital structure comprising equity and debt in the ratio of 25:75.

Subsequently, in the meeting held on April 19, 2023, shareholders were informed that the economic environment in Pakistan, including the rupee-dollar parity had deteriorated significantly since the time authorization was granted. Taking these factors into consideration, the management revised the terms of the transaction with the sellers and was also able to successfully negotiate a reduction in the purchase price with Viatris Inc. Accordingly, the transaction was delayed on account of these factors and closing took place at the start of 2nd quarter of 2023.

Meanwhile, an opportunity has arisen to subscribe to additional shareholding in OBS PK, as the Company is now able to provide collateral to secure financing of up to PKR 3.6 billion to be raised by OBS PK. Accordingly, subject to the approval of members, the shareholding of AGP would increase by up to seven and a half percent (7.5%) up to ninety-two and a half percent (92.5%) from eighty-five percent (85%) in the equity of OBS PK. The additional shareholding would increase the share of profit of the Company which, in turn, maximizes shareholders' value.
