

NOTICE

PSX/N - 327 April 15, 2024

FOR ALL MARKET PARTICIPANTS

Batch wise implementation of ONE Share Lot for REGULAR Market

This is with reference to the amendments in PSX Regulations, as approved by SECP in relation to marketable lot size of One Share.

According to the approved amendments, all REGULAR market symbols which are currently traded in lot sizes of 20, 50, 100 and 500 shares, shall be converted into lot size of ONE Share and these symbols shall be discontinued in ODD Lot market accordingly. Please note that currently, there are 90 symbols which are already being traded in lot size of ONE share.

Please not the following key points for transition to One Share Lot:

- This transition will take place in batches on a weekly basis. The implementation shall start from 22nd
 April, 2024 and shall be completed in a total of six batches.
- Companies with lot sizes of 20, 50 and 100 shares are divided into 1 single batch due to nominal contribution % in terms of total trades of REG market. Please refer Annexure "A" for list of companies to be converted into ONE Share lot effective 22nd April, 2024.
- The remaining batch wise list of companies shall be notified to the market before each implementation.
- All REG market symbols including GEM symbols will become part of this transition.
- Equities ETFs (UBLPETF, NITGETF, NBPGETF, MZNPETF, JSMFETF, ACIETF, JSGBETF and MIIETF) and Fixed Income ETF (HBLTETF) will not be part of this transition and shall continue to trade in a lot size of 500 shares. Resultantly, the mentioned above ETFs shall remain available in ODD Lot market.
- Deliverable Future Contracts (DFCs) and initial public offer (IPO), where 500 shares lot size is applicable, shall remain continue with lot size of 500 shares.

All concerned are requested to please note the above and make necessary arrangements at your end.
