

NOTICE FOR TRE CERTIFICATE HOLDERS/SECURITIES BROKERS
REVISION IN PSX TECHNICAL SERVICES CHARGES

Pakistan Stock Exchange Limited (PSX) always tries to offer the best trading platform and support services at affordable prices, and shall continue to do so in the future. However, due to high inflation and increasing costs of hardware and software along with other operating expenses, PSX is now compelled to adjust its technical services charges and expect clients' understanding and support in this regard.

PSX is pleased to inform that after necessary due diligence with key stakeholders, PSX has decided to change the technical services charges, revised schedule of charges is attached with this notice and also published on PSX Website along with the details of service wise rates. Despite multiple operational and financial challenges PSX has provided best possible subsidy on all IT services. Revised schedule of charges will be effective **from 1st July 2024**.
