Report of the Shariah Advisor –Meezan Pakistan Exchange Traded Fund (MP-ETF)

July 23, 2024/Muharram 16, 1446 AH

Alhamdulillah, the period from July 1, 2023 to June 30, 2024 was the **Fourth** year of operations of **Meezan Pakistan Exchange Traded Fund** (the “MP-ETF” or the “Fund”) under management of Al Meezan Investment Management Limited (the “Al Meezan” or the “Management Company”). I, Dr. Muhammad Imran Ashraf Usmani, am the Shariah Advisor of the Fund and issuing the Shariah Advisor Report (the “Report”) in accordance with the Trust Deed of the Fund. The scope of the Report is to express an opinion on the Shariah compliance of the Fund’s activity.

In the capacity of Shariah Advisor, Guidelines and policies for Shariah compliant equity investments have been issued to the Fund. Management Company must adhere the guidelines and policies issued by Shariah Advisor. Criteria for Shariah compliance of equity investments includes (i) Nature of business should be *halal*; (ii) Ratio of interest-bearing debt to total assets should be less than 37%; (iii) Ratio of investment in Shariah non-compliant activities to total assets should be less than 33%; (iv) Ratio of Shariah non-compliant income to gross revenue should be less than 5%; (v) Illiquid assets to total assets should be at least 25% and (vi) Market price per share should be at least equal to or greater than net liquid assets per share. In addition to the above criteria, day trading, short sell and trading of right shares (LOR) before subscription are not allowed.

It is also the responsibility of the Management Company of the Fund to establish and maintain a system of internal controls to ensure Shariah compliance with the Shariah guidelines. Our responsibility is to express an opinion, based on our review, to the extent where such compliance can be objectively verified. A review is limited primarily to inquiries of the Management Company’s personnel and review of various documents prepared by the Management Company to comply with the Shariah Advisor’s guidelines.

We have reviewed and approved the modes of investments of the Fund in light of Shariah requirements. On the basis of information provided by the Management Company, all operations of the Fund for the year ended June 30, 2024 have been in compliance with the Shariah principles.

In light of the above, we hereby certify that all the provisions of the scheme and investments made on account of the Fund under management of Al Meezan are Shariah-compliant and in accordance with the criteria established by us.

We further confirm that earnings realized through prohibited sources were transferred to the charity.

May Allah bless us with the best Tawfeeq to accomplish His cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

And Allah knows the best.

Dr. Muhammad Imran Ashraf Usmani
Shariah Advisor

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Meezan Pakistan Exchange Traded Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Meezan Pakistan Exchange Traded Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2024, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2024, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer note 6 to the financial statements)	
	Investments constitute the most significant component of the net asset value. Investments of the Fund as at June 30, 2024 amounted to Rs. 96.60 million. The existence and proper valuation of investments for the determination of NAV of the Fund as at June 30, 2024 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: <ul style="list-style-type: none">Obtained independent confirmations for verifying the existence of the investment portfolio as at June 30, 2024 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed; andRe-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies.

188

Other Matter

The financial statements of the Fund for the year ended June 30, 2023 were audited by another firm of Chartered Accountants who had expressed an unmodified opinion thereon vide their report dated September 26, 2023.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.

ABF

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Khattab Muhammad Akhi Baig**.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2024**

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Meezan Pakistan Exchange Traded Fund (the Fund) was established under a Trust Deed executed between Al Meezan Investment Management Limited as the Management Company and the Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Trust Deed was executed under the Trust Act, 1882 on January 9, 2020 and was approved by the Securities and Exchange Commission of Pakistan (SECP) on January 3, 2020 under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations). The Management Company has been granted license by the SECP to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The Fund commenced its operations from October 6, 2020. The registered office of the Management Company of the Fund is situated at Ground Floor, Block 'B', Finance and Trade Centre, Shahrah-e-Faisal, Karachi 74400, Pakistan.

In the year 2021, the Trust Act, 1882 was repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act). Accordingly, on August 16, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

- 1.2** The Fund is a Shariah Compliant Exchange Traded Fund that aims to provide investors an opportunity to track the performance of Meezan Pakistan Index (MZNPI) that has been constituted and is maintained by the Management Company, and comprises of 12 shariah compliant equity securities selected with high consideration towards market capitalisation and traded value. Under the Trust Deed, all the conducts and acts of the Fund are based on Shariah principles. The Management Company has appointed Meezan Bank Limited as its Shariah Advisor to ensure that the activities of the Fund are in compliance with the principles of Shariah. The investment objectives and policies are explained in the Fund's offering document.
- 1.3** The Fund is a hybrid type of fund having features of both open and closed end funds. A new concept of "Authorised Participants "APs" has been introduced who will act as market makers. The Management Company will only have contact with the APs for issuance and redemption of units. The units of the Fund are tradeable in the Pakistan Stock Exchange Limited (PSX). The APs to whom the units are issued may either keep the units with themselves or trade in the PSX. Consequently, upon trading, the holder of the units keeps on changing. Moreover, on issuance and redemption of units, the basket of shares will be exchanged between AP and Management Company and cash will be paid / received if there is a difference in the applicable net asset value of a creation unit and the market value of the portfolio deposit.
- 1.4** The Fund is an Open Ended Exchange Traded Mutual Fund categorised as "Listed Index Tracking Fund" and is listed on Pakistan Stock Exchange (PSX) Limited.
- 1.5** The Management Company has been assigned a quality rating of 'AM1' by VIS Credit Rating Company Limited dated December 29, 2023 (2023: AM1 dated December 30, 2022) and by PACRA dated June 21, 2024 (2023: AM1 dated June 23, 2023). The rating reflects the Company's experienced management team, structured investment process and sound quality of systems and processes.
- 1.6** The title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PRESENTATION

The transactions undertaken by the Fund are in accordance with the process prescribed under the Shariah guidelines issued by the Shariah Advisor and are accounted for on substance rather than the form prescribed by the earlier referred guidelines. This practice is being followed to comply with the requirements of the accounting and reporting standards as applicable in Pakistan.

3 BASIS OF PREPARATION

3.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Accounting Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017, along with part VIII A of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirements of IFRS Accounting Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

3.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2023. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements and hence, therefore, not been disclosed in these financial statements except that during the year certain amendments to IAS 1 'Presentation of Financial Statements' have become applicable to the Fund which require entities to disclose their material accounting policy information rather than their significant accounting policies. These amendments to IAS 1 have been introduced to help entities improve accounting policy disclosures so that they provide more useful information to investors and other primary users of the financial statements. These amendments have been incorporated in these financial statements with the primary impact that the material accounting policy information has been disclosed rather than the significant accounting policies.

3.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards and amendments to the published accounting and reporting standards that will be applicable to the Fund for its annual periods beginning on or after July 1, 2024. However, these are not considered to be relevant or did not have any material effect on the Fund's financial statements except for:

- The new standard - IFRS 18 Presentation and Disclosure in Financial Statements (IFRS 18) (published in April 2024) with applicability date of January 1, 2027 by IASB. IFRS 18 when adopted and applicable shall impact the presentation of 'Income Statement' with certain additional disclosures in the financial statements; and
- Amendments to IFRS 9 'Financial Instruments' which clarify the date of recognition and derecognition of a financial asset or financial liability including settlement of liabilities through banking instruments and channels including electronic transfers. The amendment when applied may impact the timing of recognition and derecognition of financial liabilities.

3.4 Critical accounting estimates and judgments

The preparation of the financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires the management to make estimates, assumptions and use judgments that affect the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors, including expectation of future events, that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about carrying value of assets and liabilities. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both the current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification and valuation of financial assets (notes 4.2 and 6).

3.5 Accounting convention

These financial statements have been prepared under the historical cost convention except for certain investments which have been classified as 'at fair value through profit or loss' and which are measured at fair value.

3.6 Functional and presentation currency

Items included in these financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupees, which is the Fund's functional and presentation currency.

4 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented, unless otherwise stated.

4.1 Cash and cash equivalents

These comprise balances with banks in savings and current accounts and other short-term highly liquid investments with original maturities of three months or less.

4.2 Financial assets

4.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

4.2.2 Classification and subsequent measurement

4.2.2.1 Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective and are instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

All equity investments are required to be measured in the "Statement of Assets and Liabilities" at fair value, with gains and losses recognised in the "Income Statement", except where an irrevocable election has been made at the time of initial recognition to measure the equity investments at FVOCI. The management considers its investment in equity securities being managed as a group of assets and hence has classified them as FVPL. Accordingly, the irrevocable option has not been considered.

The dividend income for equity securities classified under FVPL is recognised in the Income Statement.

Since all investments in equity instruments have been designated as FVPL, the subsequent movement in the fair value of equity securities is routed through the Income Statement.

4.2.3 Impairment (other than debt securities)

The fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The Fund considers that a financial asset is in default when the counterparty fails to make contractual payments within 90 days of when they fall due. Further, financial assets are written off by the Fund, in whole or part, when it has exhausted all practical recovery efforts and has concluded that there is no reasonable expectation of recovery.

4.2.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset. Regular way purchases / sales of assets require delivery of securities within two days from the transaction date as per the stock exchange regulations.

4.2.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss arising on derecognition of financial assets is taken to the Income Statement.

4.3 Financial liabilities

4.3.1 Classification and subsequent measurement

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value and subsequently stated at amortised cost.

4.3.2 Derecognition

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss arising on derecognition of financial liabilities is taken to the Income Statement.

4.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

4.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.6 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

4.7 Issuance and redemption of units

Authorised Participants (APs) can purchase the units at the offer price and redeem at the redemption price at any of the authorised distribution offices during business hours.

The offer price shall be equal to the sum of:

- The Net Asset Value (NAV) as of the close of the previous business day (historical pricing); and
- Such amount as the Management Company may consider an appropriate provision for duties and charges.

Units of the Fund may be acquired or redeemed directly from the Fund only in Creation Units lot size or multiples thereof as mentioned in the Offering Document. Investors can sell the units at market prices on PSX which may be above or below actual NAV of the Fund.

4.8 Distribution to unit holders

Distribution to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

4.9 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between Net Asset Value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the NAV per unit at the beginning of the relevant accounting period.

As clarified by the SECP vide its letter no. SCD/AMCW/ETF/240/2020 dated March 2, 2020, element of income in case of Exchange Traded Funds shall be taken to Income Statement both at the time of issuance and redemption of units to the extent it pertains to the Income Statement.

4.10 Revenue recognition

- Gains / (losses) arising on sale of investments are included in Income Statement and are recognised on the date when the transaction takes place;
- Unrealised gains / (losses) arising on re-measurement of investments classified as financial assets 'at fair value through profit or loss' are included in the Income Statement in the year in which these arise;
- Dividend income is recognised when the Fund's right to receive the same is established, i.e. on the commencement of the date of book closure of the investee company / institution declaring the dividend; and
- Profit on balances with banks is recognised on an accrual basis.

4.11 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and fee to the SECP are recognised in the Income Statement on an accrual basis.

4.12 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilised. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

4.13 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net income / (loss) for the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings / (loss) per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

4.14 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

14 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2024 is 1.52% (2023: 1.56%) which includes 0.19% (2023: 0.12%) representing government levies on the Fund such as Sales Taxes, fee to the SECP etc. This ratio is within the maximum limit of 2.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as an 'Index Tracker Scheme'.

15 TAXATION

The income of the Fund is exempt from income tax under Clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. Since the Management Company has distributed the required minimum percentage of income earned by the Fund for the year ended June 30, 2024 to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

18 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

18.1 Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee and regulations laid down by the SECP.

Market risk comprises of three types of risks: profit rate risk, currency risk, and price risk.

(i) **Profit rate risk**

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. As of June 30, 2024, the Fund is exposed to such risk on its balances held with bank. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

a) **Sensitivity analysis for variable rate instruments**

Presently, the Fund holds balances with bank which expose the Fund to cash flow profit rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net (loss) / income for the year ended June 30, 2024 and net assets of the Fund would have been higher / lower by Rs. 0.031 million (2023: Rs. 0.042 million).

The composition of the Fund's investment portfolio and profit rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2024 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at June 30, 2024 can be determined as follows:

As at June 30, 2024					
Effective profit rate (%)	Exposed to yield / profit rate risk			Not exposed to yield / profit rate risk	Total

Total profit rate sensitivity gap (a + b)		4,191	-	-		
Cumulative profit rate sensitivity gap		4,191	4,191	4,191		

(ii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

(iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund is exposed to equity price risk on investments held by the Fund classified as 'at fair value through profit or loss'. To manage its price risk arising from investments in equity securities, the Fund diversifies its portfolio within the eligible stocks and limits prescribed in the Trust Deed, the NBFC Regulations and circulars issued by SECP from time to time. The Fund's investment in equity securities exposed to price risk as at the year end is concentrated in the sectors as disclosed in note 6.1.

In case of 1% increase / decrease in MZNP! on June 30, 2024 with all other variables held constant, the total comprehensive (loss) / income of the Fund for the year would increase / decrease by Rs. 0.966 million (2023: Rs. 0.653 million) and the net assets of the Fund would increase / decrease by the same amount as a result of gains / losses on equity securities classified as 'financial assets at fair value through profit or loss'.

The analysis is based on the assumption that equity index had increased / decreased by 1% with all other variables held constant and all the Fund's equity instruments moved according to the historical correlation with the index. This represents management's best estimate of a reasonable possible shift in the MZNP!, having regard to the historical volatility of the index. The composition of the Fund's investment portfolio and the correlation thereof to the MZNP!, is expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2024 is not necessarily indicative of the effect on the Fund's net assets of future movements in the level of the MZNP!.

18.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily settlement of equity securities and daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, 2008, the Fund can borrow in the short-term to ensure settlement of the maximum limit which is fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemption requests during the year ended June 30, 2024.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the assets and liabilities that are receivable / payable on demand including balances with banks have been included in the maturity grouping of one month:

18.3 Credit risk

18.3.1 Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. Credit risk arises from deposits with banks and financial institutions, profit receivable on bank deposits and receivable against sale of investments.

Credit risk arising on financial assets is monitored through a regular analysis of financial position of brokers and other parties. In accordance with the risk management policy of the Fund, the investment manager monitors the credit position on a daily basis which is reviewed by the Board of Directors of the Management Company on a quarterly basis.

The table below analyses the Fund's maximum exposure to credit risk:

	2024		2023	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
	----- (Rupees in '000) -----			
Balances with bank	3,304	3,304	4,444	4,444
Investments	96,601	-	65,303	-
Receivable against sale of investments	4,789	4,789	-	-
Deposits and profit receivables	229	229	236	236
	<u>104,923</u>	<u>8,322</u>	<u>69,983</u>	<u>4,680</u>

The maximum exposure to credit risk before any credit enhancement as at June 30, 2024 is the carrying amount of the financial assets. Investment in equity securities, however, are not exposed to credit risk and have been excluded from the above analysis.

There is a possibility of default by participants or failure of the financial market / stock exchanges, the depositories, the settlements or clearing systems, etc. Settlement risk on equity securities is considered minimal because of inherent controls established in the settlement process. The Fund's policy is to enter into financial contracts in accordance with internal risk management policies and instruments guidelines approved by the Investment Committee.

18.3.2 Credit quality of financial assets

The Fund's significant credit risk (excluding credit risk relating to settlement of equity securities) arises mainly on account of its placements in banks and related profit receivable thereon, and receivable against sale of investments. The credit rating profile of balances with banks is as follows:

Rating	% of financial assets exposed to credit risk	
	2024	2023
AAA	<u>100.00%</u>	<u>100.00%</u>

18.3.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. As transactions are entered with credit worthy parties and are within the regulatory limits, therefore any significant concentration of credit risk is mitigated..

All financial assets of the Fund as at June 30, 2024 and June 30, 2023 are unsecured and are not impaired.

19 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the reporting date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

19.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2024 and June 30, 2023, the Fund held the following financial instruments measured at fair value:

ASSETS	2024			
	Level 1	Level 2	Level 3	Total
	(Rupees in '000)			
Financial assets 'at fair value through profit or loss'				
Shares of listed companies - 'ordinary shares'	96,601	-	-	96,601

ASSETS	2023			
	Level 1	Level 2	Level 3	Total
	(Rupees in '000)			
Financial assets 'at fair value through profit or loss'				
Shares of listed companies - 'ordinary shares'	65,303	-	-	65,303

20 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restriction on the subscription and redemption of units. As required under the NBFC Regulations, 2008, every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs. 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 18, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short-term borrowings, where necessary.
