

NOTICE FOR LISTED COMPANIES Seminar on 'AI & Energy Transition for Sustainable Investing'

We are pleased to invite you to a seminar organised by CFA Society Pakistan (CFASP) in collaboration with Pakistan Stock Exchange (PSX) on 'AI and Energy Transition for Sustainable Investing'. As a listed company, you are one of the prime stakeholders of the capital market. Therefore, it is imperative to further your learning and understanding with regard to Artificial Intelligence and Energy Transition for Sustainable Investing in terms of its significance for your company and its investors.

By participating in this seminar, you can broaden your horizons by learning about the opportunities and challenges of adopting AI and energy transition for a better future for your stakeholders, future generations and the economy as a whole. The session will include speeches by the MD & CEO of Pakistan Stock Exchange, Mr. Farrukh Sabzwari, CEO of Hubco, Mr. Kamran Kamal and key speakers from the CFA Society Pakistan including Ms. Mubashira Khwaja CFA, Investment Director, Abdrn UK. The session will also include an interactive Q&A segment for the benefit of all participants.

The details of the sessions are provided below:
