It may be noted that PSX has observed unusual movement in the price of the certificates of FTSM during the preceding period.

Please note that in case of any material/price-sensitive information that is likely to affect the price or volume of the shares, listed companies are required to promptly disseminate the information through PUCARS for its onward dissemination to the public as stipulated under the PSX Regulation 5.6.1.

In view of the above, FTSM is advised to furnish the sufficient information as is available to it in order to clarify its position which may have resulted in unusual movement in price of its certificates in terms of the PSX Regulation 5.6.3. promptly through PUCARS for public information.

Yours truly,
