# FOR ALL TRE CERTIFICATE HOLDERS/SECURITIES BROKERS

## Cyber Security Awareness Session

All market participants are hereby notified that the Pakistan Stock Exchange (PSX) will be conducting an informative session aimed at enhancing awareness regarding cyber security for all TRE Certificate Holders and Securities Brokers.

This session is scheduled to take place on Thursday, October 29, 2026, at 4:00 PM.

**Venue:**

- Participants are encouraged to attend in person at the Dr. Shamshad Akhtar Auditorium located within the Admin Building of PSX in Karachi.
- You may also join remotely via Zoom, with access credentials to be distributed through email prior to the event.

It is imperative that all TREC Holders designate one to two representatives to attend the session in person, with a preference for individuals from their Compliance, Information Technology /Information Security, or data operations teams, as their participation would be beneficial in promoting cybersecurity awareness during Cybersecurity Awareness Month.
