# Review Report by the Chairman on Board's overall performance u/s 192 of the Companies Act, 2017

I feel greatly honored and privileged in taking this opportunity to report to our valued Certificate Holders on the affairs and overall performance of the Board of Popular Islamic Modaraba (PIM).

For the financial year ended June 30, 2018, the Board's overall performance and effectiveness has been satisfactory. I report on the appropriateness of Board's composition, understanding of roles, responsibilities and fiduciary duties by the Board Members, Board's knowledge and understanding of the Modaraba's strategy and business plan. Participation by the Board Members in the proceedings of different meetings was good especially in making decisions on key risk areas. The Board Members effectively participated in the Board Meetings held during the period, and their suggestions and recommendations helped in improving performance of the Modaraba.

The Board Members are familiar with the vision, mission and objectives of the Modaraba, and have clear understanding of all the concerned stakeholders (including Certificate holders, customers employees, and community at large) to whom the Modaraba serves. This is reflected by setting up an effective control environment, code of conduct, compliance with best practices of Corporate Governance and by promoting ethical and fair behavior across the Modaraba. The Board Members were informed about the new regulations and amendments in existing regulations. Further lectures on Islamic Banking and briefs on the latest development in the financial industry were also arranged for the Board Members.

The Board of Directors received agenda and supporting written material including follow up materials in sufficient time prior to the Board and its Committee Meetings. The Board received appropriate and adequate various management reports for their discussions and decisions. Further, Board members openly and freely exchanged their views on different matters presented to the Board in their meetings.

I would like to thank all the Board Members for the cooperation and support in the development of the Modaraba.

Imamuddin Shouqeen Chairman

#### Review of Operation

By the Grace of Almight Allah, Popular Islamic Modaraba has successfully completed this financial year under the strategy and philosophy of innovation in the business thus capitalizing on different avenues.

The Modaraba attained income to the tune of Rs.31.031 million. The Modaraba booked profit before management fee of Rs.3.377 million, against the profit before management fee of Rs.5.303 million in the corresponding period of the last year. The decrease is attributed due to reversal of provision of write-off last year.

The year ended with a profit after tax of Rs.2.627 million as against profit of Rs.4.580 million in the corresponding period of the last year. However, if we compare the profit of 2017 with 2018 without the impact of reversal against to sostwine 60, our profit for the year ended June 30, 2018 shows an increase by 10%. The Earning Per Certificate has been worked out at Rs.0.26. Due to heavy accumulated loss of Rs.3.6365 million owing to provision of inherited bad doubt, the management is not in a pocietion to declare any officerable stops are profit of deter every overlay of the control of the reverse compared to the control of the Modaraba during the period remained satisfactory and within the budgeted figures.

The Popular Islamic Modaraba manages and monitors risk exposure very prudently. The evaluation of borrowers' credit profile includes repayment capability, eCIB clearance, cash flow, experience etc., which are carried out at the time of approval of the facility and regular monitoring thereof.

#### Shari'ah Audit Report:

The Modaraba continues to seek guidance from its Shariah Advisor, Muftl Muhammad Ibrahim Essa, CEO Alhamad Shariah Advisory Services (Private) Limited as and when required to ensure full compliance of Shariah Audit Mechanism developed in consultation with Registrar Modarabas. The Internal Sharia ah Audit rad sha handlar bid and Audit rad sha handlar and the Audit rad sha handlar sha was the Audit rad sha handlar sha sha sha ensuring complete adherence to Shariah policies and principles. The Shariah Audit Report issued for the affairs of the Modaraba by the Shariah Advisor for the year ended June 30, 2018 is attached with the Annual Financial Statements which confirms that the Business of Modaraba is Shariah Compliant.

Mr.Kamran Husain Mughal	5

- The pattern of holding of certificates by the Certificate Holders is included in this annual report.
- The Directors, CEO, CFO/ Company Secretary and their spouses and minor children did not carry out any transaction in the certificates of Modaraba during the year.

#### Future outloo

With the aim and strategy of growing with Shariah complaint businesses, we would keep exploring and opling high yield businesses. We trust that we would keep going as per our short and long term plans for the future and would endeavor to outperform our existing results with innovative approach that would result in better returns for the Certificate Holders. The current economic situation along with a very competitive environment for Islamic Financial Products has resulted a very challenging outlook for the Modaraba. The Management of your Modaraba is proactively studying available options which would best protect and preserve certificate holders' interest in the future. We are making all possible efforts to augment the system, and special emphasis is being placed on recoveries and careful risk assessment to safeguard any adverse impact in future. New products and services are being explored to enhance our business generating activities. We are trying to avail funds on cheaper rate to increase the profitability of Modaraba. We are also considering to inject fresh equity or acquire any other Modaraba. We are fully geared to maintain this upword trend and inshah falls foresee to achieve better results and to regularly pay progressive rate of return to the certificate holders of the Modaraba in very near future.

For induction of quality customer base, it requires efficient services and competitive rates of profit. In order to compete with institutions offering islamic base funding specially Islamic Commercial Banks, we need to offer highly competitive profit rates to keep good clentele.

#### Role of Certificate-Holders:

The Board aims to ensure that the Modaraba's Certificate Holders are kept informed about major developments affecting the Modaraba's state of affairs. To achieve this objective, information is communicated to certificate holders through quarterly, half-yearly and annual financial reports, which are also being posted on website i.e www.popularislamicmodaraba.com

#### External Auditors:

The existing auditors Messrs Baker Tilly Mehmood Idrees Qamar, Chartered Accountants, being eligible for appointment and upon their consent to act as auditors, the Board has approved their appointment as external auditors of the Modaraba for Innancial year ending June 93, 2019 subject to the apportant of Registrat Modaraba.

## Compliance with the Code of Corporate Governance:

The requirements of the Listed Companies (Code of Corporate Governance) Regulations, 2017 set out by the Securities and Exchange Commission of Pakistan, relevant for the year ended June 30, 2018 have been duly compiled with, and exceptions if any have been disclosed in the Statement of Compliance with the Best Practices of Corporate Governance. A statement to this effect is annexed with this report

#### Statutory Reserves

As per requirement of Rule 2 of Part III of Prudential Regulation for Modaraba as issued by the Securities and Exchange Commission of Pakistan, the Modaraba has transferred 20% of net profit to its Statutory Reserves.

#### Acknowledgments:

The Modaraba is thankful to the invaluable guidance and support of the Registrar Modarabas, the Securities & Exchange Commission of Pakistan, Pakistan Stock Exchange, NBFI and Modaraba Association of Pakistan and all Staff Members of the Modaraba during the year, and looks forward to receiving the same in future as well.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2018

#### 1. LEGAL STATUS AND NATURE OF BUSINESS

1.1 Popular Islamic Modaraba is a multipurpose, perpetual Modaraba formed under the Modaraba and Modaraba (floatation and control) Ordinance, 1980 and the rules framed there under and is managed by the Popular Islamic Modaraba Management Company (Private) Limited (formerly by Islamic Investment Bank Limited - under liquidation), a company incorporated in Pakistan under the Companies Ordinance, 1984 and registered with Registrar of Modaraba Companies. The registered office of the modaraba is situated at 15th Floor, Chapal Plaza, Hasrat Mohani Road, Off Li Chundrigar Road, Karachi, The Modaraba is Islated on the Pakistan Slook Exchange.

1.2 The Modaraba is engaged in various Islamic modes of financing and business including ijarah, musharaka, murabaha arrangements, trading in listed securities and other commodities.

1.3 In the year 2013-2014, Popular Islamic Modaraba Management Company (Private) Limited purchased the entire shareholding of Islamic Investment Bank Limited (Management Company) along with management and assets of the "First Islamic Modaraba" and the same has been confirmed by the Peshawar High Court vide its order dated March 11, 2013.

1.4 Popular Islamic Modaraba had been dormant since 2005 before its acquisition. The Popular Islamic Modaraba Management Company (Private) Limited has acquired First Islamic Modaraba in 2013 from Peshawar High Court, and it is in the stage of revival. The official liquidator has also not transferred the related records to the new management. The management is however struggling hard at different fronts to revive it. New management is pursuing recovery cases at different courts vigorously, However appropriate provisions as per Prudential Regulations for Modaraba have Guly been passed, Popular Islamic Modaraba is opening new venues for investment like share trading. Fills is also exploring possibilities to finance new sector like live stock farming etc., which are purely Islamic and highly profitable. The management company is also planning fresh injection of equity in the Popular Islamic Modaraba.

3.2 These financial statements have been prepared under the accrual basis of accounting except for cash flow information.

23

#### 4. USE OF ESTIMATES

The preparation of financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Modaraba's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience, including expectations of future events that are believed to be reasonable under circumstances, However, assumptions and judgments made by management in the application of accounting policies that have significant effect on the financial statements are not expected to result in material adjustment to the carrying amounts of assets and labilities in the rext year. The areas involving a higher deeper of judgments or complexity or areas where assumptions and estimates are significant to the financial estimates are as follows:

		Note
a)	Useful life of depreciable assets/amortizable assets	5.4, 6 & 7
b)	Classification of investments	5.6 & 11
c)	Income tax	5.3 & 22
d)	Provision for non performing assets	22

#### 5. SIGNIFICANT ACCOUNTING POLICIES

#### 5.1 Accounting Convention

These financial statements have been prepared under the historical cost convention, except for the measurement at fair value of certain financial instruments in accordance with the requirements of International Accounting Standard - 39 "Financial Instruments: Recognition and Measurement \*, wherever applicable. The principal accounting policies adopted are set out below.

#### 5.2 Accrual Basis of Accounting

These financial statements except cash flow information, have been prepared under the accrual basis of accounting.

#### 5.3 Taxation Current

The charge for taxation is based on taxable income at current rates of taxation after taking into account tax credits and tax rebates available, if any or minimum tax under the provisions of the Income Tax Ordinance, 2001. For items covered under final tax regime, provision is made according to the final tax rate provided in the Income Tax Ordinance, 2001. The income of Modaraba other than trading income is exempt from tax under Clause 100 of Part I of the Second Schedule to the Income Tax Ordinance, 2001. Provided that not loss than 09% of its study profits in the year as reduced by the amount transferred to a mandatory reserve, as required under the provisions of the Modaraba Companies and Modaraba (Fisatation and Control) Ordinance, 1980 or the rules made thereunder, as are distributed amongst the certificate holders.

#### Deferred

Deferred tax is recognized using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the tax base. This is recognized on the basis of expected manner of the realization and the settlement of the carrying amount of assets and liabilities using the tax rates enacted or substantially enacted at the balance sheet date. Deferred ax assets are recognized for all deductible temporary differences and carry forward or unused tax losses, if any, to the extent that future taxable profits will be available against which the deductible temporary differences can be utilised. Deferred tax assets are reduced to the extent that is no longer probable that the related tax benefit will be realised.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on tax rates that have been enacted or substantively enacted at the balance sheet data.

However, deferred tax is not accounted for as the management believes that the temporary differences will not reverse in the foreseeable future.

#### 5.4 Fixed Assets - Tangible

Fixed assets are stated at cost less accumulated depreciation and impairment, if any. Depreciation is charged to income applying the straight line method where by the cost less estimated residual value, if any, of an asset is written applying the straight line method where by the cost less estimated residual value, if any, of an asset is written as the set in the Note 6.

Proportionate depreciation is charged on purchases and disposals during the year.

Maintenance and repairs are charged to income as and when incurred. Major renewals and improvements are capitalized and the assets so replaced, if any, are retired.

Gains and losses on disposal of assets are included in income.

Assets leased out under liarah and depreciation

ljarah (lease) assets are stated at cost less accumulated depreciation. Depreciation is charged to income applying the straight line method whereby the cost of an asset less salvage value is written off over the ligrah (lease) period, which is considered to be the estimated useful file of the asset. In respect of additions of disposal sing the year, depreciation is charged proportionately from the date of delivery of assets to the date of its maturity / termination.

Gains and losses on disposal of assets are included in income

#### 5.5 Financial Instruments

All the financial assets and financial liabilities are recognized at the time when Modaraba becomes a party to the contractual provisions of the instruments.

All Investments are initially recognized on trade-date at cost, comprising of fair value of consideration given and cost of transaction. Its classification is made on the basis of intended purpose of holding such investments. The subsequent measurement on the balance sheet date is carried out on the following basis:

#### Held for Trading

These are securities which are either acquired for generating a profit from short term fluctuation in prices or are securities included in a portfolio in which a pattern of short-term profit taking exists. These are measured at fair value and changes in carnjing values are included in profit and loss account.

## Held to Maturity

Held to maturity investments are financial assets with fixed or determinable payments and fixed maturity that the Modaraba has the positive intent and ability to hold to maturity. These are initially recognized at cost inclusive of transaction cost and are subsequently carried at amortized cost, Surplus' deficit arising due to fluctuation in fair value is taken to profit and loss account.

The fair value for listed securities is the quoted market price. The securities, for which a quoted market princt available, are measured at cost.

All investments are de-recognized when the rights to receive cash flows from the investments have expired or have been transferred and the Modaraba has transferred substantially all risks and rewards of ownership.

These are investments that do not fall under held for trading or held to maturity. These are stated at fair value and the surplus' (deficit) on revaluation of investments being unrealized gain' (loss) is taken directly to equity until sold or otherwise disposed of at which time, the cumulative gain or loss previously recognized in equity is included in profit and loss account.

#### 5.7 Other Receivables

Other receivables are stated net of impairment loss, Impairment loss is recognized for doubtful receivables on the basis of prudential regulations for Modarabas issued by SECP or based on the estimates of the management, whichever is higher. Bad debts are written of when identified.

All advances in the form of morabaha and musharaka finances are stated net of provision for doubtful debts, Provision for doubtful debts is made on the basis of Prudential Regulations for Modarabas or on the estimate of management whichever is higher.

## 5.9 Financial Instruments

The particular recognition methods adopted by the Modaraba are disclosed in the individual policy statement associated with each item of financial instruments.

#### Financial assets

Financial assets are initially recognized at their cost which is the fair value of the consideration given for them at the time when the Modaraba becomes a party to the contractual provisions of the instruments and subsequent to initial recognition, financial assets are carried at fair value except any financial asset whose fair value can not be reliably measured.

A 'regular way' purchase or sale of financial asset is recognized using trade date accounting.

### Financial liabilities

All financial liabilities are initially recognized at cost which is the fair value of consideration received at the time when the Modaraba becomes a party to the contractual provisions of the instruments. After initial recognition, financial liabilities are carried at fair value, amortized cost or original cost as the case may be.

#### Off-setting financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the financial statements when the Modaraba has a legally enforceable right to set off the recognized amounts or intend either to settle on net basis or to realize the assets and settle the liabilities simultaneously.

## De-recognition

Financial assets are de-recognized when the Modaraba losses control of the contractual rights that comprise the Financial liabilities are de-recognized when they are extinguished; that is, when the obligation specified in the contract it falcharged, cancelled or expires.

#### Recognition of gains / (losses)

Gains or losses, if any, on realization or settlement, subsequent measurement and derecognition of financial assets and liabilities are included in net profit and loss in the period in which it arises.

Impairment' un-collectibility of financial assets
An assessment is made at each balance sheet date to determine whether there is an evidence that the financial
asset of the group of financial assets may be impaired. If such evidence exists, the estimated recoverable amount
of the asset(s) is determined and impairment loss is recognized for the difference between the recoverable amount
and the carrying amount,

#### 5 10 Impairment

The carrying amount of assets are reviewed at each balance sheet date to determine whether there is any indication of impairment of any assets or a group of assets. If such indication exists, the recoverable amount of that asset is estimated and impairment loss is recognized in the profit and loss accompliant of the profit accompliant of the profit and loss accomp

#### 5.11 Cash and cash equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purpose of cash flow statement, cash and cash equivalents consist of cash in hand, balances with banks in current and deposit accounts.

#### 28. OPERATING RISK

Operational Risk is the risk of direct or indirect loss arising from a wide variety of causes associated with the processes, suchnology and infrastructure supporting the Modaraba's operations either intensity within the Modaraba or externally at the Modaraba's service providers, and from external factors other than credit, market and liquidity risks such as those arising from legal and regulatory requirements and generally accepted standards of investment management behavior. Operational risks arise from all of the Modaraba's activities.

The Modaraba's objective is to manage operational risk so as to balance limiting of financial losses and damage to its regulation with achieving its objective of generating returns for certificate holders. The primary responsibility for the development and implementation of controls over operational risk rests with the Board of Directors of the Management Company. This responsibility encompasses the controls in the following areas:

- Requirements for appropriate segregation of duties between various functions, roles and responsibilities;
  Requirements for the reconclisation and monitoring of transactions;
  Compliance with regulatory and other legal requirements;
  Documentation of controls and procedures;
  Requirements for the periodic assessment of operational risks faced, and the adequacy of controls and procedures to address the risks identified;
  Ethical and business standards;
  Risk mitigation, including insurance where this is effective.
