Directors' Report

On behalf of Board of Directors of IBL Modaraba Management (Pvt.) Ltd, the management company of First IBL Modaraba (FBLM), I am pleased to present Quarterly report with un-audited financial statements of FIBLM for the $1^{\rm st}$ quarter ended September 30, 2018.

Pakistan's economy is facing testing times. Although exports and inflows from remittance increased during the first quarter. High oil process is pressuring the current account deficit. Moreover, foreign exchange reserves hit multiyear low at the close of quarter ended September 2018. Tough competition with giant financial institution in the financial market and political un- rest in the country, were also the major factors due to which sustainability was little tough. Despite of all this modaraba booked operating income of Rs. 5.431 million as compared to Rs. 9.538 million in the preceding period. Whereas modaraba booked other income of Rs. 0.739 million as compared to Rs. 0.051 million in September 2017.

During the reporting period major income generating segments were Ijarah (40.75%), Musharikah (24.47%) and investment property (34.5%) and it is expected that income from the referred segments will improve in future.

Despite of inflationary effect and increase in overhead cost nationwide, modaraba managed to reduce its expenses by 7.77%. Total expenses were booked amounting to Rs. 8.209 million as compared to Rs. 8.901 million in the corresponding period.

During the 1stquarter under review, total assets of Modaraba were stood at Rs. 223.448 million with total liabilities at 36.576 million.

Working on new business ideas and implementing modern business methodologies to improve profitability is main objective of the management. The management of Modaraba is putting its best efforts for sustainability of Modaraba and to increase in profitability for its certificate holders.

Recovery of non-performing assets and reinvestment of the same in to income generating segments is on top priority of modaraba.

I would like to express my gratitude to the Securities & Exchange Commission of Pakistan, Registrar Modarabas, State Bank of Pakistan and NBFI & Modaraba Association of Pakistan for providing us their usual support and guidance. The board appreciates and pays gratitude to the certificate holders and customers for entrusting their confidence on us and we assure them maintenance of adequate internal controls, providing personalize services and also to maintain an ideal environment of good corporate governance in all areas of the activities.

Finally the board appreciates the dedication and hard work put in by the team of First IBL Modaraba.

for & on behalf of the Board,

Shiraz Butt
