Core Values

Caring

The Company cares about people: Colgate people, customers, shareholders and business partners. Colgate is committed to act with compassion, integrity, honesty and high ethics in all situations, to listen with respect to others and to value differences. The Company is also committed to protect the global environment, to enhance the communities where Colgate people live and work, and to be compliant with government laws and regulations.

Teamwork

All Colgate people are part of a team, committed to working together. Only by sharing ideas, technologies and talents can the Company achieve and sustain profitable growth.

Continuous Improvement

Colgate is committed to getting better every day in all it does, as individuals and as teams. By better understanding consumers' and customers' expectations and continuously working to innovate and improve products, services and processes, Colgate will "become the best".

Oral Care

Colgate GRF

This year, Colgate launched a new campaign, titled 'Andar Se Strong,' for its flagship brand Colgate Maximum Cavity Protection. The campaign emotionally connected by linking inner strength to the confidence that mothers instill in children. This confidence is reflected in their beautiful smiles that Colgate promises to protect through its natural calcium infused formula that helps make teeth strong from within.

The campaign was supported across all major touchpoints, including a strong media presence on traditional media via TVC, while digital audiences were touched with heartwarming stories of Pakistani celebrities. Apart from ATL, on-ground activities and strong in-store visibility helped amplify the 'Andar Se Strong' message.

Optic White

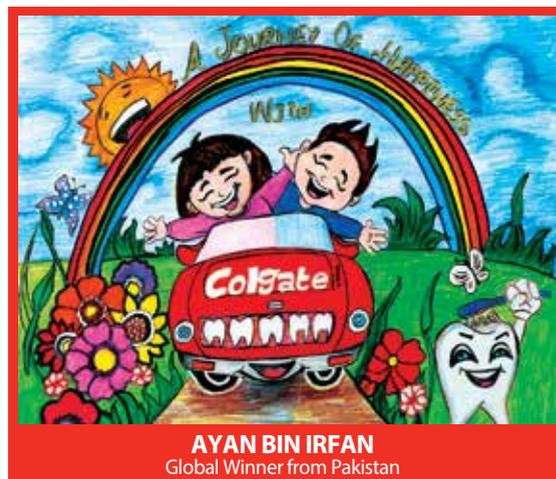

Colgate launched new 'Colgate Optic White' in two variants - 'Plus Shine' and 'Dazzling White.' The aspirational message of '1 Shade Whiter Teeth in 1 Week' targets cosmetic benefits seekers. The launch included communicating to its younger audience via a strong digital presence and in-store tools to fortify shelf space and improve visibility.

Global Art Contest (GAC)

Colgate continues to spark creativity through the 'My Bright Smile' Global Art Contest. The 19th Global Art Contest was conducted this year and received approximately 123,000 entries from 1018 schools across 86 towns in Pakistan, ranging from metro cities to remote towns.

The top 12 winning entries from Pakistan selected by a jury of judges were announced via a Press Conference held in Karachi. The artistic work of these winners was sent to compete globally in New York.

This initiative not only helps develop and recognize the talents of students but also gives them a chance to showcase their artwork locally via the Exhibition held in Karachi, as well as internationally.

Bright Smiles, Bright Futures (BSBF)

The Bright Smiles, Bright Futures Oral Health School Program has reached 12.4 million children since its inception. Spreading awareness about oral hygiene and educating children on good oral health practices, this multi-tiered initiative emphasizes the importance of a healthy mouth through educative and interactive sessions conducted by Colgate's trained professionals.

The program is made very engaging for children with the use of animated video and take-home materials that help children to habituate the regimen of maintaining good oral hygiene.

Personal Care

Local production of Palmolive Shampoo started this year that not only helped in improving the margin but also offered flexibility in customizing the packaging and promotions to generate trial. A new TV and digital campaign communicating the ‘smooth and manageable hair’ benefit improved the top of mind recall of the brand. Continuous trade initiatives and focus on both bottles and sachets significantly increased distribution and in-store presence of our shampoo range.

Palmolive soaps were relaunched in attractive new packaging. This initiative was supported by a new TVC campaign. Consistent marketing support as well as focused trade drives and store visibility initiatives, assisted the brand to grow its market share.

Proudly supporting the prestigious 26th Annual Sindh Women’s Swimming Championship 2018, Palmolive extended its support to the Karachi Women’s Swimming Association as the principal sponsor. With unwavering belief in women’s ability to achieve, succeed and break records, Palmolive Naturals shows great support for local female swimmers by acknowledging their ability, while providing them a platform to compete and dazzle on a national scale. Such opportunities enable swimming to be recognized as a leading sport in Pakistan, as well as allowing individuals to participate on a level of international excellence.

Fabric Care

Brite

Brite remained focused on building equity through continued media presence and with airing of a new TV campaign; it is aiming to improve top of mind recall using the tagline 'Brite Sab Right Kardega'. Supporting communication on digital and in-store maximized the IMC reach and impact. Large-scale consumer connect activities in selected towns were also carried out to increase household penetration.

Express Power

Express Power launched a new communication towards the end of the year to highlight its value proposition vis-a-vis premium detergents. The platform of 'Why Pay More?' when you cannot see a perceivable difference between the wash quality of Express Power and premium detergents was built through a game show format.

Surface Care

Max Liquid - Ek Drop Ki Power

To accelerate the recruitment of new users to Max Liquid, a new 'Power of One Drop' campaign was launched. Max Liquid renewed its focus on economy and product superiority in the dishwash category by highlighting how Max Liquid is economical with 3 times more grease cutting power. Investment in media and digital platforms was done to highlight the power of one drop vs ordinary dishwash brands, thus amplifying the message to a greater audience.

Max All Purpose Cleaner (APC)

Max All Purpose Cleaner was rolled out nationally to strengthen our leadership in the Surface Cleaner category. It was launched across Pakistan with new, innovative packaging, focusing on the urban centers of the country.

The brand promises a sparkling clean, fragrant and fresh home all day. Targeted activities engaged consumers at the point of purchase via attractive in-store branding, promotional campaigns and activations

communicating the brand benefits in the competitive Surface Cleaners' market.

Targeting the young housewives, the Max APC launch was supported through a digital campaign, focused on a worry-free cleaning routine.

Award

Management Association of Pakistan's Corporate Excellence Awards

The Company was presented its 8th consecutive 'Corporate Excellence Award' at the 34th Corporate Excellence Awards Ceremony, organized by the Management Association of Pakistan. The Company was also awarded Corporate Excellence Certificates on five earlier occasions in recognition of its achievements and overall performance.

3. A member entitled to attend and vote at the Annual General Meeting may appoint another member as his/her proxy to attend, speak and vote instead of him/her, and a proxy so appointed shall have such rights, as respects attending, speaking and voting at the meeting as are available to a member. A proxy must be a member of the Company.
4. Form of proxy, in order to be valid must be properly filled-in/executed and received at the registered office of the Company situated at Lakson Square, Building No.2, Sarwar Shaheed Road, Karachi not later than 48 hours before the time of the meeting.
5. Members holding shares in physical form are requested to promptly notify Shares Registrar of the Company of any change in their addresses. Shareholders maintaining their shares in electronic form should have their address updated with their participant or CDC Investor Accounts Service.
6. Under the provisions of Section 242 of the Companies Act, 2017, it is mandatory for a listed Company to pay cash dividend to its shareholders only through electronic mode directly into bank account designated by the entitled shareholders.

In order to receive dividends directly into their bank account, shareholders are requested to fill in Electronic Credit Mandate Form available on Company's website and send it duly signed along with a copy of CNIC to the registrar of the Company M/s. FAMCO Associates (Private) Limited, in case of physical shares.

In case shares are held in CDC then Electronic Credit Mandate Form must be submitted directly to shareholder's broker/participant/CDC account services. No further action is required if IBAN has already been incorporated/updated in the CDC account or physical folio of the shareholder.

7. Pursuant to Notification vide SRO.787(1)/2014 of September 08, 2014, SECP has directed to facilitate the members of the company receiving Annual Financial Statements and Notices through electronic mail system (e-mail). We are pleased to offer this facility to our members who desire to receive Annual Financial Statements and Notices of the Company through e-mail in future. In this respect members are hereby requested to convey their consent via e-mail on a standard request form which is available at the Company website i.e. www.colgate.com.pk. Please ensure that your e-mail has sufficient rights and space available to receive such e-mail which may be larger than 1 MB file in size. Further, it is the responsibility of the member to timely update the Shares Registrar of any change in the registered e-mail address.
8. (i) Pursuant to the provisions of the Finance Act, 2019 effective July 1, 2019, the rates of deduction of income tax from dividend payments under Section 150 of the Income Tax Ordinance, 2001 have been revised as follows:
 1. For active tax payer 15%
 2. For non-active tax payer 30%

To enable the Company to make tax deduction on the amount of cash dividend @ 15% instead of 30%, shareholders whose names are not entered into the Active Taxpayers List (ATL) provided on the website of FBR, despite the fact that they are filers, are advised to make sure that their names are entered in ATL before the first day of book closure, otherwise tax on their cash dividend will be deducted @ 30% instead of 15%.

- (ii) Withholding Tax exemption from the dividend income, shall only be allowed if copy of valid tax exemption certificate or stay order from a competent court of law is made available to FAMCO Associates (Private) Limited, by the first day of Book Closure.
- (iii) Further, according to clarification received from Federal Board of Revenue (FBR), with-holding tax will be determined separately on 'Filer/Non-Filer' status of Principal shareholder as well as joint-holder(s) based on their shareholding proportions, in case of joint accounts.

In this regard all shareholders who hold shares jointly are requested to provide shareholding proportions of Principal shareholder and Joint-holder(s) in respect of shares held by them (only if not already provided) to our Shares Registrar, in writing as follows:

Company Name	Folio/CDS Account #	Total Shares	Principal Shareholder		Joint Shareholder	
			Name and CNIC #	Shareholding Proportion (No. of Shares)	Name and CNIC #	Shareholding Proportion (No. of Shares)

The required information must reach our Shares Registrar within 10 days of this notice; otherwise it will be assumed that the shares are equally held by Principal shareholder and Joint Holder(s).

- (iv) For any query/problem/information, the investors may contact the Company Secretary at phone: 38400000 and email address mansoor@lakson.com.pk and/or FAMCO Associates (Private) Ltd. at phone: 34380101-5 and email address: info.shares@famco.com.pk
- (v) Corporate shareholders having CDC accounts are required to have their National Tax Number (NTN) updated with their respective participants, whereas corporate physical shareholders should send a copy of their NTN certificate to the company or FAMCO Associates (Private) Limited. Shareholders while sending NTN or NTN certificates, as the case may be, must quote company name and their respective folio numbers. Without the NTN company would not be in a position to check filer status on the ATL and hence higher tax of 30% may be applied in such cases.

9. Members can also avail video conference facility, in this regard, please fill the following and submit to registered address of the Company 10 days before holding of the Annual General Meeting. If the Company receives consent from members holding in aggregate 10% or more shareholding residing at a geographical location, to participate in the meeting through video conference at least 10 days prior to date of the meeting, the Company will arrange video conference facility in the city subject to availability of such facility in that city.

"I/We, _____ of _____, being a member of Colgate-Palmolive (Pakistan) Limited, holder of _____ ordinary share(s) as per Registered Folio No. _____ hereby opt for video conference facility at _____."

The Company will intimate members regarding venue of video conference facility at least 5 days before the date of the Annual General Meeting along with complete information necessary to enable them to access the facility.

10. Members can exercise their right to demand a poll subject to meeting requirements of Section 143 to Section 145 of the Companies Act, 2017 and applicable clauses of the Companies (Postal Ballot) Regulations, 2018.

11. Form of Proxy is enclosed.

STATEMENT OF MATERIAL FACTS CONCERNING SPECIAL BUSINESS PURSUANT TO SECTION 134 OF THE COMPANIES ACT, 2017

This statement sets out the material facts concerning the Special Business, given in agenda item No.4 of the notice will be considered to be passed by the members. The purpose of the Statement is to set forth the material facts concerning such Special Business.

1 - Agenda Item No.4(a) of the Notice – Transactions carried out with associated companies/related parties during the year ended June 30, 2019 to be passed as a Special Resolution.

Directors' Report

The Directors of your Company are pleased to present the Annual Report with the audited financial statements of the Company for the year ended June 30, 2019.

Financial Position at a Glance

A brief financial analysis is presented as under:

Operating Results	2018 - 2019	2017 - 2018	Increase / (Decrease)
	Amount in PKR million		
Turnover	48,719	41,422	17.62%
Net Turnover	36,961	31,272	18.19%
Gross Profit	10,471	10,421	0.48%
Gross Profit %	28.33%	33.32%	(499 bps)
Selling & Distribution Costs	5,132	5,323	(3.59%)
Administrative Expenses	520	458	13.54%
Operating Profit	5,003	4,697	6.51%
Profit After Tax	3,511	3,257	7.80%
Earnings per Share - Rupees	61.01	56.60	7.80%

Net turnover, gross profit and selling and distribution costs of corresponding year have been restated due to implementation of IFRS 15 as detailed in note 3.1.3 to the financial statements.

Financial Highlights

Net turnover of the Company grew by 18.19% on the back of volume and selling price increases across all categories. Currency devaluation and commodity price increases had a significant effect on product costs. In order to reduce the impact, the Company undertook aggressive selling price increases and measures to control costs. However the Company was unable to pass on the full impact of cost increases to consumers. Hence gross profit margin dropped by 499 bps.

Media and promotional spending was optimized resulting in decrease of 3.59% in selling and distribution costs. Administrative expenses increased by 13.54% primarily due to employee related cost and depreciation expense.

Appropriation of Profit

	2018 – 2019
	PKR In '000'
Profit after tax	3,510,803
Un-appropriated profit brought forward – restated (refer note 3.1.3.1)	1,070
Profit available for appropriation	3,511,873
Appropriations:	
Proposed Final Cash Dividend @ 200% i.e. PKR 20 per share (2018: @ 200% i.e. PKR 20 per share)	1,150,918
Proposed bonus shares @ 0% (2018: @ 20% i.e. 1 share for every 5 shares held)	-
Interim Cash Dividend @ 165% i.e. PKR 16.5 per share (2018: @ 150% i.e. PKR 15 per share)	949,508
Transfer to General Reserve	1,411,000
Un-appropriated profit carried forward	447

Principal Risks and Uncertainties

The Company is exposed to certain inherent risks and uncertainties. However, we consider the following as key risks:

- Significant competition in our product categories;
- Adverse movement in foreign exchange rates and commodity prices;
- Data security and data privacy; and
- Market disruption due to changes in tax laws and regulations to widen the tax net.

The Company works with internal and external stakeholders to mitigate / reduce to acceptable level the likely impacts of aforesaid risks.

Business Performance Highlights

In Oral Care, the Company strengthened its leadership position by growing market share. During the year, Colgate Optic White was launched offering cosmetic benefit of teeth whitening to consumers. Colgate Classic Shine toothbrush was launched to cater to a price sensitive segment.

Local Production of Palmolive Shampoo helped in improving margins. The relaunch was supported by an IMC campaign and a focus on improving distribution and visibility of both sachets and bottles. Palmolive Soap's relaunch in attractive new packaging is expected to further support its market share growth.

Fabric Care business faced immense pressure on margins due to rupee devaluation. The pressure was further intensified in the lower price segment as the Company was unable to keep selling prices affordable for the masses and defend its market share which potentially was captured by the growing unorganized sector benefiting from tax avoidance.

In Surface Care, Max Bar maintained its leadership position with strong focus on brand building activities. Max All-Purpose Cleaner was launched nationwide to further consolidate the Company's leadership position in the surface cleaning category.

Health, Safety and Environment

The Company complies with all applicable rules and regulations in the formulation, manufacture, labeling and marketing of its products and also takes active measures to reduce discharge of hazardous waste in the environment. In order to remain environmental friendly, the Company encourages its employees to identify potentially hazardous conditions, incorporates health and safety considerations into their daily activities and provides training on work safety and sound environmental practices.

The Company is committed on carrying out its business in a responsible manner and continuously looks for ways to reduce the impact of its products on the environment.

The Company continues to invest in projects that will reduce its environmental footprint. During the year Company made further progress in converting to renewable energy by installing solar panels.

Corporate Social Responsibility

Colgate continues to deliver Oral Health Education to children across Pakistan, through the Bright Smiles Bright Futures program. This multi-tiered initiative aims to create awareness about oral hygiene and inculcate the practice of improving oral health, which is emphasized via interactive sessions; animated video and engaging take home materials for the students. The program has reached over 12.4 million children since its inception through Colgate's trained educators.

Colgate also provides a platform for young artists to let their creative skills shine in the My Bright Smile Global Art Contest. This is an international initiative which not only recognizes talent from all over the world, but also publishes the top 12 entries in the Colgate Global Calendar along with granting winners a scholarship. In its 19th year, the contest continues to get overwhelming response with approximately 123,000 entries received from across Pakistan.

The Company made donations amounting to PKR 19.5 million for health, education and social welfare projects.

Future Outlook

The Rupee devalued by 35% during the outgoing year and there may be a further correction against the USD. The inflation is also on the rise and it could put more pressure on buying power of consumers and drive them towards purchasing value products.

These are indeed challenging times as the economic outlook of the country remains uncertain. The Company will focus on cost saving projects and selective selling price adjustments to mitigate these challenges to the extent possible.

Government is taking steps which will curb smuggling and imports of finished consumer products which may help the company gain share. The government is also regulating players avoiding tax which may benefit the organized sector.

Internal Financial Controls

The directors are aware of their responsibility with respect to internal financial controls. Through discussions with management and auditors (both internal and external), they confirm that adequate controls have been implemented by the Company.

Financial & Corporate Reporting Framework

In compliance with the provisions of the listing regulations of the Pakistan Stock Exchange, the Board members are pleased to place the following statements on record:

- The financial statements prepared by the management of the Company present its state of affairs fairly, the results of its operations, cash flows and changes in equity.
- The Company maintains proper books of accounts.
- Appropriate accounting policies have been consistently applied in preparation of financial statements and accounting estimates are based on reasonable and prudent judgment.
- International Financial Reporting Standards, as applicable in Pakistan are followed in preparation of financial statements.

ڈائریکٹرز رپورٹ

کمپنی ڈائریکٹرز مسرت کے ساتھ 30 جون، 2019 کو اختتام پذیر ہونے والے سال کے لیے سالانہ رپورٹ کے ہمراہ کمپنی کے آڈٹ شدہ مالیاتی گوشوارے پیش کرتے ہیں۔

مالیاتی صورتحال ایک نظر میں

کمپنی کا مختصر مالیاتی جائزہ ذیل کے مطابق ہے:

کاروباری نتائج	2018-2019	2017-2018	اضافہ/ (کمی)
	(روپے بلین میں)		
مجموعی آمدنی	48,719	41,422	17.62%
خالص آمدنی	36,961	31,272	18.19%
مجموعی منافع	10,471	10,421	0.48%
مجموعی منافع %	28.33%	33.32%	(499 بنیادی پوائنٹس)
فروخت اور ترسیل کے اخراجات	5,132	5,323	(3.59%)
انتظامی اخراجات	520	458	13.54%
آپریٹنگ منافع	5,003	4,697	6.51%
بعد از ٹیکس منافع	3,511	3,257	7.80%
فی شیئر آمدنی (روپے میں)	61.01	56.60	7.80%

IFRS15 کے اطلاق کی وجہ سے متعلقہ سال کی خالص آمدنی، مجموعی منافع اور فروخت و ترسیل کے اخراجات کی درجہ بندی دوبارہ سے کی گئی ہے جس کی تفصیل مالیاتی گوشواروں کے نوٹ 3.1.3 میں درج ہے۔

مالیاتی کارکردگی کی جھلکیاں

تمام کیٹیگریز میں حجم اور قیمت فروخت میں اضافے کے باعث کمپنی کی خالص آمدنی میں 18.19% اضافہ ہوا۔ روپے کی قدر میں کمی اور اشیاء تصرف کے نرخوں میں اضافے نے مصنوعات کی لاگتوں پر نمایاں اثرات مرتب کئے۔ ان اثرات کو کم کرنے کے لیے کمپنی نے قیمت فروخت میں خاطر خواہ اضافہ کیا اور لاگتیں قابو کرنے کے لیے اقدامات کیے۔ تاہم کمپنی لاگت میں اضافے کے مکمل اثرات صارفین تک منتقل کرنے سے قاصر رہی۔ لہذا مجموعی منافع کی شرح میں 499 بنیادی پوائنٹس کمی ہوئی۔

میڈیا اور پروموشن کے اخراجات میں اصلاحات کے نتیجے میں فروخت اور ترسیل کے اخراجات میں %3.59 کمی ہوئی۔ انتظامی اخراجات میں %13.54 اضافہ ہوا جس کی بنیادی وجہ ملازمین اور ڈیپارٹمنٹس سے متعلق اخراجات ہیں۔

بنیادی خطرات اور غیر یقینی صورتحال

کمپنی کو مخصوص امکانی خطرات اور خدشات کا سامنا ہے، البتہ ہم درج ذیل کو اہم خطرات تصور کرتے ہیں۔

- ہماری پروڈکٹ کیٹیگریز میں نمایاں مقابلہ
 - زر مبادلہ کی شرحوں اور ایشیا کی قیمتوں میں منفی رد و بدل
 - ڈیٹا سیکورٹی اور ڈیٹا پرائیویسی، اور
 - ٹیکس نیٹ بڑھانے کے لیے ٹیکس قوانین اور ضوابط میں رد و بدل کی وجہ سے مارکیٹ میں خلل
- کمپنی مذکورہ بالا خطرات کے ممکنہ اثرات میں قابل قبول حد تک تخفیف / کمی کے لیے اندرونی اور بیرونی اسٹیک ہولڈرز کے ساتھ مل کر کام کرتی ہے۔

کاروباری کارکردگی کی جھلکیاں

اورل کیئر میں کمپنی نے مارکیٹ شیئر میں اضافے کے ذریعے اپنا قائدانہ مقام مستحکم کیا۔ سال کے دوران کولگیٹ آپٹک وائٹ متعارف کرایا گیا جس سے صارفین کو دانتوں کی سفیدی کا کاسمیٹک فائدہ حاصل ہوتا ہے۔ قیمت کے حوالے سے حساس طبقے کی ضروریات کی تکمیل کے لیے کولگیٹ کلاسک شائن ٹوتھ برش متعارف کیا گیا۔

پامولیو شیمپو کی مقامی پیداوار سے منافع جات بہتر بنانے میں مدد ملی۔ دوبارہ تعارف کو ایک IMC مہم اور ترسیل و مرصیت میں بہتری پر توجہ کے ذریعے مدد دی گئی۔ پامولیو صابن کے نئی دلکش پیکیجنگ کے ساتھ دوبارہ تعارف سے مارکیٹ شیئر میں اضافے میں مزید مدد متوقع ہے۔

روپے کی قدر میں کمی کی وجہ سے فیبرک کیئر برنس کے منافع جات کو شدید دباؤ کا سامنا رہا۔ دباؤ کی شدت کم قیمت والے لسیگمنٹ میں زیادہ محسوس کی گئی جہاں کمپنی عوام کے لیے قیمت فروخت مناسب رکھنے اور اپنے مارکیٹ شیئر کے تحفظ میں ناکام رہی جو ممکنہ طور پر ٹیکس ادا نہ کرنے سے فائدہ اٹھانے والے بڑھتے ہوئے غیر منظم طبقے نے حاصل کر لیا۔

سرفیس کیئر کیٹیگری میں میکس بار نے برانڈ بلڈنگ سرگرمیوں پر بھرپور توجہ کے ساتھ اپنا قائدانہ مقام برقرار رکھا۔ کیٹیگری میں کمپنی کا قائدانہ مقام مزید مستحکم کرنے کے لیے میکس آل پریپر کلینر ملک گیر سطح پر متعارف کیا گیا۔

صحت، سلامتی اور ماحول

کمپنی اپنی پروڈکٹس کی فارمولیشن، تیاری، لیبلنگ اور مارکیٹنگ میں تمام لاگو قوانین و ضوابط کی تعمیل کرتی ہے اور ماحول میں مضر فضلے کے اخراج کی تخفیف کے لیے موثر اقدامات کرتی ہے۔ ماحول دوست رہنے کے لیے کمپنی اپنے ملازمین کو ممکنہ خطرناک حالات کی شناخت کرنے میں حوصلہ افزائی کرتی ہے، ان کی روزمرہ سرگرمیوں میں صحت اور تحفظ کی تجاویز شامل کرتی ہے اور انہیں کام کی جگہ پر تحفظ اور عمدہ ماحولیاتی معمولات کی تربیت فراہم کرتی ہے۔

کمپنی اپنے کاروبار کو ذمہ دارانہ انداز میں سرانجام دینے کے عہد پر عمل پیرا ہے اور مسلسل اپنی مصنوعات کے ماحول پر اثرات کم کرنے کے طریقوں کی جستجو میں رہتی ہے۔

کمپنی مسلسل ایسے پروجیکٹس میں سرمایہ کاری کر رہی ہے جن سے اس کے ماحولیاتی اثرات میں کمی آسکے۔ اس سال کمپنی نے سولر پینلز کی تنصیب کے ذریعے قابل تجدید توانائی کی طرف تبدیلی میں مزید پیش رفت کی ہے۔

کاروباری سماجی ذمہ داری

کولگیٹ اپنے ”برائٹ اسمائیلز، برائٹ فیوچرز“ پروگرام کے ذریعے ملک بھر میں بچوں کو منہ کی صفائی کی تعلیم مہیا کرنے کا سلسلہ جاری رکھے ہوئے ہے۔ اس کثیر سطحی اقدام کا مقصد منہ کی صحت بخش صفائی کے بارے میں آگاہی پیدا کرنا اور دل ہیلتھ میں بہتری کی مشق کو زندگی میں شامل کرنا ہے، جس پر انٹرا ایکٹیو اجلاس، اینیمیٹڈ ویڈیوز اور طلبہ کے لیے گھر لے جانے والے مواد کے ذریعے زور دیا جاتا ہے۔ یہ پروگرام کولگیٹ کے تربیت یافتہ معلمین کے ذریعے اپنے قیام سے اب تک 12.4 ملین سے زائد بچوں تک پہنچ چکا ہے۔

کولگیٹ مائی برائٹ اسمائیلز عالمی مقابلہ مصوری کے ذریعے بچوں کو اپنی مصورانہ صلاحیتوں کے اظہار کے لیے پلیٹ فارم بھی فراہم کرتا ہے۔ یہ ایک بین الاقوامی اقدام ہے جو نہ صرف تمام دنیا سے آنے والے ٹیلنٹ کا اعتراف کرتا ہے بلکہ جیتنے والے کو اسکا لرشپ دینے کے ساتھ سرفہرست 12 اندراجات کو کولگیٹ گلوبل کینڈر میں شائع بھی کرتا ہے۔ یہ مقابلہ اپنے 19 ویں سال میں پاکستان بھر سے موصول ہونے والے تقریباً 123,000 اندراجات کے ساتھ زبردست پزیرائی حاصل کرنے کا سلسلہ بھی جاری رکھے ہوئے ہے۔

کمپنی نے صحت، تعلیم اور سماجی فلاح و بہبود کے منصوبوں کو 19.5 ملین روپے بطور عطیہ دیے۔

مستقبل کی توقعات

گزشتہ سال کے دوران امریکی ڈالر کے مقابلے روپے کی قدر میں 35% کمی ہوئی اور مزید تصحیح بھی ہو سکتی ہے۔ افراط زر میں اضافے کا رجحان جاری ہے جو صارفین کی قوت خرید پر مزید باؤ ڈال سکتا ہے اور انہیں ویلیو پروڈکٹس کی خریداری پر راغب کر سکتا ہے۔

یہ بلاشبہ آزمائش سے بھرپور دور ہے جیسا کہ ملک کی معاشی صورتحال بدستور بے یقینی کا شکار ہے۔ کمپنی ان چیلنجوں کو ممکنہ حد تک کم کرنے کے لیے لاگت میں بچت کے پروجیکٹس اور قیمت فروخت میں منتخب رد و بدل پر توجہ مرکوز رکھے گی۔

حکومت ایسے اقدامات کر رہی ہے جن سے اسمگلنگ اور تیار شدہ اشیائے صرف کی درآمد کی روک تھام میں مدد ملے گی جس سے کمپنی کو شینئر حاصل کرنے میں مدد مل سکتی ہے۔ حکومت ٹیکس بچانے والے فریقوں کو نظم و ضبط کے تحت لانے کی کوشش کر رہی ہے جس سے منظم سیکٹر کو فائدہ حاصل ہو سکتا ہے۔

انٹرنل فنانشل کنٹرولز

ڈائریکٹرز انٹرنل فنانشل کنٹرولز کے حوالے سے اپنی ذمہ داریوں سے آگاہ ہیں۔ انتظامیہ اور آڈیٹرز (انٹرنل اور ایکسٹرنل دونوں) کے ساتھ تبادلہ خیال کے ذریعے وہ تصدیق کرتے ہیں کہ کمپنی کی طرف سے مناسب کنٹرولز لاگو کیے گئے ہیں۔

کارپوریٹ اور فائنانشل رپورٹنگ فریم ورک

پاکستان اسٹاک ایکسچینج کی جانب سے اطلاق کردہ لسٹنگ ریگولیشنز کی تعمیل کرتے ہوئے بورڈ ممبران مسرت کے ساتھ درج ذیل بیان ریکارڈ پر رکھتے ہیں:

- کمپنی کی انتظامیہ کی طرف سے تیار کردہ مالیاتی گوشوارے اس کے معاملات، اس کی کاروباری سرگرمیوں کے نتائج، کیش فلوز اور ایکویٹی میں تبدیلی کی منصفانہ عکاسی کرتے ہیں۔

- کمپنی نے اپنے اکاؤنٹس کے کھاتے درست انداز میں رکھے ہوئے ہیں۔
- کمپنی نے مالیاتی گوشواروں کی تیاری میں اکاؤنٹنگ کی مناسب پالیسیوں کی مسلسل پیروی کی ہے اور شرعیاتی تخمینے مناسب اور معقول نظریات پر مبنی ہیں۔
- مالیاتی گوشواروں کی تیاری میں مالیاتی رپورٹنگ کے بین الاقوامی معیاروں کی، جہاں تک وہ پاکستان میں قابل اطلاق ہیں، پیروی کی گئی ہے۔
- انٹرنل کنٹرول کا نظام مستحکم ہے اور اسے موثر انداز میں لاگو کیا گیا ہے اور اس کی نگرانی کی جاتی ہے۔
- کمپنی کی کاروبار رواں دواں رکھنے کی صلاحیت شکوک و شبہات سے بالاتر ہے۔
- لسٹنگ ریگولیشنز میں تفصیلاً درج کارپوریٹ گورننس کی اعلیٰ ترین روایات سے کوئی پہلو تہی نہیں کی گئی۔
- گزشتہ چھ سال کا اہم کاروباری اور مالیاتی ڈیٹا اس سالانہ رپورٹ کے ساتھ منسلک ہے۔
- ٹیکسوں اور محصولات کے بارے میں معلومات نوٹس میں دی گئی ہیں اور مالیاتی گوشواروں کا حصہ ہیں۔
- اسٹاف ریٹائرمنٹ فنڈز کی طرف سے کی جانے والی سرمایہ کاری کی تشخیصی مالیت ان کے متعلقہ اکاؤنٹس کی بنیاد پر درج ذیل ہے:

Independent Auditor's Review Report to the Members of Colgate Palmolive (Pakistan) Limited

Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2017

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2017 (the Regulations) prepared by the Board of Directors of Colgate Palmolive (Pakistan) Limited for the year ended June 30, 2019 in accordance with the requirements of regulation 40 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions and also ensure compliance with the requirements of section 208 of the Companies Act, 2017. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out procedures to assess and determine the Company's process for identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2019.

Independent Auditor's Report to the members of Colgate-Palmolive (Pakistan) Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of Colgate-Palmolive (Pakistan) Limited (the Company), which comprise the statement of financial position as at June 30, 2019, and the statement of profit or loss and other comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2019 and of the profit and other comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the Key audit matters:

S. No.	Key audit matters	How the matter was addressed in our audit
(i)	<p>First time application of IFRS 15 – Revenue from Contracts with Customers</p> <p><i>Refer notes 3.1.3.1 and 3.12 to the annexed financial statements</i></p> <p>The International Financial Reporting Standard 15 “Revenue from Contracts with Customers” (IFRS 15) became applicable for the first time for the preparation of the Company’s annual financial statements for the year ended June 30, 2019.</p> <p>Under the aforesaid standard the revenue from sale of goods is recognised when the Company satisfies its performance obligation by transferring the promised goods to customer under the contract with customer. Revenue from sale of goods is measured at transaction price net of pricing allowances, trade discounts, incentive / promotions and rebates offered to customers (collectively ‘trade discounts’). As a result of application of the aforesaid standard the management has performed extensive evaluation of its contractual arrangement with its customers, consequent to which certain trade discounts / rebates amounting to Rs 1,250.477 million (2018: Rs 1,069.215 million) have been reclassified from “Selling and distribution cost” to “Trade and other discounts” (corresponding figures where applicable have been reclassified accordingly).</p> <p>The first time application of IFRS 15 and the aforementioned reclassification made in the annexed financial statements is considered as a key audit matter.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> – Considering the appropriateness of revenue recognition policy, including recognition and classification criteria for trade and other discounts and comparing it with the applicable accounting standards. – Testing the effectiveness of Company’s controls over the classification of trade and other discounts and correct timing of revenue recognition. – Reviewing the management procedures carried out for evaluation of contractual arrangements with customers with respect to their classification between ‘Trade and other discounts’ and ‘Selling and distribution cost’. – Reviewing a sample of contractual arrangement entered into by the Company with its customers and checked the appropriateness of classification of trade discounts and other discounts. – Reviewing the adequacy of disclosure as required under applicable financial reporting framework.

(ii) Contingencies	
---------------------------	--

Refer notes 24.1.3 and 24.1.4 to the annexed financial statements

The Company has significant litigation cases in respect of claim of exemption from duties and taxes on import of a raw material and levy of Gas Infrastructure Development Cess.

Given the nature and amounts involved in such cases and the appellate forums at which these are pending, the ultimate outcome and the resultant accounting in the financial statements is subject to significant judgement, which can change over time as new facts emerge and each legal case progresses, and therefore, we have identified this as key audit matter.

Our audit procedures included the following:

- Obtaining understanding of the Company's processes and controls over litigations through meetings with the management and review of the minutes of the Board of Directors and Board Audit Committee.
- Reading correspondence of the Company with regulatory departments and the Company's external counsel, where applicable. Where relevant, also assessing external legal advices obtained by the Company.
- Discussing open matters and developments with the officials of the legal department of the Company.
- Circularising external confirmations, where appropriate, on material cases and assessing the replies received thereto.
- Whilst noting the inherent uncertainties involved with the legal and regulatory matters, assessing the appropriateness of the related disclosures made in the annexed financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

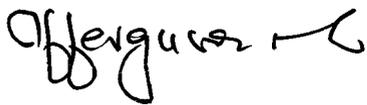

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- (a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- (b) the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- (c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- (d) zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the company and deposited in the Central Zakat Fund established under section 7 of that Ordinance.

The engagement partner on the audit resulting in this independent auditor's report is Khurshid Hasan.

Notes to and Forming Part of the Financial Statements

For the year ended June 30, 2019

1. THE COMPANY AND ITS OPERATIONS

Colgate-Palmolive (Pakistan) Limited (the Company) was initially incorporated in Pakistan on December 5, 1977 as a public limited company with the name of National Detergents Limited. The name of the Company was changed to Colgate-Palmolive (Pakistan) Limited on March 28, 1990 when the Company entered into a Participation Agreement with Colgate-Palmolive Company, USA. The Company is listed on Pakistan Stock Exchange. The registered office of the Company is situated at Lakson Square, Building No. 2, Sarwar Shaheed Road, Karachi, Pakistan.

The Company is mainly engaged in the manufacture and sale of detergents, personal care and other related products.

2. SIGNIFICANT TRANSACTIONS AND EVENTS AFFECTING THE COMPANY'S FINANCIAL POSITION AND PERFORMANCE

The Company's financial position and performance was particularly affected by the following events and transactions during the reporting period:

- a) The Company imports significant portion of raw and packing material in foreign currency. Consequently, the Company's financial performance including gross profit margin has been significantly affected on account of significant devaluation of functional currency to foreign currency by approximately 35.54%.
- b) During the year, the Company has made significant investment on non-current assets for extension and expansion of existing manufacturing facilities of Home care and Personal care products.
- c) The adoption of new accounting standards on financial instruments and revenue from contracts with customers as detailed in note 3.1.3.

3. SIGNIFICANT ACCOUNTING INFORMATION AND POLICIES

3.1 Basis of preparation

3.1.1 Basis of measurement

These financial statements have been prepared under the historical cost convention unless otherwise specifically stated.

3.1.2 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRSs, the provisions of and directives issued under the Companies Act, 2017 have been followed.

3.1.3 **New standards, amendments to approved accounting standards and new interpretations**

3.1.3.1 **Amendments to approved accounting standards and interpretations which are effective during the year ended June 30, 2019**

There are certain new standards, interpretations and amendments to approved accounting standards which are mandatory for the Company's accounting periods beginning on or after July 1, 2018 but are considered not to be relevant or have any significant effect on the Company's financial reporting, except as mentioned below:

- IFRS 9 'Financial Instruments' - This standard replaces guidance in IAS 39 'Financial Instruments: Recognition and Measurement'. It includes requirements on the classification and measurement of financial assets and liabilities derecognition of financial instruments, impairment of financial assets and hedge accounting; it also includes an expected credit losses impairment model that replaces the current incurred loss impairment model.

As a result of application of IFRS 9, investments in mutual funds amounting to Rs 2,200 million as at July 1, 2018 have been reclassified from 'available for sale' to 'fair value through profit or loss'. In accordance with the transitional provisions of IFRS 9, comparative figures and their related gains / (losses) have been reclassified in the opening statement of financial position. Further all financial assets previously classified under the head 'loans and receivables' are now classified as 'amortised cost'.

- IFRS 15 'Revenue from contracts with customers' - IFRS 15 replaces the previous revenue standards: IAS 18 'Revenue', IAS 11 'Construction Contracts, and the related interpretations on revenue recognition.

IFRS 15 introduces a single five-step model for revenue recognition with a comprehensive framework based on core principle that an entity should recognise revenue representing the transfer of promised goods or services under separate performance obligations under the contract to customer at an amount that reflects the consideration to which the entity expects to be entitled in exchange for those promised goods or services.

As a result of application of IFRS 15, certain payments / rebates for the year amounting to Rs 1,250.477 million (2018: Rs 1,069.215 million) that were classified in 'Selling and distribution cost' have now been netted of against 'Turnover' by including in 'Trade and other discounts'. However, there has been no change in recognition of revenue due to IFRS-15.

Based on the assessment performed by the management, there is no significant impact of the changes laid down by IFRS 9 and IFRS 15 on these financial statements of the Company except for as disclosed above. Further, consequent to the adoption of above mentioned standards, changes in accounting policies have been reflected in note 3.6, 3.12 and 3.15.

3.1.3.2 **New standards, amendments to approved accounting standards and interpretations that are effective for the Company's accounting periods beginning on or after July 1, 2019**

IFRS 16 'Leases' will be effective for the Company's annual accounting period beginning July 1, 2019. It will result in almost all leases being recognised on the statement of financial position, as the distinction between operating and finance leases is removed. Under the new standard, an asset (the right to use the leased item) and a financial liability to pay rentals are recognised. The only exceptions are short-term and low-value leases. At present the Company is in the process of determining the impacts of application of IFRS 16 on future financial statements of the Company. Further, IFRS 17 'Insurance contracts' is yet to be adopted by the SECP.

Additionally there are certain new standards, amendments and interpretations to the approved accounting and reporting standards that will be mandatory for the Company's annual accounting periods beginning on or after July 1, 2019. However, these will not have any significant impact on the financial reporting of the Company and, therefore, have not been disclosed in these financial statements.

3.2 **Property, plant and equipment**

3.2.1 These assets are stated at cost less accumulated depreciation and accumulated impairment losses, if any, and capital work in progress which are stated at cost.

Assets having cost exceeding the minimum threshold as determined by the management are capitalised. All other assets are charged to profit or loss in the year when acquired.

Consistent with prior year, depreciation is charged to income applying the straight line method by applying rates (as stated in note 5.1.1). Depreciation on additions is charged from the month in which the asset is put to use and on disposal upto the month of disposal.

No depreciation is charged if the asset's residual value exceeds its carrying amount.

Residual values and the useful lives are reviewed at each date of statement of financial position and adjusted if expectations differ significantly from previous estimates.

Residual values are determined by the management as the amount it expects it would receive currently for an item of property, plant and equipment if it was already of the age and in the condition expected at the end of its useful life based on the prevailing market prices of similar assets already at the end of their useful lives.

Useful lives are determined by the management based on the expected usage of assets, physical wear and tear, technical and commercial obsolescence, legal and similar limits on the use of the assets and other similar factors.

The carrying values of property, plant and equipment are reviewed at each reporting date for indications that an asset may be impaired and carrying values may not be recovered. If any such indication exists and where the carrying value exceeds the estimated recoverable amount, the asset or cash generating unit is written down to its recoverable amount. The recoverable amount of property, plant and equipment is the greater of fair value less cost to sell and value in use.

Normal repairs and maintenance are charged to profit or loss as and when incurred. Major renewals and improvements, if any, are capitalised, when it is probable that future economic benefits will flow to the Company.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains and losses on disposals are determined by comparing proceeds with carrying amount of the relevant assets. These are included in profit or loss.

3.2.2 **Capital work in progress**

All expenditure connected with specific assets incurred during installation and construction period are carried under capital work in progress. These are transferred to specific assets as and when assets are available for use.

3.3 **Intangible assets**

An intangible asset is an identifiable non-monetary asset without physical substance.

Intangible assets are recognised when it is probable that the expected future economic benefits will flow to the entity and the cost of the asset can be measured reliably. Cost of the intangible asset (i.e. computer software) includes purchase cost and directly attributable expenses incidental to bring the asset for its intended use.

Costs associated with maintaining computer software are recognised as an expense as and when incurred.

Intangible assets are stated at cost less accumulated amortisation and accumulated impairment losses, if any. Amortisation is charged over the estimated useful life of the asset on a systematic basis applying the straight line method at the rate of 33.33%.

Useful lives of intangible operating assets are reviewed, at each date of statement of financial position and adjusted if the impact of amortisation is significant.

The carrying amount of the intangible is reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised in the profit or loss for the amount by which the asset's carrying amount exceeds its recoverable amount. Reversal of impairment losses are also recognised in the profit or loss, however, it is restricted to the original cost of the asset.

3.4 **Stores and spares**

Stores and spares are valued at lower of cost using the moving average method and estimated net realisable value. Items in transit are valued at cost as accumulated upto the date of statement of financial position. Provision for obsolete items, if any, is based on their condition as at the financial position date depending upon the management's judgement.

Loose tools are recognised as expense as and when purchased as their inventory is generally not significant.

Net realisable value specifies the estimated selling price in the ordinary course of business less the estimated cost of completion and cost necessarily to be incurred to make the sale.

3.5 **Stock in trade**

Stock in trade is valued at the lower of cost and estimated net realisable value. Cost is determined as follows:

Stages of stock in trade

Raw and packing material
 Raw and packing material in bonded warehouse and in transit
 Work in process and finished goods
 Trading goods

Basis of valuation

Moving average cost
 Cost accumulated upto the date of statement of financial position
 Cost of direct materials and appropriate portion of production overheads
 Moving average cost

Net realisable value is determined on the basis of estimated selling price of the product in the ordinary course of business less estimated costs of completion and the estimated costs necessary to be incurred for its sale.

3.6 **Trade debts and other receivables**

Trade debts and other receivables are recognised initially at the amount of consideration that is unconditional, unless they contain significant financing component in which case such are recognised at fair value. The Company holds the trade debts with the objective of collecting the contractual cash flows and therefore measures the trade debts subsequently at amortised cost using the effective interest method. Impairment of trade debts and other receivables is described in note 3.15.1

3.7 **Taxation**

Current

Provision for current taxation is the amount computed on taxable income at the current rates of taxation or alternative corporate tax computed on accounting income or minimum tax on turnover, whichever is higher, and taxes paid / payable on final tax basis, after taking into account tax credit available, if any. The charge for the current tax also includes adjustments where necessary, relating to prior years which arise from the assessments made / finalised during the year.

Deferred

Deferred tax is recognised using the balance sheet liability method on all temporary differences between the carrying amount of the assets and liabilities and their tax bases.

Deferred tax liabilities are recognised for all major taxable temporary differences.

Deferred tax assets are recognised for all major deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary differences can be utilised.

The carrying amount of the deferred tax asset is reviewed at each date of statement of financial position and is recognised only to the extent that it is probable that future taxable profits will be available against which the assets may be utilised. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Unrecognised deferred income tax assets are reassessed at each date of statement of financial position and are recognised to the extent that it becomes probable that future taxable profit will allow deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rate that are expected to apply to the year when the asset is utilised or the liability is settled, based on the tax rates that have been enacted or substantially enacted at the financial position date.

3.8 **Cash and cash equivalents**

Cash and cash equivalents are carried in the statement of financial position at cost. For the purposes of the statement of cash flows, cash and cash equivalents consist of cash and bank balances, cheques in hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less, running finance under mark-up arrangements and short term loans which form an integral part of the Company's cash management.

3.9 **Borrowing costs**

Borrowing costs relating to the acquisition, construction or production of a qualifying asset are recognised as part of the cost of that asset. All other borrowing costs are recognised as an expense in the period in which these are incurred.

3.10 **Provisions**

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed periodically and adjusted to reflect the current best estimates.

3.11 **Staff retirement benefits**

Defined benefit plan

The Company operates a defined benefit plan i.e. an approved funded gratuity scheme for all its permanent employees subject to attainment of retirement age and minimum service of prescribed period. Contributions are made to the fund on the basis of actuarial recommendations. Actuarial valuation is carried out using the projected unit credit method.

All actuarial gains and losses (i.e. remeasurements) are recognised in 'other comprehensive income' as they occur.

Defined contribution plan

The Company operates an approved funded provident fund scheme for all its permanent employees. Equal monthly contributions are made, both by the Company and its employees, to the fund at the rate of 9 percent of the basic salaries of employees.

Compensated absences

The liability in respect of compensated absences of employees is accounted for in the period in which the absences accrue. As the component of liability involved is not material, the Company does not carry out actuarial valuation for the said liability.

3.12 **Revenue recognition**

- Revenue from sale of goods is recognised when control of goods is transferred to customers.
- Profit on bank balances are recognised on a time proportion basis on the principal amount outstanding and at the applicable rate.
- Insurance commission income is recognised as and when received.
- Gains / (losses) arising on disposal of investments are included in income currently and are recognised on the date when the transaction takes place.
- Unrealised gains / (losses) arising on revaluation of securities classified as 'fair value through other comprehensive income' are included in other comprehensive income in the period in which they arise.
- Unrealised gains / (losses) arising on revaluation of securities classified as 'fair value through profit or loss' are included in profit or loss in the period in which they arise.

3.13 **Foreign currency transactions**

Transactions in foreign currencies are translated in Pakistan rupees (functional and presentation currency) at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities in foreign currencies are translated into Pakistan rupees at the rates of exchange approximating those prevalent at the date of statement of financial position. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translations of monetary assets and liabilities denominated in foreign currencies are recognised in the profit or loss.

3.14 **Dividend and other appropriations**

Dividend is recognised as a liability in the period in which it is declared. Appropriations of profit are reflected in the statement of changes in equity in the period in which such appropriations are approved.

3.15 **Financial instruments**

3.15.1 **Financial assets**

The Company classifies its financial assets at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of the Company's business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

a) Financial assets at amortised cost

Financial assets at amortised cost are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets, impairment losses, foreign exchange gains and losses, and gain or loss arising on derecognition are recognised directly in profit or loss.

b) Financial assets at fair value through other comprehensive income

Financial assets at fair value through other comprehensive income are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss are those financial assets which are either designated in this category or not classified in any of the other categories. A gain or loss on debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss in the period in which it arises.

Financial assets are initially measured at cost, which is the fair value of the consideration given and received respectively. These financial assets and liabilities are subsequently remeasured to fair value, amortized cost or cost as the case may be. Any gain or loss on the recognition and de-recognition of the financial assets and liabilities is included in the profit or loss for the period in which it arises.

Equity instrument financial assets / mutual funds are measured at fair value at and subsequent to initial recognition. Changes in fair value of these financial assets are normally recognised in profit or loss. Dividends from such investments continue to be recognised in profit or loss when the Company's right to receive payment is established. Where an election is made to present fair value gains and losses on equity instruments in other comprehensive income there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment.

Financial assets are derecognised when the rights to receive cash flows from the assets have expired or have been transferred and the Company has transferred substantially all risks and rewards of ownership. Assets or liabilities that are not contractual in nature and that are created as a result of statutory requirements imposed by the Government are not the financial instruments of the Company.

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost and fair value through other comprehensive income. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables, the Company applies the simplified approach, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company recognises in profit or loss, as an impairment gain or loss, the amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date.

3.15.2 **Financial liabilities**

All financial liabilities are recognised at the time when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities at amortised costs are initially measured at fair value minus transaction costs. Financial liabilities at fair value through profit or loss are initially recognised at fair value and transaction costs are expensed in the profit or loss.

Financial liabilities, other than those at fair value through profit or loss, are subsequently measured at amortised cost using the effective yield method.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange and modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in respective carrying amounts is recognised in the profit or loss.

3.15.3 Off-setting of financial assets and financial liabilities

A financial asset and a financial liability is offset and the net amount is reported in the financial statements if the Company has a legally enforceable right to set-off the transaction and also intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

3.16 **Contingent liabilities**

Contingent liability is disclosed when:

- there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company; or
- there is present obligation that arises from past events but it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability.

3.17 **Contingent assets**

Contingent assets are disclosed when there is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognised until their realisation become virtually certain.

3.18 Segment reporting

Operating segments are reported in a manner consistent with the internal reports issued to the chief operating decision-maker. The Chief Executive Officer has been identified as the 'chief operating decision-maker', who is responsible for allocating resources and assessing performance of the operating segments.

4. CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of financial statements in conformity with the accounting and reporting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. Estimates and judgements are continually evaluated and are based on historic experience and other factors, including expectation of future events that are believed to be reasonable under the circumstances. In the process of applying the Company's accounting policies, the management has made the following estimates and judgements which are significant to the financial statements:

- a) assumptions and estimates used in determining the recoverable amount, residual values and useful lives of property, plant and equipment (note 5);
- b) assumptions and estimates used in determining the useful lives and residual values of intangible assets (note 6);
- c) assumptions and estimates used in determining the provision for slow moving stores and spares (note 9);
- d) assumptions and estimates used in writing down items of stock in trade to their net realisable value (note 10);
- e) assumptions and estimates used in calculating the provision for impairment for trade debts (note 11);
- f) assumptions and estimates used in deriving fair value of short term investments (note 15);
- g) deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the assets may be utilised (note 19);
- h) assumptions and estimates used for valuation of present value of defined benefit obligation and fair value of plan assets (note 21);
- i) assumptions and estimates used in disclosure and assessment of provision for contingencies (note 24); and
- j) assumptions and estimates used in determining current income under relevant tax law and the decisions of appellate authorities on certain cases issued in the past (note 31).

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectation of future events that are believed to be reasonable under the circumstances.

21.12	Expected contribution to defined benefit plan for the year ending June 30, 2020 is Rs 95.107 million.				

21.13 The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

	Impact on defined benefit obligation		
	Change in assumption	Increase in assumption	Decrease in assumption
		(Rupees in '000)	
Discount rate	1%	(532,977)	624,127
Salary growth rate	1%	624,180	(532,224)

21.14 The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the staff retirement gratuity recognised within the statement of financial position.

21.15 The average duration of the defined benefit obligation is 8 years.

23.	SHORT TERM RUNNING FINANCES		
23.1	The Company has arranged short-term borrowing facilities from various banks on mark-up basis to the extent of Rs 1,090 million (2018: Rs 1,090 million), which can be interchangeably utilised as running finance facilities or import credit facilities. These facilities expired during the year and were renewed subsequently. The renewed facilities are available for various periods upto March 31, 2020. The arrangements are secured by a joint hypothecation of stocks, stores and spares, trade debts, other current assets and second charge on immovable assets of the Company.		
23.2	The mark-up on short term running facilities ranges between 11.63% to 14.55% (2018: 6.93 % and 8.67%) per annum.		
23.3	The facilities for opening letters of credit and guarantees as at June 30, 2019 aggregated Rs 5,100 million and Rs 260 million (2018: Rs 4,900 million and Rs 260 million) respectively of which the amounts remaining unutilised at the year end were Rs 3,827.716 million and Rs 146.05 million (2018: Rs 4,248.088 million and Rs 151.943 million) respectively.		

24. CONTINGENCIES AND COMMITMENTS

24.1 Contingencies

- 24.1.1 Certain cases have been filed against the Company by some employees claiming Rs 2.380 million (2018: Rs 2.072 million) in aggregate. Provision has not been made in these financial statements for the said amount as the management of the Company, based on the advice of its legal counsel handling the subject cases, is of the opinion that matters shall be decided in the Company's favour.
- 24.1.2 Post dated cheques have been issued to custom authorities as a security in respect of duties and taxes amounting to Rs 19.758 million in the year 2016 payable at the time of exbonding of imported goods. Further, the custom authorities have withheld cheques which became due during the previous year amounting to Rs 19.758 million on account of claim in relation to custom duty, sales tax and income tax made by custom authorities as mentioned in note 24.1.3 below.
- 24.1.3 Company received a letter dated December 21, 2015 from the Directorate of Input Output Co-Efficient Organisation, Federal Board of Revenue stating that the conditions for claiming the exemption on import of a raw material during the year ended June 30, 2015 under SRO 565(1) / 2006 (SRO) were not fulfilled and sought an explanation from the Company as to why Custom Duty of Rs 560.964 million, Sales Tax of Rs 93.971 million and Income Tax of Rs 8.237 million remitted under SRO may not be recovered from the Company. The Company filed a constitutional petition No. D - 3134 of 2016 in the High Court of Sindh dated May 28, 2016 and obtained a stay order dated May 31, 2016 to restrain the custom authorities from taking any coercive action against the Company.

During the year 2017, the Company received another letter dated April 20, 2017 issued by Collectorate of Customs claiming duties and taxes amounting to Rs 137.905 million on the same grounds as stated in aforementioned paragraph.

During the year 2018, the Collector of Customs (Adjudication - I) vide order dated November 14, 2017 adjudicated the show cause notice and accordingly directed the Collectorate to take further necessary actions in the light of the judgement of the High Court of Sindh. The Collector of Customs being aggrieved by the decision has filed a Custom Appeal 32-K of 2018 before the Custom Appellate Tribunal which is pending till date.

The management of the Company, based on its discussion with tax and legal consultants, is confident that its submissions shall be accepted and no demand will be raised against the Company.

- 24.1.4 During the year 2011, the Gas Infrastructure Development Cess (GIDC) was levied at Rs 13 per unit of gas consumption through the Gas Infrastructure Development Cess Act, 2011 (the Act) . The rate was increased to Rs 100 per unit w.e.f. July 2012 whereas subsequently it was reduced to Rs 50 per unit through a notification dated September 7, 2012. The High Court of Sindh through its order dated September 19, 2012, however, has restrained Sui Southern Gas Company Limited (SSGCL), being the company required to charge and collect the cess, from charging cess over and above Rs 13 per unit from the Company. In case of a separate petition on June 13, 2013, the GIDC Act was declared unconstitutional by the Peshawar High Court (PHC) and such judgment was also upheld by the Supreme Court on August 22, 2014.

On September 25, 2014, the Gas Infrastructure Development Cess Ordinance, 2014 (the GIDC Ordinance) was promulgated which levied GIDC at Rs 150 per unit. Section 8 of the Ordinance inter alia states that notwithstanding anything to the contrary contained in any decree of any court, the cess levied under the Act shall be deemed to have been validly levied under the provision of the Ordinance (i.e. retrospective application). The Company has filed a petition to invalidate the promulgation of the Ordinance which is pending adjudication. In the meantime on the basis of the Company's application on October 20, 2014, the High Court of Sindh issued a stay order in favour of the Company refraining SSGCL from collecting GIDC under the GIDC Ordinance.

On May 23, 2015, the Gas Infrastructure Development Cess Act, 2015 (the new GIDC Act) was promulgated which levied GIDC at Rs 100 per unit. Section 8 of the new GIDC Act inter alia states that notwithstanding anything to the contrary contained in any decree of any court, the cess levied under the new GIDC Act shall be deemed to have been validly levied under the provision of the new GIDC Act (i.e. retrospective application). On June 29, 2015, the Company filed a petition to invalidate the promulgation of the new GIDC Act which is pending adjudication.

The amount of cess if determined to be payable by the Company with retrospective i.e. w.e.f 2011 effect shall aggregate to Rs 150.725 million (2018: Rs 126.783 million) approximately, however the Company, based on the advice of its legal counsel, is confident of a favourable outcome of the aforementioned applications to the High Court of Sindh and, therefore, has not provided for the amount of Rs 150.725 million in these financial statements.

24.1.5 Contingent liabilities in respect of indemnities given to financial institutions for guarantees issued by them on behalf of the Company in the normal course of business aggregate Rs.46.643 million (2018: Rs 40.750 million).

24.1.6 During the year ended June 30, 2018, the Company received an order dated August 10, 2017 from the Competition Commission of Pakistan imposing a penalty of Rs 10 million under section 10 of The Competition Act, 2010 against the show cause notice issued for indulging in deceptive marketing practices. The Company filed an appeal with the Competition Appellate Tribunal against the above mentioned order which also granted an interim relief order in favour of the Company stating that no coercive action shall be taken until the disposal of appeal.

During the year, Competition Appellate Tribunal upheld the decision of Competition Commission of Pakistan. However, penalty imposed was reduced to Rs 3 million as full and final settlement.

24.2 Commitments

24.2.1 Commitments in respect of capital expenditure and inventory items amounted to Rs. 134.545 million and Rs. 431.622 million respectively (2018: Rs 165.729 million and Rs 963.283 million respectively).

24.2.2 Outstanding letters of credit amounted to Rs. 1,146.456 million (2018: Rs 534.505 million).

24.2.3 Outstanding duties leviable on clearing of stocks amounted to Rs 22.812 million (2018: Rs 6.261 million).

39. FINANCIAL INSTRUMENTS AND RELATED DISCLOSURES

39.1 The Company's activities expose it to certain financial risks. Such financial risks emanate from various factors that include, but not limited to, market risk, credit risk and liquidity risk. The Company's overall risk management focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Company's financial performance. Risks measured and managed by the Company are explained in notes 39.1.1, 39.1.2 and 39.1.3 below:

39.1.1 Credit risk and concentration of credit risk

Credit risk represents the accounting loss that would be recognised at the reporting date if counter parties fail to perform as contracted.

Out of the total financial assets of Rs 7,831.146 million (2018: Rs 7,943.887 million), the financial assets that are subject to credit risk aggregated Rs 7,830.658 million (2018: Rs 7,604.898 million).

The analysis below summarises the credit quality of the Company's financial assets as at June 30, 2019 / 2018.

The bank balances along with credit ratings are tabulated below:

Credit ratings	2019 (Rupees in '000)	2018 (Rupees in '000)
A-1+	1,191,202	1,256,890
Others	22,608	270,732
	<u>1,213,810</u>	<u>1,527,622</u>

The analysis of credit rating of investees' in relation to short term investments is as follows:

Credit ratings	2019 (Rupees in '000)	2018 (Rupees in '000)
A-1+	1,345,607	2,765,607
AA	49,337	49,599
Government securities	333,778	338,572
Management Quality ratings		
AM1	114,320	400,215
AM2+	3,703,576	1,800,461
	<u>5,546,618</u>	<u>5,354,454</u>

Long term security deposits are held with parties which have long association with the Company and have a good credit history.

For trade debts, internal risk assessments process determines the credit quality of the customer, taking into account its financial position, past experience and other factors. Individual risk limits are fixed by the management based on internal or external ratings. The utilisation of credit limits is regularly monitored. Accordingly the credit risk is minimal and the Company also believes that it is not exposed to major concentration of credit risk.

The breakup of amount due from customers other than related parties as stated in note 11 is presented below:

	2019	2018
	(Rupees in '000)	
Due from customers other than related parties		
Institutional customers	575,680	506,163
Distributors	180,152	216,346
Others	1,417	19,147
	757,249	741,656

Out of Rs 757.249 million (2018: Rs 741.656 million), the Company has provided Rs 7.740 million (2018: Rs 6.033 million) as the amounts being doubtful to be recovered from certain customers.

The balances of financial assets held with related parties other than short term investments are as follows:

	2019	2018
	(Rupees in '000)	
Trade debts	41	750
Other receivables	2,030	1,769
	2,071	2,519

Concentration of credit risk exists when changes in economic and industry factors similarly affect the group of counter parties whose aggregated credit exposure is significant in relation to the Company's total credit exposure. The Company's financial assets are broadly diversified and transactions are entered into with diverse credit worthy parties thereby mitigating any significant concentration risk. Therefore, the Company believes that it is not exposed to major concentration of credit risk.

39.1.2 Liquidity risk

Liquidity risk is the risk that an enterprise will encounter difficulties in raising funds to meet commitments associated with financial instruments. The management believes that it is not exposed to any significant level of liquidity risk.

The management forecasts the liquidity of the Company on basis of expected cash flow considering the level of liquid assets necessary to meet such risk.

Financial liabilities in accordance with their contractual maturities are presented below:

	Non-interest / mark-up bearing		
	Maturity within one year	Maturity after one year	Total

	2,802,628	86,062	2,888,690

39.1.3 Market Risk

Currency Risk

Currency risk arises mainly where receivables and payables exist due to transactions entered into foreign currencies. The Company primarily has foreign currency exposures in US Dollars (USD) and Euro.

At June 30, 2019, had Pakistan rupee weakened / strengthened by 5% against the USD and Euro with all other variables held constant, profit before taxation for the year would have been lower / higher by Rs 17.116 million (2018: Rs 15.896 million). This will mainly result due to foreign exchange gains / losses on translation of USD and Euro denominated bills payables.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows from a financial instrument will fluctuate due to changes in market interest rates.

- Fair value risk - Presently, fair value risk to the Company arises from TDRs, T-Bills, PIBs, Sukuk Bonds and cash with banks in saving accounts which are based on fixed interest rates. As at June 30, 2019, had there been increase / decrease in fixed interest rates by 100 basis points, with all other variables held constant, profit before tax and other comprehensive income for the year would have been higher / lower by Rs 20.756 million (2018: Rs 18.373 million) and Rs 3.831 million (2018: Rs. 2.4 million) respectively.
- Future cash flow risk - Presently, the Company is not exposed to future cash flow risk.

Other price risk

Other price risk is the risk of changes in the fair value of investment in mutual funds as the result of changes in the levels of net asset value of units held by the Company. As at June 30, 2019, had there been increase / decrease in net asset value by 1%, with all other variables held constant, the profit before tax for the year would have been higher / lower by Rs 38.179 million (2018: Rs 22.007 million).

39.1.4 Fair value of financial instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e. an exit price) regardless of whether that price is directly observable or estimated using another valuation technique.

As at June 30, 2019, all financial assets and financial liabilities are carried at amortised cost except for investment in mutual funds, PIBs and Sukuk Bonds which are carried at their fair values.

The Company classifies fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- a) Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- b) Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- c) Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the transfer has occurred.

The Company's policy for determining when transfers between levels in the hierarchy have occurred includes monitoring of the following factors:

- changes in market and trading activity (eg. significant increases / decreases in activity)
- changes in inputs used in valuation techniques (eg inputs becoming / ceasing to be observable in the market)

There were no transfers between level 1, 2 or 3 of the fair value hierarchy during the year.

The valuation techniques used are as follows:

Level 1: Quoted prices (unadjusted) in active markets

The fair value of financial instruments traded in active markets is based on Net Asset Values (NAVs) of the units of the mutual funds, market prices for Sukuk Bonds and quoted prices for floating rate PIBs at the reporting date. A market is regarded as active when it is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

The following table analysis within the fair value hierarchy of the Company's financial assets (by class) measured at fair value at June 30, 2019:

Financial assets	2019			Total
	Level 1	Level 2	Level 3	
-----Rupees in '000-----				
Financial investments: Fair value through profit or loss	3,817,896	-	-	3,817,896
Financial investments: Fair value through other comprehensive income	-	383,115	-	383,115

Financial assets	2018			Total
	Level 1	Level 2	Level 3	
-----Rupees in '000-----

Financial investments: Fair value through other comprehensive income	-	388,171	-	388,171

40. CAPITAL RISK MANAGEMENT

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders and to maintain an optimal capital structure.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares or sell assets to reduce debt.

Consistent with others in the industry, the Company manages its capital risk by monitoring its liquid assets and keeping in view future investment requirements and expectation of the shareholders.

As at June 30, 2019 and 2018, the Company had surplus reserves to meet its requirements.
