### Financial Performance

During the period under review, the Bank continued to grow on the strength of its branch banking business, with healthy contribution by all regions across the country. Resultantly, the balance sheet of the Bank depicted robust growth during HY2019 whereby its deposits base and total assets grew by 25.2% and 22.8%, respectively, in comparison to HY2018. Growth in deposits was spurred by execution of strong deposit mobilization campaigns supported by effective marketing activity. Increase in assets was contributed by all line items particularly growth in high yielding Islamic Financing and enhancement in investment base of the Bank via deploying funds in recently issued Government of Pakistan backed Pakistan Energy Sukuk.

As a result of extensive efforts made on recovery from non-performing clients, the Bank's overall infection ratio has declined from 13.9% as at June 30, 2018 to 9.9% as at June 30, 2019. The Bank has also taken accelerated provisions against delinquent financing portfolio, due to which Bank's coverage ratio (including general provisions) has increased from 72.0% as at June 30, 2018 to 89.4% at the end of June 2019.

The net spread earned has increased by 78.1% during the half year. Further, the net spread margin has also improved from 48.5% during same period last year to 49.3%. This increase is mainly contributed increase in earning asset and rise in SBP policy rate. In future, we are expecting an improvement in profit margin, as the asset portfolio will be fully re-priced.

Bank's non-funded income declined by Rs. 37.7 million mainly due to one-off capital gains booked during the same period last year and decline in income relating to debit cards.

Operating expenses grew by 11.9% as compared to same period last year on account of increase in variable expenses linked with business volumes, improvement in IT infrastructure of the Bank, increase in insurance expenses due to introduction of deposit protection scheme

by SBP and inflationary pressure. On account of implementation of IFRS 16 'Leases', as explained in detail in note 3.1.2 of these financial statements, the depreciation expense has increased as compared to same period last year, which was substantially compensated by reduction in rental expenses on premises. Had IFRS-16 not been applied, profit after tax for the half year ended would have been higher by Rs. 117.96 million.

With improvement in (i) overall net revenue of the Bank by 63.6%, and (ii) cost to income ratio to 66.8% as compared to 96.3%; operating profits of BankIslami during the period under review has increased to Rs. 1,789 million i.e. 13.7 times higher than the operating profit of Rs. 122 million posted during the same period last year, Alhamdulillah. The Bank, taking a prudent view, booked additional provisioning against delinquent financing and other assets, and posted profit after tax at Rs. 581 million for the half year ended June 30, 2019 i.e. over 7.9 times higher than last half year's profit after tax of Rs. 65 million.

### Achievements and New Initiatives

Alhamdulillah, BankIslami has achieved the status of leading bank in overall banking industry in home financing industry with over Rs. 1.9 billion disbursement during HY 2019. The Bank has signed an agreement with Pakistan Mortgage Refinance Company (PMRC) and received Rs. 1 billion under the agreement to finance low and middle income segment at fixed rate for 3 years. Moreover, in order to promote the low income housing finance in the country, the SBP has issued a policy for low cost housing finance facility for widows, children of martyrs (Shaheed), special persons, transgender and persons in areas severely affected by terrorism at a discounted rate. The Bank has launched a product to support the SBP's initiative. The financing amount to this segment will be refinanced by SBP upto 100%.

On the Auto Finance business front, the Bank successfully launched a special Ramazan discount scheme, which was well received by the market. The Auto finance team has also performed brand activation activities at various branches of BankIslami in collaboration with renowned brands in auto industry.

Keeping in view the demands and needs of its retail customers, the Bank has launched a 2 year Special Term Deposit product during the period which has received an overwhelming response from the masses. Furthermore, the Bank has signed an agreement with EFU, which is one of the leading life assurance operators in the domain, to offer their takaful products to BankIslami's customers through Bank's counter.

The Bank consider its employees as its greatest assets, hence it always endeavors to take care of its employees and their needs. In line with this philosophy, the Bank has successfully launched a new and improved health policy coverage for Bank's staff which includes coverage for parents as well.

In context of marketing and brand development, the marketing department had organized number of activities during the period. The BankIslami team as part its CSR activity, visited Edhi Children Home and spent time with children. Additionally, the team also arranged meetings of bloggers and top media personnel with Syed Amir Ali, CEO & President of BankIslami, to highlight the Bank's products and imparting Bank's perspectives with regards to growth of Islamic Banking in Pakistan.

## Litigations

The detailed and updated status of litigations have been stated in note no 20.3.1 of these financial statements.

## Acknowledgment

The Board would like to place on record its deep appreciation to the State Bank of Pakistan for providing assistance and guidance. We would like to express our gratitude to our valued customers, business partners and shareholders for their continued patronage and trust. Moreover, we would also like to acknowledge the dedication, commitment and hard work put in by our management team and employees that has enabled BankIslami to achieve a respectable position in the Banking industry in general and Islamic Banking industry in particular; Alhamdulillah.

بینک کی کوریج شرح (بشمول جزل پرویزن) 30 جون 2018ء کو 72.0 فیصد سے بڑھ کر جون 2019ء کے اختتام تک 89.4 فیصد ہو گئی۔

ششماہی کے دوران net spread آمدن میں 78.1 فیصد تک اضافہ ہوا۔ مزید برآں net spread مارجن بھی بہتر ہو کر 49.3 فیصد ہو گیا ہے جو گزشتہ سال کی اسی مدت کے دوران 48.5 فیصد تھا۔ یہ اضافہ کمائے گئے اثاثوں میں اضافے اور ایس بی پی کی پالیسی ریٹ میں اضافہ ہونے کی وجہ سے ہوا ہے۔ مستقبل میں ہم منافع کے مارجن میں بہتری کی توقع کر رہے ہیں کیونکہ اثاثوں کے پورٹ فولیو کی قیمت کا مکمل طور پر دوبارہ تعین نئے ریٹ پر کیا جائے گا۔

بینک کی نان فنڈڈ آمدنی میں 37.7 ملین روپے کی کمی کی وجہ گزشتہ سال اسی عرصے کی دوران بک کیا گیا کپیٹل منافع اور اس ششماہی میں ڈیٹ کارڈ کی آمدنی میں کمی ہے۔

کاروباری حجم سے منسلک متغیر اخراجات، بینک کے آئی ٹی انفراسٹرکچر میں بہتری، SBP کی جانب سے ڈپازٹ پروٹیکشن اسکیم کو متعارف کرانے کے ضمن میں انشورنس اخراجات میں اضافہ اور افراط زر کے دباؤ کے باعث آپریٹنگ اخراجات میں گزشتہ سال اسی عرصے کے مقابلے میں 11.9 فیصد تک اضافہ ہوا۔ جیسا کہ مالیاتی بیانات کے نوٹ 3.1.2 میں تفصیل سے بیان کیا گیا ہے کہ IFRS-16 "Leases" کے نفاذ کے حوالے سے Depreciation میں گزشتہ سال کی اسی مدت کے مقابلہ میں اضافہ ہوا جس میں عمارتوں کے کرایوں کے اخراجات میں کمی کے ذریعے کافی حد تک تلافی ہوئی ہے۔ اگر IFRS-16 کا اطلاق نہ کیا جاتا تو ختم ہونے والی ششماہی کیلئے منافع بعد از ٹیکس 117.96 ملین روپے تک زیادہ ہوتا۔

(i) بینک کی مجموعی آمدنی میں 63.6 فیصد کی بہتری اور (ii) لاگت سے آمدن کے درمیان شرح 96.3 فیصد کے مقابلہ میں 66.8 فیصد میں بہتری سے زیر جائزہ مدت کے دوران بینک اسلامی کے آپریٹنگ منافع میں 1,789 ملین روپے کا اضافہ ہوا جو گزشتہ سال کے اسی عرصہ کے دوران 122 ملین روپے کے آپریٹنگ منافع سے 13.7 گنا زیادہ ہے، الحمد للہ۔ بینک مثبت کنٹریٹ نظر اختیار کر رہا ہے، غیر فعال فنانسنگ اور دیگر اثاثوں پر اضافی پروڈن کی ہنگ کی جا رہی ہے اور 30 جون 2019ء کو ختم ہونے والی ششماہی کے لئے 581 ملین روپے کا بعد از ٹیکس منافع ظاہر کیا گیا جو کہ گزشتہ سال کی اسی ششماہی کے 65 ملین روپے کے بعد از ٹیکس منافع سے 7.9 گنا زیادہ ہے۔

## کامیابیاں اور نئے اقدامات

الحمد للہ، بینک اسلامی نے 2019ء کی ششماہی کے دوران ہوم فنانسنگ انڈسٹری میں 1.9 ارب روپے سے زائد رقم کی فراہمی کے ذریعے مجموعی بینکنگ انڈسٹری میں معروف بینک کا درجہ حاصل کیا ہے۔ بینک نے پاکستان مورگج ری فنانس کمپنی (پرائیم آر سی) کے ساتھ معاہدے پر دستخط کئے اور اس معاہدے کے تحت کم اور درمیانی آمدن والے طبقات کے لئے تین سال کی فکسڈ شرح پر ایک ارب روپے حاصل کئے۔ مزید برآں ملک میں کم آمدن والے افراد کے لئے گھروں کی سرمایہ کاری کے فروغ کے تناظر میں اسٹیٹ بینک آف پاکستان نے کم لاگت کے گھروں میں سرمایہ کاری کی سہولت کے لئے پالیسی جاری کی ہے جو کہ دہشت گردی سے متاثرہ علاقوں میں رہنے والوں، بیواؤں، شہداء کے بچوں، خصوصی افراد اور خواہجہ سراؤں کے لئے ہے۔ بینک نے اسٹیٹ بینک آف پاکستان کے اقدام میں معاونت کیلئے پروڈکٹ جاری کی ہے۔ اس طبقہ کے لئے فنانسنگ کی رقم 100 فیصد اسٹیٹ بینک آف پاکستان کی جانب سے ری فنانس کی جائے گی۔

آٹو فنانس کاروبار کے شعبہ سے متعلق بینک نے کامیابی سے خصوصی رمضان ڈس کاؤنٹ سکیم شروع کی تھی جس کا مارکیٹ میں بھرپور خیر مقدم کیا گیا۔ آٹو

## مالی کارکردگی

زیر جائزہ مدت کے دوران بینک کی تمام برانچوں نے مثبت شرکت کے ساتھ اپنی برانچ بینکنگ کاروبار کے استحکام کے فروغ کو جاری رکھا۔ نتیجتاً بینک کی ٹیلیس شیٹ میں 2019ء کی ششماہی کے دوران مضبوط نمو کو پیش کیا گیا جس کے تحت اس کے ڈپازٹس بیس اور مجموعی اثاثوں میں مالی سال 2018ء کی ششماہی کے مقابلہ میں بالترتیب 25.2 فیصد اور 22.8 فیصد اضافہ ہوا۔ موثر مارکیٹنگ سرگرمی سے مستحکم ڈپازٹ موبلائزیشن مہمات کے ذریعے ڈیپازٹس میں اضافے کو فروغ ملا۔ تمام شعبوں کی شراکت سے بینک کے اثاثوں میں اضافہ ہوا، بالخصوص انتہائی منافع بخش اسلامک فنانسنگ اور حال ہی میں جاری کردہ حکومت پاکستان کے پاکستان انرجی سکوک میں سرمایہ کاری کے ذریعے بینک کے سرمایہ کاری بیس میں بہتری آئی۔

غیر فعال کلائنٹس سے کی جانے والی ریکوری کے حوالے سے وسیع کوششوں کے نتیجے میں بینک کی مجموعی متاثرہ شرح میں 30 جون 2018ء کو 13.9 فیصد کے مقابلہ میں 30 جون 2019ء کو 9.9 فیصد تک کمی ہوئی۔ بینک نے غیر فعال فنانسنگ پورٹ فولیو کے خلاف تیز ترین اقدامات اٹھائے جس کے نتیجے میں

## Independent Auditors' Report

TO THE MEMBERS OF BANKISLAMIC PAKISTAN LIMITED  
REPORT ON REVIEW OF INTERIM FINANCIAL STATEMENTS

### Introduction

We have reviewed the accompanying condensed interim unconsolidated statement of financial position of BankIslami Pakistan Limited (the Bank) as at 30 June 2019 and the related condensed interim unconsolidated profit and loss account, condensed interim unconsolidated statement of comprehensive income, condensed interim unconsolidated statement of changes in equity, and condensed interim unconsolidated cash flow statement and notes to the financial statement for the six-month's period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review. The figures of the condensed interim unconsolidated profit and loss account and condensed interim unconsolidated statement of comprehensive income for the three months ended 30 June 2019 and 30 June 2018 have not been subject to limited scope review by us as we are required to review only the cumulative figures for the six month's period ended 30 June 2019.

### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the audit resulting in this independent auditor's review report is Omer Chughtai.

## Notes to and forming part of the condensed interim unconsolidated financial statements (Un-audited)

FOR THE HALF YEAR ENDED JUNE 30, 2019

### 1. STATUS AND NATURE OF BUSINESS

BankIslami Pakistan Limited (the Bank) was incorporated in Pakistan on October 18, 2004 as a public limited company to carry out the business of an Islamic Commercial Bank in accordance with the principles of Islamic Shariah.

The State Bank of Pakistan (SBP) granted a 'Scheduled Islamic Commercial Bank' license to the Bank on March 18, 2005. The Bank commenced its operations as a Scheduled Islamic Commercial Bank with effect from April 07, 2006, on receiving Certificate of Commencement of Business from the State Bank of Pakistan (SBP) under section 37 of the State Bank of Pakistan Act, 1956. The Bank is principally engaged in corporate, commercial, consumer, retail banking and investment activities.

The Bank is operating through 330 branches including 81 sub-branches as at June 30, 2019 (December 31, 2018: 330 branches including 81 sub-branches). The registered office of the Bank is situated at 11th Floor, Dolmen City, Marine Drive, Block-4, Clifton, Karachi. The shares of the Bank are quoted on the Pakistan Stock Exchange Limited.

The Pakistan Credit Rating Agency (Private) Limited (PACRA) has maintained the Bank's long-term rating as 'A+' and the short-term rating as 'A1'.

### 2 BASIS OF PREPARATION

#### 2.1 Statement of compliance

These condensed interim unconsolidated financial statements have been prepared in accordance with approved accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards comprise of:

- International Financial Reporting Standard 34 "Interim Financial Reporting" issued by the International Accounting Standards Board (IASB) and notified under Companies Act 2017;
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan (ICAP) as are notified under the Companies Act, 2017;
- Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017; and
- Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP).

Whenever the requirements of the Banking Companies Ordinance, 1962, Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IFRS or IFAS, requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives shall prevail.

- 2.2 During the period, the SBP, vide its BPRD Circular No. 05, dated: March 22, 2019, issued the revised forms for the preparation of the interim financial statements of banks, to bring it in line with the annual financial statements format, issued vide BPRD Circular No. 2 of 2018. The revised forms for the preparation of the interim financial statements are applicable for periods beginning on or after January 01, 2019. The implementation of the revised forms has resulted in certain changes to the presentation and disclosures of various elements of the financial statements.

The Bank has adopted the above changes in the presentation and made additional disclosures to the extent applicable to its operations and corresponding figures have been rearranged / reclassified to correspond to current period's presentation.

- 2.3 The SBP has deferred the applicability of International Accounting Standard (IAS) 40, 'Investment Property' for banking companies through BSD Circular Letter No. 10 dated August 26, 2002 till further instructions. Further, the SECP has deferred the applicability of International Financial Reporting Standard (IFRS) 7, 'Financial Instruments: Disclosures' on banks through its notification S.R.O 411(I)/2008 dated April 28, 2008. However, investments have been classified and valued in accordance with the requirements prescribed by the State Bank of Pakistan through various circulars. The State Bank of Pakistan through BPRD Circular No. 04 of 2015 dated February 25, 2015 has deferred applicability of Islamic Financial Accounting Standard-3 for Profit and Loss Sharing on Deposits (IFAS-3) issued by the ICAP and notified by the SECP, vide their SRO No. 571 of 2013 dated June 12, 2013 for Institutions offering Islamic Financial Services.

The SECP vide its press release dated February 15, 2019 has deferred the applicability of IFRS 9 - Financial Instruments for reporting periods ending on or after June 30, 2019. However, the SBP vide its email dated July 23, 2019 has clarified that IFRS 9 is not applicable on financial statements of the Bank for the period ending June 30, 2019. Further, the Bank considers that as the Prudential Regulations and other SBP directives currently provide the accounting framework for measurement and valuation of investments and provision against non-performing financing, the implementation of IFRS 9 may require changes in the regulatory regime. Therefore, the Bank expects that the SBP would issue suitable guidance and instructions on the application of IFRS 9 for the banking sector of Pakistan.

Accordingly, the requirements of these standards have not been considered in the preparation of these condensed interim unconsolidated financial statements.

- 2.4 The disclosures made in these condensed interim unconsolidated financial statements have been limited based on the format prescribed by SBP vide BPRD Circular Letter No. 5 dated 22 March 2019 and International Accounting Standard (IAS) 34, "Interim Financial Reporting". This condensed interim unconsolidated financial statements does not include all the statements and disclosures required in the audited annual financial statements, and should be read in conjunction with the audited annual financial statements for the financial year ended December 31, 2018.
- 2.5 These condensed interim financial statements are separate condensed interim unconsolidated financial statements of the Bank in which investments in subsidiaries and associates are carried at cost less accumulated impairment losses, if any, and are not consolidated. The condensed interim consolidated financial statements of the Group is being issued separately.

- 2.6 The Bank provides financing mainly through Murabahah, Ijarah, Istisna, Diminishing Musharakah, Muswammah and other Islamic modes.

The purchases and sales arising under these arrangements are not reflected in these condensed interim unconsolidated financial statements as such but are restricted to the amount of facility actually utilized and the appropriate portion of profit thereon. The income on such financing is recognized in accordance with the principles of Islamic Shariah. However, income, if any, received which does not comply with the principles of Islamic Shariah is recognized as charity payable as directed by the Shariah Board of the Bank.

### 3 SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies and methods of computation adopted in the preparation of these condensed interim unconsolidated financial statements are consistent with those applied in the preparation of the audited annual financial statements of the Bank for the year ended December 31, 2018, except as described below:

#### 3.1 Amendments to accounting and reporting standards that are effective in the current period

- 3.1.1 There are certain new and amended standards, interpretations and amendments that are mandatory for the Bank's accounting periods beginning on or after January 1, 2019 but are considered not to be relevant or do not have any significant effect on the Bank's operations and therefore not detailed in these condensed interim unconsolidated financial statements, except as stated below:

- 3.1.2 During the period, the SBP, vide its BPRD Circular Letter No. 8 dated April 30, 2019 and BPRD Circular No. BPRD/RPD/2019/17 dated July 26, 2019 has directed all Islamic Banks to apply IFRS 16 - 'Leases' in all Ijarah (lease) contracts where the Islamic Banks acts in capacity of Mustajir (lessee) and accordingly, the Bank has adopted the standard. The IFAS 2 - Ijarah would continue to be applicable on all the Ijarah contracts where the Bank acts as Mujir (lessor).

The Bank has lease contracts in the capacity of lessee for various properties used by the Bank's branches. The Bank has adopted modified retrospective approach for transition to IFRS 16. The standard also provides practical expedients, which has been applied by the Bank. The Bank has recognised right-of-use assets and lease liabilities for those leases which were previously accounted for under IFAS-2 Ijarah and recognised/ classified as rent expense. Lease liabilities were recognised based on the present value of the remaining lease payments, discounted using the incremental financing rate at the date of initial application. Right of use asset is depreciated over lease term and classified as depreciation expense.

The overall impact of the initial application of IFRS 16 on these condensed interim unconsolidated financial statements is summarised below:

- Right of Use (RoU) assets recognised as Fixed assets - increased by Rs. 4,184.116 million.
- Ijarah (lease) liabilities recognised as Other liabilities - increased by Rs. 4,112.556 million.

- Profit after tax for the half year ended June 30, 2019 decreased by Rs. 117.960

Had this standard not been applied, assets and liabilities would have been lower by Rs. 3.998 million and Rs. 4.134 million respectively. Rent expense would have been higher by Rs. 437.369 million and depreciation charge and finance cost on ijarah (lease) liability would have been lower by Rs. 384.482 million and Rs. 246.264 million respectively.

New accounting policies of the Bank upon adoption of IFRS 16 are:

#### Right-of-use (ROU) assets

At the commencement date of the lease, the right-of-use asset is initially measured at the present value of lease liability. Subsequently, RoU assets are measured at cost, less accumulated depreciation and any impairment losses, and adjusted for any premeasurement of lease liabilities. RoU assets are depreciated on a straight-line basis over the shorter of its estimated useful life and the lease term.

#### Ijarah (lease) Liability

At the commencement date of the ijarah (lease), the Bank recognises ijarah (lease) liability measured at the present value of the consideration (ijarah payments) to be made over the Ijarah (lease) term and is adjusted for ijarah (lease) prepayments. The lease payments are discounted using the effective rate implicit in the ijarah (lease), unless it is not readily determinable, in which case the Mustajir (lessee) may use the incremental rate of financing. After the commencement date, the carrying amount of ijarah (lease) liability is increased to reflect the accretion of finance cost and reduced for the ijarah (lease) payments made.

### 3.2 Standards, interpretations of and amendments to accounting and reporting standards that are not yet effective

The following standards, amendments and interpretations with respect to the accounting and reporting standards as applicable in Pakistan would be effective from the dates mentioned there against:

Standard, Interpretations and Amendments	Effective date (accounting periods beginning on or after)
- Definition of a Business – Amendments to IFRS 3	January 01, 2020
- Definition of Material – Amendments to IAS 1 and IAS 8	January 01, 2020
- The Conceptual Framework for Financial Reporting	January 01, 2020
- IFRS 10 Consolidated Financial Statements and IAS 28 Investment in Associates and Joint Ventures Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendment)	Not yet finalized

The above standards, amendments and interpretations are not expected to have any material impact on the Bank's financial statements in the period of initial application.

Further, following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan.

Standards	IASB Effective date (annual periods beginning on or after)
IFRS 14 – Regulatory Deferral Accounts	January 01, 2016
IFRS 17 – Insurance Contracts	January 01, 2021

#### 4 CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The basis for accounting estimates adopted in the preparation of these condensed interim unconsolidated financial statements are the same as those applied in the preparation of the annual unconsolidated financial statements of the Bank for the year ended December 31, 2018.

#### 5 FINANCIAL RISK MANAGEMENT

The financial risk management objectives and policies adopted by the Bank are consistent with those disclosed in the annual unconsolidated financial statements of the Bank for the year ended December 31, 2018.

The management has carried out an assessment for estimating the benefit of these losses. The Bank would be able to set off the profit earned in future years against these carry forward losses. Based on this assessment the management has recognized deferred tax debit balance amounting to Rs. 3,684.214 million (December 31, 2018: Rs. 3,630.734 million). The amount of this benefit has been determined based on the projected financial statements for the future periods as approved by the Board of Directors. The determination of future taxable profit is most sensitive to certain key assumptions such as cost to income ratio of the Bank, deposit's composition, kibar rates, growth of deposits and financing, investment returns, product mix of financing, potential provision against assets / financings, recoveries from non-performing loans and branch expansion plan. Any significant change in the key assumptions may have an effect on the realisability of the deferred tax asset.

**20.3.1 Suit filed by customers for recovery of alleged losses suffered, pending in the High Court, which the Bank has not acknowledged as debt**

**20.3.1.1** These are court cases, which represent counter claims filed by the borrowers, for restricting the Bank for disposal of the financed assets, (such as mortgaged / leased / pledged assets, kept as security), as well as, the cases where the Bank is pleaded as proforma defendant for defending its interest.

**20.3.1.2** Consequent to the amalgamation of defunct KASB Bank Limited with and into BankIslami Pakistan Limited as at May 7, 2015 certain cases have been filed by individuals pertaining to amalgamation, at Honorable Sindh High Court, Honorable Lahore High Court and Islamabad High Court, in which the Bank has been made a party. The double bench of Honorable Sindh High Court has disposed-off the prayers in three Constitutional Petitions, without any negative inference to the Bank, and issued certain directions to SBP which were then complied with. Subsequently, an appeal was filed against the decision of the Honorable Sindh High Court which has also been dismissed by the Honorable Supreme Court. Thereafter, Civil Review Petitions were filed in Honorable Supreme Court against dismissal order of the appeal, which have also been dismissed by the Honorable Supreme Court of Pakistan. The cases at Honorable Lahore High Court are also disposed off in the light of Honorable Supreme Court and Honorable Sindh High Court order. The cases at Honorable Islamabad High Court are pending. The management based on the opinion of its legal counsel is confident that these cases will also be dismissed by the Honorable Court.

**20.3.1.3** There are two cases filed against the Bank by KASB Corporation Ltd. One case is filed at Honorable Sindh High Court and the other is filed at Honorable Islamabad High Court. The Corporation claims of having placed Rs. 981.410 million with Ex-KASB Bank, as Advance against Issue of Right Shares. The amount was reported by the Ex-KASB Bank as part of the shareholders equity in the financial statements with the permission of SBP. Subsequent to the merger, KASB Corporation Limited and Mr. Nasir Ali Shah Bokhari filed a suit against the Bank in the Honorable High Court of Sindh; and also filed Miscellaneous Applications, praying thereby to restrain the Bank from using or transferring the amount of advance; and for directing the Bank to deposit the aforementioned amount with the Nazir of the Court; and to invest the same in interest / mark-up bearing certificates. On April 18, 2018, these Miscellaneous Applications were dismissed by the Honorable High

Court of Sindh, however, the main Suit is still pending adjudication. In addition, the Corporation has filed a Writ Petition at Honorable Islamabad High Court, which is yet pending hearing. The management based on the opinion of its legal counsel is confident that the main Suit will be dismissed by the Honorable Courts.

**20.3.1.4** After the acquisition of defunct KASB Bank Limited, the Bank came to know about certain transactions, identified by SBP including but not limited to fraudulent activities. SBP instructed the Bank to initiate legal actions in this respect and accordingly separate complaints were lodged with National Accountability Bureau (the Bureau) which were later converted into formal Inquiries by the Bureau. It may be noted without prejudice to the Bank's claim, the related amounts have not been recorded in these financial statements, as a matter of prudence.

**20.3.1.5** The Bank has filed suit no. 2038 of 2018 in Hounorable High Court of Sindh against the international payment scheme and others along with an application for interim order restraining international payment scheme from deducting amounts aggregating to USD 6.1 million, relating to potential financial impact that may arise from a cybercrime incident. Following this incident, the local settlement bank deducted the above mentioned amount from the Bank's respective clearing account (refer note 14). The Honorable Court issued the stay order restraining the international payment scheme from taking any steps to debit the aforementioned amount. The management strongly believes that it substantially complied with actions required to be taken during the cybercrime incident involving an ATM Cash out. During the period, the international payment scheme filed an application for return of plaint on grounds of jurisdiction, which after arguments, has been dismissed by the Honorable Court. Further, the Bank on the advice of the international payment scheme has also conducted an independent review of the incident by engaging PCI Forensic Investigator (PFI) which could not forensically identify any malicious software / activity directly related to the cybercrime incident.

The management based on the advice of its legal counsel believes that it has a good arguable case and it is not liable to settle the amount of the fraudulent transactions since the Bank had immediately complied with all the necessary requirements. (refer note 14.1)

## **20.3.2 Tax Contingencies**

**20.3.2.1** The income tax returns of the Bank have been filed upto tax year 2018 whereas the tax assessments have been made by the tax authorities upto tax year 2017. The returns filed for the tax year 2014 to tax year 2018 are treated to be deemed assessment order under section 120 of the Income Tax Ordinance, 2001.

**20.3.2.2** During the year 2014 (relating to defunct KASB Bank Limited), the learned Additional Commissioner Inland Revenue (ACIR) passed amended assessments order under section 122(5A) of the Income Tax Ordinance, 2001 for tax years 2011 and 2013 by imposing minimum tax on turnover disregarding gross loss position of the Bank. ACIR has also amended taxability of capital gain and dividend income. The aggregate tax impact comes to Rs. 116.002 million. Against the said order, the Bank filed an appeal before the Commissioner Inland Revenue - Appeals (CIRA). During the year 2016, the learned CIRA issued order under section 129 of the Ordinance by deleting the tax charged on capital gain and dividend income and upheld the levy of minimum tax. The learned ACIR has passed appeal effect order

under section 124 of the Ordinance. After appeal effect order the aforesaid demand has now been reduced to Rs. 89.928 million. Against the order of the learned CIRA, the Bank has filed an appeal before the Honorable Appellate Tribunal Inland Revenue (ATIR). However, the department has filed an appeal against the CIRA Order on the issue of capital gain and dividend income. Therefore, cross appeal for the tax year 2011 and 2013 is pending before ATIR.

**20.3.2.3** During the year 2014 (relating to defunct KASB Bank Limited), appellate order passed by the CIRA (in respect of Income tax assessments of International Housing Finance Limited, amalgamated into the defunct KASB Bank Limited during the year ended 31 December 2007) for tax year 2005 maintained the order of the Taxation Officer to the extent of disallowances relating to income from carry over transactions and gain on sale of property having an aggregate tax impact of Rs. 12.997 million. The defunct KASB Bank Limited has preferred appeals before the ATIR for tax year 2005 which are pending finalization.

**20.3.2.4** During the year 2013 (relating to defunct KASB Bank Limited), the Appellate Tribunal Inland Revenue (ATIR) passed an order for the tax years 2005 to 2009 in favour of the defunct KASB Bank Limited by allowing certain deductions including provision for non-performing advances, impairment on investments, other provisions, amortization of goodwill and allocation of expenses having an aggregate tax impact of Rs. 712.550 million. However, the ATIR has disallowed deductions relating to carry over transactions having tax impact of Rs. 86.377 million for the tax years 2005 to 2008. The defunct KASB Bank Limited has preferred an appeal before the Honorable High Court of Sindh against the said decision of the ATIR. No development has taken place during the current year.

**20.3.2.5** During the year 2013 (relating to defunct KASB Bank Limited), the Income tax assessments of KASB Capital Limited (amalgamated into the defunct KASB Bank Limited during the year ended 31 December 2008) for tax years 2008 and 2009 were amended by the Taxation Officer to the extent of apportionment of expenses having an aggregate tax impact of Rs. 125.880 million. The Bank has preferred an appeal before the Honorable High Court of Sindh against the said decision of tax authorities. No development has taken place during the current year.

**20.3.2.6** For tax years 2003 and 2004 (relating to defunct KASB Bank Limited), the CIRA has passed appellate orders on account of certain disallowances in respect of income from carry over transactions, provision against non performing advances, bad debts and certain other items having an aggregate tax impact of Rs. 33.748 million. The defunct KASB Bank Limited has preferred an appeal before the Appellate Tribunal Inland Revenue (ATIR) against the above referred orders of the CIR Appeals. No development has taken place during the current year.

**20.3.2.7** For assessment years 2001-2002 and 2002-2003 and tax years 2003, 2004 and 2005 (relating to defunct KASB Bank Limited) the income tax authorities of AJK region have passed appellate orders by adding interest on surplus funds transferred to head office, resulting in an additional tax demand of Rs. 14.587 million. The defunct KASB Bank Limited has filed reference with the Honorable Azad Kashmir High Court against such additions for the above mentioned assessment / tax years up to 2004. For the tax year 2005, the CIRA - AJK has passed order in favour of the defunct

KASB Bank Limited. However, the tax department has preferred appeal before the ATIR - AJK against interest on surplus head office funds, having tax impact of Rs. 5.337 million. For tax years 2006 and 2008, AJK tax department passed orders under section 122(5A) of the Ordinance. As a result of these orders, aggregate demand of Rs. 19.178 million was raised against the defunct KASB Bank Limited. However, the order for the tax year 2008 was subsequently rectified under section 221 of the Ordinance. Thereby aggregate demand for tax years 2006 and 2008 reduced to Rs. 13.304 million. Subsequently the learned CIRA - AJK has passed orders under section 129 of the Ordinance for the tax years 2006 and 2008 whereby he has confirmed all additions. Therefore, the defunct KASB Bank Limited has preferred an appeal before the ATIR - AJK. An appeal against the order of CIRA for the tax years 2006 and 2008 has been filed by the Bank before the Appellate Tribunal Inland Revenue (ATIR) - AJK.

- 20.3.2.8** In respect of tax year 2015, the ACIR under section 122(5A) of the Income Tax Ordinance, 2001 amended the return submitted by the Bank by adding / disallowing certain expenses / deductions resulting in reduction of losses claimed by the Bank by Rs. 32.893 million and levied super tax. As a result, a tax demand of Rs. 124.134 million was created.

The Bank filed an appeal against the said decision before CIRA as a result of which an appellate order has been passed. In the appellate order, the CIRA confirmed the restriction of minimum tax and other disallowances to the extent of Rs. 9.857 million. Against the treatment meted out by the CIRA, an appeal has been filed before the ATIR.

- 20.3.2.9** In respect of the tax years 2016 and 2017, the ACIR under section 122(5A) of the Income Tax Ordinance, 2001 amended the return submitted by the Bank by adding / disallowing certain expenses / deductions resulting in reduction of losses claimed by the Bank by Rs. 3.358 billion and Rs. 755.414 million for the tax years 2016 and 2017 respectively.

Against the disallowances in tax year 2016, an appeal has been filed before the CIRA which is pending finalization.

For the tax year 2017, the Bank filed an appeal against the said decision before CIRA as a result of which an appellate order has been passed. In the appellate order, the CIRA remanded disallowance of Rs.39.50 million and whereas disallowances of Rs. 13.381 million were upheld. Remaining disallowances made by the CIR amounts to Rs. 702.533 million were deleted by the CIRA. Against the treatment meted out by the CIRA in favour of the Bank, the tax authorities have filed an appeal before the ATIR which is pending.

The management, based on the opinion of its tax advisor, is confident about the favourable outcome of the above matters and consequently no additional provision has been made in these financial statements.

- 20.3.2.10** For the tax years 2017 and 2018, the AJK tax authorities issued notices under section 122(5A) of the Income Tax Ordinance, 2001 and amended the return submitted by the Bank by adding / disallowing various expenses and worked out an additional tax liability of Rs. 46.165 million and Rs. 55.152 million for the tax years 2017 and

## 32 FAIR VALUE MEASUREMENTS

The fair value of quoted securities other than those classified as held to maturity or investments in subsidiaries & associates, is based on quoted market price. Quoted securities classified as held to maturity are carried at cost less impairment losses. The fair value of unquoted equity securities, other than investments in associates and subsidiaries, is determined on the basis of the break-up value of these investments as per their latest available audited financial statements.

The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

### 32.1 Fair value of financial assets

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analyses financial assets measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorized:

\* comparative figures have been restated due to reclassification or change in reporting format.

The Group registered overall growth in its financial numbers for the half year ended June 30, 2019, which was largely driven by strong financial position of its Islamic Banking segment (the Bank). Total assets and deposits of the Bank have increased by 25.1% and 22.5% respectively as compared to HY2018. Improvement in deposit base was an outcome of strong deposit mobilization campaigns executed by the Bank followed by effective marketing activities during the period. Increase in assets was contributed by increase on earning asset base of the Bank, mainly through disbursements towards high quality credits and investment in recently issued Government of Pakistan backed Pakistan Energy Sukuk.

The Group posted a profit after tax of Rs. 613 million for the half year ended June 30, 2019 which is 2.9 times higher than profit after tax for the same period last year, Alhamdulillah. This was mainly attributable to (i) increase in earning assets and rise in SBP policy rate resulting in increase in net spread margins; and (ii) improvement in Group's cost to income ratio which improved from 96.2% in HY2018 to 66.9% in HY2019.

We would like to place on record our deep appreciation to the State Bank of Pakistan and Securities and Exchange Commission of Pakistan for their continued support and guidance. Also, we would like to express our gratitude to the employees of Group for their contribution towards the Group's progress through their hard work and commitment.

گروپ نے 30 جون 2019ء کو ختم ہونے والی ششماہی کے لئے اپنے مالیاتی اعداد و شمار میں مجموعی نموکوریکارڈ کیا جو اس کی اسلامک بینکنگ سیکٹرز (the Bank) کی مضبوط مالی پوزیشن کی وجہ سے حاصل ہوئے۔ 2018ء کی اسی ششماہی کے مقابلہ میں بینک کے مجموعی اثاثوں اور ڈیپازٹس میں بالترتیب 25.1 فیصد اور 22.5 فیصد اضافہ ہوا۔ ڈیپازٹس میں بہتری اس عرصہ کے دوران موثر مارکیٹنگ سرگرمیوں اور بینک کی طرف سے چلائی جانے والی مضبوط ڈیپازٹ موکلائزیشن مہمات کا نتیجہ تھی۔ اثاثوں میں اضافہ بنیادی طور پر اعلیٰ کوالٹی کے کریڈٹس میں ادائیگیوں اور حکومت پاکستان کی جانب سے حال ہی میں جاری کئے گئے پاکستان انرجی سکوک میں سرمایہ کاری کے ذریعے بینک کے آرٹنگ ایسٹ میں اضافہ کے باعث ہوا۔

## 2 BASIS OF PREPARATION

### 2.1 Statement of compliance

These condensed interim consolidated financial statements have been prepared in accordance with approved accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards comprise of:

- International Financial Reporting Standard 34 "Interim Financial Reporting" issued by the International Accounting Standards Board (IASB) and notified under Companies Act 2017;
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan (ICAP) as are notified under the Companies Act, 2017;

- Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017; and
- Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP).

Whenever the requirements of the Banking Companies Ordinance, 1962, Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IFRS or IFAS, requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives shall prevail.

- 2.2 During the period, the SBP, vide its BPRD Circular No. 05, dated: March 22, 2019, issued the revised forms for the preparation of the interim financial statements of banks, to bring it in line with the annual financial statements format, issued vide BPRD Circular No. 2 of 2018. The revised forms for the preparation of the interim financial statements are applicable for periods beginning on or after January 01, 2019. The implementation of the revised forms has resulted in certain changes to the presentation and disclosures of various elements of the financial statements.

The Holding Company has adopted the above changes in the presentation and made additional disclosures to the extent applicable to its operations and corresponding figures have been rearranged / reclassified to correspond to current period's presentation.

- 2.3 The SBP has deferred the applicability of International Accounting Standard (IAS) 40, 'Investment Property' for banking companies through BSD Circular Letter No. 10 dated August 26, 2002 till further instructions. Further, the SECP has deferred the applicability of International Financial Reporting Standard (IFRS) 7, 'Financial Instruments: Disclosures' on banks through its notification S.R.O 411(I)/2008 dated April 28, 2008. However, investments have been classified and valued in accordance with the requirements prescribed by the State Bank of Pakistan through various circulars. The State Bank of Pakistan through BPRD Circular No. 04 of 2015 dated February 25, 2015 has deferred applicability of Islamic Financial Accounting Standard-3 for Profit and Loss Sharing on Deposits (IFAS-3) issued by the ICAP and notified by the SECP, vide their SRO No. 571 of 2013 dated June 12, 2013 for Institutions offering Islamic Financial Services (IIFS).

The SECP vide its press release dated February 15, 2019 has deferred the applicability of IFRS 9 - Financial Instruments for reporting periods ending on or after June 30, 2019. However, the SBP vide its email dated July 23, 2019 has clarified that IFRS 9 is not applicable on financial statements of the Holding Company for the period ending June 30, 2019. Further, the Holding Company considers that as the Prudential Regulations and other SBP directives currently provide the accounting framework for measurement and valuation of investments and provision against non-performing financing, the implementation of IFRS 9 may require may require changes in the regulatory regime. Therefore, the Holding Company expects that the SBP would issue suitable guidance and instructions on the application of IFRS 9 for the banking sector of Pakistan.

Accordingly, the requirements of these standards have not been considered in the preparation of these condensed interim consolidated financial statements.

- 2.4 The disclosures made in these condensed interim consolidated financial statements have been limited based on the format prescribed by SBP vide BPRD Circular Letter No. 5 dated 22 March 2019 and International Accounting Standard (IAS) 34, "Interim Financial Reporting". These condensed interim consolidated financial statements do not include all the information and disclosures required in the audited annual financial statements, and should be read in conjunction with the audited annual consolidated financial statements for the financial year ended December 31, 2018.
- 2.5 The Group provides financing mainly through Murabahah, Ijarah, Istisna, Diminishing Musharakah, Muswammah and other Islamic modes.

The purchases and sales arising under these arrangements are not reflected in these condensed interim consolidated financial statements as such but are restricted to the amount of facility actually utilized and the appropriate portion of profit thereon. The income on such financing is recognized in accordance with the principles of Islamic Shariah. However, income, if any, received which does not comply with the principles of Islamic Shariah is recognized as charity payable as directed by the Shariah Board of the Holding Company.

## 2.6 Basis of Consolidation

These condensed interim consolidated financial statements incorporate the financial statements of the Bank (Holding Company) and the financial statements of subsidiary companies from the date that control of the subsidiary by the Group commences until the date that control ceases. The financial statements of the subsidiary companies are incorporated on a line-by-line basis (except the profit and loss account of BIPL Securities Limited which is disclosed as a single line item in Consolidated Profit and Loss account as per letter No. BPRD(R&P-02)/625-112/2017/4911 dated February 27, 2017 and the investment held by the Holding Company is eliminated against the corresponding share capital of subsidiaries in these condensed interim consolidated financial statements.

The financial statements of subsidiaries are prepared for the same reporting period as the Holding Company, using accounting policies that are generally consistent with those of the Holding Company, except for non-banking subsidiaries in Pakistan which follow the requirements of International Financial Reporting Standard (IFRS) 9 Financial Instruments, IAS 40, Investment Property and IFRS - 7, Financial Instruments: Disclosures, which are required to comply with local regulations enforced within the respective jurisdictions.

Material intra-group balances and transactions are eliminated.

Associates are those entities in which the Group has significant influence, but not control, over the financial and operating policies. Joint ventures are those entities over whose activities the Group has joint control established by contractual agreement. Associates and joint ventures are accounted for using the equity method.

The SBP vide its letter No. BPRD(R&P-02)/625-112/2017/4911 dated February 27, 2017, has allowed the Group to disclose financial results (net) of BIPL Securities Limited as a single line item in the Consolidated Profit and Loss account as majority of the operations of BIPL Securities Limited are of conventional nature and line by line consolidation would result in non-compliance of Shariah requirements.

### 3 SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies and methods of computation adopted in the preparation of these condensed interim consolidated financial statements are consistent with those applied in the preparation of the audited annual consolidated financial statements of the Holding Company for the year ended December 31, 2018, except as described below:

#### 3.1 Amendments to accounting and reporting standards that are effective in the current period

3.1.1 There are certain new and amended standards, interpretations and amendments that are mandatory for the Holding Company's accounting periods beginning on or after January 1, 2019 but are considered not to be relevant or do not have any significant effect on the Holding Company's operations and therefore not detailed in these condensed interim unconsolidated financial statements.

3.1.2 During the period, the SBP, vide its BPRD Circular Letter No. 8 dated April 30, 2019 and BPRD Circular No. BPRD/RPD/2019/17 dated July 26, 2019 has directed all Islamic Banks to apply IFRS 16 - 'Leases' in all Ijarah (lease) contracts where the Islamic Banks acts in capacity of Mustajir (lessee) and accordingly, the Bank has adopted the standard. The IFAS 2 - Ijarah would continue to be applicable on all the Ijarah contracts where the Bank acts as Mujir (lessor).

The Holding Company has lease contracts in the capacity of lessee for various properties used by the Holding Company's branches. The Group has adopted modified retrospective approach for transition to IFRS 16. The standard also provides practical expedients, which has been applied by the Holding Company. The Holding Company has recognised right-of-use assets and lease liabilities for those leases which were previously accounted for under IFAS-2 Ijarah and recognised/ classified as rent expense. Lease liabilities were recognised based on the present value of the remaining lease payments, discounted using the incremental financing rate at the date of initial application. Right of use asset is depreciated over lease term and classified as depreciation expense.

The overall impact of the initial application of IFRS 16 on these condensed interim consolidated financial statements is summarised below:

- Right of Use (RoU) assets recognised as Fixed assets - increased by Rs 4,184.116 million.
- Ijarah (lease) liabilities recognised as Other liabilities - increased by Rs 4,112.556 million.
- Profit after tax for the half year ended June 30, 2019 decreased by Rs 117.960 million.

Had this standard not been applied, assets and liabilities would have been lower by Rs.3.998 million and Rs.4.134 million respectively. Rent expense would have been higher by Rs.437.369 million and depreciation charge and finance cost on ijarah (lease) liability would have been lower by Rs.384.482 million and Rs. 246.264 million respectively.

New accounting policies of the Group upon adoption of IFRS 16 are:

#### Right-of-use (ROU) assets

At the commencement date of the lease, the right-of-use asset is initially measured at the present value of lease liability. Subsequently, RoU assets are measured at cost, less accumulated depreciation and any impairment losses, and adjusted for any premeasurement of lease liabilities. RoU assets are depreciated on a straight-line basis over the shorter of its estimated useful life and the lease term.

#### Ijarah (lease) Liability

At the commencement date of the ijarah (lease), the Group recognises ijarah (lease) liability measured at the present value of the consideration (ijarah payments) to be made over the Ijarah (lease) term and is adjusted for ijarah (lease) prepayments. The lease payments are discounted using the effective rate implicit in the ijarah (lease), unless it is not readily determinable, in which case the Mustajir (lessee) may use the incremental rate of financing. After the commencement date, the carrying amount of ijarah (lease) liability is increased to reflect the accretion of finance cost and reduced for the ijarah (lease) payments made.

### 3.2 Standards, interpretations of and amendments to accounting and reporting standards that are not yet effective

The following standards, amendments and interpretations with respect to the accounting and reporting standards as applicable in Pakistan would be effective from the dates mentioned there against:

The management has carried out an assessment for estimating the benefit of these losses. The Holding Company would be able to set off the profit earned in future years against these carry forward losses. Based on this assessment the management has recognised deferred tax debit balance amounting to Rs. 3,684.214 million (December 31, 2018: Rs. 3,630.734 million). The amount of this benefit has been determined based on the projected financial statements for the future periods as approved by the Board of Directors. The determination of future taxable profit is most sensitive to certain key assumptions such as cost to income ratio of the Holding Company, deposit's composition, kibar rates, growth of deposits and financing, investment returns, product mix of financing, potential provision against assets / financings, recoveries from non-performing loans and branch expansion plan. Any significant change in the key assumptions may have an effect on the realisability of the deferred tax asset.

**20.3.1** **Suit filed by customers for recovery of alleged losses suffered, pending in the High Court, which the Bank has not acknowledged has debt.**

**20.3.1.1** These are court cases, which represent counter claims filed by the borrowers, for restricting the Holding Company for disposal of the financed assets, (such as mortgaged / leased / pledged assets, kept as security), as well as, the cases where the Holding Company is pleaded as proforma defendant for defending its interest.

**20.3.1.2** Consequent to the amalgamation of defunct KASB Bank Limited with and into BankIslami Pakistan Limited (the Holding Company) as at May 7, 2015 certain cases have been filed by individuals pertaining to amalgamation, at Honorable Sindh High Court, Honorable Lahore High Court and Honorable Islamabad High Court, in which the Holding Company has been made a party. The double bench of Honorable Sindh High Court has disposed-off the prayers in three Constitutional Petitions, without any negative inference to the Holding Company, and issued certain directions to SBP which were then complied with. Subsequently, an appeal was filed against the decision of the Honorable Sindh High Court which has also been dismissed by the Honorable Supreme Court. Thereafter, Civil Review Petitions were filed in Honorable Supreme Court against dismissal order of the appeal, which have also been dismissed by the Honorable Supreme Court of Pakistan. The cases at Honorable Lahore High Court are also disposed off in the light of Honorable Supreme Court and Honorable Sindh High Court order. The cases at Honorable Islamabad High Court are pending. The management based on the opinion of its legal counsel is confident that these cases will also be dismissed by the Honorable Court.

**20.3.1.3** There are two cases filed against the Holding Company by KASB Corporation Ltd. One case is filed at Honorable Sindh High Court and the other is filed at Honorable Islamabad High Court. The Corporation claims of having placed Rs. 981.410 million with Ex-KASB Bank, as Advance against Issue of Right Shares. The amount was reported by the Ex-KASB Bank as part of the shareholders equity in the financial statements with the permission of SBP. Subsequent to the merger, KASB Corporation Limited and Mr. Nasir Ali Shah Bokhari filed a suit against the Holding Company in the Honorable High Court of Sindh; and also filed Miscellaneous Applications, praying thereby to restrain the Holding Company from using or transferring the amount of advance; and for directing the Holding Company to deposit the aforementioned amount with the Nazir of the Court; and to invest the same in interest / mark-up bearing certificates. On April 18, 2018, these Miscellaneous Applications were dismissed by the Honorable High Court of Sindh, however, the main Suit is still pending adjudication. In addition, the Corporation has filed a Writ Petition at Honorable Islamabad High Court, which is yet pending hearing. The management based on the opinion of its legal counsel is confident that the main Suit will be dismissed by the Honorable Courts.

**20.3.1.4** After the acquisition of defunct KASB Bank Limited, the Bank came to know about certain transactions, identified by SBP including but not limited to fraudulent activities. SBP instructed the Holding Company to initiate legal actions in this respect and accordingly separate complaints were lodged with National Accountability Bureau (the Bureau) which were later converted into formal Inquiries by the Bureau. It may be noted without prejudice to the Bank's claim, the related amounts have not been recorded in these financial statements, as a matter of prudence.

**20.3.1.5** The Holding Company has filed suit no. 2038 of 2018 in Hounorable High Court of Sindh against the international payment scheme and others along with an application for interim order restraining international payment scheme from deducting amounts aggregating to USD 6.1 million, relating to potential financial impact that may arise from a cybercrime incident. Following this incident, the local settlement bank deducted the above mentioned amount from the Holding Company's respective clearing account (refer note 14). The Honorable Court issued the stay order restraining the international payment scheme from taking any steps to debit the aforementioned amount. The management strongly believes that it substantially complied with actions required to be taken during the cybercrime incident involving an ATM Cash out. During the period, the international payment scheme filed an application for return of plaint on grounds of jurisdiction, which after arguments, has been dismissed by the Honorable Court. Further, the Holding Company on the advice of the international payment scheme has also conducted an independent review of the incident by engaging PCI Forensic Investigator (PFI) which could not forensically identify any malicious software / activity directly related to the cybercrime incident.

The management based on the advice of its legal counsel believes that it has a good arguable case and it is not liable to settle the amount of the fraudulent transactions since the Holding Company had immediately complied with all the necessary requirements.

**20.3.1.6** The ownership of the Group in respect of its investment in 400,000 certificates of Modaraba Al-Mali costing Rs. 2,972,822 was disputed by a person. The Group rejected this claim and filed a suit against that party in the High Court of Sindh claiming damages of Rs 20,000,000. The High Court granted an injunction in favour of the Group along with an order restraining the person to deal with the shares pending future hearing and disposal of the suit. The winding up petition as filed by the same party was also dismissed by the High Court.

After dismissal, the party filed a suit against the Group in the Banking Court, Karachi, claiming Rs 19,200,000. The management of the Group, based on the opinion of the Group's lawyer, is confident that the Group has a strong case and the suit filed against the Group will be dismissed. Accordingly, no provision has been made in these financial statements in respect of the above.

## **20.3.2 Tax Contingencies**

**20.3.2.1** The income tax returns of the Holding Company have been filed upto tax year 2018 whereas the tax assessments have been made by the tax authorities upto tax year 2017. The returns filed for the tax year 2014 to tax year 2018 are treated to be deemed assessment order under section 120 of the Income Tax Ordinance, 2001.

- 20.3.2.2** During the year 2014 (relating to defunct KASB Bank Limited), the learned Additional Commissioner Inland Revenue (ACIR) passed amended assessments order under section 122(5A) of the Income Tax Ordinance, 2001 for tax years 2011 and 2013 by imposing minimum tax on turnover disregarding gross loss position of the bank. ACIR has also amended taxability of capital gain and dividend income. The aggregate tax impact comes to Rs. 116.002 million. Against the said order, the Holding Company filed an appeal before the Commissioner Inland Revenue - Appeals (CIRA). During the year 2016, the learned CIRA issued order under section 129 of the Ordinance by deleting the tax charged on capital gain and dividend income and upheld the levy of minimum tax. The learned ACIR has passed appeal effect order under section 124 of the Ordinance. After appeal effect order the aforesaid demand has now been reduced to Rs. 89.928 million. Against the order of the learned CIRA, the Holding Company has filed an appeal before the Honorable Appellate Tribunal Inland Revenue (ATIR). However, the department has filed an appeal against the CIRA Order on the issue of capital gain and dividend income. Therefore, cross appeal for the tax year 2011 and 2013 is pending before ATIR.
- 20.3.2.3** During the year 2014 (relating to defunct KASB Bank Limited), appellate order passed by the CIRA (in respect of Income tax assessments of International Housing Finance Limited, amalgamated into the defunct KASB Bank Limited during the year ended 31 December 2007) for tax year 2005 maintained the order of the Taxation Officer to the extent of disallowances relating to income from carry over transactions and gain on sale of property having an aggregate tax impact of Rs. 12.997 million. The defunct KASB Bank Limited has preferred appeals before the ATIR for tax year 2005 which are pending finalization.
- 20.3.2.4** During the year 2013 (relating to defunct KASB Bank Limited), the Appellate Tribunal Inland Revenue (ATIR) passed an order for the tax years 2005 to 2009 in favour of the defunct KASB Bank Limited by allowing certain deductions including provision for non-performing advances, impairment on investments, other provisions, amortization of goodwill and allocation of expenses having an aggregate tax impact of Rs. 712.550 million. However, the ATIR has disallowed deductions relating to carry over transactions having tax impact of Rs. 86.377 million for the tax years 2005 to 2008. The defunct KASB Bank Limited has preferred an appeal before the Honorable High Court of Sindh against the said decision of the ATIR. No development has taken place during the current year.
- 20.3.2.5** During the year 2013 (relating to defunct KASB Bank Limited), the Income tax assessments of KASB Capital Limited (amalgamated into the defunct KASB Bank Limited during the year ended 31 December 2008) for tax years 2008 and 2009 were amended by the Taxation Officer to the extent of apportionment of expenses having an aggregate tax impact of Rs. 125.880 million. The Holding Company has preferred an appeal before the Honorable High Court of Sindh against the said decision of tax authorities. No development has taken place during the current year.
- 20.3.2.6** For tax years 2003 and 2004 (relating to defunct KASB Bank Limited), the CIRA has passed appellate orders on account of certain disallowances in respect of income from carry over transactions, provision against non performing advances, bad debts and certain other items having an aggregate tax impact of Rs. 33.748 million. The defunct KASB Bank Limited has preferred an appeal before the Appellate Tribunal Inland Revenue (ATIR) against the above referred orders of the CIR Appeals. No development has taken place during the current year.
- 20.3.2.7** For assessment years 2001-2002 and 2002-2003 and tax years 2003, 2004 and 2005 (relating to defunct KASB Bank Limited) the income tax authorities of AJK region have passed appellate orders by adding interest on surplus funds transferred to head office, resulting in an additional tax demand of Rs. 14.587 million. The defunct KASB

Bank Limited has filed reference with the Honorable Azad Kashmir High Court against such additions for the above mentioned assessment / tax years up to 2004. For the tax year 2005, the CIRA - AJK has passed order in favour of the defunct KASB Bank Limited. However, the tax department has preferred appeal before the ATIR - AJK against interest on surplus head office funds, having tax impact of Rs. 5.337 million. For tax years 2006 and 2008, AJK tax department passed orders under section 122(5A) of the Ordinance. As a result of these orders, aggregate demand of Rs. 19.178 million was raised against the defunct KASB Bank Limited . However, the order for the tax year 2008 was subsequently rectified under section 221 of the Ordinance. Thereby aggregate demand for tax years 2006 and 2008 reduced to Rs. 13.304 million. Subsequently the learned CIRA - AJK has passed orders under section 129 of the Ordinance for the tax years 2006 and 2008 whereby he has confirmed all additions. Therefore, the defunct KASB Bank Limited has preferred an appeal before the ATIR - AJK . An appeal against the order of CIRA for the tax years 2006 and 2008 has been filed by the Bank before the Appellate Tribunal Inland Revenue (ATIR) - AJK.

- 20.3.2.8** In respect of tax year 2015, the ACIR under section 122(5A) of the Income Tax Ordinance, 2001 amended the return submitted by the Holding Company by adding / disallowing certain expenses / deductions resulting in reduction of losses claimed by the Bank by Rs. 32.893 million and levied super tax. As a result, a tax demand of Rs. 124.134 million was created.

The Holding Company filed an appeal against the said decision before CIRA as a result of which an appellate order has been passed. In the appellate order, the CIRA confirmed the restriction of minimum tax and other disallowances to the extent of Rs. 9.857 million. Against the treatment meted out by the CIRA, an appeal has been filed before the ATIR.

- 20.3.2.9** In respect of the tax years 2016 and 2017, the ACIR under section 122(5A) of the Income Tax Ordinance, 2001 amended the return submitted by the Bank by adding / disallowing certain expenses / deductions resulting in reduction of losses claimed by The Holding Company by Rs. 3.358 billion and Rs. 755.414 million for the tax years 2016 and 2017 respectively.

Against the disallowances in tax year 2016, an appeal has been filed before the CIRA which is pending finalization.

For the tax year 2017, the Holding Company filed an appeal against the said decision before CIRA as a result of which an appellate order has been passed. In the appellate order, the CIRA remanded disallowance of Rs.39.50 million and whereas disallowances of Rs. 13.381 million were upheld. Remaining disallowances made by the CIR amounts to Rs. 702.533 million were deleted by the CIRA. Against the treatment meted out by the CIRA in favour of the Bank, the tax authorities have filed an appeal before the ATIR which is pending.

The management, based on the opinion of its tax advisor, is confident about the favourable outcome of the above matters and consequently no additional provision has been made in these financial statements.

- 20.3.2.10** The Income Tax authorities Substituted Section 5A of Income Tax ordinance 2001 through Finance Act 2017 which requires one of the Group company to be subjected to additional tax of 7.5% of the accounting profit before tax if it fails to distribute at least 40% of profit after tax within six months of the end of tax year through cash or bonus. However, the subsidiary company has filed an appeal before the Honorable High Court of Sindh at Karachi dated September 29, 2017. The Honorable High Court of Sindh has granted Stay orders in favour of the company and the proceedings thereof are pending till date. The management is confident that the eventual outcome

of the matters will be decided in favour of the company. Accordingly, no provisions has been made in these financial statements.

**20.3.2.11** For tax year 2013, an ammended assessment order has been passed under section 122(5A) of the Income Tax Ordinance, 2001 by the Additional Commissioner Inland Revenue, raising a demand of Rs. 17.39 million dated June 28, 2019. ### 33 FAIR VALUE MEASUREMENTS

The fair value of quoted securities other than those classified as held to maturity, is based on quoted market price. Quoted securities classified as held to maturity are carried at cost less impairment losses. The fair value of unquoted equity securities, other than investments in associates and subsidiaries, is determined on the basis of the break-up value of these investments as per their latest available audited financial statements.

The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

#### 33.1 Fair value of financial assets

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).
