Introduction

We have reviewed the accompanying condensed interim statement of financial position of Pakistan Reinsurance Company Limited as at June 30, 2019 and the related condensed interim statement of comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the condensed financial statements for the six months period then ended (here-in-after referred to as the "condensed interim financial statements"). Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for qualified conclusion

- 1) As stated in note 14 to the condensed interim financial statements, Insurance/Reinsurance receivables includes a balance amounting to Rs. 505 million (December 31, 2018: Rs. 376 million) which is subject to confirmation and reconciliation. Consequently, the impact of adjustments, if any, on these condensed interim financial statements is presently not ascertainable.
- 2) No provision on account of IBNR respective to Treaty business has been made in the condensed interim financial statements. In the absence of confirmation from ceding companies, the amount of IBNR remains unascertainable.

Qualified conclusion

Except for the adjustments to the condensed interim financial statements that we might have become aware of had it not been for the situation described above, based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Emphasis of Matter

We draw attention to note 13.2 and 20.1.1 to the condensed interim financial statements which provides details regarding receivable and contingency related to Sind Revenue Board amounting to Rs. 2,573 million and Rs. 7,292 million respectively.

Our conclusion is not qualified in respect of this matter.

Other Matters

- The figures for the quarter ended June 30, 2019 and June 30, 2018 in the condensed interim statement of comprehensive income have not been reviewed and we do not express a conclusion on them.
- 2) The condensed interim financial statements for the six months period ended June 30, 2018 and the financial statements of the Company for the year ended December 31, 2018 were reviewed and audited respectively by another firm of Chartered Accountants, whose review report dated August 30, 2018 and audit report dated April 03, 2019 expresses a modified conclusion and modified opinion on the aforementioned condensed interim financial statements and audited financial statements, respectively.

The engagement partner on the review resulting in this independent auditor's review report is Mr. Muhammad Shaukat Naseeb.

- 13.2 The Company received a notice from Sindh Revenue Board (SRB) relating to non-filing of Sales Tax return on services provided by PRCL to Insurance Companies. The Company contested the notice, however, the decision was made against the Company giving rise to sales tax liability amounting to Rs. 3,242 million and tax penalty of Rs. 880 million for financial year 2011 and 2012. The Company filed an appeal with Commissioner of Appeals, Sindh Revenue Board, however, it was rejected. The Company again filed an appeal with the Appellate Tribunal where during the year the decision was made against the Company vide order number AT-02/2013/109/2013 dated February 03, 2016. As a result, the Company filed reference in the Honorable High Court of Sindh against the orders of Appellant Tribunal.

In the aforementioned tribunal orders, the SRB was directed to reconcile and separate the sales tax liability on reinsurance premium generated within the province of Sindh and rest of Pakistan.

The Company received two orders in pursuance of Appellate Tribunal (SRB) Order against Appeal No. AT-02/2013 and AT-109/2015 dated May 23, 2016 from Sindh Revenue Board (SRB) demanding the amount of sales tax liability on re-insurance services provided / rendered by the Company in Sindh from the period from July 2011 to November 2011 and for the period from December 2011 to December 2012 which were worked out and calculated by SRB amounting to Rs. 372.200 million and Rs. 1,118.094 million respectively. The Company has filed reference in the Honorable High Court of Sindh, dated April 18, 2016 against the Orders of Appellant Tribunal. On May 31, 2016, SRB recovered an amount of Rs. 442.424 million from the Company's bank accounts under section 66 of Sindh Sales Tax Act, 2011. On June 03, 2016, the Honorable High Court of Sindh granted stay to the Company in respect of this matter which restrained SRB from proceeding against the Company. The case is still pending before the Honorable High Court of Sindh.

Further, the Company has also received a notice from Sindh Revenue Board (SRB) for the period from January 2013 to December 2013. The Company contested the notice; however, the order was passed against the Company giving rise to sales tax liability amounting to Rs. 1,385 million and tax

penalty amounting to Rs. 424 million. The Company filed an appeal against the order with Commissioner of Appeals, Sindh Revenue Board which was decided against the Company. The Company being aggrieved by the said order has filed an appeal before Appellant Tribunal-SRB which has been heard and order is awaited. Stay of tax demand has been obtained in this regard which was valid up to April 05, 2017.

During the prior year, the Company has paid an amount of Rs. 2,131.464 million under protest against the principal amount of sales tax liability in respect of above notices issued by SRB for tax years 2011, 2012 and 2013. The Company has also apprised Ministry of Commerce through letter dated April 14, 2017, on the matter of disputed sales tax demand raised by SRB. Ministry of Commerce through letter dated on May 03, 2017, directed to take action as per Board of Directors decision and also directed that the Company must keep contesting the case in High Court vigorously. After obtaining legal opinion, approval from Board of Directors and Ministry of Commerce, the Company wrote a letter dated May 17, 2016, to the Commission (SRB) that the Company would agree to make payment of the principal amount of the demand under protest subject to condition that SRB would withdraw all notices issued u/s 66 of Sindh Sales Tax Act, 2011, to the clients and debtors of the Company for the attachment of payables to Company, SRB will not initiate any further proceedings in relation to the amount of default surcharge and penalty until the liability of tax on reinsurance services is finally decided by the Superior courts and SRB will not initiate any further proceedings against the Company for the tax periods subsequent to these three tax periods and matter shall be decided after the decision of the final appellate forum which is the Honorable Supreme Court of Pakistan.

SRB vide letter dated May 17, 2017, assured that SRB would abide by all conditions as stated in the Company letter dated May 17, 2017.

The aggregate amount of Rs. 2,573.889 million paid has been recorded as "receivable from SRB" in the financial statements. Moreover, the Company has not recorded provision against the orders passed by SRB in pursuance of Appellate Order dated February 01, 2016 in Appeal No. AT-02/2013 and order dated February 03, 2016 in Appeal No. AT-109/2015. However, in the event the matter is decided against the Company, the charge to profit and loss account would amount to Rs. 3,299.130 million pertaining to the years 2011, 2012 and 2013, excluding any additional penalty or default surcharge. Further, in the event of adverse decision, the Company would also have to record sales tax liability on re-insurance services with a corresponding charge to profit and loss accounts for the years 2014, 2015, 2016, 2017 and 2018, the financial impact of which on the financial statements has remained unascertained.

Based on the legal opinion from legal advisor, management is confident that strong grounds exist to contest the case. The management believes that eventual outcomes will come in favor of the Company. Accordingly, no provision for sales tax liability for the years 2011 to 2018 has been recorded in these financial statements.

The SECP vide letter No. ID/PRDD/TAXATION/2019/15 dated March 13, 2019 highlighted taxation issues to SRB faced by the insurance industry in Pakistan. SECP highlighted that, insurance companies obtained reinsurance services to mitigate their risk by sharing it with other

insurance/reinsurance companies, hence, forming part of the overall risk management function of insurance companies. The imposition of sales tax on reinsurance services through service charge mechanism, may lead to double taxation on the insurance business, in the context of foreign reinsurance.

Imposition of sales tax on the reinsurance services would increase the cost of doing business for insurance companies, which may reflect as an increase in the rates of insurance premiums, making insurance more costly for the policyholders. As lowering the cost of business is the primary agenda of the Government of Pakistan and as such, the imposition of sales tax on reinsurance services would be working at odds with measures taken by the Government of Pakistan for ease of doing business in Pakistan.

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Window Retakaful Operation as at June 30, 2019 and the related condensed interim statement of comprehensive income, condensed interim statement of changes in funds, and condensed interim statement of cash flows, and notes to the condensed interim financial statements for the six months period then ended (here-in-after referred to as the "condensed interim financial statements"). Management is responsible for the preparation and presentation of this interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for qualified conclusion

No provision on account of IBNR respective to Treaty business has been made in the condensed interim financial statements. In the absence of confirmation from ceding companies, the amount of IBNR remains unascertainable.

Qualified conclusion

Except for the adjustments to the condensed interim financial statements that we might have become aware of had it not been for the situation described above, based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Other Matters

- The figures for the quarter ended June 30, 2019 in the condensed interim statement of comprehensive income have not been reviewed and we do not express a conclusion on them, as we are required to review only the cumulative figures for the six months period ended June 30, 2019.
- 2) The financial statements of the Company for the year ended December 31, 2018 were audited by another firm of Chartered Accountants, whose report dated April 03, 2019 expresses an unmodified opinion thereon.

The engagement partner on the audit resulting in this independent auditor's review report is Mr. Muhammad Shaukat Naseeb.
