DIRECTORS' REPORT

For the period ended September 30, 2019

The Board of Directors of Allied Engineering Management Company (Private) Limited, the Management Company of Allied Rental Modaraba, is pleased to present to its certificate holders the Directors' Report together with un-audited accounts of the Modaraba for the three months' period ended September 30, 2019.

Financial Highlights

| · ···································· | Rs in '000 |
|--|------------|
| Gross Revenue from operations | 1,013,806 |
| Net Revenue after Provincial Sales Tax | 928,223 |
| Profit for the period | 92,144 |
| Net profit margin | 9.09% |
| Earning per certificate | Re. 0.42 |

Review of Operations

Gross Revenue for the quarter was recorded Rs. 1,014 Million compared to Rs 1,053 Million of the corresponding Jul – Sep 2018 quarter. This is the first time in the history of Modaraba that its sales declined compared to corresponding period and confirms overall stagnation of the economy and its effects on the business of the Modaraba. After deduction the Services Sales Tax of Punjab, Sindh and Balochistan, the net revenue for the quarter stands at Rs. 928 Millions compared to Rs. 971 for the corresponding quarter of Jul - Sep 2018. Accordingly, the net profits for the period also declined from Rs 141.846 Million to Rs 92.144 Millions for the current period.

Sales from our Inbound and Outbound Logistics segment increased by around 10.6% to Rs. 437 Millions as compared to Rs. 395 Millions of the corresponding period last year, mainly on account of increase in fuel prices and marginally better price realization. Due to implementation of the Axle Load Regime, a long standing demand of the Logistics operators, per ton freight rates have gone up resulting in better price realization. The effects of better fuel economics and maintenance expenses will also reflect in the coming quarter results.

Sales from our Machines and Cranes segment remained stagnant and contributed Rs. 132 Millions during the quarter from Rs. 130 Million for the corresponding period last year. slow growth of this segment is mainly due to slashing of the infrastructure budgets, lower GDP forecasts and non payment of contractors bills resulting in accumulation of receivables. Though we have got deployment at some good construction projects, but again overall our future investments in the segment will remain on hold until we see clarity on development budgets at federal government level.

Sales in the Power Generation segment declined by 21% due to overall lower deployment and completion of our old long term BOT projects. No new investment are planned at this stage for any segment of the Power Rental business, both Diesel and Gas as we feel that our present fleet size is able to meet the current market demands.

The operating expense for the period remained almost constant to Rs.712 Million for the period despite inflationary pressures In line with Sales, Salaries and Wages were reduced by 5% compared to corresponding period last year even after offsetting effect of upward revision in Minimum Wage by

the Government Fleet vehicles running cost raised by 34% due to increase in Fuel rates Depreciation for the period dropped by Rs.39 Million compared to corresponding quarter.

Administrative and distribution expenses remained stagnant at Rs. 55 Million (2018: Rs. 56 Million). Despite overall reduction in Net Borrowing level, Markup costs went up by Rs. 16 Million in the current quarter on account of increase in KIBOR Base rate.

The Management will remain cautious and prudent for its investment strategy on all segments of the business, as we expect the economy to slow down to control the negative balance of payment issue and until the economic direction is set by the new government. We always strive to keep special emphasis on customer satisfaction, also ensuring in the process that we always follow the Islamic Shariah principles in all our business transactions.

Acknowledgement

The Board wishes to place on record its sincere gratitude to the Registrar Modarabas, his support staff at SECP, Religious Board, bankers, customers and its business partners for their continued support and guidance.

8. CONTINGENCIES AND COMMITMENTS

8.1 Contingencies

Contingencies outstanding as at 30 September 2019 are as follows:

8.1.1 Sindh Sales Tax on operations and maintenance services of the Modaraba

During the year ended 30 June 2014, the Assistant Commissioner - Sindh Revenue Board (SRB) issued an order no. 160 of2013 dated 12 July 2013 demanding Sindh Sales Tax of Rs. 25.633 million at 16% on total Operation and Maintenance income of the Modaraba of Rs. 160.204 million for the year ended 30 June 2012.

Considering the nature of Operation and Maintenance Services, their geographical limitations and method of computation relating to levy of provincial Sales Tax on services as envisaged in the Sindh Sales Tax on Services Act 2011, the Modaraba filed an appeal with the Commissioner Appeals - Sindh Revenue Board (SRB). Simultaneously, the Modaraba also filed a Constitutional petition in the Honorable High Court of Sindh relating to the levy of Sindh Sales Tax by virtue of which the Honorable High Court of Sindh kindly stayed the demand of Sindh Sales Tax vide its order dated 11 October 2013. However, subsequently the Honorable High Court of Sindh issued a judgment dated 27 January 2014 directing SRB not to take any coercive action against Allied Rental Modaraba, till the decision has been reached in Appeal which was pending before the Commissioner Appeals - Sindh Revenue Board (SRB).

The Commissioner Appeals- Sindh Revenue Board (SRB) vide his order in appeal number 16/2014 dated 25 February 2014 reduced the demand of Sindh Sales Tax from Rs. 25.633 million to Rs. 12.238 million stating that the differential amount of Rs. 13.395 million pertains to the services rendered outside the province of Sindh.

The Modaraba had filed a Constitutional Petition CP No. D-1190 in the Honorable High Court of Sindh against the order of the Commissioner Appeals - Sindh Revenue Board (SRB) by virtue of which the Honorable High dated 11 March 2014 had suspended the operation of the impugned order of the Commissioner Appeals - SRB. Subsequently, the Sindh Revenue Board Tribunal was constituted and became functional in June 2015. The Modaraba, on direction of the Honorable High Court of Sindh, filed an appeal to the tribunal.

Tribunal disposed of the appeal in favour of the Modaraba. However, the Commissioner has demanded the said tax dues along with default surcharge. Modaraba has filed an appeal with the Commissioner appeals along with applications for stay of demand which remains undisposed, therefore, Modaraba filed a petition dated 15 May 2018 in the Honourable High Court of Sindh for the stay of demand and the Court granted a stay order till the next date of hearing.

During the year the Commissioner Appeal issued an order dated 23 April 2019 against the Modaraba and directed the tax officer to work out the sales tax liability on the 'equipment rental agreements' along with the default surcharge considering it taxable under tariff heading "Commodity or equipment leasing" by also setting aside tax officers' grounds to charge tax under the category of "Contractual execution of work or furnishing supplies".

The Modaraba and the assistant commissioner have filed appeals against the said order in ATIR which is yet to be heard. The Management believes that the outcome of the appeal will be in favour of the Modaraba and hence no provision has been made in these financial statements.

8.1.2 Federal Excise Duty on gross revenue receipts of the Modaraba

On 01 March 2016, assessment orders relating to tax years 2014 and 2015 were received from the Assistant Commissioner of Inland Revenue demanding Federal Excise Duty (FED) aggregating to Rs 838.662 million (calculated @16% of gross receipts of the Modaraba for the above mentioned tax years) and the related default surcharge and applicable penalty. In response, an appeal was filed by the Modaraba with the Commissioner Inland Revenue – Appeals (CIR-A) on 16 March 2016. An under protest payment of Rs 50 million was also made by the Modaraba to the Federal Board of Revenue in respect of the above.

In the opinion of the management pursuant to the 18th amendment in the Constitution of Pakistan, the authority to collect sales tax has been delegated to the provinces. Accordingly, the Modaraba filed Constitutional Petitions with the Honorable Sindh High Court (SHC) in respect of which the SHC granted an interim injunction order to the Modaraba. The petitions were decided by the SHC on 02 June 2016 in which the SHC declared the levy of FED as 'ultra vires' with effect from 01 July 2011 and also quashed any duty recovered by the FBR.

However, in contradiction to the above mentioned judgment by the SHC, the CIR-A through orders dated 03 June 2016 upheld default surcharge and penalty. In response the Modaraba has filed appeals with the Honorable Appellate Tribunal Inland Revenue (ATIR) which is pending hearing.

Subsequently, appeals have been filed in the Honorable Supreme Court of Pakistan by the counter parties aggrieved by the above mentioned order of SHC which is pending hearing.

In light of the judgment of the SHC and based on consultations with its tax advisors, the management believes that the outcome of the appeals with the ATIR and Supreme Court of Pakistan will be in favour of the Modaraba. Accordingly, no provision in respect of FED has been made in these financial statements. Further, the under protest payment of Rs 50 million made to the FBR has been shown as a refundable balance in note 7 to these financial statements.

- 8.1.3 On 05 June 2017, the Sindh Revenue Board issued a notification under which an amendment was made in Rule 42E (5) Sindh Sales Tax on Service Act, 2011. The amount of reimbursement of salaries and allowances of the labour and manpower are included in the value of services. Hence such reimbursements is now exposed to Sindh sales tax at 13% under tariff heading 9829.0000 of the Second Schedule of Sindh Sales Tax on Service Act, 2011. Earlier such reimbursements were not exposed to Sindh sales tax. The Honourable Court of Sindh has granted interim stay on aforesaid change on 21 August 2017. The amount involved in respect of this amendment is estimated to be of Rs. 74.185 million as of 30 June 2019. The management, based on a legal advise, believes that the decision will be in its favour.
- 8.1.4 The Commissioner has demanded, through assessment order no. 11/30 of 2019 dated 26 April 2019 and order no. 01 of 2018 dated 27 June 2018, sales tax amounting to Rs. 21.47 million and Rs. 26.228 million in respect of disposal of ijarah asset during the year ended 2015 and 2014 against sales value of Rs. 126.28 million and Rs. 156.64 million respectively . million.
 Modaraba has filed an appeal with Commissioner (Appeal) and paid ten percent of the demanded amounts.
 - The Management believes that the outcome of the appeal will be in favour of the Modaraba and hence no provision has been made in these financial statements.
- 8.1.5 Deputy Commissioner Inland Revenue (CIR) issued an order D.C. no. 21/03 dated 9 June 2018 in respect of tax audit for the tax year 2012. Order demanded tax amounting to Rs. 8.152 million against the profit on ijarah financing, gain on assets of ijarah assets and management fees which were adjusted against the income tax recoverable for the said tax year. Modaraba has filed an appeal with Commissioner Inland Revenue (Appeal) against the order. The appeal preferred in respect of assets sold in the year 2014 was heard on 1 November 2018 however no order was issued, furthermore the assets sold during the year 2015 is yet to be heard. The Management believes that the outcome of the appeal will be in favour of the Modaraba and hence no provision has been made in these financial statements.
