Chairman's Review Report

It gives me pleasure to present the FY 2019 Annual Report to the stakeholders of Siemens (Pakistan) Engineering Co. Ltd. and to comment on the Board's effectiveness in guiding the Company towards achievement of its aims and objectives.

The Company has a strong governance framework in place, which is instrumental in achieving long-term sustainability and growth. In this regard, the Board continues to play an effective role by steering the Company in a direction that focuses on its core business and competencies in-line with Siemens' global Vision 2020+ initiative.

The Board acknowledges that it requires members who bring a diverse set of skills, knowledge, core competencies and experience for the successful governance of the Company. An election of directors was held on January 15, 2019, wherein the number of independent directors on the Board was increased to two, in line with applicable laws and regulations. Ms. Sadia Khan is the most recent independent member to be welcomed to the Board, and her extensive experience in the field of Corporate Governance has added substantial value to the overall decision-making process of the Board.

I confirm that the current members of the Board have extensive expertise in the areas of business management, strategy, finance, corporate governance, legal and administration. Further, all members of the Board are cognizant of their fiduciary duty to the Company and its shareholders and have ensured that this obligation is always kept top of mind. As Chairman of the Board, I affirm that all directors are encouraged to contribute and deliberate on strategic and governance-related topics, and that inputs from the independent directors, the director representing minority shareholders, and the directors having relevant experience on such topics are consulted and given due consideration before taking any decision.

The Board has clearly defined the terms of reference of its committees, and the members are appointed after considering their requisite skills and experience. Further, the Board and its committees meet regularly during the year and exercise their governance roles after due deliberation on each matter placed before them.

The Board and its committees have in place a formal process for annual self-evaluation, to ensure that the performance of the directors, collectively and individually, remains highly satisfactory and the Board can continue to play an effective role in the Company's governance. In this regard, the most recent annual evaluation was carried out for FY 2019 in which the Board's overall performance and effectiveness was measured and benchmarked against pre-defined criteria. I am pleased to state that the Board's overall performance and effectiveness has been assessed as "strong". However, improvement is an ongoing process and I am confident that the Board will continue to deliver with the same level of dedication and commitment in the future.

I believe that the Company is well-positioned to play its part in the development of Pakistan under direction of the Board, and I am grateful for the efforts of my fellow board members.

On behalf of the Board, I take this opportunity to thank our employees, shareholders, customers, and other stakeholders for their utmost dedication, sustained support, and trust in the Company.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Sebastian Brachert', written in a cursive style.

Dr. Sebastian Andreas Brachert
Chairman of the Board

Dear Shareholders,

We, the undersigned, for and on behalf of the Board of Directors are pleased to present the Siemens (Pakistan) Engineering Co. Ltd. ("Company") annual report and the audited financial statements for the financial year ended September 30, 2019 ("FY 2019"), together with auditors' report thereon.

During the year on comparable basis with FY 2018:

- Sales decreased by 15% mainly due to stiff competition with limited opportunities in the market resulting from unfavorable macroeconomic indicators in the Country and major projects completion in Afghanistan last year.
- Despite lower sales volume and an overall increase in cost of doing business on account of inflation and interest rates hikes, the Company posted healthy operating profit (9% of sales) and profit before tax (7% of sales) which also includes an exchange gain of Rs 708 million.

This performance highlights the strength of our team, which competed convincingly in a difficult economic environment, and achieved solid performance.

Key Performance Indicators	FY 2019	FY 2018
(Rupees in million)

Earnings per share (Rupees)	86.03	140.56

Appropriations

Following is the summary of appropriations made during FY 2019.

	(Rupees in million)
Accumulated profit as at October 1, 2018	873
Net profit after taxation for FY 2019	710
Final dividend of Rs 75 (750%) per share for FY 2018	(619)
Accumulated profit as at September 30, 2019	964

For details of movement in other reserves please refer to Statement of Changes in Equity in the financial statements.

Dividend

Keeping in view the Company's financial performance and future cash flow requirements, the Board is pleased to recommend a final cash dividend of Rs 46 (460%) per ordinary share.

Company Principle Activities and Business Segments

The Company is operating through the business portfolios Gas and Power, Smart Infrastructure and Digital Industries focusing on the areas of power generation and distribution, intelligent infrastructure for buildings and distributed energy systems, and automation and digitalization in the process and manufacturing.

Risks, Uncertainties and Mitigations

The Company is exposed, inter alia, to the following general risks which are mitigated through specific response plans:

A) Operational risks

The operational risks are related to project management (such as timely completion of the projects and change in estimates/plan costs), environment, health and safety, and supply chain management.

The Company addresses these risks in the course of its business by dedicating resources with requisite skills and expertise. The management determines risk response strategies for such risks, which include an “avoid, transfer, reduce, or accept” strategy.

B) Financial risks

Financial risk has been described in detail in note 42 of the attached financial statements that include market, credit, and liquidity risks.

C) Compliance risk

The Company has a zero-tolerance policy for non-compliant activities and behaviors. The Company further understands that non-compliance with laws and regulations may result in imposition of penalties, debarment, black-listing, license cancellation, etc. To mitigate such risks, the Company has implemented a very comprehensive and effective compliance function.

Further, the Business Conduct Guidelines (BCG) clearly define the Company’s expectations from all directors, executives and employees of the Company and from those with whom it conducts business. The Company encourages employees and business partners to report compliance violations that they encounter with confidence that there will be no adverse consequences for doing so. To facilitate the process, various reporting channels, such as the compliance helpdesk “Tell Us”, have been established on the Company’s website.

Environment, Health and Safety (EHS)

“Zero Harm Culture” remains a priority for all Company operations and activities. An exclusive initiative “We Care” was the focus of one of our leading manufacturing units, where we spoke to the hearts and minds of our people by organizing a Safety Day and several awareness campaigns on Siemens Safety Essentials.

Among our successes, we accomplished numerous projects safely with Zero LTI’s, achieved WWF Green Office certification after a thorough independent assessment, and significantly reduced the waste of water and paper through digitalization. Additionally, we encouraged our teams to fulfill our Environment Protection commitments by managing our carbon footprint through reducing the use of electricity in the form of lights and air conditioners in the office.

Commuting incidents remain a challenge due to inherent safety culture, dilapidated infrastructure and road conditions, and a lack of adherence to traffic rules in the major cities. We continue to focus on raising awareness of best practices and encouraging safe driving habits, in order to improve the general health and well-being of our employees.

Corporate Social Responsibility

Good corporate citizenship has been an integral component of the Company philosophy since Werner von Siemens founded the company in 1847. We have three focus areas for our corporate citizenship work: Access to Technology, Access to Education and Sustaining Communities. They emerged from our business strategy, core competencies, global targets for the betterment of society, global megatrends

(demographics, urbanization, climate change, globalization and digitalization), and stakeholder dialog. Our activities in Corporate Citizenship also contribute to advances in the SDGs across the board. Siemens attaches great importance on environmental and climate protection undertaking an ongoing program to encourage its employees to be more responsible in using resources.

In FY 2019, the Company has worked closely with the following organizations for fulfilling its Social responsibility:

- Family Educational Services Foundation (FESF)
- The Citizens Foundation (TCF)
- George Ludwig Rexroth
- Green Office Initiative in collaboration with WWF

For details please refer to the Sustainability and Corporate Citizenship section of the Annual Report.

Adherence to best practices of Corporate Governance

The Company is determined to meet and, wherever possible, exceed all legal and ethical requirements and to conduct all business according to the highest standards and practices. The Board defines a path of continuous improvement by constantly challenging existing processes. It also requires the Company to embrace change so that the Company is well-positioned when new opportunities arise. This also means attracting the best talent in the marketplace and providing them with the skills and opportunities required to achieve.

Post Balance Sheet Event and Significant Developments during FY 2019

There have been no material changes or events from September 30, 2019, to the date of this report, which have an impact on the financial statements, except for the declaration of final dividend, which is subject to the approval of the Members of the Company at the forthcoming Annual General Meeting, the effect of which will be reflected in the FY 2020 financial statements.

As reported for FY 2018, and in line with the global reorganization of Siemens, the Company began operating through the business portfolios of Gas & Power, Smart Infrastructure, and Digital Industries with effect from April 1, 2019.

In addition, no significant / unusual development occurred during the year.

The Company's Future Outlook

While the Company remains well-positioned to leverage available opportunities in the market, the overall growth and economic condition of Pakistan remains a key driver to the success of Siemens. This year presented a significant challenge primarily due to a balance of payments crisis, growing budget deficit, and a substantial and extreme currency devaluation.

We expect that the difficult conditions of 2019 will prevail. External factors, such as foreign exchange fluctuation and market volatility, as well as the long, cyclical nature of our business, may continue to impact our profitability.

Acknowledgement

We take this opportunity to thank our valued customers who have continued to place trust in our products and services, and have provided sustained support in ensuring the progress of the Company. The Company is very proud of, and thankful to, its employees for their committed and passionate efforts, loyalty and dedication. We also greatly value the support and cooperation of all stakeholders who are helping and contributing towards the growth of our Company.

We would also like to extend our sincerest gratitude to our shareholders for the confidence and trust they have placed in us, and for their unwavering support.

On behalf of the Board

Dr. Sebastian Andreas Brachert
Chairman

Helmut von Struve
Managing Director

In case of any conflict in the Terms of Reference of the Nomination Committee with the terms of the Human Resource and Remuneration Committee, the matter shall be referred to the Board of Directors for decision.

Sustainability at Siemens

1. Sustainable Development

Megatrends like climate change, urbanization, demographic change, globalization and digitalization are stimulating change in our world, all of which needs to be driven toward a more sustainable future. The aim is to improve the prosperity and quality of life of all people, while keeping within the limits of the planet. To globally strive toward sustainable development, 193 UN member states adopted the Agenda 2030 and its 17 Sustainable Development Goals (SDGs), which came into effect in January 2016. The SDGs and their related targets address the most important economic, social, environmental and governance-related challenges of our times and stimulate transformational change. This requires governments, businesses, cities and civil societies to contribute their fair share. As a global industrial conglomerate with businesses along the energy value chain and in the healthcare sector, Siemens is in a unique position to touch on substantial business opportunities from several trillion euros worth of investment per annum needed to drive the UN Agenda 2030 toward the SDGs and related targets. We are having an impact on most of the SDGs in four important ways:

- through our products and solutions,
- by responsibly operating our business,
- through our expertise and thought leadership,
- and through our Corporate Citizenship activities and community engagement

2. Sustainability Management

To us, being a sustainable business means ensuring profitable and long-term growth while balancing profit, people and planet. We believe that the SDGs are a responsibility, but that they also offer new business opportunities to Siemens, notably by opening doors for us to work with national and local governments that want to reshape their own development agenda. We hope to continue our collaboration with them in such areas as energy and decarbonization, transportation, infrastructure, industrial development, urban development, healthcare, innovation, job creation, education and the fight against corruption. Integrating the perspective of Siemens' contribution to the SDGs enriched the assessment of the most important issues and facilitated a well-informed materiality process.

Materiality Assessment

Analyzing our impact on the SDGs added a new perspective on our assessment of the most important issues for Siemens and confirmed our findings from the previous materiality assessments. In the course of this assessment process, 12 principles emerged from regular dialogues with external and internal stakeholders as they set priorities based on their importance for Siemens and its stakeholders. These

principles are clustered under the three headings – profit, people and planet – and reflect our ambition to contribute to societies as well as develop new business opportunities together with our customers:

Profit

- We contribute to the competitiveness of our customers with our products, solutions, and services.
- We partner with our customers to identify and develop sustainability-related business opportunities.
- We operate an efficient and resilient supply chain by using a supplier code of conduct, risk management, and capacity building.
- We take the initiative to work with our stakeholders to manage project and reputational risks and identify relevant business trends.
- We adhere to the highest compliance and anti-corruption standards and promote integrity via the Siemens Integrity Initiative, which fights corruption and fraud through collective action, education and training.

Planet

- We help our customers increase energy efficiency, save resources and reduce carbon emissions.
- We develop our products, solutions and services using a lifecycle perspective and sound eco-design standards.
- We minimize the environmental impact of our operations through environmental management programs, and we aim to become carbon neutral by 2030.

People

- We contribute to the sustainable development of societies with our portfolio, local operations, and thought leadership.
- We foster long-term relationships with local societies through Corporate Citizenship projects with partners.
- We live a zero-harm culture and promote the health of our employees.
- We live a culture of leadership based on common values, an innovation mindset, people orientation and diversity.

These 12 principles are the key statements that describe how we implement sustainability at Siemens at the corporate level, in our businesses and at the regional level.

Corporate Citizenship

Good corporate citizenship has been an integral component of the Company philosophy since Werner von Siemens founded the company in 1847. We have three focus areas for our corporate citizenship work: Access to Technology, Access to Education and Sustaining Communities. They emerged from our business strategy, core competencies, global targets for the betterment of society, global megatrends (demographics, urbanization, climate change, globalization and digitalization), and stakeholder dialog. Our activities in Corporate Citizenship also contribute to advances in the SDGs across the board. Siemens attaches great importance to environmental and climate protection undertaking an ongoing program to encourage its employees to be more responsible in using resources.

Family Educational Services Foundation (FESF)

Siemens has continued its support for Deaf Reach, a program of the Family Educational Services Foundation, that was established in 1995 to provide academic and vocational education to deaf children and youth, particularly in rural areas, with little access to formal education or vocational training.

Less than 5% of over 1 million deaf children in Pakistan have access to education. Over 65% of Pakistan's population lives in rural areas, where there currently exists no access to basic education for the Deaf, let alone technical and vocational programs. It is vital that programs with an integrated approach to developing literacy and technical and vocational skills be available to deaf youth, to prepare them to enter the workforce and/or to initiate microenterprise livelihood projects.

Siemens' partnership with FESF in reaching the Deaf children of Pakistan, is helping provide academic and vocational training to over 1000 deaf children and adolescents, 43% of who are females.

Support for The Citizens Foundation

The Citizens Foundation endeavors to bring about positive social change by providing quality education to children who would otherwise not be able to attend school due to financial constraints. Siemens continues to support the initiative 'Educate a Child – Transform a Life' through TCF's 'Sponsor-a-Classroom' program. Every child deserves an education and a better chance in life, and we are happy to provide the required support to help make it happen.

Georg Ludwig Rexroth School

Siemens provided financial support to a school run by the Georg Ludwig Rexroth Charitable Trust. The school, located in one of the less privileged neighborhoods of Karachi, Orangi Town, aims to provide a competitive standard of education to children who would otherwise have no access to it. The school not only provides regular education but also supports adult literacy and vocational training. Siemens contribution is an effort to alleviate illiteracy, arguably one of the most pressing issues for Pakistan.

Green Office Initiative in collaboration with WWF

Siemens partnered with WWF Pakistan for its Green Office programme to address the environmental challenges and learn ways to be instrumental in improving our environment. Green Office Program is a practical and simple Environmental Management System specifically for office conditions to reduce overall carbon emissions. Green Office is a programme that will help us reduce our environmental footprint and in educating employees to be better and responsible citizens and understand their civic and environmental responsibilities.

The implementation of a Green Office will help Siemens cut down on energy costs, reduce waste and make better procurement choices.

Financial Report 2019

INDEPENDENT AUDITORS' REVIEW REPORT

To the members of Siemens (Pakistan) Engineering Co. Ltd.

Review Report on the Statement of Compliance contained in the repealed Listed Companies (Code of Corporate Governance) Regulations, 2017 and the Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the repealed Listed Companies (Code of Corporate Governance) Regulations, 2017 and the Listed Companies (Code of Corporate Governance) Regulations, 2019 (here-in-after referred to as 'Codes'), prepared by the Board of Directors of Siemens (Pakistan) Engineering Co. Ltd. for the year ended 30 September 2019 in accordance with the requirements of Regulation 36 of the Listed Companies (Code of Corporate Governance) Regulations, 2019.

The responsibility for compliance with the Codes is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Codes and report if it does not and to highlight any non-compliance with the requirements of the Codes. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Codes.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Codes require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions and also ensure compliance with the requirements of Section 208 of the Companies Act, 2017. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out procedures to assess and determine the Company's process for identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Codes as applicable to the Company for the year ended 30 September 2019.

Ltd.** (the Company), which comprise the statement of financial position as at **30 September 2019**, and the statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at 30 September 2019 and of the profit, other comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

Key audit matter	How our audit addressed the key audit matter
1. Accounting for construction and engineering contracts	
<p>The Company earns a significant portion of its revenue from long term construction and engineering contracts which is recognized over the term of contract in accordance with the stage of completion method. Further, the valuation of trade receivables and contract assets as well as the recognition and measurement of provision for warranties, liquidated damages and losses on sales contracts requires management to exercise significant judgement to develop these estimates.</p> <p>The recognition of revenue and related contract assets and liabilities therefore involves significant estimate with respect to stage of completion of contracts and measurement of the amount of revenue considering the costs, price and its allocation to various components of performance obligation.</p> <p>Due to the above mentioned estimates in relation to the revenue recognition and related provisions, we identified this area as a key audit matter.</p> <p>Refer notes 2.4, 3.2, 3.3, 3.10, 3.14, 8, 9, 19, 20 and 25 to the financial statements.</p>	<p>Our audit procedures amongst others included obtaining an understanding of the Company's processes and controls for project management in the bid and execution phase of construction contracts and the process for recognition of provisions.</p> <p>We evaluated management's estimates and assumptions based on a risk based selection of a sample of contracts.</p> <p>We inspected the terms and conditions of the sample contracts including contractually agreed milestones, penalties for delay/breach and liquidated damages, etc. We also evaluated whether revenues were recognized in the appropriate period for the selected projects, we analyzed billable revenues and corresponding cost of sales to be recognized and examined the accounting for the associated positions in the statement of financial position. We also carried out inquiries of project management with respect to the development and amendments of the projects.</p> <p>We considered management process for determining the related provisions, discussed judgment exercised by them and checked approval of the Board in this regard. We also circularized confirmations to counterparties and inspected the confirmation responses received. Further, we inspected the specific contract terms to ensure the completeness and valuation of provisions recorded by the management.</p>

Key audit matter	How our audit addressed the key audit matter
2. Recognition and realization of deferred tax asset	
<p>As disclosed in note 17, the Company has recognized deferred tax asset amounting to Rs. 861.508 million.</p> <p>In order to ascertain that sufficient future taxable profits will be available, the management has prepared future projections of taxable profits by taking into account various assumptions mainly comprising of expected future revenues, business and operational assumptions and timing of reversals.</p> <p>The analysis of the recognition and recoverability of the deferred tax asset was significant to our audit because of the significant value of deferred tax asset and the assessment of future taxable income involves significant management judgement about future business and economic factors. Therefore, we identified this area as a key audit matter.</p>	<p>Our audit procedures among others, included obtaining an understanding of the process and controls on this area relevant to our audit.</p> <p>We evaluated the appropriateness of the components on which the Company has recognized deferred tax asset in light of the requirements of the Income Tax Ordinance, 2001, considering the factors including age and the expiry of the deferred tax asset and tax rates enacted. For this purpose, we involved our internal tax specialist to assist us.</p> <p>We evaluated the Company's assumptions and estimates in relation to the likelihood of generating future taxable income, principally by performing sensitivity analysis and testing the key assumptions used by the management.</p> <p>We have also assessed the adequacy of the Company's disclosures in accordance with applicable financial reporting framework in Pakistan.</p>
3. Estimates and assumptions involved in staff retirement benefits	
<p>The Company operates a funded gratuity scheme for all its regular permanent employees with liabilities amounting to Rs. 528.512 million, which were significant in the context of the overall statement of financial position of the Company.</p> <p>In determining the obligation in respect of staff retirement benefits, the Company engaged an actuarial expert to perform the actuarial valuation of the present value of the defined benefit obligation, which involves use of key assumptions including discount rates, expected rate of increase in future salaries, medical costs and mortality rates. Changes in any of these key assumptions can have a material impact on the calculation of the liability. Accordingly we have identified this area as a key audit matter.</p> <p>Refer notes 2.4, 3.1.1 and 7.2 to the financial statements.</p>	<p>We obtained an understanding of the process for recognition of defined benefit plan and Company's control in this area relevant to our audit.</p> <p>We evaluated the competence and objectivity of the qualified actuary engaged by the Company to value the defined benefit obligation under International Accounting Standard 19 'Employee Benefits'.</p> <p>We engaged our external expert to assess the appropriateness of the methodology and assumptions used to determine the obligation in respect of defined benefit plan.</p> <p>We tested data provided by the Company to actuary for purpose of valuation.</p> <p>We have also assessed the adequacy of the Company's disclosures in accordance with applicable financial reporting framework in Pakistan.</p>

Information Other than the Financial Statements and Auditors' Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- the statement of financial position, the statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Company and deposited in the Central Zakat Fund established under Section 7 of that Ordinance.

The engagement partner on the audit resulting in this independent auditors' report is Shariq Ali Zaidi.

Notes to the Financial Statements

For the year ended September 30, 2019

1. LEGAL STATUS AND OPERATIONS

Siemens (Pakistan) Engineering Co. Ltd. (the Company) was incorporated in Pakistan in the year 1953. The Company is a public limited company and its shares are quoted on Pakistan Stock Exchange Limited. The Company is principally engaged in the execution of projects under contracts and in manufacturing, sale and installation of electronic and electrical capital goods. The Company's registered office is situated at B-72, Estate Avenue, S.I.T.E., Karachi. The geographical location of other offices and plant is given in note 47 to these financial statements.

2. BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS) issued by the International Accounting Standard Board (IASB) as notified under the Companies Act, 2017 (the Act);
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan (ICAP) as are notified under the Act; and
- Provisions of and directives issued under the Act.

Where provisions of and directives issued under the Act differ from IFRS, the provisions of and directives issued under the Act have been followed.

2.2 Basis of measurement

These financial statements have been prepared under the 'historical cost' convention except as mentioned in note 3 to these financial statements.

2.3 Functional and presentation currency

These financial statements are presented in Pakistani Rupees (Rs) which is the functional currency of the Company and figures are rounded off to the nearest thousand of rupees unless otherwise specified.

2.4 Use of estimates, assumptions and judgements

The preparation of financial statements in conformity with accounting standards as applicable in Pakistan requires management to make estimates, assumptions and judgements that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

These estimates are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

In preparing these financial statements, the significant estimates, assumptions and judgements made by the management in applying accounting policies include:

- Contract liabilities (note 3.2)
- Provision for warranty obligations (note 3.3)
- Method of depreciation and amortisation, residual values, useful lives and impairment on property, plant and equipment and intangible assets (note 3.5 and 3.6)
- Allowance for expected credit losses (loss allowances) on doubtful contract assets, trade and other receivables (note 3.7.1)
- Provision for taxation and deferred taxation (note 3.8)
- Provisions against inventories (note 3.9)
- Actuarial assumptions for the gratuity scheme and provision thereagainst (note 7.2); and
- Costs of completion of contracts in progress (note 3.14 and 25.1)

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted in the preparation of these financial statements are set out below:

3.1 Employees' retirement benefits

The Company's retirement benefit plans comprise of a defined benefit plan and a defined contribution plan.

3.1.1 Defined Benefit Plan

The Company operates a funded gratuity scheme for all its regular permanent employees. Provisions are made in the financial statements to cover obligations on the basis of actuarial valuation carried out annually under the Projected Unit Credit method. Remeasurement gains / losses are recognised directly to equity through statement of other comprehensive income (OCI) and are not reclassified to statement of profit or loss in subsequent periods.

3.1.2 Defined Contribution Plan

The Company also operates a provident fund scheme for all its regular permanent employees. Equal monthly contributions are made to the fund, both by the Company and the employees at the rate of 10 percent of the aggregate of basic salary and cost of living allowance, wherever applicable.

3.2 Contract liabilities

A contract liability is the obligation of the Company to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

It also includes refund liabilities arising out of customers' right to claim amounts from the Company on account of contractual delays in delivery of performance obligations and incentive on target achievements for dealers.

3.3 Provisions

A provision is recognised in the statement of financial position when the Company has a present (legal or constructive) obligation as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation.

The Company accounts for its warranty obligations when the underlying products or services are sold or rendered. The provision is estimated based on historical warranty data and a weighting of all possible outcomes against their associated probabilities.

When it is probable that a contract's costs will exceed total contract's revenue, the expected loss is recognised as an expense immediately.

3.4 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying capital asset under construction are capitalised and added to the project cost until such time the assets are substantially ready for their intended use, i.e., when they are capable of commercial production. All other borrowing costs are recognised as an expense in the statement of profit or loss in the period in which they are incurred.

3.5 Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any, except for capital work in progress which are stated at cost less accumulated impairment losses, if any. Cost in relation to self manufactured assets includes direct cost of materials, labour and applicable manufacturing overheads. If the cost of certain components of an item of property, plant and equipment are significant in relation to the total cost of the item, they are accounted for and depreciated separately.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Gains and losses on disposal of assets are taken to the Statement of profit or loss.

Capital work in progress are transferred to respective items of property, plant and equipment on becoming available for intended use.

Repairs and maintenance are charged to statement of profit or loss as and when incurred. Major renewals and improvements which increase the asset's remaining useful economic life or the performance beyond the current estimated levels are capitalized and the assets so replaced, if any, are retired.

Depreciation is charged to statement of profit or loss applying the straight line method whereby the cost of an asset is written off over its estimated useful life. Depreciation on additions is charged from the month in which the asset is available for use and on disposals upto the month of deletion, if not already fully depreciated. The residual value, depreciation method and the useful lives of each class of property, plant and equipment are reviewed, and adjusted if appropriate, at each reporting date.

3.6 Intangible assets

Intangible assets having definite useful lives are stated at cost less accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised using the straight line method over the estimated useful lives. Amortization on additions is charged from the month in which the asset is available for use and on disposals upto the month of deletion, if not already fully depreciated.

3.7 Impairment

3.7.1 Financial assets

The Company recognises an impairment for lifetime expected credit losses (loss allowance) for all financial assets, other than those held at fair value through profit and loss. The Company has established a provision matrix that is based on the Company's historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment. However, in certain cases, the Company has also considered a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company.

3.7.2 Non-Financial assets

The carrying values of non-financial assets other than inventories and deferred tax assets are assessed at each reporting date to determine whether there is any indication of impairment. If any such indications exist, then the recoverable amount is estimated. An impairment loss is recognised, as an expense in the statement of profit or loss, for the amount by which an asset's carrying amount exceeds its recoverable amount.

3.8 Taxation

3.8.1 Current

The charge for current taxation is based on taxable income at the current rates of taxation in accordance with Income Tax Ordinance, 2001.

3.8.2 Deferred

Deferred tax is provided using the balance sheet liability method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The amount of deferred tax provided is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates and the tax laws that have been enacted or substantively enacted by the date of statement of financial position.

Deferred tax liability is recognised for all taxable temporary differences and deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax losses and unused tax credits. A deferred tax asset is recognised only when it is probable that future taxable profits will be available against which the deductible temporary differences can be utilised. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realised. Deferred tax charged is recognised in statement of profit and loss, however deferred tax relating to items recognised in OCI / Equity is recognised directly in OCI / Equity.

3.9 Inventories

Inventories are valued at the lower of cost and net realisable value. Cost of finished goods, both manufactured and purchased, raw material and components is determined on weighted average basis. The cost of work-in-process and finished goods includes direct materials, labour and applicable production overheads.

The Company reviews the carrying amount of inventories on an on-going basis and as appropriate, inventory is written down to its net realisable value or provision is made for obsolescence if there is any change in usage pattern and / or physical form of related inventory.

Net realisable value signifies the estimated selling price in the ordinary course of business less estimated cost of completion and estimated costs necessarily to be incurred to make the sale.

3.10 Contract assets

Contract assets arise on long term construction contracts when the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due. It is measured at cost plus profit recognised to date less progress billing and recognised losses; and any related loss allowance thereagainst. Cost includes all expenditures related directly to specific projects and an allocation of fixed and variable overheads incurred.

The Company generally becomes entitled to invoice customers for execution of construction contract based on achieving a series of performance-related milestones as per the respective contracts.

3.11 Cash and cash equivalents

Cash and cash equivalents are stated at cost and comprise of cash in hand, cheques in hand, deposits held with banks and highly liquid investments with less than three months maturity from the date of acquisition. Running finance facilities availed by the Company, which are repayable on demand and form an integral part of the Company's cash management are considered as part of cash and cash equivalents for the purpose of statement of cash flows.

3.12 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the management. Management monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment.

Segment results, assets and liabilities include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Unallocated items comprise mainly loans and borrowings and related expenses, cash and bank balances and related income, corporate assets and tax assets and liabilities.

Segment capital expenditure is the total cost incurred during the period to acquire property, plant and equipment, and intangible assets other than goodwill.

3.13 Foreign currencies

Foreign currency transactions are translated into Pakistani Rupees at exchange rates prevailing on the date of transaction. All monetary assets and liabilities in foreign currencies are re-translated at the rates of exchange prevailing at the reporting date. Exchange gains and losses are included in the statement of profit or loss. Non monetary items that are measured in terms of a historical cost in a foreign currency are not re-translated.

3.14 Revenue recognition

Revenue from sale of goods is recognised at a point in time when the customer obtains control of the goods or services.

Service revenue is recognised over the contractual period or as and when services are rendered to customers.

The Contract revenue generated from execution of long term construction-type contracts is accounted for under the percentage-of-completion method as the customer obtains control of the goods or services over the time. Contract revenue and contract costs relating to such contracts are recognised as revenue and expenses respectively by reference to stage of completion of contract activity at the reporting date. Stage of completion of a contract is determined by applying 'cost-to-cost method' by reference to the proportion that contract cost incurred to date bears to the total estimated contract cost. Contract revenue on construction contracts valuing less than Rs 10 million and / or duration upto six months is recognised using completed contract method.

When it is probable that contract costs will exceed total contract revenue, the expected loss is recognised as an expense immediately. When the outcome of a construction contract cannot be estimated reliably, revenue is recognised only to the extent of contract costs incurred that it is probable will be recoverable.

Contract modifications which may be a change in the scope or price (or both) are included in contract revenue to the extent that they have been agreed with the customer and create enforceable rights and obligations.

Commission income is recognised on receipt / acknowledged basis. Financial income is recognised as it accrues, using the effective mark-up rates.

3.15 Financial assets and liabilities

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets are classified, at initial recognition and subsequently measured at amortised cost, fair value through OCI or fair value through profit or loss. This classification depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them. With the exception of trade receivables, the Company initially measures all financial assets at cost, which is the fair value of consideration given. Trade receivables are measured at the transaction price determined under IFRS 15.

In order for a financial asset to be classified and measured at amortised cost, the financial asset gives rise on specified dates to cash flows that are 'solely payments of principal and interest' (SPPI) on the principal amount outstanding and the Company holds such financial assets with an objective to collect contractual cash flows. Financial assets at amortised cost are subsequently measured using the effective interest (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

Financial assets at fair value through profit or loss (FVTPL) include financial assets held for trading (including derivatives unless they are designated as effective hedging instruments), financial assets designated upon initial recognition at FVTPL, or financial assets mandatorily required to be measured at fair value. Financial assets with cash flows that are not solely payments of principal and interest are classified and measured at FVTPL, irrespective of the business model. These are carried in the statement of financial position at fair value with net changes in fair value recognised in the statement of profit or loss.

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. These are subsequently measured at fair value or amortised cost as the case may be. Gains or losses are recognised in statement of profit or loss.

The Company derecognises the financial assets and financial liabilities when it ceases to be a party to contractual provisions of such instruments.

Financial assets and liabilities are offset and the net amount is reported in the financial statements only when there is legally enforceable right to set-off the recognised amounts and the Company intends either to settle on a net basis, or to realise the assets and to settle the liabilities simultaneously.

3.16 Derivative financial instruments

The Company uses derivative financial instruments to cover its exposure to foreign exchange arising from operational activities, if possible. Any gain or loss from re-measuring the derivative financial instrument at fair value is recognised in the statement of profit or loss.

Derivatives embedded in host contracts are accounted for as separate derivatives and recorded at fair value if their economic characteristics and risks are not closely related to those of the host contracts and the host contracts are not held for trading or designated at fair value through statement of profit or loss. These embedded derivatives are measured at fair value with changes in fair value recognised in statement of profit or loss.

3.17 Dividends

Dividend is recognised as a liability in the period in which it is approved.

3.18 Share based payment transactions

The fair value of the amount payable in cash to employees in respect of share based schemes is recognised as an expense, with a corresponding increase in liabilities, over the period that the employees become entitled to payment. The liability is remeasured at each reporting date and at settlement date. Any changes in the fair value of the liability are recognised as salaries, wages and employee welfare expense in the statement of profit or loss.

3.19 Ijarah contracts

Leases in which a significant portion of the risks and rewards of ownership is retained by the Muj'ir (lessor) and Ijarah agreements have been entered into, are classified as Ijarah. Lease rentals paid under Ijarah are charged to statement of profit or loss on a straight-line basis over the period of Ijarah.

3.20 Standards, amendments, interpretations and improvements adopted during the year

The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous financial year except as stated below:

New / amended standards, interpretations and improvements

The Company has adopted the new / amended standards, interpretations and improvements to IFRSs which became effective for the current year except for IFRS 15 'Revenue from Contracts with Customers' which was already early adopted by the Company:

IFRS 2	Share-based Payments – Classification and Measurement of Share-based Payments Transactions (Amendments)
IFRS 4	Insurance Contracts: Applying IFRS 9 Financial Instruments with IFRS 4 Insurance Contracts (Amendments)
IFRS 9	Financial Instruments
IAS 40	Investment Property: Transfers of Investment Property (Amendments)
IFRIC 22	Foreign Currency Transactions and Advance Consideration

Improvements to accounting standards issued by IASB in December 2016

IAS 28 Investments in Associates and Joint Ventures

The adoption of the above standards, interpretations and improvement to standards did not have any material effect on these financial statements in the period of initial application except for adoption of IFRS 9 'Financial Instruments' as explained below:

IFRS 9 - Financial Instruments

IFRS 9 'Financial Instruments', has replaced IAS 39 'Financial Instruments: Recognition and Measurement' (IAS 39) for annual periods beginning on or after July 01, 2018, bringing together all three aspects of the accounting for financial instruments: classification and measurement; impairment; and hedge accounting.

IFRS 9 categorizes financial assets at (a) amortised cost; (b) fair value through other comprehensive income (FVOCI); and (c) fair value through profit or loss (FVTPL) and their classification is based on the business model in which a financial asset is managed and on its contractual cash flow characteristics. IFRS 9 has changed the accounting for impairment losses for financial assets by replacing IAS 39's incurred loss approach with a forward-looking expected credit loss approach. It requires to recognise a loss allowance on debt instruments measured subsequently at amortised cost or at FVOCI. There are no significant changes in the existing requirements in IAS 39 for the classification and measurement of financial liabilities.

As allowed under IFRS 9, the comparative periods have not been restated in the enclosed financial statements, as initial application of IFRS 9 did not have any significant impact on the classification, measurement and impairment of the Company's existing financial assets and liabilities as at October 01, 2018, as enumerated below:

a) Classification and measurement

Financial assets (i.e. trade and other receivables, contract assets, loans, deposits and cash at banks') previously classified as 'loans and receivables' under IAS 39 and measured at amortised cost, continue to be classified and measured at amortised cost under IFRS 9. Similarly, derivative financial assets continue to be classified and measured at FVTPL. Therefore, the classification and measurement requirements of IFRS 9 do not have any material impact in the period of initial application. Further details about classification requirements are explained in note 3.15 to these financial statements.

b) Impairment

For financial assets carried at amortised cost, the Company has applied simplified approach to calculate loss allowance as explained in note 3.7.1 to these financial statements. All bank balances are assessed to have a low credit risk, as they are held with reputable banking institutions.

3.21 Standards, improvements and amendments to approved accounting standards that are not yet effective

The following revised standards and amendments with respect to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standards:

Standard		Effective date (annual periods beginning on or after)
IFRS 3	Definition of a Business (Amendments)	January 01, 2020
IFRS 3	Business Combinations: Previously held interests in a joint operation	January 01, 2019
IFRS 9	Prepayment Features with Negative Compensation (Amendments)	January 01, 2019
IFRS 10	Consolidated Financial Statements and IAS 28 Investment in Associates and Joint Ventures - Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendment)	Not yet finalised
IFRS 11	Joint Arrangements Previously held interests in a joint operation	January 01, 2019
IFRS 16	Leases	January 01, 2019
IAS 1/ IAS 8	Definition of Material (Amendments)	January 01, 2020
IAS 12	Income Taxes: Income tax consequences of payments on financial instruments classified as equity	January 01, 2019
IAS 19	Plan Amendment, Curtailment or Settlement (Amendments)	January 01, 2019
IAS 23	Borrowing Costs - Borrowing costs eligible for capitalisation	January 01, 2019
IAS 28	Long-term Interests in Associates and Joint Ventures (Amendments)	January 01, 2019
IFRIC 23	Uncertainty over Income Tax Treatments	January 01, 2019

The above standards and amendments are not expected to have any material impact on the Company's financial statements in the period of initial application except for IFRS 16 - Leases. This standard supersedes:

- IAS 17 Leases;
- IFRIC 4 Determining whether an Arrangement contains a Lease;
- SIC-15 Operating Leases Incentives; and
- SIC-27 Evaluating the Substance of Transactions Involving the Legal Form of a Lease.

IFRS 16 sets out the principles for the recognition, measurement, presentation and disclosure of leases. Under the new standard, distinction between operating and finance leases has been removed for lessee and all lease contracts, with limited exceptions, will be recognized in statement of financial position by way of right-of-use assets along with their corresponding lease liabilities. Further, it will also have an impact on classification of expenses, cash flows and the timing of expenses recognized in the statement of profit or loss.

The Company will adopt IFRS 16 with effect from October 1, 2019 using the modified retrospective method. Under this method, the standard is applied retrospectively with the cumulative effect of initially applying the standard recognized at the date of initial application with no restatement of comparative information.

The Company has lease contracts for properties on rental arrangement. Before the adoption of IFRS 16, the Company classified each of these leases at the inception date as an operating lease. Upon adoption of IFRS 16, the Company will apply single recognition and measurement approach for all leases, except for short-term leases, low-value assets and those under ijarah arrangements. The Company expects to recognise right-of-use assets and lease liabilities of Rs 123.359 million. Lease liabilities were recognised based on the present value of the remaining lease payments, discounted using the incremental borrowing rate at the date of initial application.

In addition to the above amendments, improvements to various accounting standards have also been issued by the IASB. Such improvements are generally effective for accounting periods beginning on or after January 1, 2020. The Company expects that such improvements to the standards will not have any material impact on the Company's financial statements in the period of initial application.

Further, the following new standards have been issued by IASB which are yet to be notified by the Securities and Exchange Commission of Pakistan (SECP) for the purpose of applicability in Pakistan.

Standard		IASB Effective date (annual periods beginning on or after)
IFRS 14	Regulatory Deferral Accounts	January 1, 2016
IFRS 17	Insurance Contracts	January 1, 2021

- 25.1 The transaction price are generally fixed as per the contract with customers. Any variable consideration is estimated by using the most likely amount which is the single most likely amount in a range of possible consideration amounts.

In some cases, the transaction price needs to be allocated on the basis of relative stand-alone selling prices among the distinct performance obligations. The best evidence of a stand-alone selling price is the observable price of goods or services when the Company sells those goods or services separately in similar circumstances and to similar customers.

The revenue generated from execution of contracts is accounted for under the percentage-of-completion method wherein the plan costs are estimated. These estimates are based on the prices of materials and services applicable at that time, forecasted increases and expected completion date at the time of such estimation. Such estimates are reviewed at regular intervals. Any subsequent changes in the prices of materials and services compared to forecasted prices and changes in the time of completion affect the results of the subsequent periods.

The payment terms are governed by the contractual rights and obligations as defined in the contracts with customers. Generally, in case of sales of goods and rendering of services, the Company has the present right to payment when the same has been delivered, rendered or accepted. Whereas, in case of execution of contracts, the right to payment is established on achieving performance-related milestones.

25.2 Revenue recognised during the year that was included in the contract liability balance at the beginning of year is Rs 864.461 million (2018: Rs 818.851 million).

25.3 The following shows the most appropriate maturity time bands of transaction price allocated to performance obligations that are unsatisfied (or partially unsatisfied) as at the end of the reporting year:

39. SHARE BASED BENEFITS

Certain employees are entitled to participate in the share based payment plans of Siemens AG. Siemens AG grants stock awards as a form of share-based payment to the employees. These awards are subject to a restriction period of three to four years. Stock awards forfeit if the employment with the Company terminates prior to the expiration of the restriction period and can not be transferred, sold, pledged or otherwise encumbered.

The allocation of stock awards as a share-based payment has been increasingly tied to corporate performance criteria. The target achievement for the performance criteria ranges between 0% and 200%.

Further, the Share Matching Plan gives employees an opportunity to invest in Siemens AG's shares. After a holding period of three years, the Company will match every three shares bought with one free share.

These stocks are remeasured to their fair value at each reporting date. Details of stock awards are as follows:

42. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's financial liabilities mainly comprise trade and other payables and short-term borrowings. The main purpose of financial liabilities is to raise finance for the Company's operations. The Company's financial assets comprise loans to employees, deposits, trade and other receivables and cash and bank balances. The Company is exposed to market risk, credit risk and liquidity risk.

The Board of Directors has the overall responsibility for the establishment and oversight of the Company's risk management framework. The Board is responsible for developing and monitoring the Company's risk management policies.

42.1 Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices such as foreign exchange rates, interest rates and equity price risks. The objective of market risk management is to manage and control market risk exposures within an acceptable range.

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates.

The Company manages its foreign currency risk by hedging its exposure to fluctuations on the translations into Rupees through derivatives such as forward covers against its foreign currency denominated payables and receivables, where possible in line with the regulations of State Bank of Pakistan. However, as of reporting date there were no such contracts.

The Company's exposure to foreign currency risk in major currencies at their gross values is as follows:

	2019 (AED in '000)	2018
Trade and other receivables	13,585	46,331
Cash and bank balances	1,476	-
Trade and other payables	(10,418)	(7,792)
Short-term running finances	(4,658)	(11,702)
	<u>(15)</u>	<u>26,837</u>

	2019 (EUR in '000)	2018
Trade and other receivables	8,132	5,891
Trade and other payables	(8,746)	(9,124)
	<u>(614)</u>	<u>(3,233)</u>

	2019 (USD in '000)	2018
Trade and other receivables	23,117	26,135
Cash and bank balances	2,726	10,034
Trade and other payables	(3,073)	(11,607)
	<u>22,770</u>	<u>24,562</u>

Sensitivity of Company's profit before tax to a reasonably possible change in exchange rate of currencies applied to foreign currency assets and liabilities as at September 30, 2019 keeping all other variables constant is as follows:

	2019	2018
Change in exchange rate	± 1%	1%
Effect on profit before tax (Rs '000)	± 36,611	34,223

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rate relates primarily to the Company's running finances.

The Company's policy is to keep its short-term running finances at the lowest level by effectively utilising the positive cash and bank balances. Further, the Company also minimises the interest rate risk by investing in fixed rate investments like Term Deposit Receipts and / or bank deposits, where possible.

At the reporting date, the interest rate profile of the Company's interest bearing financial instruments was as follows:

	2019 Effective rates (%)	2018	2019 (Rupees in '000)	2018
Financial Assets				
Bank balances (PKR)	8.75	5.82	15,745	147,809
Financial Liabilities				
Short-term running finances (PKR)	11.37	7.70	594,851	1,480,322
Short-term running finances (AED)	3.52	2.51	198,791	395,998

A change of 100 basis points (1%) in interest rates at the reporting date would have changed the Company's profit before tax for the year by the amount shown below, with all other variables held constant.

	2019	2018
Effect on profit before tax (Rs '000)	± 22,855	4,818

Equity price risk

Equity price risk is the risk of loss arising from movements in prices of equity investments. The Company is not exposed to any equity price risk, as the Company does not have any investment in equity shares.

42.2 Credit risk

Credit risk represents the accounting loss that would be recognised at the reporting date if counter parties fail completely to perform as contracted. It mainly comprise of trade and other receivables, contract assets, advances to suppliers, trade deposits and bank balances. The Company's maximum exposure to credit risk at the reporting date is as follows:

	2019 (Rupees in '000)	2018

Trade receivables

To mitigate the credit risk against trade receivables, the Company has a system of assigning credit limits to its customers based on an extensive credit rating scorecards. Outstanding customer receivables are regularly monitored. The Company endeavors to cover the credit risks on trade receivables, where possible, by restricting credit facility to the projects which are financed by multilateral financial institutions and / or financed by special allocation of funds by the provincial / federal governments. Business with customers is also secured by way of letters of credits where possible. As at September 30, 2019, trade receivables amounting to Rs 1,522.458 million (2018: Rs 1,289.746 million) were secured through letters of credit and bank guarantees.

Karachi: December 27, 2019

Notes:

Share Transfer Book Closure:

The Share Transfer Books of the Company shall remain closed from January 10, 2020, to January 20, 2020 (both days inclusive). Transfers received by Company's Share Registrar by the close of business on January 9, 2020, will be considered in time for the purpose of Annual General Meeting. Final cash dividend, if any approved in the Meeting, will be paid to Members whose name appears in the register of the Members on January 9, 2020.

Procedure and requirement for attending the Meeting

Presentation of original Computerized National Identity Card ("CNIC") by Member or his/her proxy to participate in the Meeting is mandatory.

Central Depository Company ("CDC") account holders are also required to follow the guidelines as laid down in Circular No.1 dated January 26, 2000, issued by the Securities and Exchange Commission of Pakistan ("SECP") and shall comply with following requirements to the extent applicable:

- i) In case of individuals, the account holder or sub-account holder and/or the person, whose securities are in group account and their registration details are uploaded as per the regulations, shall authenticate his/her identity by showing his/her original Computerized National Identity Card ("CNIC") or original passport at the time of attending the Meeting.
- ii) The Members registered on CDC are also requested to bring their particulars, I.D. numbers and account numbers in CDS.
- iii) In case of a corporate entity, the Board of Directors' resolution/Power of Attorney with specimen signature of the nominee shall be produced (unless it has been provided earlier) at the time of Meeting.

Procedure and requirement for Appointing Proxies

A Member entitled to attend and vote may appoint another Member as his/her proxy to attend and vote on his/her behalf. A Member shall not be entitled to appoint more than one proxy. Duly completed Proxy forms in order to be valid must be received by the Share Registrar or at the Registered Office of the Company not less than 48 hours before the time of Meeting.

CDC account holders are also required to follow the guidelines as laid down in Circular No.1 dated January 26, 2000, issued by the SECP and shall comply with following requirements to the extent applicable:

- i) In case of individuals, the account holder or sub-account holder and/or the person whose securities are in group account and their registration details are uploaded as per the regulations, shall submit the proxy form as per requirement notified by the Company.
- ii) The proxy form shall be witnessed by two persons whose names, addresses and CNIC numbers shall be mentioned on the form.
- iii) Attested copies of CNIC or the passport of the beneficial owners and the proxy shall be furnished with the proxy form.
- iv) The proxy shall produce his/her original CNIC or original passport at the time of meeting.
- v) Corporate entities shall submit the Board of Directors' resolution/Power of Attorney with specimen signature along with proxy form.

Change of Address and Zakat Status

Members with physical shareholding are requested to promptly notify the Company's Registrar of any change in their addresses and also submit Non-deduction of Zakat form if applicable to them. Further, Members holding their shares through CDC are requested to update their address and zakat status with their participants.

Submission of CNIC, Dividend Bank Mandate and Payment of Cash Dividend (e-dividend)

In accordance with the requirements of the Companies Act, 2017, and Companies (Distribution of Dividends) Regulations, 2017, Members are requested to provide their CNIC and Bank Account details including name of the bank, address of bank branch and International Bank Account Number (IBAN) to receive their cash dividend directly into their bank account.

Therefore, all Members who have not yet provided their CNIC and Bank Account details are once again reminded to immediately submit a copy of their CNIC and duly filled Dividend Bank Mandate form to the Share Registrar or to the Company. In the absence of valid bank account details and CNIC, dividend amount will be withheld in compliance with the afore-referred provisions of the Act and the Regulations.

The dividend mandate form has been attached in the Annual Report and also uploaded on the Company's website - www.siemens.com.pk/investor.html.

The Members who hold shares in dematerialized form are requested to submit the dividend bank mandate form duly filled to their participant/investor account services in the CDC.

The corporate Members having CDC accounts are required to have their National Tax Number (NTN) updated with their respective participants, whereas corporate Members having physical shares should send a copy of their NTN certificate to the Share Registrar. The Members while sending NTN or NTN certificates, as the case may be, must quote the Company name and their respective folio numbers.

Withholding Tax on Dividend

The rates for deduction of withholding tax on the amount of dividend paid by the companies are @ 15% for filers of income tax returns and @ 30% for non-filers of income tax returns. All Members are advised to ensure their names are on Active Tax-payers list (ATL) provided on the website of Federal Board of Revenue (FBR) otherwise tax on dividend will be deducted @ 30% instead of 15%.

In order to comply with directive of FBR for determining the shareholding ratio of the joint account holders for deduction of withholding tax on dividend, Members are requested to provide shareholding proportions of principal shareholder and joint holder(s) in respect of shares held by them to the Share Registrar in the following format:

Folio / CDC Account No.	Total Shares	Principal Shareholder			Joint Shareholder(s)		
		Name	CNIC	Shareholding Proportion (No. of Shares)	Name	CNIC	Shareholding Proportion (No. of Shares)

Annual Accounts of the Company

30 جون 2016	30 جون 2017	30 جون 2018	
	روپے ملین میں		
458.979	427.438	441.027	پروویڈنٹ فنڈ
30 ستمبر 2016	30 ستمبر 2017	30 ستمبر 2018	
168.925	146.109	176.958	گریجویٹ فنڈ

مالی سال 2019 کے دوران بعد از سیلنس شیٹ ایونٹ اور اہم پیش رفت

30 ستمبر 2019 سے اس رپورٹ کی تاریخ تک کوئی میٹرل تھریلی یا ایونٹس نہیں ہوئے، جس نے فنڈز فیصلہ سٹیٹمنٹس پر اثر ڈالا، ماسوائے فیکسل ڈیویڈنڈ کی ڈیٹیکریٹیشن کے، جو کہ آنے والے سالانہ اجلاس عام پر کمپنی کے ممبران کی منظوری سے مشروط ہے، جس کا مالی سال 2020 کے فنڈز فیصلہ سٹیٹمنٹس میں نظر آئے گا۔

مالی سال 2018 کی رپورٹ کے مطابق، سیمنس کی گلوبل ری آرگنائزیشن کے ساتھ، کمپنی نے یکم اپریل 2019 سے اثر انداز ذریعہ گیس اور پاور، اسمارٹ انفراسٹرکچر، اور ڈیجیٹل انڈسٹریز کی کاروباری پورٹ فولیو آپریٹ کرنا شروع کر دیا ہے۔

مزید برآں، کوئی اہم / غیر معمولی ڈیویڈنڈ سال کے دوران نہیں ہوئی۔

تعمیل کا بیانیہ

کمپنی کارپوریٹ گورننس کے اصولوں پر سختی سے عمل کرتی ہے اور تمام مجوزہ قوانین پر عمل درآمد کرتی ہے۔ منسلک کپلائنس کے اسٹیٹمنٹ میں اس کا خلاصہ دیا گیا ہے، جس کا بیرونی آڈیٹرز نے باقاعدہ جائزہ لیا ہے۔

ڈائریکٹروں کے معاوضوں کی پالیسی

بورڈ نے ڈائریکٹروں کے معاوضوں کی پالیسی کی منظوری دے دی ہے، جس میں پالیسی کے مقاصد اور بورڈ اور اس کی کمیٹیوں کی اجلاس میں شرکت کے لئے انفرادی ڈائریکٹرز کے معاوضوں کے معیجز کے تعین کے لئے شفاف طریقہ کار کو تفصیل سے بیان کیا گیا ہے۔ ڈائریکٹرز کے معاوضوں کی پالیسی کے اہم نکات درج ذیل ہیں:

- معاوضہ کی سطح کاروباری ضروریات، اسٹریٹجک الاائنمنٹ اور کمپنی اور اس کے شیئرز ہولڈرز کے بہترین مفاد میں ہوگی۔
- معاوضہ کی سطح متبادل کی کمیٹی / انڈسٹری کے مارکیٹ کے طرز عمل کے مطابق ہوگی۔
- معاوضہ کے تعین کے وقت، جنس کے لحاظ سے کوئی امتیازی سلوک نہیں ہوگا۔
- معاوضہ قابل اور ماہر افراد کیلئے پرکشش ہو جو کمپنی کے ساتھ رہیں اور اس کو کامیابی کے ساتھ چلائیں۔
- معاوضہ میں ڈائریکٹرز کو اپنی ذمہ داریاں ادا کرنے کیلئے درکار وقت اور مہارت کے لحاظ سے منصفانہ ہونا چاہیے۔
- معاوضہ اضافی فائدے کے حصول کیلئے کافی ہونا چاہیے۔
- معاوضہ اتنا کم نہ ہو کہ جو ڈائریکٹرز کو خود مختاری پر کوئی سمجھوتہ کرنا پڑے۔
- منیجنگ ڈائریکٹر / چیف ایگزیکٹو آفیسر، ایگزیکٹو ڈائریکٹر اور ڈائریکٹرز جو شیئرز ہولڈرز کی اکثریت کی نمائندگی کر رہے ہیں وہ کمپنی کے آرٹیکلز آف ایسوسی ایشن کے مطابق کسی معاوضہ کے اہل نہیں ہوں گے۔
- ڈائریکٹروں کے ہر انتخاب سے پہلے (ہر تین سال میں ایک بار) بورڈ کے پوری مدت کے لئے معاوضہ مقرر کیا جائے گا۔
- معاوضہ کی سطح کا معیار مقرر کرنے کیلئے خود مختار کنسلٹنٹ کی سفارشات حاصل کی جائیں۔

ڈائریکٹروں کا معاوضہ

ایگزیکٹو اور غیر ایگزیکٹو ڈائریکٹروں کے علیحدہ معاوضوں کی مجموعی رقم کی تفصیلات مالیاتی بیانات کے نوٹ 38 میں بیان کی گئی ہیں۔

بورڈ کی کارکردگی کی جانچ

بورڈ نے ایک رسمی پالیسی منظوری ہے اور بورڈ اور اس کی کمیٹیوں کی سالانہ کارکردگی کی جانچ کے لئے ایک طریقہ کار مقرر کیا گیا ہے۔ اس جانچ کا مقصد بورڈ کی کارکردگی کو مجموعی کارپوریٹ مقاصد، کمپنی کے گورننس ڈھانچے، قانونی اور ریگولیٹری کپلائنس، اثر اندازی، شراکت اور ویلیو ایڈیشن کی مد میں ماپا جاتا ہے۔ مالی سال 2019 کے لئے بورڈ کی جانب سے منظور شدہ طریقہ کار کے مطابق کارکردگی کی جانچ کی گئی اور بورڈ کی مجموعی کارکردگی اور اثر اندازی کو مضبوط پایا گیا۔ بورڈ کے تمام ممبران کارکردگی میں جانچ میں شرکت کی اور اپنا فیڈ بیک فراہم کیا۔

ڈائریکٹر کی ٹریننگ کا پروگرام

ڈائریکٹر کی ٹریننگ کے پروگرام کی تفصیلات کے لئے، برائے مہربانی کپلائنس کے اسٹیٹمنٹ مع کوڈز کا شمار نمبر 9 ملاحظہ کریں، جس کا باقاعدہ جائزہ بیرونی آڈیٹرز نے کیا ہے۔

بورڈ آف ڈائریکٹرز کا انتخاب

بورڈ آف ڈائریکٹرز کی گزشتہ تین سال کی مدت کی پیمائش کے بعد، ڈائریکٹرز کا انتخاب 15 جنوری، 2019 کو 66 ویں سالانہ اجلاس عام میں منعقد ہوا جس میں ڈاکٹر سیٹیشن اینڈریش براکارٹ، جناب ہیلٹ ووڈ اسٹروو، جناب منوئل کیو ہن، جناب منظور احمد، جناب قاضی ساجد علی، مس سعدیہ خان اور جناب تم ڈیویڈ ولسکی شامل تھے جو کہ رہنماز ہونے والے ڈائریکٹرز ڈاکٹر سیٹیشن اینڈریش براکارٹ، مس بیٹرلیس بوک، جناب ہیلٹ ووڈ اسٹروو، جناب منوئل کیو ہن، جناب مارکو شفر، جناب منظور احمد اور جناب قاضی ساجد علی کی جگہ منتخب ہوئے۔

ڈائریکٹرز کی کل تعداد درج ذیل کے مطابق سات (7) ہے:

مرد:	چھ (6)
خاتون:	ایک (1)

کارپوریٹ گورننس کے بہترین طرز عمل کی پیروی

کمپنی تمام قانونی اور اخلاقی شرائط کو پورا کرنے اور جہاں ممکن ہو اس سے بڑھ کر عمل کرنے اور تمام کاروباری معاملات میں اعلیٰ ترین معیار اور طرز عمل کے مطابق انجام دینے کے عہد پر کاربند ہے۔ بورڈ موجودہ طریقہ کار کو چیلنج کرتے ہوئے مسلسل بہتری کے راستے کی طرف رہنمائی کرتا رہتا ہے۔ اس کیلئے کمپنی کو تہذیبی سے بھی ہم آہنگ ہونا پڑتا ہے تاکہ جب بھی نئے مواقع پیدا ہوں تو وہ ان کا فائدہ اٹھا سکے۔ اس کیلئے مارکیٹ میں بہترین صلاحیتوں کا انتخاب کرنا اور ان کو مہارت اور مواقع فراہم کر کے ہدف حاصل کرنا ہے۔

ڈائریکٹر ز کا بیانیہ

ہم بسرت بیان کرتے ہیں کہ:

- (الف) کمپنی کی انتظامیہ کی جانب سے تیار کردہ مالیاتی اسٹیٹمنٹس میں تمام امور بشمول اس کے آپریشنز کے نتائج، کیش فلو ز اور ایکویٹی میں تہذیبی، شفاف طریقے سے پیش کئے گئے ہیں۔
- (ب) کمپنی کی جانب سے اکاؤنٹس کی درست دیکھ بھال کی گئی۔
- (ج) فنانس اسٹیٹمنٹس کی تیاری میں مناسب اکاؤنٹنگ پالیسیز پر عمل درآمد کیا گیا ہے۔
- (د) اکاؤنٹنگ کا تخمینہ مناسب اور دانشمندانہ طرز پر مبنی ہے۔
- (ه) اسٹیٹمنٹس کی تیاری میں انٹرنیشنل اکاؤنٹنگ اسٹینڈرڈز (IAS) اور پاکستان میں لاگو انٹرنیشنل فنانس رپورٹنگ اسٹینڈرڈز (IFRS) کی پیروی کی گئی ہے۔
- (و) اندرونی کنٹرول کے سسٹم، بشمول فنانس رپورٹنگ پر اندرونی کنٹرول مضبوط ڈیزائن اور ان پر موثر طور پر عمل اور مانیٹر کیا جاتا ہے۔
- (ز) کمپنی کو موجودہ صورتحال کے مطابق اپنا کام جاری رکھنے میں کوئی نمایاں خفک و شبہ نہیں ہے۔
- (س) کوڈز کی تفصیلات کے مطابق، کارپوریٹ گورننس کی بہترین مشقوں سے کوئی انحراف نہیں کیا گیا ہے۔

خداشات، غیر یقینی کیفیت اور ان پر کنٹرول

کمپنی کیلئے درج ذیل مختلف خداشات کے امکانات موجود ہیں جن کے خلاف خصوصی کارروائی کے ذریعہ قابو پایا جاتا ہے۔

(الف) آپریشنل خداشات

آپریشنل خداشات منصوبوں کے انتظامات سے متعلق ہیں۔ (مثلاً منصوبہ جات کی مقررہ وقت پر تکمیل، اخراجات / منصوبہ کی لاگت میں تبدیلی، ماحول، صحت، تحفظ اور سپلائی چین منجھٹ وغیرہ۔

کمپنی اپنے کاروباری عمل کے دوران میں خصوصی وسائل اور مطلوبہ صلاحیت اور مہارت کے ساتھ قابو پانے کیلئے کارروائی کرتی ہے۔ انتظامیہ نے ایسے خداشات پر کنٹرول کرنے کی حکمت عملی تیار کی ہے جسے ”گریز کرنا، منتقل کرنا، کم یا قبول کرنا“۔

(ب) مالیاتی خداشات

مالیاتی خداشات کی تفصیل منسلک مالیاتی اسٹیٹمنٹس میں نوٹ 42 میں درج ہے جو مارکیٹ، کریڈٹ اور لیکویڈٹی کے خداشات پر مشتمل ہے۔

(ج) (ضوابط کی) بیرونی خداشات

کمپنی نے سرگرمیوں اور روپوں میں (ضوابط کی) بیرونی نہ کرنے پر صفر عدم برداشت کی پالیسی اپنائی ہے کیونکہ کمپنی بخوبی آگاہ ہے کہ قوانین و ضوابط کی بیرونی نہ کرنے کے نتیجے میں جرمانہ، پابندی، بلیک لسٹ ہونے، لائسنس کی منسوخی وغیرہ کا سامنا ہو سکتا ہے۔ لہذا ان خداشات کے خاتمے کیلئے کمپنی نے ایک جامع اور موثر پروگرام کا نفاذ کیا ہے۔ اس کے علاوہ بزنس کنڈکٹ گائیڈ لائنز (BCG) میں کمپنی کی اپنے تمام ڈائریکٹرز، ایگزیکٹوز اور ملازمین اور اپنے کاروباری ساتھیوں سے ان پر عمل کی توقعات کو واضح طور پر بیان کیا گیا ہے۔

کمپنی اپنے ملازمین اور کاروباری ساتھیوں کو کسی بھی خلاف ضابطہ عمل کے بارے میں اطلاع دینے کی حوصلہ افزائی کرتی ہے اور ان کو یقین دلاتی ہے کہ ایسا کرنے سے ان کو کسی قسم کا نقصان نہیں ہو گا۔ اس طریقہ کار کو مزید آسان بنانے کیلئے مختلف رپورٹنگ چینل قائم کئے گئے ہیں جیسے عمل درآمد ہیپ ڈیسک ”Tell Us“، جو کمپنی کی ویب سائٹ پر موجود ہیں۔

ماحول، صحت اور تحفظ (EHS)

ہماری کمپنی کے تمام آپریشنز اور سرگرمیوں میں ”Zero Harm Culture“ کو اولین ترجیح دی جاتی ہے۔ اس کے علاوہ ایک اضافی اقدام ”We Care“ بھی ہے جو ہمارے بڑے مینوفیکچرنگ یونٹس کے اہم ترین امور میں شامل ہے جس کے مطابق ہم سیمنس سیفٹی ایسینشیلز (Siemens Safety Essentials) کے تحت سیفٹی ڈسے اور مختلف آگاہی مہمات کا اہتمام کرتے ہیں۔

اس سلسلے میں ہماری کامیابیوں میں متعدد پروجیکٹس کی زیر نگرانی LTI کے ساتھ بحفاظت تکمیل، تفصیلی آزادانہ جانچ کے بعد WWF Green Office سرٹیفیکیشن اور بیجیٹلائزیشن کے ذریعہ پانی اور کھانے کی شے میں نمایاں کمی لانا شامل ہے۔ اس کے علاوہ ہم اپنے ماحول کے تحفظ کے عہد کی پابندی کرنے کیلئے اپنی نیٹوں کی حوصلہ افزائی کرتے ہیں اور دفتر میں لائسنس اور ایئر کنڈیشنرز کے استعمال میں بجلی کی بچت کرتے ہیں۔

ذرائع آمد و رفت میں حادثات کا بڑا خلیج موجود ہے جس کی وجہ پر اتنا خطراتی کلچر، خستہ حال انفراسٹرکچر اور سڑکوں کی حالت زار اور بڑے شہروں میں ٹریفک قوانین کی پابندی نہ کرنا شامل ہیں۔ ہم اپنے ملازمین کی عمومی صحت اور تحفظ کیلئے بہترین طرز عمل کے بارے میں آگاہی فراہم کرنے کے ساتھ ساتھ مستقل طور پر محفوظ ذرائع کی عادت اپنانے کی حوصلہ افزائی کرتے ہیں۔

کارپوریٹ سماجی ذمہ داری

1847 میں Werner von Siemens کے کمپنی قائم کرتے وقت اچھی اجتماعی شہریت کے احساس کو کمپنی کی فلاسفی کا لازمی حصہ بنایا گیا۔ اجتماعی شہریت کے سلسلے میں تین شعبہ جات پر ہماری توجہ مرکوز ہے: ٹیکنالوجی تک رسائی، تعلیم تک رسائی اور کمیونٹیز کا تحفظ۔ یہ احساس ہماری کاروباری حکمت عملی، بنیادی اہلیت، معاشرے کیلئے مقررہ عالمی اہداف، عالمی سطح کے رجحانات (ڈیو گرافکس، شہر کی طرف آبادی کے بہاؤ، آب و ہوا کی تبدیلی، گلوبلائزیشن اور ڈیجیٹلائزیشن) اور اسٹیک ہولڈرز انیالگ سے واضح ہوتا ہے۔

ہماری تمام SDGs کے ایڈوانسز میں اجتماعی شہریت کا احساس ہماری سرگرمیوں کا حصہ رہا ہے۔ ماحول اور فضا کے تحفظ کیلئے سیمنس ہمیشہ اہم کردار ادا کرتا رہا ہے جسے ملازمین کو وسائل کے استعمال میں زیادہ ذمہ داری کا مظاہرہ کرنے کی ذمہ داری کی حوصلہ افزائی کرنا وغیرہ۔

مالی سال 2019 میں کمپنی نے اپنی سماجی ذمہ داریوں کی ادائیگی کیلئے درج ذیل اداروں کے ساتھ قریبی تعاون پیش کیا:

- فیملی ایجوکیشنل سروس فائونڈیشن (FESF)
 - دی سٹیزن فائونڈیشن (TCF)
 - George Ludwig Rexroth
 - WWF کے اشتراک سے گرین آفس کے اقدامات
- مزید تفصیلات کیلئے سالانہ رپورٹ میں Sustainability and Corporate Citizenship سیکشن ملاحظہ فرمائیں۔

عزیز شیئر ہولڈرز،

ہم، زیر دستخط، بورڈ آف ڈائریکٹرز کی جانب سے ہمسرت سیمنس (پاکستان) انجینئرنگ کمپنی لمیٹڈ ("کمپنی" کی سالانہ رپورٹ اور آڈٹ شدہ مالیاتی اسٹیٹمنٹس برائے مالی سال ختم شدہ 30 ستمبر 2019 ("FY2019") مع ان پر آڈیٹرز کی رپورٹ پیش کرتے ہیں۔

سال کے دوران میں 2018 کے مقابلے میں صورتحال درج ذیل رہی:

- سیلز میں 15% کمی ہوئی جس کی بڑی وجہ ملک میں میکرو اکنامکس کے ناموافق اشارات کے نتیجے میں مارکیٹ میں مقابلہ سخت اور مواقع محدود رہے۔ نیز افغانستان میں بڑے پروجیکٹ مکمل ہو گئے۔
- سیلز کی مقدار میں کمی اور افراط زر اور شرح سود میں اضافہ کے باعث کاروباری لاگت میں اضافے کے باوجود کمپنی نے اچھا آپریٹنگ منافع (سیلز کا 9%) اور قبل از ٹیکس منافع (سیلز کا 7%) حاصل کیا جس میں 708 ملین روپے کا زرمبادلہ بھی شامل ہے۔
- اس کارکردگی سے ہماری ٹیم کی بھرپور کاوشوں کا اندازہ ہوتا ہے جس نے مشکل معاشی ماحول میں مسلسل جدوجہد کی اور ایک مضبوط کارکردگی کا مظاہرہ کیا۔

بنیادی کارکردگی کے اشارے	FY 2019	FY 2018
(Rupees in million)		
خالص سیلز اور سروسز	16,673	19,522
آپریٹنگ منافع	1,431	2,276
قبل از ٹیکس منافع	1,199	2,234
خالص منافع برائے سال	710	1,159
آمدنی فی شیئر (روپے)	86.03	140.56

تخصیصات

مالی سال 2019 کے دوران کی جانے والی تخصیصات کا خلاصہ درج ذیل ہے:	
(Rupees in million)	
مجموعی منافع برطابق یکم اکتوبر 2018	873
خالص منافع بعد از ٹیکس برائے مالی سال 2019	710
حقیقی منافع منقسمہ بحساب - 75 روپے (750%) فی شیئر برائے مالی سال 2018	(619)
مجموعی منافع برطابق 30 ستمبر 2019	964

دیگر ریزروز (Reserves) میں کمی پیش کی تفصیلات کیلئے مالیاتی اسٹیٹمنٹس میں شامل لیکویٹی میں تبدیلیوں کا اسٹیٹمنٹ ملاحظہ کریں۔

منافع منقسمہ

کمپنی کی مالیاتی کارکردگی اور مستقبل کے کیش فلو کی ضروریات کو مد نظر رکھتے ہوئے بورڈ ہمسرت 46 روپے (460%) فی شیئر حقیقی نقد منافع منقسمہ کی سفارش کرتا ہے۔

کمپنی کی نمایاں سرگرمیاں اور کاروبار کے شعبہ جات

کمپنی گیس اینڈ پاور، اسمارٹ انفراسٹرکچر اور ڈیجیٹل اینڈ سٹریٹجک کاروباری پورٹ فولیوز میں کام کر رہی ہے جس میں پاور جزییشن اور ڈسٹری بیوشن، عمارات کیلئے بہترین انفراسٹرکچر اور تعمیر شدہ انرجی سسٹمز اور پروسس اور مینوفیکچرنگ میں آٹومیشن اور ڈیجیٹلائزیشن کے شعبہ جات پر خاص توجہ دی جاتی ہے۔

چیئر مین کی جائزہ رپورٹ

مجھے سیمنس (پاکستان) انجینئرنگ کمپنی لمیٹڈ کے اسٹیک ہولڈرز کیلئے مالی سال 2019 کی سالانہ رپورٹ اور کمپنی کو اپنے اغراض و مقاصد کے حصول کیلئے بورڈ کی موثر رہنمائی کے بارے میں اپنی رائے کا اظہار کرتے ہوئے بہت خوشی محسوس ہو رہی ہے۔

کمپنی کا اپنا مضبوط فریم ورک موجود ہے جو ہماری طویل المدت استحکام اور ترقی کے حصول کا ذریعہ ہے۔ اس سلسلے میں بورڈ نے کمپنی کا رخ متعین کرنے کیلئے موثر کردار ادا کیا ہے جو اس کے بنیادی کاروبار اور سیمنس کے گلوبل وژن +2020 کے حصول کیلئے کئے جانے والے اقدامات کے مطابق ہے۔

بورڈ اس بات کا اعتراف کرتا ہے کہ اسے ایسے ممبران کی ضرورت ہے جو کمپنی کی کامیاب گورننس کیلئے مختلف نوعیت کی صلاحیتوں، علم، بنیادی اہلیت اور تجربہ حامل ہوں۔ چنانچہ 15 جنوری 2019 کو ڈائریکٹرز کا انتخاب عمل میں آیا جس میں قواعد اور ضوابط کے مطابق بورڈ کے خود مختار ڈائریکٹرز کی تعداد بڑھا کر دو کر دی گئی۔ مس سعدیہ خان بورڈ میں شامل ہونے والی حالیہ ترین خود مختار ڈائریکٹر ہیں جو کارپوریٹ گورننس کے شعبہ کا وسیع تجربہ رکھتی ہیں اور انہوں نے بورڈ کے فیصلہ سازی کے مجموعی مراحل میں قابل قدر اضافہ کیا ہے۔

میں یہ بات یقین سے کہہ رہا ہوں کہ بورڈ کے موجودہ ممبران کاروباری انتظامات، حکمت عملی، فننس، کارپوریٹ گورننس، قانون اور ایڈمنسٹریشن کے شعبہ میں بھرپور مہارت رکھتے ہیں۔ نیز بورڈ کے ممبران کمپنی اور اس کے شیئر ہولڈرز کے مفاد میں مخلصانہ فرائض انجام دینے کی اہلیت رکھتے ہیں اور اپنی ذمہ داریوں کی ادائیگی کو اپنا فرض اولین سمجھتے ہیں۔ بورڈ کے چیئر مین کی حیثیت سے میں اس بات کا اعادہ کرتا ہوں کہ تمام ڈائریکٹرز حکمت عملی اور گورننس سے متعلق موضوعات پر غور و خوض کریں اور خود مختار ڈائریکٹرز اور اقلیتوں کے نمائندہ ڈائریکٹرز اور ان موضوعات پر متعلقہ تجربہ کے حامل ڈائریکٹرز سے مشاورت کی جائے اور کسی بھی فیصلے سے پہلے ان کی رائے حاصل کی جائے۔

بورڈ نے اپنی کمٹیوں کی ٹرمز آف ریفرینش واضح طور پر بتادی ہیں، اور ضروری مہارت اور تجربہ کو مد نظر رکھتے ہوئے ممبران کا تقرر کیا گیا ہے مزید برآں بورڈ اور اس کی کمیٹیز سال کے دوران میں باقاعدہ ملاقات کرتے ہیں اور اپنے سامنے پیش کئے گئے ہر معاملہ پر غور و خوض کے بعد اپنا گورننس کا کردار ادا کرتے ہیں۔

بورڈ اور اس کی کمیٹیوں کیلئے سالانہ جانچ کا اپنا ایک رسمی طریقہ کار موجود ہے جس کے ذریعہ یہ اطمینان کیا جائے کہ ڈائریکٹرز کی مجموعی اور انفرادی کارکردگی انتہائی تسلی بخش ہے اور بورڈ کمپنی کی گورننس میں اپنا موثر کردار ادا کرتا رہے گا۔ اس سلسلے میں حال ہی میں مالی سال 2019 کے لئے ایک سالانہ جانچ کی گئی جس میں بورڈ کی مجموعی کارکردگی اور اثر اندازی کو متعین کردہ معیار کے مطابق پایا گیا۔ مجھے یہ بتاتے ہوئے خوشی ہے کہ بورڈ کی مجموعی کارکردگی اور اثر اندازی کو مستحکم پایا گیا ہے۔ تاہم بہتری ایک مسلسل عمل ہے اور مجھے یقین ہے کہ بورڈ مستقبل میں پورے عزم کے ساتھ اور متحرک ہو کر کامیابی کی اسی سطح کو برقرار رکھے گا۔

مجھے یقین ہے کہ کمپنی بورڈ کی ہدایت کی روشنی میں پاکستان کی ترقی میں اپنا کردار ادا کرنے کیلئے مستحکم ہے اور میں ساتھی بورڈ ممبران کی کاوشوں کا بھی شکر گزار ہوں۔

میں اس موقع پر بورڈ کی جانب سے اپنے ملازمین، شیئر ہولڈرز، صارفین اور دیگر اسٹیک ہولڈرز کی انتہائی انتھک کاوشوں اور کمپنی پر بھروسے اور معاونت کے لئے شکر یہ ادا کرتا ہوں۔

آپ کا مخلص،

ڈاکٹر سیڈیشن ایڈوکیٹ برکارت
بورڈ چیئر مین
