DIRECTORS' REPORT

FOR THE YEAR ENDED 30 SEPTEMBER 2019

The Directors of your Company take pleasure in presenting the Company's 28th Annual Report and Audited Financial Statements for the year ended 30 September 2019 together with the Auditors' Report thereon.

OPERATIONAL PERFORMANCE

The operating results for period under review are as under:

		2019	26 February 2018 To 01 April 2008
Crushing days	Days	-	38
Average recovery	%age	-	8.50
Cane crushed	M.T	-	76,819,660
Sugar produced	M. T	-	5,808

Since review petition dismissed by August Supreme Court of Pakistan, we could not operate mills hence incurred losses.

FINANCIAL INDICATORS

The financial results of your company for the year ended 30 September 2019 are summarized as follows:

	(Rupees in Thousand)	
	2019	2018
Net Sales	-	250,772
Gross Profit/ (Loss)	(187,476)	(340,215)
Net Profit / (Loss) before tax	(427,308)	(542,425)
Net Profit (Loss) after tax	(336,997)	(488,901)
Basic Earning	(10.40)	(15.09)

The Company moved an application to Ministry of Industries, under Section 3 of the Punjab Industries (Control on Establishment and Enlargement) Ordinance, 1963. The application has been turned down by Ministry of Industries. The Company is also moving petition against the same in Lahore High Court, Lahore.

However, if management opt to restore and reconstitute the position by dismantling & removing the said mills from the present location than cost may be borne by the Company.

The financial statements of the Company indicate that the During the year, the Company incurred loss amounting to Rs. 336.997 million (2018: Rs.488.902 million) and accumulated losses raised to Rs. 3,543.694 million (2018: Rs. 3,278.5 million) at the year end. In addition, the Company's current liabilities exceeded its current assets by Rs. 3,174.982 million (2018: Rs. 2,795.291 million) at the year end.

AUDITORS' REPORT

Regarding auditors' report, we would like to submit as under:

1. Since shifting of sugar mill from Nankana to Muzaffargarh, challenged by Southern Punjab sugar mills therefore we could not run the mill at its present location due to order by the Supreme Court of Pakistan to shift the mill back to Nankana Sahib, which resulted huge losses and severe financial crunch. Further, we are in default of bank loans and facing recovery suits filed by the financial institutions for the same.
2. Due to the current financial position and closure of the mill the auditors expressed no opinion in their audit report on the accompanying financial statements.

OPERATIONAL MEASURES

In view of above issues Company has taken following mitigating steps:

- Shifting of mill to Alipur Jatoi, Muzaffargarh has been completed where sugar cane availability and sugar recovery are better.
- Restructuring of loan from Silk Bank Limited amounting to Rs. 390 million during the year.
- BMR has been done in the year 2016 and 2017 and we will see impact of this BMR in the financials of coming seasons.

The management foresees positive cash flow from future operations in expectation of better availability of sugar cane and sugar prices in coming seasons, since sugar dynamics are good and rising.

The projected financial statements prepared by the management to support its going concern assessment is based on following assumptions:

	2020	Projected 2021	2022
Sugar Cane crushing M.T	780,000	800,000	800,000
Sugar Cane rate	180	185	190
Sugar Price per kg	60	62	64

However, it is believed that considering the mitigating factors set out in the preceding paragraphs, the going concern assumption is appropriate and has, as such, prepared these financial statements on a going concern basis.

CHANGES ON THE BOARD OF DIRECTORS

Since the last Annual General Meeting Mian Abdullah Ilyas and Mr. Yousaf Ilyas resigned from the post of Directorship. Mrs. Yasmin Riaz and Miss. Aqsa Riaz have been appointed respectively as director of the Company to fill the casual vacancy.

FUTURE OUTLOOK

The Division Bench of Honorable Lahore High Court, Lahore in its judgment dated 11 September 2017 has ordered the relocation of Haseeb Waqas Sugar Mills Limited from Nankana to Muzaffargarh. Furthermore, Lahore High Court, Lahore directed the mills to restore and restate the position by dismantling & removing the said mills from the present location.

The company's management has moved the review petition in August Supreme Court of Pakistan to review the order dated 11 September 2017. The August Supreme Court of Pakistan issued an order dated 13 September 2018, prohibiting the company from conducting any business in relation to or functioning as a sugar mill after the period of two months 11 November 2018 and further ordered to remove its plant and machinery from its existing place relocate it to its original site i.e. Nankana Sahib.

The Company moved an application to Ministry of Industries, under Section 3 of the Punjab Industries (Control on Establishment and Enlargement) Ordinance, 1963. The application has been turned down by Ministry of Industries. The Company also moving an writ petition against the same in Lahore High Court, Lahore.

DIVIDEND:

As the Company is in the phase of heavy losses, therefore, no dividend is being declared.

AUDITORS:

The present Auditors M/s Qadeer & Co., Chartered Accountants, are retiring and being eligible, have offered themselves for re-appointment for the ensuing year. The Audit Committee has recommended the re-appointment of M/s Qadeer & Co., Chartered Accountants, as auditors of the Company for year ending 30 September 2020.

REVIEW REPORT TO THE MEMBERS

On the Statement of Compliance with the Code of Corporate Governance

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of Haseeb Waqas Sugar Mills Limited (the Company) for the year ended September 30, 2019 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions and also ensure compliance with the requirements of section 208 of the Companies Act, 2017. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out procedures to assess and determine the Company's process for identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended September 30, 2019.

Further, we highlight below instances of non-compliance with the requirement of the Regulations as reflected in paragraph 2d. and 12c. of the Statement of Compliance:

Reference to the Annexed Statement	Description
Paragraph 2d.	The Company has not complied with the requirement of clause 1 of regulation 6 of these regulations, regarding appointment of independent directors.
Paragraph 12c.	The Chairman of the Board and the Chairman of the Audit Committee is the same person which is in non-compliance

HASEEB WAQAS SUGAR MILLS LIMITED

with the requirements of sub-regulation 1(ii) of Regulation 27.

INDEPENDENT AUDITOR'S REPORT

To the members of Haseeb Waqas Sugar Mills Limited

Report on the Audit of the Financial Statements

Disclaimer of Opinion

We were engaged to audit the annexed financial statements of **Haseeb Waqas Sugar Mills Limited** ("the Company"), which comprise the statement of financial position as at September 30, 2019, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

We do not express an opinion on the accompanying financial statements of the Company. Because of significance of matters described in the basis for disclaimer of opinion section of our report, we have not been able to obtain sufficient and appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for Disclaimer of Opinion

- a) As stated in Note # 2.4 to the financial statements, the Company could not start operations during the crushing season 2018-19 and is directed by order of the Supreme Court of Pakistan, to shift the mill location to Nankana Sahib. The management have no sufficient and comprehensive plan and projections to start operations at either of the locations in the foreseeable future and overcome the existing financial and legal crisis. Therefore, we do not concur with the management regarding the sufficiency of the operational measures (stated in Note # 2.4) to remain going concern. Thus, these financial statements should have been prepared on other than going concern basis.
- b) Note # 14.2 to the financial statements states that the sales tax status of the Company has been blacklisted by the Federal Board of Revenue due to non-payment of outstanding liability of Rs.208.764 million as mentioned in Note # 10 to the financial statements.
- c) We did not receive direct confirmations from banks and financial institutions with respect to long-term loans amounting to Rs.1,625 million and markup outstanding amounting to Rs.613.3 million. We remain unable to verify these balances by applying other alternate audit procedures. Consequently, we were unable to determine whether any adjustments to these amounts were necessary;

- d) All the trade creditors, accrued liabilities and other payables as mentioned in Note # 10 to the financial statements were remain unpaid and overdue, due to suspended operations and non-availability of funds.
- e) The Company has not carried out Actuarial Valuation from actuarial expert and we were unable to verify the Employee Retirement Benefit outstanding as at the year-end amounting to Rs.18 million and provision for the year amounting to Rs.0.771 million. We remain unable to verify these balances by applying other alternate audit procedures. Consequently, we were unable to determine whether any adjustments to these amounts were necessary.
- f) The Company has failed to comply with the requirements of Section 244 of the Companies Act, 2017 with respect to unclaimed dividend amounting to Rs.1.44 million as disclosed in Note # 14.5 to the financial statements.
- g) We did not receive direct confirmations from Company's tax advisors with respect to the outstanding tax cases and their status. We were unable to verify the completeness and adequacy of the reported contingencies in the financial statements. We remain unable to verify these balances and disclosures by applying other alternate audit procedures. Consequently, we were unable to determine whether any adjustments to tax provisions and refundable due from government were necessary or needed to be disclosed.
- h) We did not receive direct confirmations from Company's legal advisors with respect to the outstanding cases and their status. Consequently, we remain unable to verify the completeness, accuracy and adequacy of the reported contingencies and commitments in the financial statements.
- i) The Company has not carried out impairment testing as required under the International Accounting Standard-36. Even after the revaluation of land, building and plant & machinery in January 2019, we consider it necessary to be carried out as at the year end because the Company could not start production during the year under audit and in subsequent year up to the date of our audit report.
- j) We were unable to physically verify the existence and condition of property, plant and equipment stated in financial statements at written down value of Rs.3,303.8 million due to closure of factory because of the above mentioned court decision.
- k) As stated in Note # 15.4 to the financial statements; revaluation of land, building and plant & machinery has not been incorporated in the financial statements as required under the International Accounting Standard-16.
- l) We were unable to physically verify the existence and condition of store and spares stated at an amount of Rs.55.9 million in the financial statements as at the year end, due to closure of factory because of the above mentioned court decision. Further, compulsory cut off procedures could not be performed as at the year ended September 30, 2019.
- m) We were unable to obtain direct confirmations with respect to bank balances amounting to Rs.1.491 million. We remain unable to verify these balances by applying other alternate audit procedures as the information was not available to us. Consequently, we were unable to determine whether any adjustments to these amounts were necessary;

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Company's financial statements in accordance with International Standards on Auditing as applicable in Pakistan and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Pakistan, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Report on Other Legal and Regulatory Requirements

Because of significance of the matters described in Basis of Disclaimer of Opinion section of our report, we express **no** opinion whether:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together

with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;

c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and

d) no Zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is **Abdul Rahman**.

CHIEF FINANCIAL OFFICER

HASEEB WAQAS SUGAR MILLS LIMITED

HASEEB WAQAS SUGAR MILLS LIMITED NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED SEPTEMBER 30, 2019

1 Corporate and General Operation

1.1 Legal Status and operations

Haseeb Waqas Sugar Mills Limited (the Company) was incorporated on 13 January 1992 as a Public Limited Company under the repealed Companies Ordinance, 1984 (now the Companies Act 2017). The Company's registered office is situated at 6-F Model Town, Lahore. The mill is situated at Talish Jatoi Distt. Muzaffargarh. The Company is listed on Pakistan Stock Exchange. The principal activity of the Company is manufacture and sale of refined sugar and its by-products.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards as applicable in Pakistan comprise of International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act 2017 and provisions of and directives issued under the Companies Act 2017. Where provisions of and directives issued under the Companies Act 2017 differ from the IFRS Standards, the provisions of and directives issued under the Companies Act 2017 have been followed.

2.2 Accounting convention

These financial statements have been prepared under the historical cost convention except for certain financial instruments at fair value and certain items of property, plant and equipment that are stated at revalued amounts. In these financial statements, except for the amounts reflected in the cash flow statement, all transactions have been accounted for on accrual basis.

2.3 New standards, amendments to the accounting and reporting standards as applicable in Pakistan

Standards and amendments to approved accounting and reporting standards which became effective during the year ended

Share-based Payment (Amendments): Clarification on the classification and measurement of share-based payment transactions.	IFRS 2
Insurance contracts (Amendments): the interaction of IFRS 4 and IFRS 9.	IFRS 4
Investments in Associates and Joint Ventures - Clarification that measuring investees at fair value through profit or loss is an investment - by investment choice.	IAS 28
Investment property (Amendments): Amendments on transfers of property to or from investment property.	IAS 40
Revenue from Contracts with Customers: This standard superseded IAS 18, IAS 11, IFRIC 13, 15 and 18 and SIC 31.	IFRS 15
Foreign Currency Transactions and Advance Consideration: Provides guidance on transactions where consideration against non-monetary prepaid asset / deferred income is denominated in foreign currency.	IFRIC 22

The adoption of the above amendments to accounting standards did not have any significant impact on the financial statements.

Standards, amendments and interpretations to existing standards that are not yet effective and have not been early adopted by the Company as at September 30, 2019.

		Effective / Adoption date annual reporting periods beginning on or after
IAS 19	Employee benefits (Amendments)	1-Jan-19
IAS 28	Investment in Associates and Joint Ventures (Amendments)	1-Jan-19
IFRS 9	Financial Instruments	1-Jul-19
IFRS 16	Leases	1-Jan-19
IFRIC 23	Uncertainty Over Income Tax	1-Jan-19
IFRS 3	Business Combinations (Amendments): Amendments regarding previously held	1-Jan-19
IFRS 3	Business Combinations (Amendments): Clarify the definition of business.	1-Jan-19
IFRS 11	Joint Arrangements (Amendments): Re-measurement of previously held interests in a joint operation	1-Jan-19
IAS 12	Income Taxes (Amendments): Amendments regarding income tax consequences of payments on financial instruments classified as equity.	1-Jan-19
IAS 23	Borrowing Costs (Amendments): Borrowing costs eligible for capitalisation	1-Jan-20
IAS 1	Presentation of Financial Statements (Amendments): Amendments regarding the definition of concept of material	1-Jan-20
	Accounting Policies, Changes in Accounting Estimates and Errors (Amendments): Amendments regarding the definition of concept of material	

It is anticipated that the adoption of the above standards, amendments and interpretations in future periods, will have no material impact on the financial statements other than the impact on presentation/disclosures.

Further, the following new standards and interpretations have been issued by the International Accounting Standards Board (IASB):

IFRS 1	First-time Adoption of International Financial Reporting Standards
IFRS 14	Regulatory Deferral Accounts
IFRS 17	Insurance Contracts
IFRIC 4	Determining whether an arrangement contains lease
IFRIC 12	Service concession arrangements

2.4 Going concern assumption

The financial statements of the Company indicate that the Company incurred gross loss amounting to Rs. 187,476,137 (2018: 340,215,198) and net loss from operations amounting to Rs. 210,669,126 (2018: 396,700,930) and accumulated losses Rs. 3,543,691,412 (2018: 3,278,500,546). Moreover, the current liabilities exceed current assets by Rs. 3,171,982,368 (2018: 2,795,250,911).

Further as stated in note # 15.1 to the financial statements, the Supreme Court on 26th February 2019 dismissed the appeal of the Company regarding location of factory. As a result the Company could not start operation during the crushing season 2018-19 and is directed to shift the mill location to Naikana Sahib.

Operational measures

In view of above issues Company has already taken following mitigating steps:

Restructuring of loan from SIF Bank Limited amounting to Rs. 390 million during the year.

Shifting of mill to Alipur Jatoi, Muzaffargarh has been completed where sugar cane availability and sugar recovery are better.

BMR has been done in the year 2016 and 2017 and we will see impact of this BMR in the financials of coming seasons.

Further the company has moved an application to Ministry of Industries under section 3 of the Punjab Industries (Control on Establishment and Enlargement) Ordinance, 1963, but the application has been turned down by Ministry of Industries and the management moving a petition against the same.

The management foresees positive cash flow from future operations in expectation of better availability of sugar cane and sugar prices in coming season, since sugar dynamics are good and rising.

The projected financial statements prepared by the management to support its going concern assessment is based on following assumptions:

	Projected		
	2020	2021	2022
Sugar Cane Crushing MT	780,000	800,000	800,000
Sugar cane rate	180	185	190
Sugar price per Kg	70	75	80

However, it is believed that considering the mitigating factors set out in the preceding paragraphs, the going concern assumption is appropriate and has, as such, prepared these financial statements on a going concern basis. Further, the management is fully committed to make the project going concern.

2.5 Judgment, estimates and assumptions

The preparation of financial statements in conformity with IASs requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and related assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. The estimates and related assumptions are reviewed on an ongoing basis. Accounting estimates are revised in the period in which such revisions are made and in any future periods affected.

Significant management estimates in these financial statements relate to the useful life of property, plant and equipment, provisions for doubtful receivables, slow moving inventory and taxation. However, the management believes that the change in outcome of estimates would not have a material effect on the amounts disclosed in the financial statements.

Judgment made by management in the application of accounting and reporting standards that have significant effect on the financial statements and estimates with a risk of material adjustment in subsequent year are as follows:

2.5.1 Depreciation method, rates and useful lives of property, plant and equipment

The management of the Company reassesses useful lives, depreciation method and rates for each item of property, plant and equipment annually by considering expected pattern of economic benefits that the Company expects to derive from that item.

2.5.2 Recoverable amount of assets/ cash generating units

The management of the Company reviews carrying amounts of its assets and cash generating units for possible impairment and makes formal estimates of recoverable amount if there is any such indication.

2.5.3 Fair value of financial instruments having no active market

Fair value of financial instruments having no active market is determined using discount cash flow analysis after incorporating all factors that market participants would consider in setting a price and using inputs that reasonably represent market expectations and measures of the risk-return factors inherent in the financial instrument.

2.5.4 Taxation

The Company takes into account income tax law and decisions taken by appellate authorities. Instances where the Company's view differs from the view taken by tax department at the assessment stage and where the Company considers that its view of items of material nature is in accordance with law, the amounts are shown as contingent liabilities.

2.5.5 Provisions

Provisions are based on best estimate of the expenditure required to settle the present obligation at the reporting date, that is, the amount that the Company would rationally pay to settle the obligation at the reporting date or to transfer it to a third party.

2.5.6 Revaluation of property, plant and equipment

Revaluation of property, plant and equipment is carried out by independent professional valuer. Revalued amounts of non-depreciable items are determined by reference to local market values and that of depreciable items are determined by reference to present depreciated replacement values.

2.6 Functional currency

These financial statements are prepared in Pak Rupees which is the Company's functional and presentation currency.

3 SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all periods presented in the financial statements.

3.1 Ordinary share capital

Ordinary share capital is recognized as equity. Incremental costs directly attributable to the issue of ordinary shares are recognized as deduction from equity.

3.2 Surplus / deficit arising on revaluation of property, plant and equipment

Surplus arising on revaluation of property, plant and equipment is recognized in other comprehensive income and accumulated in reserves in shareholders' equity and is shown in equity. Revaluation is carried out with sufficient regularity to ensure that the carrying amounts of the assets does not differ materially from the fair value. Accumulated depreciation at the date of revaluation is eliminated against the cost of the asset and net amount is restated to the revalued amount of the asset.

The surplus on revaluation of property, plant and equipment to the extent of incremental depreciation charged on the related property, plant and equipment during the year is part of statement of changes in equity.

3.3 Employee benefits

Short-term employee benefits

The Company recognizes the undiscounted amount of short-term employee benefits to be paid in exchange for services rendered by employees as a liability after deducting amount already paid and as an expense in profit or loss unless it is included in the cost of inventories or property, plant and equipment as permitted or required by the approved accounting standards. If the amount paid exceeds the discounted amount of benefits, the excess is recognized as an asset to the extent that the prepayment would lead to a reduction in future payments or cash refund.

The Company provides for compensated absences of its employees on unutilized balance of leaves in the period in which the leaves are earned.

Defined benefit plan

The Company operates an unfunded gratuity scheme covering its permanent employees. Employees are eligible for benefits under this scheme after the completion of a prescribed qualifying period of service. The latest actuarial valuation was carried out as at September 30, 2018. Charge for the current year is based on management estimates.

	2019	2018
Discount rate	7.75%	7.75%
Expected rate of salary increase in future years	5.75%	5.75%
Average expected remaining working life time of employees	9 years	9 years

3.4 Borrowings

These are recognized initially at fair value less attributable transaction cost. Subsequent to initial recognition, these are stated at amortized cost with any difference between cost and redemption value being recognized in the profit and loss over the period of the borrowings on an effective interest basis.

3.5 Provisions

A provision is recognized in the balance sheet when the Company has a legal or constructive obligation as a result of a past event and it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made.

3.6 Taxation

Income tax expense comprises current tax and deferred tax. Income tax expense is recognized in profit or loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in equity.

Current

Current tax is the amount of tax payable on taxable income for the year, using tax rates enacted or substantively enacted by the reporting date, and any adjustment to the tax payable in respect of previous years. Provision for current tax is based on the taxable income at current rates of taxation in Pakistan after taking into account tax credits, reliefs and exemptions available. However, for income covered under final tax regime, taxation is based on applicable tax rates under such regime. The amount of unpaid income tax in respect of the current or prior periods is recognized as a liability. Any excess paid over what is due in respect of the current or prior periods is recognized as an asset.

Deferred

Deferred tax is accounted for using the balance sheet liability method providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for tax purposes. In this regard, the effects on deferred taxation of the portion of income that is subject to final tax regime is also considered in accordance with the requirement of "Technical Release - 27" of the Institute of Chartered Accountants of Pakistan. Deferred tax is measured at rates that are expected to be applied to the temporary differences when they reverse, based on laws that have been enacted or substantively enacted by the reporting date. A deferred tax liability is recognized for all taxable temporary differences. A deferred tax asset is recognized for deductible temporary differences to the extent that future taxable profits will be available against which temporary differences can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax is not recognized for timing differences that are not expected to reverse and for the temporary differences arising from the initial recognition of goodwill and initial recognition of assets and liabilities in a transaction that is not a business combination and that at the time of transaction affects neither the accounting nor the taxable profit.

3.7 Trade and other payables

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid in future for goods and services received, whether or not billed to the Company.

3.8 Trade and other receivables

Trade and other receivables are recognized initially at fair value and subsequently measured at amortized cost less impairment loss, if any.

3.9 Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation except freehold land that is stated at revalued amount. Buildings, plant and machinery and grid station and generators are stated at revalued amounts less accumulated depreciation. Cost of property, plant and equipment consists of historical cost, revalued amount, borrowing costs pertaining to the erection / construction period and other directly attributable costs incurred to bring the assets to their working condition.

The management reviews the market value of revalued assets at each balance sheet date to ascertain whether the fair value of revalued assets have differed materially from the carrying value of such assets, thus necessitating further revaluation.

Depreciation on property, plant and equipment has been provided for using the reducing balance method, at the rates specified in respective note. Depreciation on additions is charged from the month in which the asset was available for use up to the month in which the asset was disposed off.

Maintenance and normal repairs are charged to income as and when incurred. Major renewals and improvements are capitalized. Gain or loss on disposal of property, plant and equipment, if any, is shown in the profit and loss account.

3.10 Impairment

Carrying amounts of the Company's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated and impairment loss is recognized in the profit and loss account.

3.11 Cash and cash equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purpose of cash flow statement, cash and cash equivalents comprise cash in hand and cash with banks in current and saving accounts.

3.12 Stores, spares and loose tools

These are generally held for internal use and are valued at lower of cost and net realizable value. Cost is determined on the basis of moving average except for items in transit, which are valued at invoice price plus related expenses incurred up to the reporting date. For items identified as slow moving, a provision is made for excess of carrying amount over estimated net realizable value which signifies the estimated selling price in the ordinary course of business less estimated costs of completion and estimated cost necessary to make the sale.

3.13 Stock in trade

These are valued at lower of cost and net realizable value. Cost is determined using the following basis:

Work in process	Average manufacturing cost
Finished goods	Average manufacturing cost
By-products	Net realizable value, where costs are not ascertainable.

Average manufacturing cost in relation to work in process and finished goods consists of direct material, labor and a proportion of appropriate manufacturing overheads.

Net realizable value signifies the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

3.14 Financial instruments

Financial instruments are recognized when the Company becomes a party to the contractual provisions of the instrument. It ceases to recognize financial assets when it loses control of contractual rights and in case of financial liability when the liability is extinguished. Any gain or loss on subsequent remeasurement / derecognition is charged to income.

A financial asset and financial liability is offset and the net amount is reported in the Balance sheet if the Company has a legally enforceable right to set-off the recognized amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

3.15 Related party transactions

All transactions with related parties are carried out by the company at arms' length price with the exception of loan taken from related parties which is interest / mark up free. Prices for these transactions are determined on the basis of comparable uncontrolled price method, which sets the price by reference to comparable goods and services sold in an economically comparable market to a buyer unrelated to the seller.

Components purchased by the Company from related party are priced at cost plus margin.

3.16 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable, net of returns allowances, trade discounts and rebates, and represents amounts received or receivable for goods and services provided and other operating income earned in the normal course of business. Revenue is recognized when it is probable that the economic benefits associated with the transaction will flow to the Company and the amount of revenue and the associated costs incurred or to be incurred can be measured reliably.

Revenue from different sources is recognized as follows:

Revenue from sale of goods is recognized when risk and rewards incidental to the ownership of goods are transferred.

Interest on saving accounts is recognized as and when accrued on time proportion basis.

3.17 Borrowing costs

Borrowing costs are charged to income as and when incurred except to the extent of costs directly attributable to the acquisition, construction or production of qualifying assets that are capitalized as part of the cost of asset.

3.18 Dividends

Dividend is recognized as a liability in the period in which it is declared.

3.19 Finance Leases

Leases, where the company has substantially all the risks and rewards of ownership are classified as finance leases. Asset subject to finance lease are initially recognized at the lower of present value of minimum lease payments under the lease agreements and the fair value of the assets. Subsequently these assets are stated at cost less accumulated depreciation and any identified impairment loss.

The related rental obligations, net of finance charges, are included in liabilities against assets subject to finance lease. The liabilities are classified as current and long term depending upon the timing of the payment.

Each lease payment is allocated between the liability and finance charges so as to achieve a constant rate on the balance outstanding. The interest element of the rental is charged to profit over the lease term.

Assets acquired under a finance lease are depreciated over the useful life of the asset on a reducing balance method at the rates given respectively note. Depreciation of leased assets is charged to income statement.

When a sale and lease transaction results in a finance lease, any excess of sales proceeds over the carrying amount are not be immediately recognized as income in the profit and loss account. Instead it is recognized as deferred income and amortized over the lease term.

3.20 Earning per share (EPS)

Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period.

Diluted EPS is calculated by adjusting basic EPS by the weighted average number of ordinary shares that would be issued on conversion of all dilutive potential ordinary shares into ordinary shares and post-tax effect of changes in profit or loss attributable to ordinary shareholders of the Company that would result from conversion of all dilutive potential ordinary shares into ordinary shares.

31 FINANCIAL INSTRUMENTS

31.1 Fair value and risk management

Fair value is the amount that would be received on sale of an asset or transfer of a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and fair value estimates. Underlying the definition of fair value is the assumption that the Company is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair value of assets and liabilities traded in active markets (i.e. listed equity shares) are based on the quoted market prices at the close of trading on the period end date. The quoted market prices used for financial assets held by the Company is current bid price. A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service or regulatory agency and those prices represent actual and regularly occurring market transactions on an arm's length basis.

IFRS 13 'Fair Value Measurement' requires the Company to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1);
inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (Level 2);

inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (Level 3).

HASEEB WAQAS SUGAR MILLS LIMITED

31.2 The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. However, fair values are not disclosed as carrying values are reasonable approximations of their net fair value.

31.3 Capital risk management

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns for shareholders and benefit for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital. There were no changes to Company's approach to capital management during the year. The Company is not subject to any externally imposed capital requirements.

The Company manages its capital structure and makes adjustment to it in the light of changes in economic conditions. To maintain or adjust the capital structure, the Company may issue new shares or negotiate with banks for new financing or restructure existing financing.

The gearing ratios were as follows:

		2019	2018
Long term financing	Rupees	1,652,187,642	1,652,187,642
Short term financing	Rupees	851,511,515	854,579,535
Total debt	Rupees	2,503,699,157	2,521,769,195
Total equity	Rupees	(922,811,258)	(591,829,105)
Capital employed	Rupees	1,580,887,899	1,929,940,090
Gearing ratio	%	87%	83%

31.4 Financial risk factors

The Company's activities are exposed to a variety of financial risks, market risk including currency risk, interest rate risk and other price risk, credit risk and liquidity risk. The Company's overall risk management programme focuses on better cost effective funding as well as to manage financial risk to minimize earnings volatility and provide maximum return for shareholders.

Risk management is carried out by the Company's finance department under policies approved by the Board of Directors.

(a) Market risk

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. As the Company has no significant interest-bearing assets, the Company's income and its liability-bearing cash inflows are substantially independent of changes in market interest rates. At the reporting date, the interest rate profile of the Company's significant interest-bearing financial instruments was as follows:

Financial liabilities

	2019	2018	2019	2018
	Percentage		Rupees	
Long term financing	9.94 to 17.95	9.70 to 11.95	(1,625,000,000)	(1,625,000,000)
Total yield / market rate risk sensitivity gap			<u>(1,625,000,000)</u>	<u>(1,625,000,000)</u>

Fair value sensitivity analysis for fixed rate instruments:

The Company does not account for any fixed rate financial assets and liabilities at fair value through profit and loss. Therefore, a change in interest rates at the reporting date would not affect profit and loss account.

Cash flow sensitivity analysis for variable rate instruments:

	Effect on Profit and Loss 1% rate	
	Increase	Decrease
As at September 30, 2019		
Cash flow sensitivity - variable rate financial liabilities	<u>(5,550,000)</u>	<u>(15,550,000)</u>
As at September 30, 2018		
Cash flow sensitivity - variable rate financial liabilities	<u>(6,250,000)</u>	<u>(16,250,000)</u>

(ii) Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from currency risk or interest rate risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Company is not exposed to equity price risk as there is no investment in listed securities.

(iii) Foreign currency risk

The Company does not have any commitment or balance in foreign currencies at financial position date which result in foreign currency risk.

(b) Credit risk

Credit risk represents the risk of financial loss being caused if counter parties fail to discharge an obligation.

Credit risk arises from deposits with banks, trade debts, loans and advances, deposits and other receivables. The primary steps to minimize the credit risk exposure are through having exposures only to well known considered credit worthy and obtaining securities where applicable. Where considered necessary, advance payments are obtained from certain parties. The maximum exposure to credit risk is equal to the carrying amount of financial assets. Out of the total financial assets of Rs. 87,153,575 (2018: Rs. 151,590,129) the financial assets exposed to credit risk amount to Rs. 51,720,175 (2018: Rs. 98,609,515).

The Company monitors the credit quality of its financial assets with reference to historical performance of such assets and evaluates external credit ratings. The carrying values of financial assets which have not incurred are as under:

	2019	2018
	Rupees	
Long term deposits	190,000	190,000
Advances, deposits, receivables and other receivables	85,198,832	151,290,129
Cash and bank balances	1,511,543	2,105,500
	87,153,575	151,590,129

The credit quality of receivables can be assessed with reference to their historical performance with no or some defaults in recent history, however, no losses. The credit quality of Company's bank balances can be assessed with reference to external credit.

Bank	Rating agency	Short Term Borrowings	Long Term Loans
United Bank Limited	R/R V/S	A-11	AAA
The Bank of Punjab	PAC/RA	A-11	AA
Sindh Bank Limited	R/R V/S	A-1	A1
MCB Bank Limited	PAC/RA	A-11	AAA
National Bank of Pakistan	R/R V/S PAC/RA	A-11	AAA

Geographically, there is no concentration of credit risk.

HASEEB WAQAS SUGAR MILLS LIMITED

(c) Liquidity risk

Liquidity risk represents the risk that the Company will encounter difficulties in meeting obligations associated with financial liabilities. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities, the availability of funding through an adequate committed credit facilities and directors and sponsor of the Company. The table shows analyses how management monitors net liquidity based on details of the remaining contractual maturities of financial assets and liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows.

15.4 **Revalued land, building and plant and machinery:**

The fair value of the Company's land, buildings and plant and machinery were determined by an independent professionally qualified valuer M/s Epsilon Enterprises on September 30, 2014. The valuation is based on an open market value.

During the year, evaluation was carried out by an independent valuer Arif Evaluators on 22nd January 2019. However, the Company decided not to incorporate the revalued amounts during the year. The fair value of land, building and plant and machinery as per evaluation report is 402.1408 millions.

The activity in the property markets in which these assets are located provides observable market data on which reliable fair value estimates can be derived. In determining the valuation, the valuer refers to current market conditions and recent sales transactions of similar properties for land; class and type of construction; quality of material used; standard of workmanship and finish for building; and contacted to supplier and different sugar plant manufacturing consultants in the Country or abroad for plant and machinery. In estimating the fair value of the property, the highest and best use of the property is their current use.

The carrying values of the land, buildings and plant and machinery would have been Rs. 56 million, Rs. 183 million and Rs. 803 million under the cost model.

The forced sale value of the revalued of land, buildings and plant and machinery was assessed at the discount of 20 % of the value of revaluation at the date of revaluation.
