Development Performance

During the period the work on value enhancing projects including club house (Naya Nazimabad Gymkhana), Jama Mosque, Medical Center and 3rd school are progressing satisfactorily and all the projects are expected to be completed within this calendar year. Further development work on Block M is also ongoing. New members continued to join Naya Nazimabad. The infrastructure development is progressing well. Installation of individual KE meter are at advance stage whereas approval of gas connection is in hand. ICT work is also expected to commence soon. Planning and design work on the flyover has been completed and we expect to see the tender and ground breaking of the project in the next half of the financial year. The overall progress on the development projects has been satisfactory.

Naya Nazimabad is now poised to launch new phase of its projects. Planning for the launch has almost been completed. The new phase would bring thoughtfully designed apartments and commercial arcade to the market. These developments would not only populate the community but would also improve the cohesion and warmth of the habitat.

With reference to several letters purportedly issued by DC West to different government agencies and banks which were being circulated on social media and select channels. All allegations averted in these letters are vehemently denied by the management and board of directors. Naya Nazimabad is a fast evolving and cohesive community within Karachi for the progressive middle class and currently 6,000 units are owned by general public.

Ownership title of Naya Nazimabad land is absolute lawful clean and clear and in name of your company and has been in its possession since its nationalization through Economic Reforms Order of 1972.

All activities undertaken by the Company including hill cutting, land levelling, infrastructure development, construction, sale and transfer bear perfect requisite approvals by the Board of Revenue (BOR), Lyari Development Authority (LDA) and Sindh Building Control Authority (SBCA).

The management is pursuing the matter legally and has obtained a stay order from Sindh High Court (SHC) and SHC has directed that no coercive or adverse action be taken against the Company. The management and the board is confident that the said notice and letter will be declared void and the matter shall be decided in favor of the Company. Currently the Company has no exposure in this regard.

On behalf of the Board of Directors, We thank our customers and shareholders for their continued support to transform the dream into reality. We would like to thank our Banks and Financial institutions who over the years have been critical in enabling the Company to deliver this project. We would also like to thank Securities and Exchange Commission of Pakistan, Pakistan Stock Exchange, and Sindh Board of Revenue, LDA, Sindh Building Control Authority, and above all Government of Sindh for their support to the project. We also appreciate all the employees of the Company for the hard work put in by them.

Independent Auditors' Review Report

To the members of Javedan Corporation Limited Report on review of Interim Financial Statements

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Javedan Corporation Limited as at 31 December 2019 and the related condensed interim statement of profit or loss, condensed interim statement of other comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the financial statements for the six-month period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of this interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these financial statements based on our review. The figures of the condensed interim statement of profit or loss and condensed interim statement of other comprehensive income for the three months ended 31 December 2019 and 2018 have not been reviewed, as we are required to review only the cumulative figures for the six months period ended 31 December 2019.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements is not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Emphasis of Matter

We draw attention to note 14.1 to the condensed interim financial statements which describes the tax related contingencies and their impact on the Company. Our conclusion is not modified in respect of this matter.

The engagement partners on the audit resulting in this independent auditors review report are Mr. Arif Nazeer and Mr. Muhammad Haroon.

14. CONTINGENCIES AND COMMITMENTS

14.1 Tax related contingencies

- a) Returns of income for tax years 2008 to 2010, 2012 and 2014 were filed under Section 114 of the Income Tax Ordinance, 2001 (the Ordinance) which were deemed to be assessment orders issued by the Commissioner Inland Revenue under Section 120 of the Ordinance. The deemed assessment orders were amended by the taxation authorities under Section 122 of the Ordinance by creating a demand of Rs. 39.791 million, Rs. 80.257 million, Rs. 194.035 million, Rs. 1,003.447 million and Rs. 533.742 million respectively, on account of various matters including disallowances for certain expenses. Being aggrieved, the Company had filed appeals before Commissioner Inland Revenue (Appeals) [CIR(A)] and was allowed partial relief for tax years 2008 to 2010, 2012 and 2014 aggregating to Rs.1,368.895 million. The Company later filed appeal before Appellate Tribunal Inland Revenue (ATIR) which are pending adjudication. However, during the year ended June 30, 2019, an appeal effect order was issued for the tax year 2012 whereby, a demand of Rs. 6.64 million has been created and paid by the Company under protest. The Company, based on the opinion of its tax advisor, is confident that there will be no unfavourable outcome in above appeals. Accordingly, no provisions were made in these condensed interim financial statements.
- b) In year 2017, taxation authorities issued an assessment order in respect of tax year 2011 and made certain disallowances and additions resulting in a reduction in loss for the year from Rs. 1,497.06 million to Rs. 147.48 million. Being aggrieved, the Company filed appeals against these order before CIR. The Company, based on opinion of its tax advisor, is confident that the case will be decided in favour of the Company. Accordingly, no provisions were made in these condensed interim financial statements.

- c) In year 2018, the deemed assessment orders for the tax years 2013 and 2017 were amended by the taxation authorities creating a demand of Rs. 220.22 million and Rs. 486.162 million, respectively. The Company later filed appeal before CIR(A), which was disposed off during the year ended June 30, 2019 and the demand was enhanced from Rs. 220.22 million to Rs. 324.58 million for tax year 2013. Being aggrieved, the Company filed appeal before ATIR, which were adjudicated in favor of the Company in the year 2019 except for immaterial assessments. The Company, based on the opinion of its tax advisor, is confident of the favourable outcome. Accordingly, no provision has been made in these condensed interim financial statements.
- d) "Alternate Corporate Tax (ACT) was applicable on the Company at rate of 17% of accounting income after certain adjustments as mentioned in section 113(c) of the Income Tax Ordinance, 2001 through Finance Act 2014. Accordingly, the Company had made a provision for ACT for the year ended June 30, 2014 but obtained stay order from the Honourable High Court of Sindh (SHC) against applicability of ACT since tax year 2015 based on the grounds of brought forward losses. Later, the Company has reversed provision previously created of Rs. 131.273 million relating to prior year. Accordingly, the tax provision based on ACT having an aggregated impact of Rs. 761.07 million has not been accounted for in these condensed interim financial statements, instead the Company continues to record the tax provision based on minimum tax under section 113 of the Income Tax Ordinance, 2001 upto tax year 2018. During the year ended June 30, 2019, the Company has adjusted its brought forward losses against taxable income and accordingly, current year provision for that year was based on higher of Corporate Tax or ACT.

During the year ended June 30, 2019, the Company has received demand notice from Deputy Commissioner Inland Revenue (DCIR) of Rs. 187.098 million in respect of a non-payment of Alternate Corporate Tax (ACT) for the tax year 2018. The Company has challenged the applicability of Alternative Corporate Tax vide C.P D-2982 of 2019 before SHC. In this regard, an interim order has been granted by SHC that no coercive action is to be taken against the Company till the pendency of the matter before SHC."

- e) The Company has filed constitutional petition before the Honorable High Court of Sindh (SHC) vide Constitutional Petition No. 2564 of 2014 dated May 15, 2014 challenging vires of Workers Welfare Ordinance, 1971. SHC has admitted constitutional petition for regular hearing and issued interim stay order from recovery of Workers' Welfare Fund (WWF) impugned demand by Federal Board of Revenue for the tax year 2013. The management, based on the opinion of the tax advisor, is expecting favourable outcome on the said matter. Accordingly, no liability for WWF since tax years 2014 to 2020 has been accounted for in these condensed interim financial statements having an aggregate impact of Rs.123.249 million.
- f) The Company has filed a constitutional petition D-4971 of 2017 dated July 28, 2017 in Honorable High Court of Sindh (SHC) against imposition of tax on undistributed profits under Section 5A of Income Tax Ordinance, 2001. The management is confident of the favourable outcome of this petition, as stay has been granted on similar petitions filed by other companies. Although, the Company has complied with the requirements related to distribution of profits for the years but the petition in this regard is still pending before SHC.
- g) Through Finance Act 2015, super tax on listed companies having income equal to or exceeding Rs. 500 million was introduced at the rate of 3%. Being aggrieved, the Company had filed a case before Honourable High Court of Sindh (SHC) and obtained stay order for not taking any coercive action against the Company. Accordingly, no provision of super tax relating to the years 2017 to 2019 for an aggregate amount of Rs. 88.53 million has been recorded in these condensed interim financial statements.

Notes To The Condensed Interim Unconsolidated Financial Information (Unaudited)
For The Half Year Ended December 31, 2019

14.2 The Company has filed a constitutional petition No D-953 of 2020 before Honorable High Court of Sindh (SHC) in respect of notice issued by Office of the Assistant Commissioner (AC) Manghopir, District West Karachi under Section 22 of Sindh Land Revenue Act, 1967 dated December 18, 2019 whereby AC has called the Company to appear before Collector / Deputy Commissioner (DC) West Karachi along with title documents, survey, layout plan, etc. Thereafter, another letter No. DC(W)/341/2020 dated 27 January 2020 addressed to Director General Sindh Building Control Authority (DG-SBCA) was issued by the office of DC West Karachi, wherein DG SBCA was directed to suspend all layout plans approved earlier until further instructions.

Later, SHC in its order dated February 11, 2020 has suspended the aforementioned notice and the letter and has restrained the respondents from any coercive and adverse action against the Company.

Further Company's title of land is absolutely lawful, clean and clear since the Company has obtained all necessary approvals strictly in accordance with the prevailing laws which had been further proven through several investigations by different agencies and courts in Pakistan.

In this regard, the Company has also sought a legal opinion based on which the Company is confident that the said notice and letter will be declared void and the matter shall be decided in the favor of the Company. Currently, the company has no exposure in this regard.

14.3 There are no major changes in the status and nature of other contingencies (i.e. related to former business and legal/other contingencies relating to existing business) and commitments as disclosed in the annual audited financial statements of the Company for the year ended June 30, 2019.

Accordingly, no provisions were made in these condensed interim financial statements.
- c) In year 2018, the deemed assessment orders for the tax years 2013 and 2017 were amended by the taxation authorities creating a demand of Rs. 220.22 million and Rs. 486.162 million, respectively. The Company later filed appeal before CIR(A), which was disposed off during the year ended June 30, 2019 and the demand was enhanced from Rs. 220.22 million to Rs. 324.58 million for tax year 2013. Being aggrieved, the Company filed appeal before ATIR, which were adjudicated in favor of the Company in the year 2019 except for immaterial assessments. The Company, based on the opinion of its tax advisor, is confident of the favourable outcome. Accordingly, no provision has been made in these condensed interim financial statements.
- d) Alternate Corporate Tax (ACT) was applicable on the Company at rate of 17% of accounting income after certain adjustments as mentioned in section 113(c) of the Income Tax Ordinance, 2001 through Finance Act 2014. Accordingly, the Company had made a provision for ACT for the year ended June 30, 2014 but obtained stay order from the Honourable High Court of Sindh (SHC) against applicability of ACT since tax year 2015 based on the grounds of brought forward losses. Later, the Company has reversed provision previously created of Rs. 131.273 million relating to prior year. Accordingly, the tax provision based on ACT having an aggregated impact of Rs. 761.07 million has not been accounted for in these condensed interim financial statements, instead the Company continues to record the tax provision based on minimum tax under section 113 of the Income Tax Ordinance, 2001 upto tax year 2018. During the year ended June 30, 2019, the Company has adjusted its brought forward losses against taxable income and accordingly, current year provision for that year was based on higher of Corporate Tax or ACT.

During the year ended June 30, 2019, the Company has received demand notice from Deputy Commissioner Inland Revenue (DCIR) of Rs. 187.098 million in respect of a non-payment of Alternate Corporate Tax (ACT) for the tax year 2018. The Company has challenged the applicability of Alternative Corporate Tax vide C.P D-2982 of 2019 before SHC. In this regard, an interim order has been granted by SHC that no coercive action is to be taken against the Company till the pendency of the matter before SHC."

Notes To The Condensed Interim Consolidated Financial Information (Unaudited) For The Half Year Ended December 31, 2019

- e) The Company has filed constitutional petition before the Honorable High Court of Sindh (SHC) vide Constitutional Petition No. 2564 of 2014 dated May 15, 2014 challenging vires of Workers Welfare Ordinance, 1971. SHC has admitted constitutional petition for regular hearing and issued interim stay order from recovery of Workers' Welfare Fund (WWF) impugned demand by Federal Board of Revenue for the tax year 2013. The management, based on the opinion of the tax advisor, is expecting favourable outcome on the said matter. Accordingly, no liability for WWF since tax years 2014 to 2020 has been accounted for in these condensed interim financial statements having an aggregate impact of Rs.123.249 million.
- f) The Company has filed a constitutional petition D-4971 of 2017 dated July 28, 2017 in Honorable High Court of Sindh (SHC) against imposition of tax on undistributed profits under Section 5A of Income Tax Ordinance, 2001. The management is confident of the favourable outcome of this petition, as stay has been granted on similar petitions filed by other companies. Although, the Company has complied with the requirements related to distribution of profits for the years but the petition in this regard is still pending before SHC.
- g) Through Finance Act 2015, super tax on listed companies having income equal to or exceeding Rs. 500 million was introduced at the rate of 3%. Being aggrieved, the Company had filed a case before Honourable High Court of Sindh (SHC) and obtained stay order for not taking any coercive action against the Company. Accordingly, no provision of super tax relating to the years 2017 to 2019 for an aggregate amount of Rs. 88.53 million has been recorded in these condensed interim financial statements.

13.2 The Company has filed a constitutional petition No D-953 of 2020 before Honorable High Court of Sindh (SHC) in respect of notice issued by Office of the Assistant Commissioner (AC) Manghopir, District West Karachi under Section 22 of Sindh Land Revenue Act, 1967 dated December 18, 2019 whereby AC has called the Company to appear before Collector / Deputy Commissioner (DC) West Karachi along with title documents, survey, layout plan, etc. Thereafter, another letter No. DC(W)/341/2020 dated 27 January 2020 addressed to Director General Sindh Building Control Authority (DG-SBCA) was issued by the office of DC West Karachi, wherein DG SBCA was directed to suspend all layout plans approved earlier until further instructions.

Later, SHC in its order dated February 11, 2020 has suspended the aforementioned notice and the letter and has restrained the respondents from any coercive and adverse action against the Company.

Further Company's title of land is absolutely lawful, clean and clear since the Company has obtained all necessary approvals strictly in accordance with the prevailing laws which had been further proven through several investigations by different agencies and courts in Pakistan.

In this regard, the Company has also sought a legal opinion based on which the Company is confident that the said notice and letter will be declared void and the matter shall be decided in the favor of the Company. Currently, the company has no exposure in this regard.

13.3 There are no major changes in the status and nature of other contingencies (i.e. related to former business and legal/other contingencies relating to existing business) and commitments as disclosed in the annual audited financial statements of the Company for the year ended June 30, 2019.
