

Telenor Pakistan partners with Systems Limited towards a customer-centric operating model

ISLAMABAD - Mar 24, 2020: Systems Limited - a leading global technology and business process outsourcing service provider based out of Pakistan has partnered with Telenor Pakistan – the leading Telecom service provider in Pakistan, to provide Managed Services for improving operational efficiency and agility. As part of the partnership Systems Limited will enable Telenor Pakistan to redefine the way of work in its technology IT domain, with increased focus on strategy, governance and customer-facing IT solutions. This arrangement will enable both companies to further improve service delivery to the customers.

“We are excited to embark on this strategic partnership with Telenor Pakistan, so their customers consistently receive excellent service,” said Asif Peer, CEO, Systems Limited. “We’re an organization of problem solvers, and our proactive, consultative approach to managing technology ensures that Telenor Pakistan uses effective modern digital solutions to serve their customers in the best way possible. Through this strategic partnership, our technology professionals will offer a comprehensive set of technical and functional expertise to help Telenor Pakistan keep pace with its customers’ evolving needs”.

About Telenor Pakistan
