## PROJECT PROGRESS REPORT (Quarter Ended March 31, 2020)

### OVERVIEW

The report presents an overview of the status of project under implementation of the close of the quarter ended March 31, 2020.

### BACKGROUND

In line its growth strategy, the BOD in its meeting held on September 30, 2019 and on February 27, 2020 had approved the increase in the production capacity and with the completion of above initiatives, the project will become efficient, cost effective and increase profitability and will improve internal cash generation through sale of new product.

Cost of the project and completion time period duly approved by the BOD was largely in line with approval, however a slight variation can be observed due to current pandemic situation and one machine has been added which has been financed by sponsors/directors.
