# Directors' Report - March 2020

On behalf of the Board of Directors, we are pleased to place before you, the unconsolidated condensed interim financial statements of MCB Bank Limited (MCB) for the three months period ended March 31, 2020.

## Introduction

The COVID - 19 pandemic has taken a toll on all economies and emerged as a contagion risk around the globe, including Pakistan. To reduce the impact on businesses and economies in general, regulators / governments across the globe have introduced a host of measures on both the fiscal and economic fronts. The State Bank of Pakistan (SBP) has also responded to the crisis by cutting the Policy Rate by 225 basis points to 11% in March 2020 and again by 200 basis points to 9% on April 16, 2020. Moreover, few schemes covering principal deferments, loan restructuring and salary re-financing have been announced to provide overall relief to borrowers in these testing times.

The Bank is closely monitoring the situation and has invoked required actions to ensure the safety and security of Bank staff while uninterrupted service to its large customer base. The senior management of the Bank is continuously monitoring the situation and is taking timely decisions to resolve any concerns. The risks and related measures adopted by the Bank to mitigate the impact associated with the outbreak of COVID-19 are detailed in note 6 of the unconsolidated financial statements.

MCB's Profit After Tax (PAT) for the three months period ended March 31, 2020 increased by 28% to Rs. 6.519 billion. The strategic maturity profiling of the investments based on the anticipated interest rate calls resulted in a gradual shift from shorter to longer term investments over the last 12 months period, thereby capitalizing on the significant opportunity available. Net interest income rose to Rs. 16.31 billion, 21% higher than the corresponding last period. Analysis of the interest earning assets highlights that income on advances increased by Rs. 1.8 billion, primarily on account of increase in yield of 176bps. On the investment side, gross markup income increased by Rs. 10.94 billion, due to increased average volume by Rs. 207 billion and improved yield of 312bps. On the interest bearing liabilities side, the cost of deposits increased by 197bps as compared to corresponding last period.

On the operating expenses side excluding pension fund, despite the surge in inflationary pressures, the Bank was able to contain the growth in administrative expenses and reported a net decrease of Rs. 24 million as compared to corresponding last period. The control in administrative expense base is resultant of the expense management drive undertaken by the Bank in 2019. The stock market has responded to the COVID-19 pandemic with worrying volatility; resultantly, Bank has recorded a charge of Rs. 765 million against equity investment portfolio. The quality of the loan book is duly reflected in a muted net charge of Rs. 47.3 million for the first quarter 2020.

On the financial position side, the total asset base of the Bank on an unconsolidated basis was reported at Rs. 1.56 trillion depicting an increase of 3% over December 2019. Analysis of the asset mix highlights that net investments increased by Rs. 88

billion (12%) whereas gross advances decreased by Rs 15.5 billion (-3%) over December 2019.

The Non-performing loan (NPLs) base of the Bank recorded a marginal increase of Rs. 511 million and was reported at Rs. 49.93 billion. The Increase was primarily on account of currency devaluation impact of foreign currency denominated NPLs with no significant accretion in the number of cases. The Bank has not taken FSV benefit in calculation of specific provision. The coverage and infection ratios of the Bank were reported at 87.30% and 9.52% respectively.

On the liabilities side, the deposit base of the Bank registered an increase of Rs. 39.38 billion (+3.44%) over December 2019 whereas CASA base increase by 5.35%.

Return on Assets and Return on Equity improved to 1.70% and 17.88% respectively, whereas book value per share was reported at Rs. 123.57.

While complying with the regulatory capital requirements, The Bank's total Capital Adequacy Ratio is 19.51% against the requirement of 11.50% (including capital conservation buffer of 1.50% as reduced under the BPRD Circular Letter No. 12 of 2020). Quality of the capital is evident from Bank's Common Equity Tier-1 (CET1) to total risk weighted assets ratio which comes to 15.38% against the requirement of 6.00%. Bank's capitalization also resulted in a leverage ratio of 6.94% which is well above the regulatory limit of 3.0%. The Bank reported Liquidity Coverage Ratio (LCR) of 218.11% and Net Stable Funding Ratio (NSFR) of 157.55% against requirement of 100.

The Board of Directors has declared interim cash dividend of Rs 5 per share. Earnings per share (EPS) for the period ended March 31, 2020 was Rs. 5.50 per share as compared to Rs. 4.29 for comparative period.

## Ratings

The Bank enjoys highest local credit ratings of AAA/A1+ categories for long term and short term respectively, based on PACRA notification dated June 27, 2019.

## Economy Review

The first quarter of 2020 proved to be challenging for the government due to the outbreak of Novel Coronavirus in Pakistan and the subsequent lock down in the country. The macro-economic variables took a hit in the last month of the quarter despite continued efforts of the government and central bank to combat issues on both, domestic and external fronts.

On the external front, during the first two months of 2020, exports declined by 2.5% while imports contracted by 5%. Workers' remittances, on the other hand, showed a significant growth of 15%, consequently, the current account deficit dropped by 35%. During the first eight months of FY20, current account deficit declined by 71%. In spite of the consistent improvement in the current account, the pressure on the foreign exchange reserves increased towards the end of the quarter because of uncertainty surrounding the impact of coronavirus on the economy. Out of the total investment of USD 3.49bn in government debt during the current fiscal year, foreign investors divested USD 1.8bn in March, 2020. On account of the portfolio outflows and external debt repayments, total foreign exchange reserves of the country declined by USD 1.5bn, while the reserves of SBP decreased by USD 1.6bn in March.

As a result, PKR depreciated by 8.1% against the US Dollar during March, 2020 and stood at PKR 166.7037 at the end of the quarter. During the three month period, PKR recorded a total depreciation of 7.6%. On a fiscal year to date basis, PKR depreciated by 4.2%.

On the domestic front, the government imposed a partial lockdown in the country in March to contain the spread of coronavirus. Consequently, FBR tax collection during the month fell short of its target by Rs261 billion. Moreover, government announced an Economic Relief Package worth PKR 1.2 trillion to combat the impact of the virus on the economy.

Meanwhile, Headline Inflation (Base Year 2015-2016) touched a peak of 14.6% in January, 2020 before dropping to 10.2% in March, 2020. On average, National CPI stood at 12.4% in Q1 of 2020. Declining inflationary trend in the economy due to constrained demand coupled with the need to support the ailing economy under lockdown, the SBP cut its policy rate by a cumulative 225 basis points during the month of March and again by 200 basis points on April 16, 2020. The current policy rate now stands at 9%.

#### Future Outlook

Despite improvement appearing on the macroeconomic front during the first two months of 2020, the remaining year may pose new challenges for the economy of Pakistan as a result of Novel Coronavirus. The main issues that the government has to tackle are the containment of the disease in the country and minimization of economic losses owing to the shutdown of the businesses in the country. The persisting lockdown in Pakistan and major economies across the world is expected to have a negative impact on the projected GDP growth of Pakistan. Other contributors of downward growth projections include decline in imports and exports, reduction in remittances, loss in FBR's revenue, and disruption in food supplies.

#### Appreciation and Acknowledgements

The Board of Directors of MCB Bank Limited would like to thank the Government of Pakistan, the State Bank of Pakistan, the Securities & Exchange Commission of Pakistan and other regulatory bodies for their continued support, all shareholders and customers of the Bank for their trust, and our employees for their continuous dedication and commitment.

For and on behalf of the Board of Directors,

**Imran Maqbool**  
President & CEO,  
MCB Bank Limited  
April 22, 2020

**Mian Umer Mansha**  
Director  
MCB Bank Limited

اس کے نتیجے میں پاکستانی روپیہ میں مارچ 2020ء کے دوران امریکی ڈالر کے مقابلہ میں 8.1 فیصد کی شرح سے فرسودگی ہوئی۔ جو کہ سہ ماہی کے اختتام تک 166.7037 روپے فی ڈالر پر جا پہنچا۔ تین ماہ کے عرصہ کے دوران پاکستانی روپے میں کل 7.6 فیصد کی فرسودگی ہوئی۔ مالی سال میں موجودہ تاریخ تک پاکستانی روپے میں 4.2 فیصد کی فرسودگی ہوئی ہے۔ داخلی محاذ پر حکومت نے مارچ میں کرونا وائرس کے پھیلاؤ کو روکنے کے لیے پورے ملک میں لاک ڈاؤن کا نفاذ کیا گیا، جس کے باعث ایف بی آر (FBR) کی ٹیکس وصولیاں، اس ماہ کے دوران، اپنے ہدف سے 261 بلین روپے کم رہیں۔ علاوہ ازیں، حکومت نے اس وائرس کے معیشت پر اثرات کے تدارک کے لیے 1.2 ٹریلین روپے کے معاشی ریلیف پیکیج کا بھی اعلان کیا ہے۔

دریں اثناء نمایاں افراط زر (برائے بنیادی سال 2016 - 2015)، جنوری 2020ء میں 14 فیصد کی بلند ترین سطح کو چھو کر مارچ 2020ء میں کم ہوتے ہوئے 10.2 فیصد کی شرح پر درج ہوا۔ اوسطاً، قومی سی پی آئی (CPI) سال 2020ء کی پہلی سہ ماہی میں 12.4 فیصد پر رہا۔ محدود طلب کے باعث معیشت میں افراط زر کے گرتے ہوئے رجحان اور اس کے ساتھ جڑی لاک ڈاؤن میں گہری بیمار معیشت کو تقویت پہنچانے کے لیے اسٹیٹ بینک آف پاکستان نے پالیسی ریٹ میں مارچ کے مہینے کے دوران 225 پوائنٹس کی کمی کی ہے۔ موجودہ پالیسی ریٹ اب اس وقت 9 فیصد کی شرح پر ہے۔

#### مستقبل کی پیش بینی

سال 2020ء کے پہلے دو ماہ کے عرصہ کے دوران میکرو اکنامک محاذ پر بہتری اور مثبت پیش رفت کے باوجود پاکستان کی معیشت، سال کے باقی حصہ میں نو دل کرنا وائرس کے پھیلاؤ کے باعث نئے خدشات کا شکار ہے۔ حکومت کو جن اہم امور کا سامنا ہے ان میں ملک میں اس بیماری کے پھیلاؤ کو روکنا اور ملک میں کاروبار کے شٹ ڈاؤن کی وجہ سے ہونے والے معاشی نقصانات کو ان کی کم ترین سطح پر رکھنا شامل ہیں۔ پاکستان اور دنیا بھر میں تمام اہم معیشتوں میں جاری لاک ڈاؤن کی وجہ سے پاکستان کی متوقع جی ڈی پی کی نمو میں منفی اثرات آنے کی توقع ہے۔ نمو اس متوقع تطہیر کے دیگر عوامل میں درآمدات و برآمدات میں کمی، ترسیلات زر کا گرنا، ایف بی آر کی آمدنی کا نقصان اور اشیاء خورد و نوش کی رسد میں رکاوٹیں شامل ہیں۔ آخر میں حکومت کو اس مشکل دور میں کثیر الاطراف ایجنسیوں اور دو طرفہ ذرائع سے زیادہ سے زیادہ مالی سہولت کے حصول کی لازمی کوشش کرنی چاہیے تاکہ کرونا وائرس کی اس وبا سے داخلی محاذ پر درپیش مشکلات سے نبٹا جاسکے۔

#### تحصین و فکر

ایم سی بی بینک کے بورڈ آف ڈائریکٹرز؛ حکومت پاکستان، اسٹیٹ بینک آف پاکستان، سکیورٹیز اینڈ ایکسچینج کمیشن آف پاکستان اور دیگر انضباطی اداروں کا ان کی جاری معاونت کے لیے، بینک کے شیئر ہولڈرز اور صارفین کا ان کے بھرپور اعتماد کے لیے اور اپنے ملازمین کا ان کی مسلسل لگن اور مخلصانہ خدمات پر شکریہ ادا کرتے ہیں۔

بورڈ آف ڈائریکٹرز کی جانب سے ہم ایم سی بی بینک لمیٹڈ (ایم سی بی) کے 31 مارچ 2020ء کو اختتام پذیر سہ ماہی کے غیر مجموعی مختصر و عبوری مالیاتی گوشواروں کا خلاصہ آپ کے سامنے پیش کرتے ہوئے مسرت محسوس کرتے ہیں۔

### ابتدائیہ:

کوڈ - 19 کی عالمگیر وباء نے تمام معیشتوں پر اپنے خنجر گاڑ دیئے ہیں اور پوری دنیا بشمول پاکستان پر ایک متحدہ خدشے کے طور پر نمودار ہوئی ہے۔ کاروبار اور معیشتوں پر عمومی طور پر اس کے اثرات کو کم کرنے کے لیے پوری دنیا کی انتظامیہ حکومتوں نے ضوابطی اور معاشی دونوں محاذوں پر کئی اقدامات اٹھائے ہیں۔ اسٹیٹ بینک آف پاکستان نے بھی اس بحران کے جواب میں مارچ 2020 میں پالیسی ریٹ میں 225 بیسز پوائنٹس کی کٹوتی کے ساتھ 11 فیصد کی شرح اور پھر 16 اپریل 2020ء کو مزید 200 بیسز پوائنٹس کی کمی کے ساتھ اس کی شرح 9 فیصد پر متعین کی ہے۔ علاوہ ازیں، چند اور سیکس میں اور سہولتیں بھی متعارف کروائی ہیں جن میں قرض کی اصل رقم کو مؤخر کرنے، قرضوں کی تھکیل نوآواز اور تنخواہوں کی ادائیگی کے لیے قرض کی فراہمی کا بھی اعلان شامل ہے تاکہ اس مشکل گھڑی میں قرض خواہوں کو مجموعی طور پر آسانی فراہم کی جاسکے۔

بینک اس صورتحال کا بغور جائزہ لے رہا ہے اور اپنے صارفین کی وسیع اساس تک تمام سہولتوں کی بلا تھقل فراہمی کو یقینی بناتے ہوئے اپنے ملازمین کی حفاظت اور سکیورٹی کے لیے تمام ناگزیر اقدامات اٹھا رہا ہے۔ بینک کی اعلیٰ انتظامیہ صورتحال سے مکمل ادراک رکھتے ہوئے بروقت فیصلے کر رہی ہے تاکہ ہر قسم کے مسئلے کا حل نکالا جاسکے۔ کوڈ 19 کے پھیلاؤ سے جڑے خدشات سے بچنے کے لیے بینک نے جن اقدامات اور سرکھوا اختیار کیا ہے انکی تفصیل غیر مجموعی مالیاتی اسٹیٹمنٹوں کے نوٹ نمبر 6 میں درج کی گئی ہے۔

کل تخصیص

اختتامی غیر تخصیص شدہ منافع

31 مارچ 2020 کو اختتام پذیر سہ ماہی کے لیے ایم سی بی کا منافع بعد از ٹیکس 28 فیصد کے اضافے کے 6,519 ملین روپے پر درج ہوا۔ انٹرسٹ ریٹ کے متوقع اتار و چڑھاؤ کی بنیاد پر سرمایہ کی دانشمندانہ مچھوڑی پروفائٹنگ کے باعث ان میں گزشتہ 12 ماہ کے دوران قلیل سے طویل مدت کی سرمایہ کاری میں بتدریج منتقلی کی بدولت دستیاب مواقع سے بھرپور استفادہ حاصل کیا گیا۔ خالص انٹرسٹ آمدنی گزشتہ تقابلی مدت سے 21 فیصد کی بڑھوتی کو ظاہر کرتے ہوئے 16,31 ملین روپے پر درج ہوئی۔ پیداواری اثاثہ جات کا تجزیہ اس امر کا غماز ہے کہ قرضہ جات سے حاصل ہونے والی آمدنی میں 1.8 ملین روپے کا اضافہ ہوا جس کی بنیاد وجہ ریٹ میں 176 بی پی ایس کا اضافہ ہے۔ سرمایہ کاری کے حوالہ سے، اوسط حجم میں 207 ملین روپے کے اضافے اور آمدنی کی شرح میں مجموعی طور پر 312 بی پی ایس کی بہتری کی بدولت کل مارک اپ آمدنی 10.94 ملین روپے تک بڑھ گئی۔ انٹرسٹ کے حامل واجبات کی مد میں ڈیپازٹس کی لاگت میں گزشتہ تقابلی مدت کی نسبت 197 بی پی ایس کا اضافہ ہوا۔

کاروباری اخراجات کی مد میں (ماسوائے بینٹن فنڈ کے) افراط زر میں اضافہ کے دباؤ کے باوجود بینک اپنے انتظامی اخراجات میں بڑھوتی کو محدود رکھنے میں کامیاب رہا اور گزشتہ سال کے تقابلی عرصہ کے موازنے میں 24 ملین روپے کی خالص کمی کو رپورٹ کیا۔ انتظامی اخراجات میں اس کنٹرول اور کمی کی وجہ سال 2019 میں بینک کی جانب سے اخراجات میں کمی کی مہم کا آغاز تھا۔ اسٹاک مارکیٹ نے کوڈ - 19 (Covid - 19) کی عالمگیر وباء پر طیران پذیری اور تشویش کے طے خجلے رد عمل کا اظہار کیا۔ جس کے باعث بینک کو اپنی سرمایہ کاری کے پورٹ فولیو کے لیے 765 ملین روپے کے اخراجات کا تعین کرنا پڑا۔ قرضوں کی معیاری مطابقت میں سال 2020 کی پہلی سہ ماہی کے لیے 47.3 ملین روپے کے خالص اخراجات کے اندراج کی خاموش جھلک نمایاں ہے۔

مالیاتی پوزیشن کی مد میں بینک کے کل اثاثہ جات کی اساس، غیر مجموعی بنیاد پر، دسمبر 2019 سے 3 فیصد کے اضافہ کے ساتھ 1.56 ٹریلین روپے پر ریکارڈ ہوئی۔ اثاثہ جات کی ترکیب کا جائزہ سے امر واضح ہوتا ہے کہ خالص سرمایہ کاری میں 88 ملین روپے (12 %) کا اضافہ ہوا جبکہ کل قرضہ جات میں دسمبر 2019 کے مقابلہ میں 15.5 بلین روپے (3 -) کی کمی درج ہوئی۔

بینک کے غیر فعال قرضہ جات 511 ملین روپے کے معمولی اضافہ کے ساتھ 49.93 بلین روپے پر رپورٹ کئے گئے۔ اس اضافہ کے بنیادی عوامل میں غیر ملکی کرنسی سے متعلقہ غیر فعال قرضوں پر پاکستانی روپے کی قدر میں کمی کے اثرات تھے جبکہ کھاتوں کی جملہ تعداد میں کوئی قابل ذکر اضافہ نہیں دیکھا گیا۔ بینک نے مخصوص اخراجات (پروویژن) کا شمار کرتے ہوئے جبری فروخت (FSV) کے دستیاب فوائد کو شامل نہیں کیا۔ بینک کی کوریج (Coverage) اور انفیکشن (Infection) کی شرح بالترتیب 87.30 فیصد اور 9.52 فیصد پر رپورٹ ہوئیں۔

واجبات کے حوالہ سے، بینک کے ڈیپازٹس کی اساس میں دسمبر 2019 کی نسبت 39.38 ملین روپے (3.44 +) کا اضافہ درج کیا گیا جبکہ کاسا (CASA) کی اساس میں 5.35 فیصد کی بڑھوتی ہوئی۔

اثاثہ جات کی آمدنی اور سرمائے کی آمدنی کی شرح بہتر ہوتے ہوئے بالترتیب 1.70 فیصد اور 17.88 فیصد پر درج ہوئیں جبکہ بلیو 123.57 روپے فی شیئر پر رپورٹ ہوئی۔ سرمائے کے ضوابط کی مطلوبہ کی تعمیل کرتے ہوئے بینک کے کل سرمائے کی معقولیت (کیپٹل ایڈیکوئیسی) 11.50 فیصد کی مطلوبہ شرح کی نسبت 19.51 فیصد پر رہی (جس میں 2020ء کے بی پی آر ڈی (BPRD) سرکلر لیٹر نمبر 12 کے تحت سرمایہ کو تحفظ دینے کے لیے 1.50 فیصد کی تحلیل کی شرح شامل ہے)۔ سرمایہ کے اعلیٰ معیار کا اظہار بینک کی کامن ایکویٹی ٹائر - I - CETI - Common Equity Tier - I سے کل رسک ویٹڈ اسٹس (Risk Weighted Assets) کی شرح سے ہوتا جو کہ 6.00 فیصد کی مطلوبہ حد کے مقابلہ 15.38 فیصد کی شرح پر درج کی گئی۔ بینک کی کیپٹل ایزیشن کے نتیجے میں لیورج (Leverage) کی شرح بھی 3.0 فیصد کی ضوابط کی حد سے نمایاں اضافہ کے ساتھ 6.94 فیصد پر جا پہنچی۔ بینک نے لیکویڈٹی کوریج ریشو (LCR - Liquidity Coverage Ratio) کو 218.11 فیصد اور نیٹ سٹیبل فنڈنگ ریشو (NSFR - Net Stable Funding Ratio) کو 100 کی مطلوبہ شرح کی نسبت 157.55 فیصد پر رپورٹ کیا۔

بورڈ آف ڈائریکٹرز نے 5 روپے فی شیئر کے عبوری کیش ڈیپازٹ کا اعلان کیا ہے۔

31 مارچ 2020ء کے اختتام پر بینک کی فی شیئر آمدنی اپنے تقابلی عرصہ کی 4.29 روپے فی شیئر کی سطح کی نسبت 5.50 روپے فی شیئر پر درج کی گئی۔

### ریٹنگز:

پاکرا (PACRA) کے نوٹیفیکیشن بتاریخ 27 جون 2019 کی بنیاد پر بینک، طویل اور قلیل مدت کی بالترتیب AAA اور A1+ کی بلند ترین کریڈٹ ریٹنگز کے مستفید ہو رہا ہے۔

### معاشی جائزہ:

سال 2020 کی پہلی سہ ماہی پاکستان میں نودل کرونا وائرس کے پھیلاؤ اور اس کے نتیجے میں ملک میں ہونے والے لاک ڈاؤن کے باعث حکومت کے لیے مشکلات کا سبب رہی حکومت اور اسٹیٹ بینک کی جانب سے داخلی اور بیرونی دونوں محاذوں سے نبرد آزما ہونے کے لیے جاری اقدامات کے باوجود سہ ماہی کے آخری مہینے میں میکرو اکنامک تغیرات پرکاری ضرب پڑی۔

بیرونی محاذ پر سال 2020ء کے پہلے دو ماہ کے دوران برآمدات میں 2.5 فیصد کی کمی ہوئی جبکہ درآمدات 5 فیصد تک سکڑ گئیں۔ دوسری طرف افرادی تر سیلات زرمیں 15 فیصد کی نمایاں افزائش ہوئی جس کے نتیجے میں کرنٹ اکاؤنٹ خسارہ میں 35 فیصد کی کمی کا اندراج ہوا۔ مالی سال 2020ء کے آٹھ ماہ کے عرصہ کے دوران کرنٹ اکاؤنٹ خسارے میں مجموعی طور پر 71 فیصد کی کمی ہوئی۔ کرنٹ اکاؤنٹ میں اس مسلسل بہتری کے باوجود اس سہ ماہی کے اختتام تک، معیشت پر کرونا وائرس کے اثرات کی غیر یقینی کی صورتحال کے باعث، غیر ملکی زرمبادلہ کے ذخائر پر دباؤ میں اضافہ ہوا۔ رواں مالی سال کے دوران حکومتی تسکات کی 3.49 بلین امریکی ڈالرز کی کل سرمایہ کاری میں سے غیر ملکی سرمایہ کاروں نے مارچ 2020ء میں 1.8 بلین امریکی ڈالرز واپس نکلا لیے۔ پورٹ فولیو آؤٹ فلو (Out Flows) اور بیرونی قرضوں کی ادائیگیوں کے حوالہ سے ملک کے مجموعی زرمبادلہ کے ذخائر میں 1.5 بلین امریکی ڈالرز کی کمی ہوئی جبکہ اسٹیٹ بینک آف پاکستان کے ذخائر میں مارچ کے دوران 1.6 بلین امریکی ڈالرز کی کمی ریکارڈ ہوئی۔

**Notes to the Unconsolidated Condensed Interim Financial Statements (Un-audited)**  
For the three months period ended March 31, 2020

**1. STATUS AND NATURE OF BUSINESS**

MCB Bank Limited (the 'Bank') is a banking company incorporated in Pakistan and is engaged in commercial banking and related services. The Bank's ordinary shares are listed on the Pakistan stock exchange. The Bank's Registered Office and Principal Office are situated at MCB -15 Main Gulberg, Lahore. The Bank operates 1,399 branches (2019: 1,399 branches) within Pakistan and 11 branches (2019: 11 branches) outside Pakistan (including the Karachi Export Processing Zone branch).

**2. BASIS OF PREPARATION**

**2.1** These unconsolidated condensed interim financial statements represent separate financial statements of MCB Bank Limited. The consolidated condensed interim financial statements of the Group are being issued separately.

**2.2** In accordance with the directives of the Federal Government regarding the shifting of the banking system to Islamic modes, the State Bank of Pakistan has issued various circulars from time to time. Permissible forms of trade-related modes of financing include purchase of goods by banks from their customers and immediate resale to them at appropriate profit in price on deferred payment basis. The purchases and sales arising under these arrangements are not reflected in these unconsolidated condensed interim financial statements as such but are restricted to the amount of facility actually utilized and the appropriate portion of profit thereon.

**2.3** The unconsolidated condensed interim financial statements are presented in Pak Rupees, which is the Bank's functional and presentation currency. The amounts are rounded off to the nearest thousand.

**2.4** These unconsolidated condensed interim financial statements have been prepared under the historical cost convention except that certain classes of fixed assets and non-banking assets acquired in satisfaction of claims are stated at revalued amounts and certain investments and derivative financial instruments have been marked to market and are carried at fair value. In addition, obligations in respect of staff retirement benefits are carried at present value.

**3. STATEMENT OF COMPLIANCE**

**3.1** These unconsolidated condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;

- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017;

- Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017; and

- Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP).

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IAS 34 or IFAS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives, shall prevail.

**3.2** The State Bank of Pakistan has deferred the applicability of International Accounting Standard (IAS) 39, 'Financial Instruments: Recognition and Measurement' and IAS 40, 'Investment Property' for Banking Companies through BSD Circular No. 10 dated August 26, 2002. The Securities and Exchange Commission of Pakistan (SECP) has deferred applicability of IFRS-7 "Financial Instruments: Disclosures" on banks through S.R.O 411(1) /2008 dated April 28, 2008. Accordingly, the requirements of these standards have not been considered in the preparation of these unconsolidated condensed interim financial statements. However, investments have been classified and valued in accordance with the requirements prescribed by the State Bank of Pakistan through various circulars.

**3.3** The SECP vide its notification SRO 633 (I)/2014 dated 10 July 2014, adopted IFRS 10 effective from the periods starting from June 30, 2014. However, vide its notification SRO 56 (I)/2016 dated January 28, 2016, it has been notified that the requirements of IFRS 10 and section 228 of the Companies Act, 2017 will not be applicable with respect to the investment in mutual funds established under trust structure.

**3.4** The disclosures made in these unconsolidated condensed interim financial statements have been limited based on a format prescribed by the SBP vide BPRD Circular Letter No. 05 of 2019 dated March 22, 2019 and IAS 34, Interim Financial Reporting. The condensed interim financial statements do not include all the information and disclosures required in the audited annual financial statements, and should be read in conjunction with the audited annual unconsolidated financial statements for the financial year ended December 31, 2019.

**3.5 Amendments to approved accounting standards that are effective in the current period**

There are certain new standards and interpretations of and amendments to existing accounting standards that have become applicable to the Bank for accounting periods beginning on or after January 1, 2020. These are considered either to not be relevant or not to have any significant impact on the Bank's unconsolidated condensed interim financial statements.

**Notes to the Unconsolidated Condensed Interim Financial Statements (Un-audited)**  
For the three months period ended March 31, 2020

**3.6 Standards, interpretations of and amendments to approved accounting standards that are not yet effective**

The following new standards and amendments to existing accounting standards will be effective from the dates mentioned below against the respective standard or amendment:

	Effective date (annual periods beginning on or after)
IAS 1, Presentation of Financial Statements (Amendments)	JANUARY 1, 2022
IFRS 17, Insurance Contracts	JANUARY 1, 2021

The SECP, through SRO 229(I)/2019 dated February 14, 2019, has notified that IFRS 9, Financial Instruments, is applicable for accounting periods ending on or after June 30, 2019. However, as per BPRD Circular No. 04 of 2019 dated October 23, 2019 of SBP, effective date of IFRS 9 implementation is January 01, 2021.

IFRS 9, Financial Instruments: Classification and Measurement, addresses recognition, classification, measurement and derecognition of financial assets and financial liabilities. The standard has also introduced a new impairment model for financial assets which requires recognition of impairment charge based on an 'expected credit losses' (ECL) approach rather than the 'incurred credit losses' approach as currently followed. The ECL approach has an impact on all assets of the Bank which are exposed to credit risk. The Bank is in the process of assessing the full impact of this standard.

There are other new and amended standards and interpretations that are mandatory for the Bank's accounting periods beginning on or after January 1, 2021 but are considered not to be relevant or do not have any significant effect on the Bank's operations and are therefore not detailed in these unconsolidated financial statements.

**4 SIGNIFICANT ACCOUNTING POLICIES**

The significant accounting policies and methods of computation adopted in the preparation of these unconsolidated condensed interim financial statements are consistent with those applied in the preparation of the audited annual unconsolidated financial statements of the Bank for the year ended December 31, 2019.

**5 CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS**

The basis for accounting estimates adopted in the preparation of these unconsolidated condensed interim financial statements are the same as that applied in the preparation of the unconsolidated financial statements for the year ended December 31, 2019.

**6 FINANCIAL RISK MANAGEMENT**

The financial risk management objectives and policies adopted by the Bank are consistent with those disclosed in the unconsolidated financial statements for the year ended December 31, 2019. These risk management policies continue to remain robust and the Bank is reviewing its portfolio regularly and conducts rapid portfolio reviews in line with emerging risks.

The COVID - 19 pandemic has taken a toll on all economies and emerged as a contagion risk around the globe, including Pakistan. To reduce the impact on businesses and economies in general, regulators / governments across the globe have introduced a host of measures on both the fiscal and economic fronts.

The State Bank of Pakistan (SBP) has also responded to the crisis by cutting the Policy Rate by 225 basis points to 11% in March 2020 and again by 200 basis points to 9% on April 16, 2020. Other regulatory measures to provide an impetus to economic activity include the following:

- Reduction in the capital conservation buffer by 100 basis points to 1.5%;
- Increasing the regulatory limit on extension of credit to SMEs to Rs 180 million;
- Relaxing the debt burden ratio for consumer loans from 50% to 60%;
- Allowing banks to defer borrowers' principal loan payments by one year; and
- Relaxing regulatory criteria for restructured/rescheduled loans for borrowers who require relief of principal repayment exceeding one year and / or mark-up.

COVID 19 has impacted the banks in Pakistan from various facets which include muted credit risk increase reduced fee income due to slowdown in economic activity, branch closures and cyber security threat management.

**6.1 Credit Risk Management**

The Risk Management function of the Bank is regularly conducting assessments of the credit portfolio to identify borrowers most likely to get affected due to changes in the business and economic environment. The Bank has further strengthened its risk appetite and related credit review procedures in the light of COVID-19, which would insulate the Bank from any unforeseen shock.

**6.2 Liquidity Risk Management**

The Asset and Liability Committee (ALCO) of the Bank is continuously monitoring the liquidity position and the Bank is confident that the liquidity buffer currently maintained is sufficient to address any requirement, as reflected by the cushion in liquidity ratios above the statutory requirement.

**6.3 Equity Risk Management**

During the current quarter the Pakistan Stock Exchange fell by 28%, triggering an impairment of Rs 3,053.209 million. The Bank has only recorded an impairment of Rs 765.363 million in the first quarter and has deferred the recognition of the remaining impairment to the remainder part of the calendar year 2020 as allowed State Bank of Pakistan.

**Notes to the Unconsolidated Condensed Interim Financial Statements (Un-audited)**  
For the three months period ended March 31, 2020

**6.4 Operational Risk Management**

The Bank is closely monitoring the situation and has invoked required actions to ensure the safety and security of Bank staff while ensuring uninterrupted service to customers. The senior management of the Bank is continuously monitoring the situation and is taking timely decisions to resolve any concerns.

Business Continuity Plans (BCP) for respective areas are in place and duly tested. The Bank has significantly enhanced monitoring of cyber security risk during these times. The remote work capabilities were enabled for staff, where required and related risk and control measures were assessed to ensure that the Bank's assets are protected from emerging cyber threats and comply with the regulatory protocols. The Bank is communicating with its customers for their financial transactions to be conducted through digital channel offerings. The Bank has taken all measures to ensure that service levels are maintained, customer complaints are resolved and turnaround times are monitored to meet customer requirements and expectations.

**6.5 Capital Adequacy Ratio (CAR)**

In order to encourage Banks to continue lending, the SBP has relaxed the Capital Conversion Buffer (CCB) requirements to 1.5%, resulting in a 1% decline in CAR requirements for all Tiers.

11.3.1 State Bank of Pakistan vide BSD Circular No. 2 dated January 27, 2009, BSD Circular No. 10 dated October 20, 2009, BSD Circular No. 02 of 2010 dated June 03, 2010 and BSD Circular No.1 of 2011 dated October 21, 2011 has allowed benefit of forced sale value (FSV) of Plant & Machinery under charge, pledged stock and mortgaged residential, commercial & industrial properties (land and building only) held as collateral against NPLs for five years from the date of classification. However, management has not taken the FSV benefit in calculation of specific provision.

11.3.2 General provision against consumer loans represents provision maintained against fully secured performing portfolio and unsecured performing portfolio as required by the Prudential Regulations issued by the SBP. General provision against Small Enterprise Finance represents provision maintained at an amount equal to 1% of unsecured performing portfolio as required by the Prudential Regulations issued by the SBP. General provisions pertaining to overseas advances are made in accordance with the requirements of the regulatory authorities of the respective countries in which the overseas branches operate. General provision against all other advances represents provision maintained at around 0.1% of gross advances.

12. FIXED ASSETS

		<u>78,842,984</u>	<u>77,591,253</u>

**21.1** Under IFRS-3 a bargain purchase represents an economic gain which should be immediately recognized by the acquirer as income. However, the amount of bargain purchase gain was not been taken to the profit and loss account as the SBP, through its letter BPRD(R&PD)/2017/14330 dated June 13, 2017 recommended that the amount of gain may be routed directly into equity as a Non-distributable Capital Reserve (NCR). The NCR may become available for distribution through a stock dividend only with prior approval of the SBP. The Bank, before distribution of the gain as a stock dividend, may adjust any subsequent provisions/deficit, assessed by the Bank or recommended by the Banking Inspection Department of SBP, in the acquired assets and liabilities of NIB Bank Limited against the NCR.

**21.2** Statutory reserve represents amount set aside as per the requirements of section 21 of the Banking Companies Ordinance, 1962.

# MCB Bank Limited

## Notes to the Unconsolidated Condensed Interim Financial Statements (Un-audited) For the three months period ended March 31, 2020

23.2.4 The Bank makes commitments to extend credit in the normal course of its business but these being revocable commitments do not attract any significant penalty or expense if the facility is unilaterally withdrawn.

### 23.3 Other contingent liabilities

Claims against the Bank not acknowledged as debts

23.3.1 These represent certain claims by third parties against the Bank, which are being contested in the Courts of law. The management is of the view that these relate to the normal course of business and the possibility of an outflow of economic resources is remote.

### 23.4 Taxation

For assessment year 1988-89 through tax year 2018, the tax department disputed Bank's treatment on certain issues, where the Bank's appeals are pending at various appellate forums, entailing an additional tax liability of Rs. 1,487 million (2019: Rs. 1,487 million). Such issues inter alia principally include disallowance of expenses for non deduction of withholding tax and non availability of underlying records, provision for non performing loans, attribution of expenses to heads of income other than income from business and disallowance of credit for taxes paid in advance / deducted at source.

The Bank has filed appeals which are pending at various appellate forums. In addition, certain decisions made in favour of the Bank are being contested by the department at higher forums. No provision has been made in the financial statements regarding the aforesaid additional tax demand and already issued favourable decisions where the department is in appeal, as the management is of the view that the issues will be decided in the Bank's favour as and when these are taken up by the Appellate Authorities.

**35. FAIR VALUE MEASUREMENTS**

The fair value of traded investments is based on quoted market prices, except for tradable securities classified by the Bank as 'held to maturity'. Quoted securities classified as held to maturity are carried at amortised cost. Fair value of unquoted equity investments other than investments in associates and subsidiaries is determined on the basis of break up value of these investments as per the latest available financial statements.

Fair value of fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to absence of current and active market for such assets and liabilities and reliable data regarding market rates for similar instruments.

In the opinion of the management, the fair value of the financial assets and financial liabilities are not significantly different from their carrying values since assets and liabilities are either short-term in nature or re-priced over short term.

**35.1 Fair value of financial assets**

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

- Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

**Valuation techniques used in determination of fair valuation of financial instruments within level 2**

Item	Valuation approach and input used
Federal Government securities	The fair values of Federal Government securities are determined using the PKRV rates.
Term Finance and Bonds	Investments in debt securities (comprising term finance certificates, bonds and any other security issued by a company or a body corporate for the purpose of raising funds in the form of redeemable capital) are valued on the basis of the rates announced by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by the Securities and Exchange Commission of Pakistan.
Foreign exchange contracts	The valuation has been determined by interpolating the mid rates announced by the State Bank of Pakistan.
Derivatives	The fair values of derivatives which are not quoted in active markets are determined by using valuation techniques. The valuation techniques take into account the relevant underlying parameters including foreign currency involved, interest rates, yield curves, volatilities, contracts duration etc.
Operating fixed assets (land and building) & NBA	Land and buildings are revalued every three years using professional valuers on the panel of Pakistan Banker's Association. The valuation is based on their assessment of market value of the properties.

The Bank's policy is to recognise transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred. There were no transfers between levels 1 and 2 during the year.

**(a) Financial instruments in level 1**

Financial instruments included in level 1 comprise of investments in listed ordinary shares and units of mutual funds.

**(b) Financial instruments in level 2**

Financial instruments included in level 2 comprise of Sukuk Bonds, Pakistan Investment Bonds, Market Treasury Bills, Term Finance certificates, FX options, Cross Currency Swaps, Interest Rate Swaps and Forward Exchange Contracts.

**(c) Financial instruments in level 3**

Currently, no financial instruments are classified in level 3.

The table below analyses the financial and non-financial assets carried at fair values, by valuation methods. For financial assets, the Bank essentially carries its investments in debt and equity securities at fair values. Valuation of investments is carried out as per guidelines specified by the SBP. In case of non-financial assets, the Bank has adopted revaluation model (as per IAS 16) in respect of land and building.

MCB Bank Limited & Subsidiary Companies

Notes To The Consolidated Condensed Interim Financial Statements (Un-audited)  
For the three months period ended March 31, 2020

1. STATUS AND NATURE OF BUSINESS

The Group consists of:  
- Holding Company - MCB Bank Limited

Subsidiary Companies	"Percentage holding of MCB Bank Limited"
- MCB Financial Services Limited	100%
- MCB - Arif Habib Savings and Investments Limited	51.33%
- MCB Non-Bank Credit Organization " Closed Joint Stock Company"	99.94%
- MCB Islamic Bank Limited	100%
- Financial Management Services (Private) Limited	95.90%

MCB Bank Limited (the 'Bank') is a banking company incorporated in Pakistan and is engaged in commercial banking and related services. The Bank's ordinary shares are listed on the Pakistan stock exchange. The Bank's Registered Office and Principal Office are situated at MCB -15 Main Gulberg, Lahore. The Bank operates 1,399 branches (2019: 1,399 branches) within Pakistan and 11 branches (2019: 11 branches) outside Pakistan (including the Karachi Export Processing Zone branch).

- 1.1 The board of directors of the Bank has approved the winding up of Financial & Management Services ( Private) Limited. The Bank holds 95.90% shareholding of the Company.
- 1.2 The Bank is in the process of disposal of its wholly owned subsidiary "MCB Financial Services Limited" subject to all regulatory and shareholders approvals.

2. BASIS OF PREPARATION

2.1 These consolidated financial statements include the financial statements of MCB Bank Limited and its subsidiary companies.

- a. Subsidiaries are all entities over which the Group has the power to govern the financial and operating policies accompanying a shareholding of more than one half of the voting rights. The existence and effect of potential voting rights that are currently exercisable are considered when assessing whether the Group controls another entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are de-consolidated from the date when control ceases. The assets and liabilities of subsidiary companies have been consolidated on a line by line basis based in the financial statements for the three months ended March 31, 2020 and the carrying value of investments held by the Group is eliminated against the subsidiaries' shareholders' equity in these consolidated condensed interim financial statements. Material intra-Group balances and transactions have been eliminated.
- b. Associates are entities over which the Group has significant influence but not control. Investments in associates are accounted for under the equity method of accounting and are initially recognised at cost, thereafter adjusted for the post-acquisition change in the Group's share of net assets of the associates. The cumulative post-acquisition movements are adjusted in the carrying amount of the investment. Accounting policies of the associates have been changed where necessary to ensure consistency with the policies adopted by the Group. The Group's share in associates have been accounted for based on the financial statements for the three months ended March 31, 2020.
- c. Non-controlling interest is that part of the net results of operations and of net assets of subsidiary companies attributable to interests which are not owned by the Group.

2.2 In accordance with the directives of the Federal Government regarding the shifting of the banking system to Islamic modes, the State Bank of Pakistan has issued various circulars from time to time. Permissible forms of trade-related modes of financing include purchase of goods by banks from their customers and immediate resale to them at appropriate profit in price on deferred payment basis. The purchases and sales arising under these arrangements are not reflected in these consolidated condensed interim financial statements as such but are restricted to the amount of facility actually utilized and the appropriate portion of profit thereon.

The financial results of the Group's Islamic Banking business have been consolidated in these financial statements for reporting purposes, after eliminating material inter-group transactions / balances. Key financial figures of the Islamic Banking business are disclosed in note 39 to these consolidated condensed interim financial statements.

2.3 The consolidated condensed interim financial statements are presented in Pak Rupees, which is the Group's functional and presentation currency. The amounts are rounded off to the nearest thousand.

2.4 These consolidated condensed interim financial statements have been prepared under the historical cost convention except that certain classes of fixed assets and non-banking assets acquired in satisfaction of claims are stated at revalued amounts and certain investments and derivative financial instruments have been marked to market and are carried at fair value. In addition, obligations in respect of staff retirement benefits are carried at present value.

MCB Bank Limited & Subsidiary Companies

Notes To The Consolidated Condensed Interim Financial Statements (Un-audited)  
For the three months period ended March 31, 2020

3. STATEMENT OF COMPLIANCE

3.1 These consolidated condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017;
- Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017; and
- Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP).

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IAS 34 or IFAS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives, shall prevail.

3.2 The State Bank of Pakistan has deferred the applicability of International Accounting Standard (IAS) 39, 'Financial Instruments: Recognition and Measurement' and IAS 40, 'Investment Property' for Banking Companies through BSD Circular No. 10 dated August 26, 2002. The Securities and Exchange Commission of Pakistan (SECP) has deferred applicability of IFRS-7 "Financial Instruments: Disclosures" on banks through S.R.O 411(1) /2008 dated April 28, 2008. Accordingly, the requirements of these standards have not been considered in the preparation of these consolidated condensed interim financial statements. However, investments have been classified and valued in accordance with the requirements prescribed by the State Bank of Pakistan through various circulars.

3.3 The SECP vide its notification SRO 633 (I)/2014 dated 10 July 2014, adopted IFRS 10 effective from the periods starting from June 30, 2014. However, vide its notification SRO 56 (I)/2016 dated January 28, 2016, it has been notified that the requirements of IFRS 10 and section 228 of the Companies Act, 2017 will not be applicable with respect to the investment in mutual funds established under trust structure.

3.4 The disclosures made in these consolidated condensed interim financial statements have been limited based on a format prescribed by the SBP vide BPRD Circular Letter No. 05 of 2019 dated March 22, 2019 and IAS 34, Interim Financial Reporting. The consolidated condensed interim financial statements do not include all the information and disclosures required in the audited annual financial statements, and should be read in conjunction with the audited annual consolidated financial statements for the financial year ended December 31, 2019.

3.5 Amendments to approved accounting standards that are effective in the current period

There are certain new standards and interpretations of and amendments to existing accounting standards that have become applicable to the Group for accounting periods beginning on or after January 1, 2020. These are considered either to not be relevant or not to have any significant impact on the Group's consolidated condensed interim financial statements.

3.6 Standards, interpretations of and amendments to approved accounting standards that are not yet effective

The following new standards and amendments to existing accounting standards will be effective from the dates mentioned below against the respective standard or amendment:

	Effective date (annual periods beginning on or after)
IAS 1, Presentation of Financial Statements (Amendments)	JANUARY 1, 2022
IFRS 17, Insurance Contracts	JANUARY 1, 2021

The SECP, through SRO 229(I)/2019 dated February 14, 2019, has notified that IFRS 9, Financial Instruments, is applicable for accounting periods ending on or after June 30, 2019. However, as per BPRD Circular No. 04 of 2019 dated October 23, 2019 of SBP, effective date of IFRS 9 implementation is January 01, 2021.

IFRS 9, Financial Instruments: Classification and Measurement, addresses recognition, classification, measurement and derecognition of financial assets and financial liabilities. The standard has also introduced a new impairment model for financial assets which requires recognition of impairment charge based on an 'expected credit losses' (ECL) approach rather than the 'incurred credit losses' approach as currently followed. The ECL approach has an impact on all assets of the Group which are exposed to credit risk. The Group is in the process of assessing the full impact of this standard.

There are other new and amended standards and interpretations that are mandatory for the Group's accounting periods beginning on or after January 1, 2021 but are considered not to be relevant or do not have any significant effect on the Group's operations and are therefore not detailed in these consolidated financial statements.

## MCB Bank Limited & Subsidiary Companies

### Notes To The Consolidated Condensed Interim Financial Statements (Un-audited) For the three months period ended March 31, 2020

#### 4. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies and methods of computation adopted in the preparation of these consolidated condensed interim financial statements are consistent with those applied in the preparation of the audited annual consolidated financial statements of the Bank for the year ended December 31, 2019.

#### 5. CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The basis for accounting estimates adopted in the preparation of these consolidated condensed interim financial statements are the same as that applied in the preparation of the consolidated financial statements for the year ended December 31, 2019.

#### 6. FINANCIAL RISK MANAGEMENT

The financial risk management objectives and policies adopted by the Group are consistent with those disclosed in the consolidated financial statements for the year ended December 31, 2019. These risk management policies continue to remain robust and the Group is reviewing its portfolio regularly and conducts rapid portfolio reviews in line with emerging risks.

The COVID - 19 pandemic has taken a toll on all economies and emerged as a contagion risk around the globe, including Pakistan. To reduce the impact on businesses and economies in general, regulators / governments across the globe have introduced a host of measures on both the fiscal and economic fronts.

The State Bank of Pakistan (SBP) has also responded to the crisis by cutting the Policy Rate by 225 basis points to 11% in March 2020 and again by 200 basis points to 9% on April 16, 2020. Other regulatory measures to provide an impetus to economic activity include the following:

- Reduction in the capital conservation buffer by 100 basis points to 1.5%;
- Increasing the regulatory limit on extension of credit to SMEs to Rs 180 million;
- Relaxing the debt burden ratio for consumer loans from 50% to 60%;
- Allowing banks to defer borrowers' principal loan payments by one year; and
- Relaxing regulatory criteria for restructured/rescheduled loans for borrowers who require relief of principal repayment exceeding one year and / or mark-up.

COVID 19 has impacted the banks in Pakistan from various facets which include muted credit risk increase reduced fee income due to slowdown in economic activity, branch closures and cyber security threat management.

##### 6.1 Credit Risk Management

The Risk Management function of the Group is regularly conducting assessments of the credit portfolio to identify borrowers most likely to get affected due to changes in the business and economic environment. The Group has further strengthened its risk appetite and related credit review procedures in the light of COVID-19, which would insulate the Group from any unforeseen shock.

##### 6.2 Liquidity Risk Management

The Asset and Liability Committee (ALCO) of the Group is continuously monitoring the liquidity position and the Group is confident that the liquidity buffer currently maintained is sufficient to address any requirement, as reflected by the cushion in liquidity ratios above the statutory requirement.

##### 6.3 Equity Risk Management

During the current quarter the Pakistan Stock Exchange fell by 28%, triggering an impairment of Rs 3,053.209 million. The Group has only recorded an impairment of Rs 765.363 million in the first quarter and has deferred the recognition of the remaining impairment to the remainder part of the calendar year 2020 as allowed State Bank of Pakistan.

##### 6.4 Operational Risk Management

The Group is closely monitoring the situation and has invoked required actions to ensure the safety and security of Group staff while ensuring uninterrupted service to customers. The senior management of the Bank is continuously monitoring the situation and is taking timely decisions to resolve any concerns.

Business Continuity Plans (BCP) for respective areas are in place and duly tested. The Group has significantly enhanced monitoring of cyber security risk during these times. The remote work capabilities were enabled for staff, where required and related risk and control measures were assessed to ensure that the Group's assets are protected from emerging cyber threats and comply with the regulatory protocols. The Group is communicating with its customers for their financial transactions to be conducted through digital channel offerings. The Group has taken all measures to ensure that service levels are maintained, customer complaints are resolved and turnaround times are monitored to meet customer requirements and expectations.

##### 6.5 Capital Adequacy Ratio (CAR)

In order to encourage Group to continue lending, the SBP has relaxed the Capital Conversion Buffer (CCB) requirements to 1.5%, resulting in a 1% decline in CAR requirements for all Tiers.

11.3.1 State Bank of Pakistan vide BSD Circular No. 2 dated January 27, 2009, BSD Circular No. 10 dated October 20, 2009, BSD Circular No. 02 of 2010 dated June 03, 2010 and BSD Circular No. 1 of 2011 dated October 21, 2011 has allowed benefit of forced sale value (FSV) of Plant & Machinery under charge, pledged stock and mortgaged residential, commercial & industrial properties (land and building only) held as collateral against NPLs for five years from the date of classification. The Bank (holding company) has not taken the FSV benefit in calculation of specific provision. However, one of the subsidiary of the Bank has availed benefit of forced sale values amounting to Rs.198.219 million (December 31, 2019: Rs.178.374 million) in determining the provisioning against non-performing Islamic financing and related assets as at March 31, 2020. The additional benefit on the Bank's statement of profit and loss arising from availing the FSV benefit - net of tax amounts to Rs 128.842 million as at March 31, 2020 (December 31, 2019: Rs 115.943 million). However, the additional impact on profitability arising from availing the benefit of forced sales value is not available for payment of cash or stock dividends to shareholders.

11.3.2 General provision against consumer loans represents provision maintained against fully secured performing portfolio and unsecured performing portfolio as required by the Prudential Regulations issued by the SBP. General provision against Small Enterprise Finance represents provision maintained at an amount equal to 1% of unsecured performing portfolio as required by the Prudential Regulations issued by the SBP. General provisions pertaining to overseas advances are made in accordance with the requirements of the regulatory authorities of the respective countries in which the overseas branches operate. General provision against all other advances represents provision maintained at around 0.1% of gross advances.

General reserve	18,600,000	18,600,000
	79,159,653	77,894,829

**21.1** Under IFRS-3 a bargain purchase represents an economic gain which should be immediately recognized by the acquirer as income. However, the amount of bargain purchase gain was not been taken to the profit and loss account as the SBP, through its letter BPRD(R&PD)/2017/14330 dated June 13, 2017 recommended that the amount of gain may be routed directly into equity as a Non-distributable Capital Reserve (NCR). The NCR may become available for distribution through a stock dividend only with prior approval of the SBP. The Bank, before distribution of the gain as a stock dividend, may adjust any subsequent provisions/deficit, assessed by the Bank or recommended by the Banking Inspection Department of SBP, in the acquired assets and liabilities of NIB Bank Limited against the NCR.

**21.2** Statutory reserve represents amount set aside as per the requirements of section 21 of the Banking Companies Ordinance, 1962.

## MCB Bank Limited & Subsidiary Companies

### Notes To The Consolidated Condensed Interim Financial Statements (Un-audited) For the three months period ended March 31, 2020

**23.2.4** The Group makes commitments to extend credit in the normal course of its business but these being revocable commitments do not attract any significant penalty or expense if the facility is unilaterally withdrawn.

#### 23.3 Other contingent liabilities

Note	Unaudited March 31, 2020	Audited December 31, 2019
	-----Rupees in '000-----	
23.3.1	30,018,405	28,352,091

**23.3.1** These represent certain claims by third parties against the Group, which are being contested in the Courts of law. The management is of the view that these relate to the normal course of business and the possibility of an outflow of economic resources is remote.

#### 23.4 Taxation

For assessment year 1988-89 through tax year 2018, the tax department disputed Bank's treatment on certain issues, where the Bank's appeals are pending at various appellate forums, entailing an additional tax liability of Rs. 1,487 million (2019: Rs. 1,487 million). Such issues inter alia principally include disallowance of expenses for non deduction of withholding tax and non availability of underlying records, provision for non performing loans, attribution of expenses to heads of income other than income from business and disallowance of credit for taxes paid in advance / deducted at source.

The Bank has filed appeals which are pending at various appellate forums. In addition, certain decisions made in favour of the Bank are being contested by the department at higher forums. No provision has been made in the financial statements regarding the aforesaid additional tax demand and already issued favourable decisions where the department is in appeal, as the management is of the view that the issues will be decided in the Bank's favour as and when these are taken up by the Appellate Authorities.

Basic and diluted earnings per share		5.59	4.21

## 35. FAIR VALUE MEASUREMENTS

The fair value of traded investments is based on quoted market prices, except for tradable securities classified by the Group as 'held to maturity'. Quoted securities classified as held to maturity are carried at amortised cost. Fair value of unquoted equity investments is determined on the basis of break up value of these investments as per the latest available financial statements.

Fair value of fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to absence of current and active market for such assets and liabilities and reliable data regarding market rates for similar instruments.

In the opinion of the management, the fair value of the financial assets and financial liabilities are not significantly different from their carrying values since assets and liabilities are either short-term in nature or re-priced over short term.

### 35.1 Fair value of financial assets

The Group measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

**Level 2:** Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

**Level 3:** Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

### Valuation techniques used in determination of fair valuation of financial instruments within level 2

Item	Valuation approach and input used
Federal Government securities	The fair values of Federal Government securities are determined using the PKRV rates.
Term Finance and Bonds	Investments in debt securities (comprising term finance certificates, bonds and any other security issued by a company or a body corporate for the purpose of raising funds in the form of redeemable capital) are valued on the basis of the rates announced by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by the Securities and Exchange Commission of Pakistan.
Foreign exchange contracts	The valuation has been determined by interpolating the mid rates announced by the State Bank of Pakistan.
Derivatives	The fair values of derivatives which are not quoted in active markets are determined by using valuation techniques. The valuation techniques take into account the relevant underlying parameters including foreign currency involved, interest rates, yield curves, volatilities, contracts duration etc.
Operating fixed assets (land and building) & NBA	Land and buildings are revalued every three years using professional valuers on the panel of Pakistan Banker's Association. The valuation is based on their assessment of market value of the properties.

The Group's policy is to recognise transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred. There were no transfers between levels 1 and 2 during the year.

(a) Financial instruments in level 1

Financial instruments included in level 1 comprise of investments in listed ordinary shares and units of mutual funds.

**(b) Financial instruments in level 2**

Financial instruments included in level 2 comprise of Sukuk Bonds, Pakistan Investment Bonds, Market Treasury Bills, Term Finance certificates, FX options, Cross Currency Swaps, Interest Rate Swaps and Forward Exchange Contracts.

(c) Financial instruments in level 3

Currently, no financial instruments are classified in level 3.

The table below analyses the financial and non-financial assets carried at fair values, by valuation methods. For financial assets, the Group essentially carries its investments in debt and equity securities at fair values. Valuation of investments is carried out as per guidelines specified by the SBP. In case of non-financial assets, the Group has adopted revaluation model (as per IAS 16) in respect of land and building.
