**PREMA – Award Winning Dairy Products Company Embracing the New Standards**

Dear Sir

In addition to ISO 9001, TUV Austria has also certified At-Tahur Limited (PREMA) with ISO 22000. TUV Austria evaluated, assessed and certified At-Tahur's conformity with customer food safety requirements for International Organization for Standardization (ISO) dealing with food safety.

ISO 22000 certifies that At-Tahur Limited plans, implements, operates, maintains a Food Safety Management System (FSMS) providing products and services that are safe, and in compliance with global statutory and regulatory food safety requirements.

ISO 22000 certification is a recognition of At-Tahur's role and position within the food chain that it ensures effective food safety protocols, systems and communication throughout the chain in order to deliver safe food products to its consumers.

At-Tahur Limited is certified with Halal, ISO 9001, ISO 22000, PFA and PSQCA certificates. It is also recipient of Brand of the Year Award for Fastest Growing Company in Milk and Yogurt Category – 2019 – The Brands Foundation – FPCCI.

Best regards
