ڈائریکٹران کی رپورٹ

آپ کی کمپنی کے ڈائریکٹر اپنی سالانہ رپورٹ کے ساتھ مالیاتی گوشوارے برائے ختمہ سال 31 دسمبر 2019 پیش کرتے ہوئے اظہارِ مسرت کرتے ہیں۔

چیرمین کا پیغام

مالیاتی سال ختمہ 31 دسمبر 2019 میں بورڈ کی مجموعی کارکردگی اور اثر پذیر پالیسیاں بخش رہی، جس کی بنیاد منفرد اجزاء کی تشخیص پر تھی جن میں نصب العین، مشن اور اقدار، کلیدی منصوبہ بندی، مالیاتی وسائل کی انتظامی نگرانی، شامل ہیں۔ بہتری ایک ایسا مسلسل عمل ہے جس سے اہداف کے حصول میں معاونت ہوتی ہے۔

کریسٹل اشارف و ذلمیٹڈ کا کمپنی کے ساتھ الحاق کا عمل جاری ہے جو کہ عدالت عالیہ سندھ کے روبرو زیر التواء ہے۔ بورڈ پر اعتماد ہے کہ الحاق فیکمل ہوتے ہی آپ کی کمپنی بورڈ کی منظوری سے کاروباری منصوبے اور حکمت عملی مرتب کرے گی۔

مستقبل کی پیش بینی

کریسٹل اشارف و ذلمیٹڈ کا کمپنی کے ساتھ اور اس میں الحاق کا عمل جاری ہے جو کہ عدالت عالیہ سندھ کے روبرو زیر التواء ہے۔ مزید برآں کمپنی نے بیمہ لائسنس کی منسوخی کے لئے درخواست دے رکھی ہے جس کے بعد کمپنی بیمہ کے شعبہ کی کمپنی نہیں رہے گی اور انشورنس آرڈیننس کے قواعد و ضوابط جیسے کہ ادائے قرض کی صلاحیت کو برقرار رکھنا کمپنی پر لاگو نہیں ہوگا۔

بورڈ پر اعتماد ہے کہ الحاق کے بعد نئے فیئر میں داخل ہونے سے مناسب وسائل حاصل ہو جائیں گے جن سے مستفیدان کے مختلف النوع مفادات کا تحفظ ہوگا۔ الحاق کی منظوری کے بعد کمپنی اپنی کاروباری منصوبوں اور حکمت عملی کو منکشف کرے گی تاکہ کمپنی کی چلتے ہوئے ادارے کی حیثیت برقرار رہے۔

بیمہ کاری مالیاتی استحکام کی رینٹنگ

جے آئی آئی ایس نے بیمہ کاری کے مالیاتی استحکام کی درجہ بندی میں پزیر 'Rating Watch - Developing' کے تحت کمپنی کو 'BBB+' تفویض کیا ہے جس کی بنیادی وجہ عوامی نوٹس ذریعہ کریسٹل اشارف و ذلمیٹڈ کے امکانی الحاق کا مورخہ اپریل 2016-07 کا اعلان کیا گیا تھا۔

آڈیٹرز کی رپورٹ

اس حقیقت کی بنیاد پر کہ کمپنی نے اپنا کاروبار معطل کر دیا ہے کمپنی کے آڈیٹرز نے اس پر ایک نہ چلتے ہوئے ادارہ کی رائے کا اظہار کیا ہے۔ تاہم کمپنی کے کریسٹل اشارف و ذلمیٹڈ (پرائیویٹ) میں اور اس کے ساتھ الحاق کو مد نظر رکھتے ہوئے مستقبل میں کمپنی کی کاروباری سرگرمیوں کے بحال ہونے کی پیش بینی کی گئی ہے۔ لہذا کمپنی ایک چلتا ہوا ادارہ رہے گی۔

Review Report on the Statement of Compliance with the Code Of Corporate Governance for Insurers, 2016 and Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 and Code of Corporate Governance for Insurers, 2016 (both herein referred to as 'Regulations') prepared by the Board of Directors of PICIC Insurance Limited (the Company) for the year ended December 31, 2019 in accordance with the requirements of regulation 36 the Listed Companies (Code of Corporate Governance) Regulations, 2017 and provisions of Code of Corporate Governance for Insurers, 2016

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions and also ensure compliance with the requirements of section 208 of the Companies Act, 2017. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out procedures to assess and determine the Company's process for identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Following instances of non-compliance with the requirements of the Regulations were observed which are not stated in the Statement of Compliance:

- i. The Board has only one independent director during the year.
- ii. The Board has not made arrangements to carry out orientation courses on the Code of Corporate Governance for its directors. Furthermore, the directors (excluding exempted directors) have not acquired the mandatory certification of directors training program from the Institutes specified by the Securities and Exchange Commission of Pakistan (SECP).
- iii. The board has not setup an effective internal audit function throughout the year.

- iv. Due to significant reduction of business activity, sizeable number of employees have left the company including Head of Internal Audit.
- v. The board has not setup risk management system as per the requirements of the Code of Corporate Governance for insurer 2016.

Based on our review, except for the above instances of non-compliance, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the Regulations as applicable to the Company for the year ended December 31, 2019.

INDEPENDENT AUDITOR'S REPORT

To the members of PICIC Insurance Limited

Report on the Audit of the Financial Statements

Adverse Opinion

We have audited the annexed financial statements of PICIC Insurance Limited, which comprise the statement of financial position as at December 31, 2019, and the profit and loss account and the statement of comprehensive income, the statement of cash flow and the statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion because of the significance for the matters stated in the basis for adverse opinion paragraph below, to the best of our information and according to the explanations given to us, the statement of financial position, the profit and loss account, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof, does not conform with the accounting and reporting standards as applicable in Pakistan and does not give the information required by the Insurance Ordinance, 2000 and the Companies Act, 2017, in the manner so required and respectively do not give a true and fair view of the state of Company's affairs as at December 31, 2019 and of the loss, total comprehensive loss, the changes in equity and its cash flows for the year then ended.

Basis for Adverse Opinion

The Company has incurred a loss after taxation amounting to Rs.2.175 million during the year and its losses has been accumulated to Rs. 367.994 million as at December 31, 2019. Further, the operating cash flows of the Company are also negative since 2011. These circumstances, along with the inability of the Company to meet the minimum solvency requirement and sizeable decline in business activities, indicate the material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern and therefore the Company may be unable to realize its assets and discharge its liabilities in the normal course of business. However, the financial statements have been prepared on a going concern basis. In our opinion, Management's use of the going concern assumption in the financial statements is inappropriate.

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

Key Audit Matters

Except for the matter described in the Basis for Adverse Opinion section, we have determined that there are no other key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the Other Information. The Other Information comprises the information included in the annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Other Information and, in doing so, consider whether the Other Information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan and the requirements of Insurance Ordinance, 2000 and, Companies Act, 2017 (XIX of 2017), and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the regulatory returns or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the regulatory returns, including the disclosures, and whether the regulatory returns represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) Proper books of account has not been kept by the Company as required by the Insurance Ordinance, 2000 and the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the profit and loss account, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Insurance Ordinance, 2000, the Companies Act, 2017 (XXI of 2017), and are in agreement with the books of account
- c) Investments made, expenditure incurred and guarantees extended during the year were for the purpose of the company's business; and;
- d) No zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980)

The engagement partner on the audit resulting in this independent auditor's report is Imran Shaikh.

5.1 Property and Equipment

These are stated at cost less accumulated depreciation and accumulated impairment losses if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the assets' carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance expenditure are charged to the profit and loss account during the financial period in which they are

Depreciation is calculated on a straight-line basis over the estimated useful life of the asset. The useful lives and depreciation method are reviewed and adjusted, if appropriate, at each reporting date. Depreciation is charged on additions from the date the asset is available for use and depreciation on disposals is charged till the date of disposal.

An item of fixed asset is derecognised upon disposal or when no future economic benefits are expected from its use or disposal.

Gains and losses on disposal, if any, of assets are included in profit and loss account.

5.2 Insurance contracts

Insurance contracts are those contracts under which the Company as insurer has accepted insurance risk from the insurance contract holders (insured) by agreeing to compensate the insured if a specified uncertain future event (the insured event) adversely affect the insured. Once the contract has been classified as an insurance contract, it remains an insurance contract for the remainder of its tenure, even if the insurance risk reduces significantly during this period. Unless all rights and obligations are

Insurance contracts are classified into following main categories, depending on the nature and duration of risk and whether or not the terms and conditions are fixed.

- Fire and property;
- Marine, aviation & transport;
- Motor;
- Accident & health; and
- Miscellaneous

These contracts are normally one year insurance contracts except Marine and some contracts of Fire and property, and miscellaneous class. Normally all Marine insurance contracts and some Fire and property contracts are of three months period.

These contracts are provided to all types of customers based on assessment of insurance risk by the Company. Normally personal insurance contracts e.g. vehicle are provided to individual customers, whereas, insurance contracts of fire and property, marine and transport, accident and other commercial line products are provided to commercial organization.

Fire and property insurance contracts mainly compensate the Company's customers for damage suffered to their properties or for the value of property lost. Customers who undertake commercial activities on their premises could also receive compensation for the loss of earnings caused by the inability to use the insured properties in their business activities.

Marine Insurance covers the loss or damage of vessels, cargo, terminals and any transport or property by which cargo is transferred, acquired or held between the points of origin and final destination.

Motor insurance provides protection against losses incurred as a result of theft, traffic accidents and against third party liability that could be incurred in an accident.

5.3 Deferred commission expense /Acquisition costs

Commission incurred in obtaining and recording policies of insurance and re-insurance are deferred and recognised as an asset on acquisition of the related policies. Accordingly, these costs are charged to the profit and loss account as an expense based on the pattern of recognition of related premium revenue.

5.4 Provision for unearned premium

Provision for unearned premium represents the portion of premium written relating to the unexpired period of coverage and is recognised as a liability by the Company. This liability is calculated as follows:

- For marine cargo business, as a ratio of unexpired period to the total period of policy applied on the gross premium of the individual policies; and
- For other classes / line of business, by applying 1/24th method as allowed by the Insurance

5.5 Premium deficiency reserve

The Company is required as per Insurance Rules, 2017, to maintain a provision in respect of premium deficiency for the class of business where the unearned premium reserve is not adequate to meet the expected future liability for claims and other expenses expected to be incurred after the balance sheet date in respect of unexpired policies in that class of business at the balance sheet date. The movement in the premium deficiency reserve is recorded as an expense / income in profit and loss account for the period. For this purpose, loss ratios for each class are estimated on historical claim development. Judgment is used in assessing the extent to which past trends may not apply in future or the effects of one-off claims. Further, actuarial valuation has been carried out to determine the amount of premium deficiency reserve in respect of accident and health insurance.

5.6 Reinsurance contracts held

The Company enters into reinsurance contracts in the normal course of business in order to limit the potential for losses arising from certain exposures. Outward reinsurance premiums are accounted for in the same period as the related premiums for the direct or accepted insurance business being reinsured. Reinsurance liabilities represent balances due to reinsurance companies. Amounts payable are estimated in a manner consistent with the related reinsurance contract. Reinsurance assets represent balances due from reinsurance companies. Amounts recoverable from reinsurers are estimated in a manner consistent with the provision for outstanding claims or settled claims associated with the reinsurance policies and are in accordance with the related reinsurance contract.

Reinsurance assets or liabilities are derecognised when the contractual rights are extinguished or

The Company assesses its reinsurance assets for impairment on the balance sheet date. If there is an objective evidence that the reinsurance asset is impaired, the Company reduces the carrying amount of the reinsurance asset to its recoverable amount and recognises that impairment loss in the profit and

5.7 Receivables and payables related to insurance contracts

Receivables and payables relating to insurance contracts are recognized when due. These include premiums due but unpaid, premiums received in advance, premiums due and claims payable to insurance contract holders. These are recognized at cost, which is the fair value of the consideration given less provision for impairment, if any.

If there is an objective evidence that any premium due but unpaid is impaired, the Company reduces the carrying amount of that insurance receivable and recognizes the loss in profit and loss account.

5.8 Segment reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses including revenues and expenses that relate to transactions with any of the Company's other components. All operating segments' results are reviewed regularly by the Company's chief operating decision maker to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available.

The Company presents segments reporting of operating results using the classes of business as specified under the Insurance Ordinance, 2000 and the Insurance Rules, 2017. Fair value is an amount for which an asset could be exchanged, or a liability settled, between knowledgeable willing parties in an arm's length transaction.

The carrying values of all financial assets and financial liabilities reflected in the financial statements approximate their fair values.

The different level by valuation method of financial instruments have been defined as follows:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1);
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (Level 2); and
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (Level 3).
