**Subject: Material Information**

Dear Sir:

In accordance with the requirements of the PSX Rule Book read with applicable provisions of Securities Act, 2015, we are pleased to provide you the following information: -

*"For project financing, the Company had secured long term financing from consortium of banks for a period of 10 years (the 'finance'). The finance was repayable in 40 quarterly installments starting from Commercial Operations Date (i.e. June 09, 2010) and ending on July 01, 2020.*

*The finance has been fully settled today i.e., 30 June 2020 by making repayment of last installment of principle of PKR 654.637 million. As the annual debt service component is part of agreed tariff for cash flow purposes, the repayment of the finance will reduce the payments to the extent of approximately PKR 2,500 million annually viz-a-viz availability of agreed capacity. This will accordingly reduce the profitability of the Company to the above extent, going forward."*

A disclosure form is attached herewith.

You may please inform the TRE Certificate Holders of the Exchange accordingly.

Yours sincerely,

  
**Khalid Mahmood Chohan**  
Company Secretary
