DIRECTORS' REVIEW

Dear Shareholders

The Directors present the unaudited condensed interim unconsolidated financial statements for the half year ended June 30, 2020. The financial results are summarized as under:

		Rupees in million
	June 30,	June 30,
	2020	2019
Net mark-up and non fund income	18,770	14,245
Administrative and other expenses	(9,990)	(8,821)
Profit before provision and taxation	8,780	5,424
Provisions against loans and investments Profit before taxation	(645)	(239)
Taxation	8,135	5,185
Profit after taxation	(3,181)	(2,063)
Basic earning per share - Rupees	4,954	3,122
	3.93	2.48

The Profit after tax for the six months ended June 30, 2020 amounted to Rs.4.95 billion, increase of 59 percent compared to Rs.3.12 billion for the corresponding period last year. Profit before provisions and taxation increased by 62 percent to Rs.8.78 billion from Rs. 5.42 billion last year. The earnings per share are reported at Rs.3.93 compared to Rs.2.48 for the corresponding period last year.

During the six months, aggregate revenues increased by 32 percent to Rs.18.77 billion from Rs.14.25 for the corresponding period last year. Net mark-up income increased by 33 percent; higher average earning assets, active reprofiling of fixed income securities in the setting of successive cuts in interest rates, immediate decline in deposit rates and lag in repricing lending rates contributed to this increase. Non-mark-up income increased by 28 percent with strong contribution from gain on sale of securities. Fee, commission and brokerage income declined mainly due to low transaction volumes and activity. Operating expenses increased by 13.6 percent mainly due to 12 percent increase in compensation expenses, increased cost of regulatory compliances and overall impact of inflation and rupee devaluation. The cost to income ratio stood at 53.2 percent for the half year in review.

Customer deposits increased by 8 percent and are reported at Rs.734 billion at June 30, 2020. During the quarter, CASA ratio improved from 82 percent to 86 percent. Gross advances increased to Rs.434 billion at the period end, an increase of 9 percent while non-performing loans to gross advances ratio improved by 61 bps to 6.4 percent.

The Bank has further strengthened its credit review procedures in order to identify borrowers who might be susceptible to higher risk arising out of Covid-19. Additionally, a time bound general provision amounting to Rs.368 million has been created considering the stress in the economic environment. At June 30, 2020, the Bank is carrying aggregate general provision amounting to Rs.738 million in respect of potential loan losses which are not specifically identified. Coverage ratio improved to 92.4 percent at half year end.

The Bank's entity rating assigned by Pakistan Credit Rating Agency Limited (PACRA) stands at AA+ reflecting sustainability of the Bank's relative positioning and continuous improvement in capital adequacy driven by AKBL's strong Sponsors and brand, continued growth trajectory, improvement in net spreads and increase in earning assets. The short-term rating was maintained at 'A1+'.

The Bank continues to implement measures to minimize exposure and impact of Covid-19 through effective customer communication on social distancing and precautions, on regulatory changes, apprising them on the suite of digital offerings and ensuring all service levels adapt to changing preferences and customer experience is maintained with care and concern. Also, the safety and health of our people remained a top priority and headcount presence at our offices and branches was scaled down and employees worked remotely while complying with the highest standards of information security.

The Bank's active participation in SBP Rozgar Scheme, a refinance scheme introduced by the SBP to support continuity of employment under Covid-19, was recognized and the Bank was ranked amongst the top performing five banks.

The spread of pandemic has slowed down due to effective policies of restricted movements, smart and complete lockdowns and public awareness. However, the economy continues to face uncertainty due to challenges posed by the pandemic on several fronts and business confidence remains subdued. There are prospects of gradual improvement with the easing of lockdown, and the resumption of activities in certain sectors will revive the supply side. The inflation outlook is encouraging; though not without risks due to recent increase in oil prices. Credit off-take is likely to remain restricted as supply chains will take time to adjust to economic impacts. Askari Bank will remain focused on maintaining a stable liquidity profile, protecting the capital and to safeguard Bank's assets and earning potential.

On behalf of the Board, we would like to place on record our gratitude to our valued customers for their continued patronage to the Askari brand; our profound thanks to the State Bank of Pakistan, Securities and Exchange Commission of Pakistan and other regulatory authorities for their guidance and assistance. We would also like to recognize the hard work and dedication of our staff that has enabled successful delivery of these results, particularly those working in front lines to ensure uninterrupted delivery of service across the country in these difficult times.

INDEPENDENT AUDITORS' REVIEW REPORT

To the members of Askari Bank Limited ("the Bank")
Report on review of Interim Financial Statements

Introduction

We have reviewed the accompanying unconsolidated condensed interim statement of financial position of the Bank as at 30 June 2020 and the related unconsolidated condensed interim statement of profit or loss, unconsolidated condensed interim statement of comprehensive income, unconsolidated condensed interim statement of changes in equity, unconsolidated condensed interim statement of cash flows, and notes to the financial statements for the sixmonth period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of this interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying unconsolidated interim financial statements is not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Other matters

The financial statements of the Bank for the year ended 31 December 2019 and interim financial statements for the period ended 30 June 2019, were audited / reviewed by another auditor whose reports dated 28 February 2020 and 22 August 2019 respectively, expressed an unmodified opinion and conclusion thereon.

The figures for the unconsolidated condensed interim profit and loss account and unconsolidated condensed interim statement of comprehensive income for the quarter ended 30 June 2020 have not been reviewed and we do not express a conclusion on them.

The engagement partner on the engagement resulting in this independent auditors' review report is Mohammad Taufig.

Notes to the Unconsolidated Condensed Interim Financial Statements (Un-audited) For the half year ended June 30, 2020

1. STATUS AND NATURE OF BUSINESS

Askari Bank Limited (the Bank) was incorporated in Pakistan on October 9, 1991 as a Public Limited Company and is listed on the Pakistan Stock Exchange. The registered office of the Bank is situated at AWT Plaza, the Mall, Rawalpindi. The Bank is a scheduled commercial bank and is principally engaged in the business of banking as defined in the Banking Companies Ordinance, 1962. The Fauji Consortium: comprising of Fauji Foundation (FF), Fauji Fertilizer Company Limited (FFCL) and Fauji Fertilizer Bin Qasim Limited (FFBL) collectively owned 71.91 percent shares (December 2019: 71.91 percent sharfes) of the Bank as on June 30, 2020. The ultimate parent of the Bank is Fauji Foundation. The Bank has 535 branches (December 2019: 535 branches); 534 in Pakistan and Azad Jammu and Kashmir (including 94 (December 2019: 94) Islamic Banking branches and 48 (December 2019: 50) sub-branches) and a Wholesale Bank Branch (WBB) in the Kingdom of Bahrain.

2. BASIS OF PREPARATION

2.1 STATEMENT OF COMPLIANCE

These unconsolidated condensed interim financial statements have been prepared in accordance with the approved accounting and reporting standards as applicable in Pakistan. The approved accounting and reporting standards comprise of:

- International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act, 2017;
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017;
- Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017; and
- Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP).

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IFRS or IFAS the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives, shall prevail.

The SBP, vide its BSD Circular Letter no. 10 dated August 26, 2002 has deferred the applicability of International Accounting Standard 40, Investment Property, for banking companies till further instructions. Further, the SECP, through S.R.O 411(1)/2008 dated April 28, 2008, has deferred the applicability of IFRS 7, Financial Instruments: Disclosures, to banks. Additionally, the SBP has deferred the applicability of IFRS 9 to banks to accounting periods beginning on or after January 1, 2021. Accordingly, the requirements of these standards have not been considered in the preparation of these unconsolidated condensed interim financial statements.

2.2 These unconsolidated condensed interim financial statements have been presented in accordance with the requirements of format prescribed by SBP vide BPRD Circular Letter No. 5 dated March 22, 2019 and International Accounting Standard 34 'Interim Financial Reporting' and do not include all the information and disclosures required in the audited annual unconsolidated financial statements, and should be read in conjunction with the audited annual unconsolidated financial statements for the financial year ended December 31, 2019.

Notes to the Unconsolidated Condensed Interim Financial Statements (Un-audited) For the half year ended June 30, 2020

3. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies and methods of computation adopted in the preparation of these unconsolidated condensed interim financial statements are consistent with those applied in the preparation of the audited annual unconsolidated financial statements of the Bank for the year ended December 31, 2019.

3.1 Standards, interpretations of and amendments to published approved accounting and reporting standards that are effective in the current period

There are certain new and amended standards, interpretations and amendments that are mandatory for the Bank's accounting periods beginning on or after January 1, 2020 but are considered not to be relevant or do not have any significant effect on the Bank's operations and are therefore not detailed in these unconsolidated condensed interim financial statements.

3.2 Standards, interpretations of and amendments to published approved accounting and reporting standards that are not yet effective

a) Following standards have been issued by the International Accounting Standards Board (IASB), which are yet to be notified by the Securities and Exchange Commission of Pakistan (SECP) for the purpose of their applicability in Pakistan:

		Eπective date (annual periods
		beginning on or after)
IFRS 1	First-Time Adoption of International Financial Reporting	
	Standards (Amendments)	July 1, 2009
IFRS 17	Insurance Contracts	January 1, 2022

b) Following standards and amendments to published accounting standards will be effective in future periods and have not been early adopted by the Bank:

		Effective date (periods ending on or after)
IFRS 9 IFRS 17	Financial Instruments Insurance Contracts	January 1, 2021 January 1, 2022

The management does not anticipate early adoption of above standards and amendments.

4. CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The basis for accounting estimates adopted in the preparation of these unconsolidated condensed interim financial statements is the same as that applied in the preparation of unconsolidated financial statements of the Bank for the year ended December 31, 2019 except for additional consideration relating to COVID-19 as discussed in note 5.

5. FINANCIAL RISK MANAGEMENT

The financial risk management objectives and policies adopted by the Bank are consistent with those disclosed in the unconsolidated financial statements for the year ended December 31, 2019 except for the following additional considerations due to the COVID-19.

The coronavirus pandemic and the measures to reduce its spread have significantly impacted Pakistan's economy. Regulators and Governments across the globe have introduced fiscal and economic stimulus measures to mitigate its impact. The SBP has responded to the crisis by taking measures to maintain banking system soundness and to sustain economic activity.

Below are major aspects of COVID-19 on the Bank's risk management policies.

Notes to the Unconsolidated Condensed Interim Financial Statements (Un-audited) For the half year ended June 30, 2020

5.1 Assets quality and credit risk

The risk management function of the Bank is regularly conducting assessments to identify borrowers operating in various economic sectors which are most likely to get adversely affected. The Bank has further strengthened its credit review procedures in the light of COVID-19 and is continuously reviewing the portfolio, to identify accounts susceptible to higher risk, resulting from the COVID-19 outbreak. Due to deferrment / restructuring & rescheduling relief allowed by SBP, the management has responded by creating a time bound general provision of 0.5% amounting to Rs 367,800 thousand on domestic funded, performing credit portfolio (Corporate/SME) of the borrowers where regulatory relief has been provided considering it is difficult to estimate the full potential effect of the economic stress due to uncertain economic environment. The provision is in addition and incremental to the 0.10% general provision on all performing loans. At June 30, 2020 the Bank is carrying a general provision amounting to Rs. 738,179 thousand in respect of potential loan losses which are not specifically identified.

IFRS 9 is applicable to the overseas branch of the Bank and requires the estimation of Expected Credit Loss (ECL) based on current and forecast economic conditions. The Bank has reviewed the potential impact of the COVID 19 outbreak on the inputs and assumptions for IFRS 9 ECL measurement in light of available information. Overall the Covid 19 situation remains fluid and is rapidly evolving at this point, which makes it challenging to reliably reflect impacts in ECL estimates. The Bank is assessing the situation as it develops and is in the process of accounting for the same in its ECL estimates.

5.2 Liquidity risk management

In view of the relaxation granted by SBP for deferral of principal and markup and rescheduling of loans there will be an impact on the maturity profile of the Bank. The Bank is continuously monitoring the liquidity position and the Bank is confident that the liquidity buffer currently maintained is sufficient to cater to any adverse movement in the cash flow maturity profile.

5.3 Equity risk management

The carrying value of the Bank's investment in listed equity securities classified as available-for-sale, amounts to Rs 5,380,700 thousand as at June 30, 2020. During the period, the Pakistan Stock Exchange index has fallen by 15.50%, triggering an impairment of Rs 492,246 thousand. The Bank has recorded an impairment of Rs 181,765 thousand in the condensed interim unconsolidated financial statements of the current period, and has deferred the recognition of the remaining impairment of Rs 310,481 thousand which will be recognised on a quarterly basis till December 31, 2020, as allowed by the SBP.

5.4 Capital adequacy ratio

Under the current scenario, the banks are under pressure to extend further credit to its borrowers, while overall deteriorating credit risk and increased NPL may also put additional pressures on the Bank from Capital Adequacy Ratio perspective. The SBP has relaxed the Capital Conversion Buffer (CCB) requirements for the Banks to 1.5%, resulting in an overall CAR requirement of 11.5%. In addition to the measures by SBP, the Bank is continuously monitoring the impacts of various decisions of its CAR and taking further lending decisions based on the overall impacts on RWA. The Bank also believes that it has sufficient buffer in its CAR requirement to meet any adverse movements in credit, market or operational

5.5 Suspension of dividend

The SBP has advised to suspend distribution of profits by way of declaring dividends in any manner for the quarter ended 31 March 2020 and half year ended 30 June 2020.

^{10.3.1} General provision also includes Rs 367,800 thousand (December 31, 2019: Nil) as discussed in Note 5.

- 10.3.1 The net Forced Sales Value (FSV) benefit already availed has been reduced by Rs. 71,514 thousand, which has resulted in an increased charge for specific provision for the period by the same amount. Had the FSV benefit not reduced, before and after tax profit for the year would have been higher by Rs. 71,514 thousand (June 30, 2019: Rs. 26,811 thousand) and Rs. 46,484 thousand (June 30, 2019: 17,427) respectively. Further, at June 30, 2019, cumulative net of tax benefit availed for FSV was Rs. 481,000 thousand (December 31, 2019: Rs. 527,484 thousand) under BSD circular No. 1 of 2011 dated October 21, 2011. Reserves and un-appropriated profit to that extent are not available for distribution by way of cash or stock dividend.
- 10.3.2 The Bank has availed the relaxation of Rs. 101,394 thousand (December 31, 2019: Rs. 101,394 thousand) allowed by the SBP for maintaining provisions as per time based criteria of Prudential Regulations.

There is no dilutive effect on the basic earnings per share of the Bank, therefore dilutive earnings per share have not been presented seperately.

Notes to the Unconsolidated Condensed Interim Financial Statements (Un-audited For the half year ended June 30, 2020

33. FAIR VALUE MEASUREMENTS

The fair value of traded investments is based on quoted market prices, except for securities classified by the Bank as 'held to maturity'. Securities classified as held to maturity are carried at amortized cost. Fair value of unquoted equity investments is determined on the basis of break up value of these investments as per the latest available audited unconsolidated financial statements

Fair value of fixed term loans, other assets, other liabilities and fixed term deposits cannot be calculated with sufficient reliability due to the absence of current and active market for such assets and liabilities and reliable data regarding market rates for similar instruments. The provision for impairment of loans and advances has been calculated in accordance with the Bank's accounting policy as stated in note 4 to the unconsolidated financial statements for the year ended December 31, 2019.

Fair value of remaining financial assets and liabilities except fixed term loans, staff loans, nonperforming advances and fixed term deposits is not significantly different from the carrying amounts since assets and liabilities are either short term in nature or are frequently repriced in the case of customer loans and deposits.

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

33.1 Fair value of financial assets

- Level 1: Fair value measurements using quoted prices (unadjusted) in active markets (Pakistan Stock Exchange) for identical assets or liabilities.
- Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly (i.e. as prices) or indirectly (i.e. derived from prices) available at MUFAP, Reuters page, Redemption prices and determined by valuers on the panel of Pakistan Bank's Association
- Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

Valuation techniques used in determination of fair values within level 2 and level 3

Federal Government Securities	The fair values of Federal Government Securities are determined on the basis of rates / prices sourced from Reuters.
Non Government Debt Securities	Non Government Debt Securities are valued on the basis of rates announced by Mutual Fund Association of Pakistan (MUFAP).
Foreign Government Debt Securities	Foreign Government Debt Securities are valued on the basis of rates taken from custodian of the securities which are usually drawn from Bloomberg.
Unit of Mutual Funds	Fair values of mutual funds are determined based on their net asset values as published at the close of reporting period.
Fixed Assets and Non Banking Assets Acquired in Satisfaction of Claims	Land and Non Banking assets acquired in satisfaction of claims are valued on a periodic basis using professional valuers. The valuation is based on their assessments of the market value of the assets.

Notes to the Unconsolidated Condensed Interim Financial Statements (Un-audited)

For the half year ended June 30, 2020

The table below analyses the financial assets carried at fair values, by valuation methods. Valuation of investments is carried out as per guidelines specified by the SBP.

Notes to the Consolidated Condensed Interim Financial Statements (Un-audited) For the half year ended June 30, 2020

1. STATUS AND NATURE OF BUSINESS

- 1.1 The Group consists of Askari Bank Limited, the holding company and Askari Securities Limited, a partly owned subsidiary.
- 1.2 Askari Bank Limited (the Bank) was incorporated in Pakistan on October 9, 1991 as a Public Limited Company and is listed on the Pakistan Stock Exchange. The registered office of the Bank is situated at AWT Plaza, the Mall, Rawalpindi. The Bank is a scheduled commercial bank and is principally engaged in the business of banking as defined in the Banking Companies Ordinance, 1962. The Fauji Consortium: comprising of Fauji Foundation (FF), Fauji Fertilizer Company Limited (FFCL) and Fauji Fertilizer Bin Qasim Limited (FFBL) collectively owned 71.91 percent shares of the Bank as on June 30, 2020. The ultimate parent of the Bank is Fauji Foundation. The Bank has 535 branches (December 2019: 535 branches); 534 in Pakistan and Azad Jammu and Kashmir (including 94 (December 2019: 94) Islamic Banking branches and 48 (December 2019: 50) sub-branches) and a Wholesale Bank Branch (WBB) in the Kingdom of Bahrain.
- 1.3 Askari Securities Limited (ASL) was incorporated in Pakistan on October 1, 1999 under the repealed Companies Ordinance, 1984 as a public limited company. The Bank holds 74% Ordinary Shares of ASL. The principal activity includes share brokerage, investment advisory and consultancy services. The registered office of ASL is situated in Islamabad.

2 BASIS OF PREPARATION

2.1 STATEMENT OF COMPLIANCE

These consolidated condensed interim financial statements have been prepared in accordance with the approved accounting and reporting standards as applicable in Pakistan. The approved accounting and reporting standards comprise of:

- International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act, 2017;
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017;
- Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017; and
- Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP).

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IFRS or IFAS the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives, shall prevail.

The SBP, vide its BSD Circular Letter no. 10 dated August 26, 2002 has deferred the applicability of International Accounting Standard 40, Investment Property, for banking companies till further instructions. Further, the SECP, through S.R.O 411(1)/2008 dated April 28, 2008, has deferred the applicability of IFRS 7, Financial Instruments: Disclosures, to banks. Additionally, the SBP has deferred the applicability of IFRS 9 to banks to accounting periods beginning on or after January 1, 2021. Accordingly, the requirements of these standards have not been considered in the preparation of these consolidated condensed interim financial statements.

2.2 These consolidated condensed interim financial statements have been presented in accordance with the requirements of format prescribed by SBP vide BPRD Circular Letter No. 5 dated March 22, 2019 and International Accounting Standard 34 'Interim Financial Reporting' (IAS 34) and do not include all the information and disclosures required in the audited annual consolidated financial statements, and should be read in conjunction with the audited annual consolidated financial statements of the Group for the year ended December 31, 2019.

3. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies and methods of computation adopted in the preparation of these consolidated condensed interim financial statements are consistent with those applied in the preparation of the audited annual consolidated financial statements of the Group for the year ended December 31, 2019.

Notes to the Consolidated Condensed Interim Financial Statements (Un-audited) For the half year ended June 30, 2020

3.1 Standards, interpretations of and amendments to published approved accounting standards that are effective in the current period

There are certain new and amended standards, interpretations and amendments that are mandatory for the Bank's accounting periods beginning on or after January 1, 2020 but are considered not to be relevant or do not have any significant effect on the Bank's operations and are therefore not detailed in these consolidated condensed interim financial statements.

3.2 Standards, interpretations of and amendments to published approved accounting standards that are not yet effective

a) Following standards have been issued by the International Accounting Standards Board (IASB), which are yet to be notified by the Securities and Exchange Commission of Pakistan (SECP) for the purpose of their applicability in Pakistan:

		Effective date (annual periods
		beginning on or after)
IFRS 1	First-Time Adoption of International Financial Reporting	
	Standards (Amendments)	July 1, 2009
IFRS 17	Insurance Contracts	January 1, 2022

b) Following standards and amendments to published accounting standards will be effective in future periods and have not been early adopted by the Group.

		Effective date (periods
		ending on or after)
IFRS 9 IFRS 17	Financial Instruments Insurance Contracts	January 1, 2021 January 1, 2022
ILK9 II	insurance Contracts	January 1, 2022

The management does not anticipate early adoption of above standards and amendments.

4. CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The basis for accounting estimates adopted in the preparation of these consolidated condensed interim financial statements is the same as that applied in the preparation of consolidated financial statements of the Bank for the year ended December 31, 2019 except for additional consideration relating to COVID-19 as discussed in note 5.

5. FINANCIAL RISK MANAGEMENT

The financial risk management objectives and policies adopted by the Group are consistent with those disclosed in the consolidated financial statements for the year ended December 31, 2019 except for the following additional considerations due to the COVID-19.

The coronavirus pandemic and the measures to reduce its spread have significantly impacted Pakistan's economy. Regulators and Governments across the globe have introduced fiscal and economic stimulus measures to mitigate its impact. The SBP has responded to the crisis by taking measures to maintain banking system soundness and to sustain economic activity.

Below are major aspects of COVID-19 on the Group's risk management policies.

5.1 Assets quality and credit risk

The risk management function of the Group is regularly conducting assessments to identify borrowers operating in various economic sectors which are most likely to get adversely affected. The Group has further strengthened its credit review procedures in the light of COVID-19 and is continuously reviewing the portfolio, to identify accounts susceptible to higher risk, resulting from the COVID-19 outbreak. Due to deferrment / restructuring & rescheduling relief allowed by SBP, the management has responded by creating a time bound general provision of 0.5% amounting to Rs 367,800 thousand on domestic funded, performing credit portfolio (Corporate/SME) of the borrowers where regulatory relief has been provided considering it is difficult to estimate the full potential effect of the economic stress due to uncertain economic environment. The provision is in addition and incremental to the 0.10% general provision on all performing loans. At June 30, 2020 the Group is carrying a general provision amounting to Rs. 738,179 thousand in respect of potential loan losses which are not specifically identified.

Notes to the Consolidated Condensed Interim Financial Statements (Un-audited) For the half year ended June 30, 2020

IFRS 9 is applicable to the overseas branch of the Group and requires the estimation of Expected Credit Loss (ECL) based on current and forecast economic conditions. The Group has reviewed the potential impact of the COVID 19 outbreak on the inputs and assumptions for IFRS 9 ECL measurement in light of available information. Overall the Covid 19 situation remains fluid and is rapidly evolving at this point, which makes it challenging to reliably reflect impacts in ECL estimates. The Group is assessing the situation as it develops and is in the process of accounting for the same in its ECL estimates.

5.2 Liquidity management

In view of the relaxation granted by SBP for deferral of principal and markup and rescheduling of loans there will be an impact on the maturity profile of the Group. The Group is continuously monitoring the liquidity position and the Group is confident that the liquidity buffer currently maintained is sufficient to cater to any adverse movement in the cash flow maturity profile.

5.3 Equity Risk Management

The carrying value of the Group's investment in listed equity securities classified as available-for-sale, amounts to Rs 5,380,700 thousand as at June 30, 2020. During the period, the Pakistan Stock Exchange index has fallen by 15,50%, triggering an impairment of Rs 492,246 thousand. The Group has recorded an impairment of Rs 181,765 thousand in the condensed interim consolidated financial statements of the current period, and has deferred the recognition of the remaining impairment of Rs 310.481 thousand which will be recognised on a guarterly basis till December 31. 2020. as allowed by the SBP.

5.4 Capital adequacy ratio

Under the current scenario, the banks are under pressure to extend further credit to its borrowers, while overall deteriorating credit risk and increased NPL may also put additional pressures on the Bank from Capital Adequacy Ratio perspective. The SBP has relaxed the Capital Conversion Buffer (CCB) requirements for the banks to 1.5%, resulting in an overall CAR requirement of 11.5%. In addition to the measures by SBP, the Bank is continuously monitoring the impacts of various decisions of its CAR and taking further lending decisions based on the overall impacts on RWA. The Group also believes that it has sufficient buffer in its CAR requirement to meet any adverse movements in credit, market or operational risks.

5.5 Suspension of dividend

The SBP has advised to suspend distribution of profits by way of declaring dividends in any manner for the quarter ended 31 March 2020 and half year ended 30 June 2020.

^{10.3.1} General provision also includes Rs 367,800 thousand (December 31, 2019: Nil) as discussed in Note

Notes to the Consolidated Condensed Interim Financial Statements (Un-audited) For the half year ended June 30, 2020

- 10.3.1 The net Forced Sales Value (FSV) benefit already availed has been reduced by Rs. 71,514 thousand, which has resulted in an increased charge for specific provision for the period by the same amount. Had the FSV benefit not reduced, before and after tax profit for the year would have been higher by Rs. 71,514 thousand (June 30, 2019: Rs. 26,811 thousand) and Rs. 46,484 thousand (June 30, 2019: 17,427) respectively. Further, at June 30, 2019, cumulative net of tax benefit availed for FSV was Rs. 481,000 thousand (December 31, 2019: Rs. 527,484 thousand) under BSD circular No. 1 of 2011 dated October 21, 2011. Reserves and un-appropriated profit to that extent are not available for distribution by way of cash or stock dividend.

10.3.2	The Bank has availed the relaxation of Rs. 101,394 thousand (Decenthousand) allowed by the SBP for maintaining provisions as per time Regulations.

34 FAIR VALUE MEASUREMENTS

The fair value of traded investments is based on quoted market prices, except for securities classified by the Group as 'held to maturity'. Securities classified as held to maturity are carried at amortized cost. Fair value of unquoted equity investments is determined on the basis of break up value of these investments as per the latest available audited financial statements.

Fair value of fixed term loans, other assets, other liabilities and fixed term deposits cannot be calculated with sufficient reliability due to the absence of current and active market for such assets and liabilities and reliable data regarding market rates for similar instruments. The provision for impairment of loans and advances has been calculated in accordance with the Group's accounting policy as stated in note 4 to the consolidated financial statements for the year ended December 31, 2019.

Fair value of remaining financial assets and liabilities except fixed term loans, staff loans, non-performing advances and fixed term deposits is not significantly different from the carrying amounts since assets and liabilities are either short term in nature or are frequently repriced in the case of customer loans and deposits.

The Group measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

34.1 Fair value of financial assets

- Level 1: Fair value measurements using quoted prices (unadjusted) in active markets (Pakistan Stock Exchange) for identical assets or liabilities.
- Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly (i.e. as prices) or indirectly (i.e. derived from prices) available at MUFAP, Reuters page, Redemption prices and determined by valuers on the panel of Pakistan Bank's Association.
- Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

Valuation techniques used in determination of fair values within level 2 and level 3

Federal Government Securities	The fair values of Federal Government Securities are determined on the basis of rates / prices sourced from Reuters.
Non Government Debt Securities	Non Government Debt Securities are valued on the basis of rates announced by Mutual Fund Association of Pakistan (MUFAP).
Foreign Government Debt Securities	Foreign Government Debt Securities are valued on the basis of rates taken from custodian of the securities which are usually drawn from Bloomberg.
Unit of Mutual Funds	Fair values of mutual funds are determined based on their net asset values as published at the close of reporting period.
Fixed Assets and Non Banking Assets Acquired in Satisfaction of Claims	Land and Non Banking assets acquired in satisfaction of claims are valued on a periodic basis using professional valuers. The valuation is based on their assessments of the market value of the assets.

Notes to the Consolidated Condensed Interim Financial Statements (Un-audited) For the half year ended June 30, 2020

The table below analyses the financial assets carried at fair values, by valuation methods. Valuation of investments is carried out as per guidelines specified by the SBP.
