Dear Sir,

MATERIAL INFORMATION

We write to communicate the following information:

With reference to the previous communications made by the Company on August 26 & 28 2020, this is to inform you that after completing the necessary repair work, the crude oil connectivity between the Keamari Terminal and the Refinery through pipeline has been restored through a temporary arrangement. Consequently, the Refinery has resumed its operations.

The Company is also working on the permanent solution and will make further communication in this regard.

For Pakistan Refinery Limited
