INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Premier Insurance Limited

Report on review of Condensed Interim Financial Statements

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Premier Insurance Limited as at 30 June 2020 and the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of cash flows, condensed interim statement of changes in equity and notes to the financial statements for the six-month period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of this interim financial statements in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these financial statements based on our review. The figures for the quarters ended 30 June 2020 and 30 June 2019 in the condensed interim statement of comprehensive income have not been subject to the review and therefore, we do not express a conclusion thereon.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410 "Review of Interim Financial Statements Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements is not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the audit resulting in this independent auditor's report is Shaikh Ahmed Salman.

29. FAIR VALUE OF FINANCIAL ASSETS AND LIABILITIES

IFRS 13 defines fair value as an exit price. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly observable
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

Following are the assets which are either measured at fair value or for which fair value is only disclosed and is different from their carrying value:

REPORT ON REVIEW OF INTERIM FINANCIAL STATEMENTS

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Premier Insurance Limited - Window Takaful Operations (the Operator) as at 30 June 2020 and the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statements of changes in fund, condensed interim statement of cash flows, and notes forming part thereof (here-in-after referred to as the "interim financial statements") for the six-months' period then ended, Management is responsible for the preparation and presentation of these interim financial statements in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review. The figures for the quarters ended 30 June 2020 and 30 June 2019 in the condensed interim statement of comprehensive income have not been subject to the review and therefore, we do not express a conclusion thereon.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the audit resulting in this independent auditor's report is Shaikh Ahmed Salman.
