The net sales of the Company amounted to Rs 161 million, registering a decrease of 11% over the corresponding period of the last year. The declining in sales occurred due to lower offtake of pesticides products for the period under review.

The gross profit of the Company grown by 2% as compared to the same period last year. The Company gross margin stood at 40% as compared with 36% same period last year. The distribution & marketing and administrative expenses increased by 6% due to inflation.

For and on behalf of the Board

#### **FUTURE OUTLOOK**

We aim to keep our journey for the betterment of farmers through the best services and high-quality solutions to enable them in getting the best crop yields and healthy food for human beings. We anticipate the Company continues to face challenges of escalation in cost owing to inflation and product price hike which may have dilution in gross margins and may impact on profitability of the Company. Notwithstanding, the management of the Company would continue its efforts to improve productivity, cost containment and operational excellence in order to sustain the positive bottom line and fuel the growth.

#### **ACKNOWLEDGEMENTS**

The Directors would like to express their gratitude to the Customer, Bankers and other Stakeholders for their continued support and encouragement and also place on record the appreciation of the valuable services rendered by the employees of the Company.

## Notes to the Condensed Interim Financial Information

for the Quarter ended September 30, 2020

#### 1. THE COMPANY AND ITS OPERATIONS

In 2011, the IBL Group decided to adopt the holding company structure wherein International Brands Limited holds at least 55% shareholding in all the subsidiary companies. This restructuring was undertaken to provide the platform to manage the long term Group expansion strategy, corporate compliance, operational efficiency, financial arrangements and tax benefits, thereby, resulting in improved returns to the shareholders.

In 2011, the IBL Group decided to adopt the holding company structure wherein International Brands Limited holds at least 55% shareholding in all the subsidiary companies. This restructuring was undertaken to provide the platform to manage the long term Group expansion strategy, corporate compliance, operational efficiency, financial arrangements and tax benefits, thereby, resulting in improved returns to the shareholders.

After the approval of the scheme of Arrangement by the Honourable High Court of Sindh on May 25, 2011, International Brands Limited became the Group holding company. The operating activities of the Company were transferred to IBL Operations (Private) Limited and separate books were opened effective July 01, 2011. As a consequence of the above restructuring, United Distributors Pakistan Limited received 5,504,149 shares of International Brands Limited (the holding company) which are held on the statement of financial position under long term investments.
