SUBJECT: DISCLOSURE OF MATERIAL INFORMATION

Completion of 7.5MW Waste Heat Recovery Power Plant (WHRPP)

Key Milestone achieved by Flying Cement Company Limited

Dear Sir,

In accordance with the requirements of the Rule Book of Pakistan Stock Exchange and applicable provisions of The Securities Act, 2015, we hereby convey the following information:

"We announce with great pleasure that the Company has successfully completed the installation and commissioning of 7.5MW Waste Heat Recovery Power Plant (WHRPP) at its site in Mangowal, District Khushab".

The employment of this technology will augment our ability to process waste heat absorbed in boilers to produce steam at suitable pressure to power turbines for the generation of electricity.

Adoption of Waste Heat Recovery Power Plant (WHRPP) technology will result in significant cost saving in power consumption for the Company. It also affirms Flying Cement's commitment to reducing carbon footprint and contributes towards a Greener Pakistan.

A disclosure form is attached herewith (**Annexure "A"**).

You may please inform the members of your Exchange, accordingly.

Yours Sincerely,

Shahid Ahmad Awan
Company Secretary
