IN THE NAME OF ALLAH; THE MOST GRACIOUS AND MERCIFUL**IF YE GIVE THANKS, I WILL GIVE YOU MORE (HOLY QURAN)**

The Board of Directors of your Company is pleased to present unaudited condensed interim financial statements for the half year ended December 31, 2020 in compliance with the requirements of section 237 of the Companies Act, 2017 and code of corporate governance issued by Securities and Exchange Commission of Pakistan.

Operating results (Factory Shutdown):

Company's net sales during the current as well as in the comparative period remained nil due to closure of operations. The Company, for the time being, has suspended its manufacturing operations since August 2016 which could not be resumed due to adverse scenario faced by the industry, lesser market demand and working capital constraints.

The auditors of the Company have expressed adverse conclusion in their review report on going concern assumption due to closure of operations, default in repayment of installments of restructured liabilities and related non-provisioning of mark-up as explained in their review report. The condensed interim financial statements have been prepared using going concern assumption as the company has approached its lenders for further restructuring of its liabilities, which is in process. Management is hopeful that such revision will be finalized soon which will enable the company to resume its operations.

Future Outlook

Management is endeavoring to resume the production of the company as soon as the situation in near future improves. With the availability of COVID-19 vaccines, it is expected that globally, the impact of pandemic will now be minimized and accordingly the global economic activities will resume to normalcy. Though there were slight hiccups during second wave, but overall Pakistan as a nation showed discipline and resolve. As we moved into new financial year, things started picking momentum for Pakistan. Exports and remittances moved upward.

Despite the signs of economic resilience and recovery, there may be some pressure on current account due to high imports of Raw Cotton because of continuous decline in cotton crop cultivation as well as increase in international cotton price mainly because of rising demand & disruption in US cotton supplies, recent removal of regulatory duty on import of synthetic yarn and cotton yarn, import of plant and machinery, increasing trend in international Oil prices. These factors may push the exchange rate upward in short term. Further, the challenges of rising debt, high inflation, increased cost of living, unstable political conditions and geopolitical tensions may obscure the outlook.

Conclusion

In conclusion, we bow beg and pray to Almighty Allah, Rahman-o-Rahim, in the name of our beloved Prophet Muhammad (Peace be upon him) for the continued showering of his blessings, Guidance, strength, health and prosperity to us, our company, country and nation, and also pray to Almighty Allah to bestow peace, Harmony, brotherhood and unity in true Islamic spirit to whole of Muslim Ummah; Ameen: Summa Ameen

LO-MY LORD IS INDEED HEARER OF PRAYER (HOLY QURAN)

By and under Authority of the Board of Directors

Ishtiaq Ahmed
Chief Executive Officer

Haroon Iqbal
Chairman Board of Directors

INDEPENDENT AUDITORS' REVIEW REPORT
To the members of Dewan Khalid Textile Mills Ltd
Report on review of Interim Financial Statements

Introduction

We have reviewed the accompanying Condensed interim Statement of financial Position of Dewan Khalid Textile Mills Limited ("the company") as at December 31, 2020 and the related Condensed interim statement of profit or loss and other comprehensive income, Condensed interim Statement of cash flow, Condensed interim statement of changes in equity and the notes to the Condensed interim financial statements for the six months period then ended (hereinafter referred to as the "interim financial statements"). Management is responsible for the preparation and Presentation of these Condensed interim financial statement in accordance with approved accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on review engagements 2410, "Review of interim financial Information performed by the independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis of Adverse Conclusion

- a) The Condensed interim financial statements of the company for the Six months ended December 31, 2020 as disclosed in note 2 to the Condensed interim financial Statements reflect loss after taxation of Rs. 25.975 (December 31, 2019:Rs. 37.750) million and as of that date it has accumulated losses of Rs. 649.343 (June 30, 2020: Rs. 638.469) million which resulted in net capital and reserves deficiency of Rs. 156.992 million and its current liabilities exceeded its current assets by Rs. 628.629 (June 30, 2020 Rs. 624.196) million without providing markups of Restructured and other liabilities and as refer in below para (b). The operations of the company were closed from August 2016 due to working capital constraints. Furthermore, the company defaulted in repayments of installments of restructured liabilities and short term finance facilities have expired and not been renewed by banks amounting to Rs. 303.90 million, hence as per the terms of the restructuring under clause 10.2 of the compromise agreement the entire restructured debt amounting to Rs. 104.008 million along with mark up of Rs. 85.516 million (eligible for waiver outstanding as of date of restructuring) have immediately become payable therefore provision for markup should be made in these financial statements. Moreover, certain lenders are in litigation with the company, the aggregate suit amount is Rs.275.008 million (the company have also not provide markup on the same Loan). Further, one of the lender have also filed winding up petition also some of the financial Institutions filed suit for execution of consent decree. These conditions lead us to believe that the going concern assumption used in preparation of these Condensed interim financial Statements is inappropriate; consequently the assets and liabilities should have been stated at their realizable and settlement amounts respectively.
- b) In addition to above, since the proposal, has not been accepted so far and the lenders, instead of the accepting the restructuring Proposal, have preferred to filed suit against the company, therefore the provision of mark up should be made in the Condensed interim financial statements as fully disclosed in note 10 to Condensed interim Financial Statements. Had the provisions for the mark up, as discussed in preceding paragraphs, been made in these financial statements, the loss after taxation would have been higher by Rs. 551.463 million and markup payable would have been higher and shareholders' equity would have been lower by Rs. 551.463 million.

Adverse Conclusion

Our review indicates that, because of the significance of the matter discussed in paragraph (a) coupled with financial impact of matter discussed in paragraph (b) above, these accompanying interim financial Statements as of and for the six months period ended December 31, 2020 is not prepared, in all material respects, in accordance with approved accounting and reporting standards as applicable in Pakistan for interim financial Reporting.

Other matter

The figures of the condensed interim statement of profit or loss and condensed interim statement of other comprehensive income for the quarters ended December 31, 2020 and December 31, 2019 have not been reviewed and we do not express a conclusion on them, we are required to review only the cumulative figures for the Six month ended December 31, 2020.

The engagement partner on the review resulting in this independent auditor's review report is Mohammad Tariq.

DEWAN KHALID TEXTILE MILLS LIMITED
NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED)
FOR THE HALF YEAR ENDED DECEMBER 31, 2020

1 CORPORATE INFORMATION

Dewan Khalid Textile Mills Limited (the Company) was incorporated in Pakistan, as a public limited company on April 03, 1978, under the Companies Act, 1913 (Now the Companies Acts, 2017) and its shares are listed in Pakistan Stock Exchange Limited. The registered office of the company is located at 3-A, Lalazar, Beach Hotel Road, Karachi, Pakistan; while its manufacturing facilities are located at G-11, S.I.T.E., Kotri, Sindh, Pakistan. The Principal activity of the Company is trading, manufacturing and sale of yarn, however operations are suspended since August, 2016.

2 GOING CONCERN ASSUMPTION

The condensed interim financial statements of the company for the period ended 31 December 2020 reflect that company has sustained a net loss after taxation of Rs.25.975 million (June 2020: Rs.74.289 million) and as of that date company has negative reserves of Rs.649.344 million which have resulted in negative equity of Rs.156.992 million. Further the company's short term borrowing facilities have expired and not been renewed. Company defaulted in repayment of its restructured liabilities due to liquidity crunch faced by the Company due to lesser market demand and adverse factors being faced by the overall textile industry in the country and working capital constraints faces by the company as a result the Company, for the time being, has suspended its manufacturing operations since August 2016. Accordingly, the entire restructured liabilities along with markup eligible for waiver have become immediately repayable. These conditions indicate the existence of material uncertainty which may cast significant doubt about the company's ability to continue as a going concern, therefore the company may not be able to realize its assets and discharge its liabilities during the normal course of business.

The condensed interim financial statements have been prepared on going concern assumption as the Company approached its lenders for further restructuring of its liabilities which is in process. Company is hopeful that such restructuring will be effective soon and will further streamline the funding requirements of the Company which will ultimately help the management to resume the operations with optimum utilization of production capacity. As the conditions mentioned in the foregoing paragraph are temporary and would reverse therefore the preparation of the condensed interim financial statements using going concern assumption is justified.

3 BASIS OF PREPARATION

3.1 These condensed interim financial statements of the Company have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards applicable in Pakistan for interim financial reporting comprise of International Accounting Standard (IAS) 34, "Interim Financial Reporting", issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017 and provisions of and directives issued under the Companies Act, 2017. Where provisions of and directives issued under the Companies Act, 2017 differ from the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

3.2 These condensed interim financial statements do not include all the information and disclosures required in the annual audited financial statements, and should be read in conjunction with the Company's annual audited financial statements for the year ended 30 June 2020.

4 SIGNIFICANT ACCOUNTING POLICIES AND ESTIMATES

4.1 The accounting policies and methods of computation adopted and applied in the preparation of these condensed interim financial statements are consistent with those followed in the preparation of the Company's annual financial statements for the year ended 30 June 2020.

4.2 Application of new and revised International Financial Reporting Standards

4.2.1 Standards, amendments to standards and interpretations becoming effective in future periods

There are certain new standards, amendments to existing standards and new interpretations on approved accounting standards that became effective during the period and are mandatory for accounting periods of the Company beginning on or after July 01, 2020 but are considered not to be relevant or not to have any material effect on the Company's operations and are, therefore, not disclosed in these condensed interim financial statements.

4.2.2 Standards, amendments to standards and interpretations becoming effective during the period

There are certain new standards, amendments to standards and interpretations that will become effective in future accounting periods but are considered not to be relevant or not to have any material effect on the Company's operations and are, therefore, not disclosed in these condensed interim financial statements.

5 ACCOUNTING ESTIMATES, JUDGEMENTS AND FINANCIAL RISK MANAGEMENT

- 5.1 The preparation of these condensed interim financial statements in conformity with approved accounting standards requires management to make estimates, assumptions and use judgments that affect the application of policies and reported amounts of assets and liabilities and income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. revision to accounting estimates are recognized prospectively commencing from the period of revision.
- 5.2 Judgements and estimates made by management in the preparation of these condensed interim financial statements are the same as those that were applied to the financial statements as at and for the year ended June 30, 2020.
- 5.3 The Company's financial risk management objectives and policies are consistent with those objectives and policies which were disclosed in the financial statements of the Company for the year ended June 30, 2020

	(Un-Audited) July-Dec 2020	(Audited) June 30, 2020

9 LONG TERM INVESTMENT

Investment in associate

Dewan Salman Fibre Limited	--	--
----------------------------	----	----

- 9.1 Associate is an entity over which the Company has significant influence but no control. Company's investee company is considered to be its associate by virtue of common directorship, member of yousuf dewan companies and its ownership interest of 8.81% in investee company.

9.2 Investment in Dewan Salman Fibre Limited - at equity method

Number of shares held	32,279,849	32,279,849
Cost of investment (Rupees)	<u>40,000,000</u>	<u>40,000,000</u>
Fair value of investment (Rupees)	<u>28,406,267</u>	<u>28,406,267</u>
Ownership interest	<u>8.81%</u>	<u>8.81%</u>

- 9.3 Investment in associated company was made in accordance with the requirement of then effective Companies Ordinance, 1984. As the Company's share of losses exceed its interest in the associate, the Company has discontinued recognising its share of further losses. Market value is based on last available quoted price as of February 19, 2018.

10 FINANCE COST

The company has not provided the markup on long term and short term borrowings from certain banks for the year amounting to Rs. 13.417 million (Up to June 30, 2020: Rs. 452.530 million) in respect of borrowings of certain banks who have not yet accepted the restructuring proposal. The Management of the company is quite hopeful that these banks will also accept restructuring proposal in near future. Had the provision been made the loss for the period would have been higher by Rs.13.417 million and accrued mark-up would have been higher and shareholders' equity would have been lower by Rs. 465.947 million. The said non provisioning is departure from the requirement of IAS 23- 'Borrowing Costs'.

ڈائریکٹرز رپورٹ

شروع کرتا ہوں اللہ تعالیٰ کے نام سے جو بڑا مہربان اور نہایت رحم والا ہے
اگر تم شکر ادا کرو گے تو میں تم پر (نعمتوں میں) ضرور اضافہ کروں گا (القرآن)

آپ کی کمپنی کے بورڈ آف ڈائریکٹرز 31 دسمبر 2020ء کو ختم ہونے والی ششماہی کے لئے کمپنیز ایکٹ 2017ء کے سیکشن 237 اور
سیکیورٹیز اینڈ ایکسچینج کمیشن آف پاکستان کے جاری کردہ کوڈ آف کارپوریٹ گورننس کی تعمیل کرتے ہوئے غیر میعاد عبوری مالیاتی
حسابات پیش کرنے پر خوشی محسوس کر رہے ہیں۔

عملی نتائج (فیکٹری بند):

دوران مدت آپریشن بند ہونے کے باعث کمپنی کی صفر خالص فروخت رہی۔ فی الحال کمپنی اگست 2016ء سے اپنی پیداواری
سرگرمیاں معطل کر چکی ہے جو کہ صنعت کو درپیش مسائل، مارکیٹ کی کم طلب اور کاروباری سرمایہ میں کمی کے باعث آپریشن جاری نہیں
کیا جاسکا۔

کمپنی کے آڈیٹرز نے آپریشن کی بندش، قرضہ جات کی قسطوں کی ادائیگی اور مارک اپ سے متعلق غیر عدم فراہمی اور مشکوک قرضوں
کے لئے فراہمی جو کہ ان کی جائزہ رپورٹ میں بیان کیا گیا ہے، کے باعث مستقبل کی تشویش سے متعلق اپنی جائزہ رپورٹ میں منفی نتیجہ
کا اظہار کیا ہے۔ مجموعی عبوری مالی بیانات تشویش کا اظہار کرتے ہوئے تیار کیئے گئے ہیں کیونکہ کمپنی نے اپنے قرض دہندگان سے اپنی
ذمہ داریوں کی مزید تنظیم نو کے لئے رابطہ کیا ہے جو کہ جاری ہے۔ انتظامیہ کو امید ہے کہ جلد ہی اس طرح کی نظر ثانی کو حتمی شکل دے دی
جائے گی جس سے کمپنی اپنے آپریشنز دوبارہ شروع کر سکے گی۔

مستقبل کا نظریہ:

انتظامیہ مستقبل میں صورتحال بہتر ہونے کے ساتھ ہی بہت جلد اپنی پیداواری سرگرمیاں دوبارہ شروع کرنے کی کوشش کر رہی ہے۔
ویکسینز کی دستیابی کے ساتھ، یہ توقع کی جا رہی ہے کہ اب عالمی سطح پر وبائی امراض کے اثرات کو کم کیا جائے گا اور اس کے تحت عالمی سطح پر
معاشی سرگرمیاں معمول پر آئیں گی۔ اگرچہ دوسری اہر کے دوران معمولی ہچکولے دیکھنے میں آئے، لیکن پورے پاکستان نے بطور قوم نظم
وضبط کا بہترین مظاہرہ کیا۔ جیسے ہی ہم نئے مالیاتی سال میں داخل ہوئے، معاملات نے پاکستان کے لئے زور پکڑنا شروع کر دیا۔

برآمدات اور ترسیلات زرا و پری سطح پر پہنچ گئیں

معاشی لچک اور بہتری کی علامات کے باوجود، کپاس کی زیادہ درآمدات کی وجہ سے کرنٹ اکاؤنٹ پر دباؤ پڑ سکتا ہے کیونکہ کپاس کی فصل کی کاشت میں مسلسل کمی کے ساتھ ساتھ کپاس کی بین الاقوامی قیمت میں اضافے کی بنیادی وجہ امریکی کپاس کی سپلائی میں بڑھتی طلب اور رکاوٹ، حالیہ مصنوعی سوت اور سوتی کپاس کی درآمد پر ریگولیٹری ڈیوٹی کا خاتمہ، پلانٹ اور مشینری کی درآمد، تیل کی بین الاقوامی قیمتوں میں اضافے کا رجحان ہے۔ یہ عوامل مختصر مدت میں زرمبادلہ کی شرح کو اوپر کی طرف دھکیل سکتے ہیں۔ مزید برآں، بڑھتے ہوئے قرضہ جات، زیادہ افراط زر، روزمرہ قیمتوں میں اضافہ، غیر مستحکم سیاسی حالات اور جغرافیائی سیاسی تناؤ کے چیلنجز سے یہ نقطہ نظر غیر واضح ہو سکتا ہے۔

نتیجہ:

نتیجہ کے حوالے سے ہم اللہ تعالیٰ رحمن و رحیم سے دعا کرتے ہیں وہ اپنے حبیب حضرت محمد ﷺ کے طفیل اپنی رحمت، ہدایات اور فضل و کرم ہم پر اسی طرح قائم رکھے جو کہ نہ صرف ہم پر بلکہ ہماری کمپنی اور ہمارے ملک پر بھی اپنی رحمت نازل کرے، ہم اللہ تعالیٰ سے یہ بھی دعا کرتے ہیں کہ تمام مسلم ائمہ کے مابین صحیح اسلامی جذبہ، اخوت اور بھائی چاڑگی پیدا کرے۔ آمین ثناء آمین۔

میرا پروردگار یقیناً ہماری دعاؤں کو سنتا ہے۔ (قرآن کریم)
