INDEPENDENT AUDITORS' REVIEW REPORT

To the members of Haji Mohammad Ismail Mills Limited Report on review of Interim Financial Statements

Introduction:

We have reviewed the accompanying condensed interim statement of financial position of Haji Mohammad Ismail Mills Limited ("the Company") as at December 31, 2020 and the related condensed interim statement of profit or loss, condensed interim statement of comprehensive income, condensed interim statement of changes in equity, condensed interim statement of cash flows and notes to the financial statements for the half year then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with approved accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review.

The figures of the condensed interim statement of profit or loss and condensed interim statement of comprehensive income for the quarters ended December 31, 2020 and December 2019 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2020.

Scope of Review:

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial statements Performed by the Independent Auditor of the Entity." A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Adverse Conclusion:

The condensed interim financial statements of the company have been prepared on going concern basis, despite of the facts that the management has disposed off the assets of the Company including land, building, plant & machinery to pay off its major debts during the year ended June 30, 2015. The company has prepared new business plan, however, the underlying assumption for new business plan is not appropriate for the period subsequent to the reporting date. The forgoing conditions indicate material uncertainty which cast a significant doubt on company ability to continue as a going concern.

Naveed Zafar Ashfaq Jaffery & Co. Chartered Accountants

The significance of matters discussed in preceding paragraph, lead us to believe that going concern assumption used in preparation of the financial statements of the company is inappropriate consequently the assets and liabilities should have been stated at their realizable and settlement amount respectively.

Conclusion

Based on our review, due to significance of matter described in the preceding paragraph that causes us to believe that the accompanying condensed interim financial statements as at and for the half year ended December 31, 2020 are not prepared, in all material respects, in accordance with approved accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the audit resulting in this independent auditor's report is Ahsan Elahi Vohra.
