## **SUB: MATERIAL INFORMATION**

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1(a) of PSX Regulations, we hereby convey the following information:

We are pleased to inform that we have exported our first sample shipment of offals to be used in pet foods, to the US market. Our shipment has been cleared by the US Food and Drug Administration (FDA) and this can result in the opening of a new export market for pet food raw material supply.

Furthermore, this week we started the trials for animal fattening on our first lot of cattle of various breeds. Over the next two quarters we aim to populate the animal fattening farm with 3,000 to 3,500 animals as well as complete construction on the project. It is the first of its kind and the largest animal fattening farm of Pakistan.

Let's make Pakistan Proud.

You may please inform the TRE Certificate Holders of the Exchange accordingly.

Yours sincerely,
