SIEMENS

Dear Shareholders.

We, the undersigned, for and on behalf of the Board of Directors are pleased to present your company, Siemens (Pakistan) Engineering Co. Ltd. ("Company"), unaudited condensed interim financial statements and a review of the Company's performance for half year ended March 31, 2021.

Company's Performance: Key Performance Indicators ("KPIs") for the six months period ended March 31, 2021, compared to corresponding period last year are summarized below:

	Rs in 0	00s
KPIs	Six Months Ended March 31, 2021	Six Months Ended March 31, 2020
New Orders	10,138,247	3,788,612
Net sales and services	6,132,313	6,738,138
(Loss) / profit before tax	115,570	(46,733)
Net (loss) after tax	(128,789)	(52,699)
(Loss) / Earnings per share (Rupees)	(15.62)	(6.39)

This quarter saw a continued rebound in new orders mainly due to our transmission business, which reported Rs. 5.8 billion worth of new orders. This was a welcome change from the same period last year, where this business reported no new orders for FY 2020. While the net sales and services was 9% less than that reported in the same period last year, the Company managed to book a profit before tax representing a 140% increase over that reported for the six months ended March 31, 2020. This was mainly due to reduced marketing, selling, and financial expenses, along with gain on disposal of an asset held for sale by the Company.

Future Outlook: While the country and the world at large are still struggling against the COVID-19 pandemic, the ongoing focus on vaccination against the virus and other economic measures taken by the Government appear to be leading toward stability within the country. Given the improving economic conditions, current interest rates and range bound currency fluctuations, we are cautiously optimistic that the Company will continue to secure upcoming opportunities. There will continue to remain a focus on improved profit margins in the coming quarters by focusing on project execution and the Company's core competencies.

Acknowledgement: The Board is grateful for the dedication of the Company's employees and Management. We also appreciate the continued support and commitment of our stakeholders. Additionally, we greatly value the cooperation received from our customers, suppliers, business partners, financial institutions and regulators for the trust and confidence placed in the Company.

The enclosed condensed interim financial statements are unaudited.

On behalf of the Board of Directors

INDEPENDENT AUDITORS' REVIEW REPORT

To the members of Siemens (Pakistan) Engineering Co. Ltd.

Report on review of Interim Financial Statements

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Siemens (Pakistan) Engineering Co. Ltd. as at 31 March 2021 and the related condensed interim statement of profit or loss, condensed interim statement of other comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the financial statements for the six-month period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of this interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these financial statements based on our review. The figures of the condensed interim statement of profit or loss and condensed interim statement of other comprehensive income for the three months ended 31 March 2021 and 2020 have not been reviewed, as we are required to review only the cumulative figures for the six months period ended 31 March 2021.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements is not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the audit resulting in this independent auditors' review report is Mr. Tarig Feroz Khan.
