The General Manager
Pakistan Stock Exchange Ltd.
Karachi.

Dear Sir,

Re:- Unusual movement in price and volume in shares of SG Power Ltd.(Reg 5.6.3)

We have observed that during the last two days of last week that there has been unusual movement in the price and volume of shares of S. G. Power Ltd.

It is clarified that no important matter or development activity under consideration of the company. It is merely speculation activity of the speculators of the market.

Thanks & Regards
