UNUSUAL MOVEMENT IN THE PRICE AND VOLUME IN SHARES OF HUSEIN INDUSTRIES LTD (REG. 5.6.3)

Dear Sir,

It is brought to the knowledge of the Exchange that subsequent to shifting of Husein Industries Limited to Normal counter, we have witnessed unusual movement in price of the shares.

It is submitted that neither the Company has decided nor is in the process of considering to undertake any project or there is any other development that may impact the share price of the Company. We understand that this is a clear case of manipulation from some market participants as price of the Company's share has increased significantly, since shifting of the Company's share to the normal counter, with upper cap on every day with nominal trade volume.

Thanking You,

Husein A. Jamal
