The improvement in revenue and earnings over the corresponding period came on the back of increased activity in the market turnover and higher margin income.

Market has recovered sharply from its lows tested in March'20, more importantly the liquidity has picked up in the backdrop of improving confidence and low interest rates. Given government's commitment to achieve higher growth number over the year, we expect business-friendly stance to continue which will bode well for the market. We are actively working towards increasing our clientele, which coupled with overall positive environment will help the company deliver strong results going forward.

In conclusion, we pray to almighty Allah for his blessings, guidance, health and prosperity to us, our Company, Country and Nation.

For and on behalf of the Board of Directors

# INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF EFG HERMES PAKISTAN LIMITED REPORT ON REVIEW OF INTERIM FINANCIAL STATEMENTS

#### Introduction

We have reviewed the accompanying condensed interim statement of financial position of EFG Hermes Pakistan Limited as at June 30, 2021 and the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the financial statements for the six-month period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these financial statements based on our review.

#### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the audit resulting in this independent auditor's report is Shahid Kamran.
