THE ORGANIC MEAT COMPANY LIMITED

The Organic Meat Company Limited contracted to supply 250 MT of Frozen Boneless Deglanded Meat

TOMCL awarded an approx. 1.0 Million USD contract to supply of Frozen Boneless Deglanded Meat to another food processor in the Middle East

The Organic Meat Company Limited, has been contracted to supply frozen boneless deglanded meat to Global Developing Food Industries Company, Saudi Arabia, which is another successful food processing company in the Middle East. The group is considered to be one of the growing food manufacturing and distributing companies in the region. The scope of work for this project will include the following;

Contract Name / Client / Customer	Global Developing Food Industries Company
Project Value	Approx. 1.0M US\$.
Contract / Project Timeline	10 Months
Scope of Work	Supply of Frozen Boneless Deglanded Meat (25 MT per Month). Transportation via sea to Damam
Management Quotes	TOMCL is the first company from Pakistan to be approved by various multinational food processing companies for supply of meat from Pakistan. TOMCL is also the first company to be approved by Saudi Arabia and Drug Authority (SFDA) to export Frozen Meat via sea to Saudi Arabia.

The contract further solidifies TOMCL position as a reputable and reliable meat processor in export sector.

As a pioneer of frozen boneless meat exporter, TOMCL has been selling the international meat industry for nearly a decade. The company has an impressive history of delivering halal and variety of qualities of chilled and frozen meat and edible offal's to various meat and offal importers all over Middle East and Far East. The company's innovative history in the meat sector, its state of the art services played a major role in acquiring the contract for the biggest food processor of the middle east i.e. National Food Company (Americana) and Global Developing Food Industries Company.

About The Organic Meat Company Limited - (TOMCL) - The Company is a high-quality Halal meat processor and exporter. The Company was incorporated in 2010 and commenced operations in 2011 with two initial products, fresh chilled beef and mutton and frozen boneless meat. Currently, TOMCL has the largest product range as well as market access from Pakistan's meat export sector. Moreover, TOMCL's slaughtering and meat processing facility is spread over 15 acres at Gadap, Karachi. The facilities are approved to supply products to Kuwait, Oman, Qatar, Kingdom of Saudi Arabia, ("KSA"), United Arab Emirates ("UAE"), Bahrain, Maldives, Hong Kong and Vietnam.

The Company is associated with various international organizations and has certifications reflecting compliance with international standards of hygiene, quality control and after sales. TOMCL stands out to be an exclusive livestock slaughtering and meat processing facility in the country matching and complying with international standards like HACCP ISO 9001:2008, PSQCA, Gulf Food Standards (UAE), Saudi Food and Drug Authority, JAKIM (Malaysian Standards).
