We are pleased to inform that Cherat Packaging Limited has successfully installed and commissioned its fourth line of Polypropylene Plant for producing cement bags.

The fourth line of Polypropylene cement bag manufacturing plant has again been acquired from leading European supplier M/s. Windmoller & Holscher. With this expansion, the production capacity of the Company has increased from 195 million to 260 million Polypropylene bags per annum. The plant has been commissioned at the existing factory site of the Company in Gadoon Amazai, Khyber Pakhtunkhwa Province.
