Following are some of the best practices for an Analyst Briefing via videoconferencing that we would request all attendees to follow:

- Kindly join 5 to 10 minutes in advance of the scheduled time of the Analyst Briefing.
- Please enter your name and the name of your respective institution in the following format 'Full Name - Institution' while entering the meeting ID.
- The briefing attendees would be requested to stay on 'Mute' mode.
- For the Q&A part of the session, the briefing attendees would be requested to type their questions or comments in the chat box so that the session moderator can read them along with their name and respond accordingly.
- The attendees can also use the actions available on Zoom and raise a hand so that it becomes visible to the session moderator and the respective meeting attendee would subsequently be asked to go on 'Unmute' mode and ask their question or mention their comments.
