

half yearly
report
december 31
2021

At Maple Leaf we connect black as a colour of creativity, it's poetic. As a leader we must be creative and encourage the creativity and innovation of our team members too. Nothing is purer than something completely black-a blanket of spirituality comes to mind. Maple Leaf Cement sees the world in situational shades of black rather than as a completely black and white world.

When things are in black, there is a finality and a commitment to us. As a leader our intentions must be pure, our ethics must be in check, and we must be as transparent to others in our thoughts and actions as possible. As leaders we are committed, hold firm to commitments and lead from that foundation. That commitment level makes things clearer for us from darkness.

Therefore easier for us to lead and more consistent for others resulting black consciousness which is an attitude of the mind and a way of life, the most positive call to emanate from the new corporate world because stars can't shine without darkness.

DIRECTORS' REVIEW

In compliance with Section 237 of the Companies Act, 2017, the Directors of your Company have pleasure to present unaudited standalone and consolidated financial statements for the first six months of financial year 2021-22, ended 31st December 2021.

During the period under review, the Company recorded net consolidated turnover of Rs. 22,101 million against Rs. 16,578 million in the corresponding period last year. The top line of the Company increased by 33% mainly due to improvement in selling prices in the local market. Increase in selling prices is mainly due to high inflationary impact on cost side, especially fuel and power. Growth in construction sector was slower than expected mainly due to lacklustre implementation of large scale projects, less utilization of PSDP budget and lower than expected demand in housing sector.

Comparative data of capacity utilization and cement dispatches for the period under review is as under: -

Particulars	July to December		Variance	
	2021	2020	Change	Percentage
	(----- M. Tons -----)			
Production:				
Clinker Production	2,232,991	2,428,834	(195,843)	(8.06%)
Cement Production	2,407,724	2,516,441	(108,717)	(4.32%)
Sales:				
Domestic	2,336,589	2,372,623	(36,034)	(1.52%)
Exports	70,020	147,707	(77,687)	(52.60%)
Total	2,406,609	2,520,330	(113,721)	(4.51%)

Total Sales volume of 2,406,609 tons achieved depicts a decrease of 4.51% over 2,520,330 tons sold during the corresponding period last year. Domestic sales volume was 2,336,589 tons depicting almost the same level of demand, with a slight pressure on cement consumption in local market as compared to corresponding period last year.

The Company's export volumes decreased by almost 52.60% to reach 70,020 metric tons from 147,707 metric tons in corresponding period. This decline is mainly attributable to Afghanistan market due to the slow economic activity post American exodus from the country and low margins. Further, cement dispatches to rest of world is still not feasible due to high production costs in Pakistan as compared to global market and increased shipping costs.

During the six months' period under review, global coal and oil prices further escalated sharply due to growth in global industrial activity, cut in coal production by Indonesia and uncertain political developments among some global powers. Coal and pet coke prices are still at an unprecedented high level and contain the uncertainty to predict its outlook. Further, devaluation of Pak Rupee by approximately 12% during the period under review resulted in

pressure on fuel and power costs of the Company that is mainly based on imported coal and pet coke. However, the Company was able to keep its fuel and power costs under control by using Afghan coal to a certain mix despite the problems with consistent supply and quality. Further, the Company is also benefitting by use of pet coke which is cost effective due to higher energy content and earlier purchases of coal and pet coke at cheaper rates. The Company continues to benefit from lower inland transportation costs through transport via railway network resulting in reasonable savings.

The Company successfully completed its Waste Heat Recovery Project of 9MW on newly installed cement line 3 and solar power project of 5MW, during the period. This will contribute to the Company's efforts to reduce its power cost in upcoming times of high inflation. Waste Heat Recovery Plant is now representing one third of the power mix. Further, the Company makes continuous efforts to enhance its production efficiencies to reduce costs and to keep a strict control over fixed costs in this time of high inflation.

On account of aforementioned factors impacting cost of production, the Company achieved consolidated gross profit of Rs. 6,076 million during the reporting period, an increase of 67% from Rs. 3,641 million in the corresponding period last year.

The Company recorded consolidated pre-tax profit of Rs. 3,732 million for the reporting period against consolidated pre-tax profit of Rs. 2,058 million in corresponding period. Consolidated tax component amounted to a charge of Rs. 974 million for the reporting period as compared to Rs. 433 million in the corresponding period.

Profits earned from MLPL are exempt from charge of income tax and amounted to Rs. 408 million for the first six months of financial year 2021-22.

The above factors have increased post-tax bottom line for the reporting period at a consolidated profit of Rs. 2,757 million as against Rs. 1,625 million for corresponding period last year representing an increase of 70%.

During the period under review, monetary policy rate was reviewed by the State Bank of Pakistan (SBP) and enhanced from 7% to 9.75%. However, impact of this increase will affect the Company's financial cost from 3rd quarter of current financial year. The Temporary Economic Refinance Facility (TERF) launched under the directives of the SBP has lent sustainable financial support to the Company by helping it avail long term borrowing at attractive mark-up rates to purchase imported and local manufactured plant and machinery and setting up new projects.

The Company has started its capacity enhancement project i.e. Line 4 (7000 tpd) at its existing plant site. The construction work is underway with satisfying pace and approximately nine shipments of plant and machinery have arrived at construction site to date. The said project is being financed with a mix of concessionary debt and internally generated cash during the period. Management is targeting to achieve COD in 2QFY2023.

Further, to control the upcoming inflationary trend in power cost, the Company has started to commission another solar power plant of 7.5MW which is expected to be completed in 4QFY2022.

FUTURE OUTLOOK

Going forward, we expect cement demand in the domestic market to remain stagnant despite Government's announcement of a comprehensive package to boost construction activities in Pakistan. The main contributors to the slow demand includes high inflation, increase in interest rates, harsh taxation measures and slower implementation of PSDP projects.

Further, high coal rates in international markets coupled with exorbitant sea freight, stumbling Pak Rupee against US\$, rising SBP discount rate and gas shortage in international markets will put pressure on the input costs of cement. However, the Company is planning to increase the use of Afghan Coal and local coal to mitigate the impact of high coal rates in international markets and to lower the risk of currency devaluation. Moreover, due to mounting pressure on the Government to meet IMF conditions, the Government intends to increase power tariffs and streamline fuel price adjustments to prevent accumulation of future power sector arrears. As a consequence, National Grid prices are expected to rise, which will result in increased power costs for the Company. To partially mitigate the above mentioned cost escalation factors, the Company is working on installation of further renewable energy resources to reduce reliance on National Grid to the minimum.

ACKNOWLEDGEMENT

The Board takes this opportunity to express its deep sense of gratitude and thanks to the shareholders, employees, customers, bankers and other stakeholders for the confidence and faith they have always reposed in us.

For and on behalf of the Board

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF MAPLE LEAF CEMENT FACTORY LIMITED REPORT ON REVIEW OF CONDENSED INTERIM UNCONSOLIDATED FINANCIAL STATEMENTS

Introduction

We have reviewed the accompanying condensed interim unconsolidated statement of financial position of Maple Leaf Cement Factory Limited ("the Company") as at 31 December 2021 and the related condensed interim unconsolidated statement of profit or loss, condensed interim unconsolidated statement of comprehensive income, condensed interim unconsolidated statement of changes in equity, and condensed interim unconsolidated statement of cash flows, and notes to the unconsolidated condensed interim financial statements for the six-month period then ended (here-in-after referred to as "interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Other matters

The figures of the condensed interim unconsolidated statement of profit or loss and condensed interim unconsolidated statement of comprehensive income for the quarters ended 31 December 2021 and 31 December 2020, have not been reviewed by us and we do not express a conclusion on them.

The engagement partner on the review resulting in this independent auditor's review report is M. Rehan Chughtai.

SELECTED EXPLANATORY NOTES TO THE CONDENSED INTERIM UNCONSOLIDATED FINANCIAL STATEMENTS

FOR SIX MONTHS ENDED DECEMBER 31, 2021 (UN-AUDITED)

1. REPORTING ENTITY

- 1.1 Maple Leaf Cement Factory Limited (“the Company”) was incorporated in Pakistan on 13 April 1960 under the Companies Act, 1913 (now the Companies Act, 2017) as a public company limited by shares. The Company is listed on Pakistan Stock Exchange. The registered office of the Company is situated at 42-Lawrence Road, Lahore, Pakistan. The cement factory is located at Iskanderabad District Mianwali in the province of Punjab. The principal activity of the Company is production and sale of cement. The Company is a subsidiary of Kohinoor Textile Mills Limited (“the Holding Company”).

2. BASIS OF PREPARATION

2.1 Separate financial statements

These condensed interim unconsolidated financial statements are the separate financial statements of the Company in which investment in subsidiary is accounted for on the basis of direct equity interest rather than on the basis of reported results and net assets of the investee. Consolidated condensed interim financial statements of the Company are prepared and presented separately.

The Company has the following long term investment:

	Un-audited December 31, 2021	Audited June 30, 2021
	(Direct holding percentage)	
Subsidiary Company		
Maple Leaf Power Limited	100	100

2.2 Statement of compliance

- 2.2.1 These condensed interim unconsolidated financial statements comprises the condensed interim unconsolidated statement of financial position of the Company, as at 31 December 2021 and the related condensed interim unconsolidated statement of profit or loss, condensed interim unconsolidated statement of comprehensive income, condensed interim unconsolidated statement of cash flow and condensed interim unconsolidated statement of changes in equity together with the notes forming part thereof.

These condensed interim unconsolidated financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The accounting and reporting standards applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

2.2.2 These condensed interim unconsolidated financial statements do not include all of the information required for full annual financial statements and should be read in conjunction with the annual audited financial statements for the year ended 30 June 2021. Comparative numbers of condensed interim unconsolidated statement of financial position are extracted from the annual unconsolidated audited financial statements of the Company for the year ended 30 June 2021, whereas comparatives of condensed interim unconsolidated statement of profit or loss, unconsolidated statement of comprehensive income, unconsolidated statement of cash flow and unconsolidated statement of changes in equity are stated from unaudited condensed interim unconsolidated financial statements of the Company for the six months period ended 31 December 2020.

2.2.3 These condensed interim unconsolidated financial statements are unaudited and being submitted to the shareholders as required under Section 237 of the Companies Act, 2017 and the Listing Regulations of Pakistan Stock Exchange Limited.

2.2.4 These condensed interim unconsolidated financial statements are presented in Pakistan Rupees which is the Company's functional currency and all financial information presented has been rounded off to the nearest thousand rupees, except otherwise stated.

3. JUDGMENTS AND ESTIMATES

In preparing these condensed interim unconsolidated financial statements management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

The significant judgments made by the management in applying the Company's accounting policies and the key sources of estimation uncertainty are the same as those applied in the preparation of annual audited unconsolidated financial statements for the year ended 30 June 2021.

4. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies and the methods of computation adopted in the preparation of these condensed interim unconsolidated financial statements are same as those applied in the preparation of the unconsolidated financial statements for the year ended 30 June 2021.

- 4.1 The following amendments and interpretations of approved accounting standards will be effective for accounting periods as detailed below:

	Effective date (accounting period beginning on or after)
Amendments and interpretations of approved accounting standards	
- Amendment to IAS 37 - Onerous Contracts - Cost of fulfilling a contract and Errors (Amendments)	01 January 2022

22.1 The Company has not disclosed the fair values of these financial assets and liabilities as their carrying values are reasonable approximation of fair values.

22.2 Freehold land, buildings on freehold land, roads, bridges and railway sidings, plant and machinery have been carried at revalued amounts determined by professional valuers (level 3 measurement) based on their assessment of the market values. The valuations were conducted by the valuation experts appointed by the Company as at 30 June 2020. The valuation experts used a market based approach to arrive at the fair value of the Company's properties. For revaluation of freehold land fair market value was assessed through inquiries to real estate agents and property dealers in near vicinity of freehold land. Different valuation methods and exercises were adopted according to experience, location and other usage of freehold land. Valuer had also considered all relevant factors as well. In case of buildings on freehold land, roads, bridges and railway sidings, construction specifications were noted for each building and structure and new construction rates are applied according to construction specifications for current replacement values. After determining current replacement values, depreciation

was calculated to determine the current assessed market value. For revaluation of plant and machinery, suppliers and different cement plant consultants in Pakistan and abroad were contacted to collect information regarding current prices of comparable cement plant to determine current replacement value. Fair depreciation factor for each item is applied according to their physical condition, usage and maintenance. The effect of changes in the unobservable inputs used in the valuations cannot be determined with certainty, accordingly a qualitative disclosure of sensitivity has not been presented in these condensed interim unconsolidated financial statements.

CHIEF FINANCIAL OFFICER

DIRECTOR

SELECTED EXPLANATORY NOTES TO THE CONDENSED INTERIM CONSOLIDATED FINANCIAL STATEMENTS

FOR SIX MONTHS ENDED DECEMBER 31, 2021 (UN-AUDITED)

1. REPORTING ENTITY

1.1 Maple Leaf Cement Factory Limited - (“the Holding Company”)

Maple Leaf Cement Factory Limited (“the Company”) was incorporated in Pakistan on 13 April 1960 under the Companies Act, 1913 (now the Companies Act, 2017) as a public company limited by shares. The Company is listed on Pakistan Stock Exchange. The registered office of the Company is situated at 42-Lawrence Road, Lahore, Pakistan. The cement factory is located at Iskanderabad District Mianwali in the province of Punjab. The principal activity of the Company is production and sale of cement. The Company is a subsidiary of Kohinoor Textile Mills Limited (“the Holding Company”).

1.2 Maple Leaf Power Limited - (“the Subsidiary Company”)

Maple Leaf Power Limited (“the Subsidiary Company”) was incorporated in Pakistan on 15 October 2015 as a public limited company under the Companies Ordinance, 1984 (now Companies Act, 2017). The Subsidiary Company has been established to set up and operate a 40 megawatt coal fired power generation plant at Iskanderabad, District Mianwali, Punjab, Pakistan for generation of electricity. The Subsidiary Company’s registered office is located at 42 - Lawrence Road, Lahore. The principal objective of the Subsidiary Company is to develop, design, operate and maintain electric power generation plant and in connection therewith to engage in the business of generation, sale and supply of electricity to the Holding Company.

The Subsidiary Company was granted electricity generation license from National Electric and Power Regulatory Authority (NEPRA) on 20 December 2016. On 04 July 2017, the Subsidiary Company has entered into a Power Purchase Agreement (“PPA”) with the Holding Company which is valid for 20 years.

The Holding and the Subsidiary companies are collectively referred to as “ the Group” in these consolidated financial statements.

2. BASIS OF PREPARATION

2.1 Statement of compliance

2.1.1 These condensed interim consolidated financial statements comprises the condensed interim consolidated statement of financial position of the Company, as at 31 December 2021 and the related condensed interim consolidated statement of profit or loss, condensed interim consolidated statement of comprehensive income, condensed interim consolidated statement of cash flow and condensed interim consolidated statement of changes in equity together with the notes forming part thereof.

These condensed interim consolidated financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The accounting and reporting standards applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

- 2.1.2** These condensed interim consolidated financial statements do not include all of the information required for full annual financial statements and should be read in conjunction with the annual audited financial statements for the year ended 30 June 2021. Comparative numbers of condensed interim consolidated statement of financial position are extracted from the annual consolidated audited financial statements of the Company for the year ended 30 June 2021, whereas comparatives of condensed interim consolidated statement of profit or loss, consolidated statement of comprehensive income, consolidated statement of cash flow and consolidated statement of changes in equity are stated from unaudited condensed interim consolidated financial statements of the Company for the six months period ended 31 December 2020.
- 2.1.3** These condensed interim consolidated financial statements are unaudited and being submitted to the shareholders as required under Section 237 of the Companies Act, 2017 and the Listing Regulations of Pakistan Stock Exchange Limited.
- 2.1.4** These condensed interim consolidated financial statements are presented in Pakistan Rupees which is the Company's functional currency and all financial information presented has been rounded off to the nearest thousand rupees, except otherwise stated.

3. JUDGMENTS AND ESTIMATES

In preparing these condensed interim consolidated financial statements management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

The significant judgments made by the management in applying the Company's accounting policies and the key sources of estimation uncertainty are the same as those applied in the preparation of annual audited consolidated financial statements for the year ended 30 June 2021.

4. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies and the methods of computation adopted in the preparation of these condensed interim consolidated financial statements are same as those applied in the preparation of the consolidated financial statements for the year ended 30 June 2021.

- 4.1 The following amendments and interpretations of approved accounting standards will be effective for accounting periods as detailed below:

	Effective date (accounting period beginning on or after)
Amendments and interpretations of approved accounting standards	
- Amendment to IAS 37 - Onerous Contracts - Cost of fulfilling a contract and Errors (Amendments)	01 January 2022
Annual Improvements to IFRS standards 2018-2020:	
- Amendment to IFRS 9 - Assessment of derecognition of a financial liability	01 January 2022
- Amendment to IFRS 16 - Exclusion of illustration of reimbursement of leasehold improvements by the lessor	01 January 2022
- Amendment to IAS 41 - Exclusion of taxation cash flows when measuring the fair value of a biological asset using a present value technique	01 January 2022
- Amendments to IAS 16 - Property, Plant and Equipment - Proceeds before intended use	01 January 2022
- Amendment to IFRS 3 - Business Combinations	01 January 2022
- Amendments to IFRS 10 and IAS 28 - Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	01 January 2022
- Amendments to IAS 1 - Classification of liabilities as current or non-current	01 January 2023
- Amendments to IAS 1 and IFRS Practice Statement 2 - Disclosure of Accounting Policies	01 January 2023
- Amendments to IAS 12 - Deferred Tax related to Assets and Liabilities arising from a Single Transaction	01 January 2023
- Amendments to IAS 8 - Definition of Accounting Estimates	01 January 2023

5. ISSUED, SUBSCRIBED AND PAID-UP SHARE CAPITAL

20.1 The Group has not disclosed the fair values of these financial assets and liabilities as their carrying values are reasonable approximation of fair values.

20.2 Freehold land, buildings on freehold land, roads, bridges and railway sidings, plant and machinery have been carried at revalued amounts determined by professional valuers (level 3 measurement) based on their assessment of the market values. The valuations were conducted by the valuation experts appointed by the Company as at 30 June 2020. The valuation experts used a market based approach to arrive at the fair value of the Company's properties. For revaluation of freehold land fair market value was assessed through inquiries to real estate agents and property dealers in near vicinity of freehold land. Different valuation methods and exercises were adopted according to experience, location and other usage of freehold land. Valuer had also considered all relevant factors as well. In case of buildings on freehold land, roads, bridges and railway sidings, construction specifications were noted for each building and structure and new construction rates are applied according to construction specifications for current replacement values. After determining current replacement values, depreciation was calculated to determine the current assessed market value. For revaluation of plant and machinery, suppliers and

different cement plant consultants in Pakistan and abroad were contacted to collect information regarding current prices of comparable cement plant to determine current replacement value. Fair depreciation factor for each item is applied according to their physical condition, usage and maintenance. The effect of changes in the unobservable inputs used in the valuations cannot be determined with certainty, accordingly a qualitative disclosure of sensitivity has not been presented in these condensed interim consolidated financial statements.
