DIRECTORS' REVIEW

The Directors of **Artistic Denim Mills Limited** ("the Company") are pleased to present to the shareholders the Directors' Review Report along with the un-audited condensed interim financial statements of the Company for the half year ended December 31, 2021.

PERIOD UNDER REVIEW

Comparative financial results for the current period and that of the corresponding period last year are as follows:

	December 31, 2021	December 31, 2020
	Rs. in ('000')	Rs. in ('000')
Net Sales	7,859,581	4,449,803
Gross profit	655,634	665,807
Finance costs	179,384	103,846
Net Profit	242,179	219,902
EPS (Rs. per share)	2.88	2.62

During the half year ended December 31, 2021, the Company achieved net sales of Rs. 7,860 million as compared to Rs. 4,450 million in the same period of last year, up by 76.63%. This was on account of primarily volume growth and product mix. The Company earned a gross profit of Rs. 656 million, compared to gross profit of Rs. 666 million for the corresponding period of last year. The decrease in gross profit was due to considerably increase in cotton prices and increase in prices of imported raw materials, dyes & chemicals, spare parts, increase in minimum wage, increase in gas tariff and sharp increase in ocean freight; hence, cost of production has increased. Further, due to shortage of gas in winter season, the Company used diesel to fulfill orders on time which resulted in increase in energy cost by Rs. 160 million which eroded the profits of the Company immensely. Finance costs recorded an increase of Rs. 76 million due to increase in interest rate and increase in working capital requirements primarily due to increase in cotton prices and availing SBP's LTFF/TERF Scheme for value addition and technological advancements. Due to the reasons explained above, profit before tax for the half year ended December 31, 2021 amounted to Rs. 322 million, while net profit amounted to Rs. 242 million translating into earnings per share of Rs. 2.88 as compared to earnings per share of Rs. 2.62 in the same period last year.

FUTURE OUTLOOK

There is no doubt 2022 is a challenging year for the country economy. Your company remains cognizant of the upcoming challenges and would continue to make all efforts to improve productivity. The management is confident that your Company would perform well in the coming months, as the outlook of textile market is positive.

In order to mitigate the impact of expected escalation in raw material prices, we have booked purchase of raw material for all of our major production programs against which we have received projections from customers. We are hopeful that all such measures will enable us to exhibit positive performance in remaining period of current financial year.

Textile and clothing exports grew 26 percent year-on-year to \$9.38 billion in the first half of this fiscal year, mainly on the back of a massive depreciation in the rupee's value and a steady rise in global demand. Textile sector is playing a major role in stabilizing the national economy; therefore, the government should address its issues on a priority basis. Further, government to reduce the cost of doing business, work on import-substitution, and improve regional trade via the barter system to make the economy sustainable in the long-term.

Despite the challenges being faced on economic and political front, the management of your company continues to target new markets and explore possibilities of making the operations increasingly efficient. The Company has been investing in Balancing, Modernization and Replacement (BMR) which is an ongoing process by utilizing SBP's LTFF Scheme to remain competitive in market.

ACKNOWLEDGEMENTS

The Board of Directors would like to thank all customers, suppliers, financial institutions, regulators and stakeholders for their continued support and cooperation. The Board would also like to express sincere appreciation for the employees for their dedication and hard work.

On behalf of the BOARD of DIRECTORS

MUHAMMAD FAISAL AHMED

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF ARTISTIC DENIM MILLS LIMITED REPORT ON REVIEW OF INTERIM FINANCIAL STATEMENTS

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Artistic Denim Mills Limited (the Company) as at December 31, 2021 and the related condensed interim statement of profit or loss, condensed interim statement of comprehensive income, condensed interim statement of cash flows, and condensed interim statement of changes in equity and notes to the condensed interim financial statements for the six months period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and fair presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review.

The figures of the condensed interim statement of profit or loss and condensed interim statement of comprehensive income for the three months ended December 31, 2021 and 2020 have not been reviewed, as we are required to review only the cumulative figures for the six months period ended December 31, 2021.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and apply analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the audit resulting in this independent auditor's report is **Muhammad Iqbal**.
