INDEPENDENT AUDITORS REVIEW REPORT TO THE MEMBERS OF PAK DATACOM LIMITED

Report on review of Interim Financial Statements

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Pak Datacom Limited ("the Company") as at December 31, 2021 and the related condensed interim statement of profit or loss, condensed interim statement of comprehensive income, condensed interim statement of changes in equity and condensed interim statement of cash flows, and notes to the condensed financial statements for the six month period then ended (here in after referred to as the "condensed interim financial statements"). Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with the International Standards on Review Engagements 2410, "Review of condensed Interim Financial Information performed by the Independent Auditor of the Entity." A review of condensed interim financial statements consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with the accounting and financial reporting standards as applicable in Pakistan for interim financial reporting.

The figures for the quarter ended December 31, 2021 and December 31, 2020 in the condensed interim statement of profit or loss and condensed interim statement of comprehensive income have not been reviewed and we do not express a conclusion, as we are required to review only the cumulative figures for the six month period December 31, 2021.

The engagement partner on the audit resulting in this independent auditors report is Abdul Qadeer.
