For filers of income tax returns	15%
For non-filers of income tax returns	30%

To enable the Company to make tax deduction on the amount of cash dividend @15% instead of 30% all the shareholders whose names are not entered into the Active Tax-payers List (ATL) provided on the website of FBR, despite the fact that they are filers, are advised to make sure that their names are entered into ATL before the date of payment of the cash dividend, otherwise tax on their cash dividend will be deducted @30% instead of 15%.

In the case of shares registered in the name of two or more shareholders, each joint-holder is to be treated individually as either a filer or non-filer and tax will be deducted by the Company on the basis of shareholding of each joint-holder as may be notified to the Company in writing. If the share is not ascertainable then each account holder will be assumed to hold equal proportion of shares and the deduction will be made accordingly.
