چیئرمین کی جائزہ رپورٹ

سیکشن 192 آف کمپنیز ایکٹ 2017ء کی ضرورت کے تحت میں چیئرمین کی جائزہ رپورٹ پیش کرنے میں مسرت محسوس کر رہا ہوں۔

کارپوریشن گورننس کے ضابطے کی ضرورت کے لئے پبلک انشورنس لمیٹڈ کے بورڈ کی ایک سالانہ تشخیص رپورٹ تیار کی گئی ہے۔ اس تشخیص کا مقصد اس بات کو یقینی بنانا ہے کہ کمپنی کے مقرر کردہ مقاصد کے مطابق بورڈ کی مجموعی کارکردگی اور اثر انداز ہونے کی صلاحیت کو جانچا جائے اور اسے اجاگر کیا جائے۔

31 دسمبر 2021ء کے اختتامی مالی سال کے لئے بورڈ کی مجموعی کارکردگی اور اثر انداز ہونے کی صلاحیت کو تسلی بخش قرار دیا گیا ہے، یہ مربوط اجزاء کی تشخیص پر مبنی ہے، جس میں نقطہ نظر، مشن اور اقدار، حکمت عملی کی منصوبہ بندی میں دلچسپی، پالیسیوں کی تشکیل، ادارے کے کاروباری سرگرمیوں کی جانچ، مالی وسائل کے انتظام کی دیکھ بھال، موثر مالی نگرانی، تمام ملازمین کا مناسب علاج اور بورڈ کے کاروبار کو فروغ دینے کی صلاحیت، جاری کارروائی کی منصوبہ بندی کے عمل میں اضافہ کرنا شامل ہے۔

آپ کی کمپنی کے بورڈ کے ڈائریکٹرز نے موصول شدہ ایجنڈا اور تحریری مواد کی حمایت کرتے ہوئے بورڈ اور اس کی کمیٹی کے اجلاسوں میں کافی وقت تک وصول شدہ مواد کو اپنانے پر عمل کیا ہے۔ غیر ایگزیکٹو اور خود مختار ڈائریکٹرز مساوی طور پر اہم فیصلوں میں شامل رہے ہیں۔

میں اپنے ساتھی ڈائریکٹرز کا شکریہ ادا کرنا چاہتا ہوں کہ جنہوں نے اپنی ذمہ داریاں پوری مستعدی کے ساتھ سرانجام دی ہیں۔

ڈائریکٹران کی رپورٹ

آپ کی کمپنی کے ڈائریکٹران اپنی سالانہ رپورٹ کے ساتھ مالیاتی گوشوارے برائے نفعیہ سال 31 دسمبر 2021 پیش کرتے ہوئے اظہارِ مسرت کرتے ہیں۔

جیزمین کا پیغام

مالیاتی سال نفعیہ 31 دسمبر 2021 میں بورڈ کی مجموعی کارکردگی اور اثر پذیری اطمینان بخش رہی، جس کی بنیاد نفعیہ جزاء کی تفصیل پر تھی جن میں نصب العین، مشن اور اقدار کلیدی منصوبہ بندی، مالیاتی وسائل کی انتظامی نگرانی، شامل ہیں۔ بہتری ایک ایسا مسلسل عمل ہے جس سے اہداف کے حصول میں معاونت ہوتی ہے۔

کریسٹنٹ اشارفؤ زلمینڈ کا کمپنی کے ساتھ الحاق کا عمل جاری ہے جو کہ عدالت عالیہ سندھ کے روبروز برائے التواء ہے۔ بورڈ پر اعتماد ہے کہ الحاق فیکسل ہوتے ہی آپ کی کمپنی بورڈ کی منظوری سے کاروباری منصوبے اور حکمت عملی مرتب کرے گی۔

مستقبل کی پیش بینی

کریسٹنٹ اشارفؤ زلمینڈ کا کمپنی کے ساتھ اور اس میں الحاق کا عمل جاری ہے جو کہ عدالت عالیہ سندھ کے روبروز برائے التواء ہے۔ مزید برآں کمپنی نے بیمہ لائسنس کی منسوخی کے لئے درخواست دے رکھی ہے جس کے بعد کمپنی بیمہ کے شعبہ کی کمپنی نہیں رہے گی اور انشورنس آرڈیننس کے قواعد و ضوابط جیسے کہ ادائے قرض کی صلاحیت کو برقرار رکھنا کمپنی پر لاگو نہیں ہوگا۔

بورڈ پر اعتماد ہے کہ الحاق کے بعد نئے فیئر میں داخل ہونے سے مناسب وسائل حاصل ہو جائیں گے جن سے مستفیدان کے مختلف النوع مفادات کا تحفظ ہوگا۔ الحاق کی منظوری کے بعد کمپنی اپنی کاروباری منصوبوں اور حکمت عملی کو منکشف کرے گی تاکہ کمپنی کی چلتے ہوئے ادارے کی حیثیت برقرار رہے۔

INDEPENDENT AUDITOR'S REVIEW REPORT
To the members of PICIC Insurance Limited

Review Report on Statement of Compliance contained in the Listed Companies (Code of Corporate Governance) Regulations, 2019 and the Code of Corporate Governance for Insurers, 2016

We have reviewed the enclosed Statement of Compliance contained in the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the 'Regulations') and the Code of Corporate Governance for Insurers, 2016 (the Code) prepared by the Board of Directors of PICIC Insurance Limited (the Company) for the year ended December 31, 2020 in accordance with the requirements of Regulation 36 of the Regulations and provision Ixxvi of the Code.

The responsibility for compliance with the Code and Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations and the Code.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm length transaction and transactions which are not executed at arm lengths price and recording proper justification for using such alternative pricing mechanism and also ensure compliance with the requirements of Section 208 of the Companies Act, 2017. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of audit committee. We have not carried out procedures to assess and determine the Company's process for identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Following instances of non-compliance with the requirements of the Regulations was/were observed which are not stated in the Statement of Compliance:

- i. The Board has only one independent director during the year.
- ii. Contrary to the requirements of Regulation 24 of the Listed Companies (Code of Corporate Governance) Regulations, 2019, the positions of the Chief Financial Officer and Secretary are held by one person.

- iii. The Board has not made arrangements to carry out orientation courses on the Code of Corporate Governance for its directors. Furthermore, the directors (excluding exempted directors) have not acquired the certification of directors training program from the Institutes specified by the Securities and Exchange Commission of Pakistan (SECP).
- iv. The board has not setup an effective internal audit function throughout the year.
- v. Due to significant reduction of business activity, sizeable number of employees have left the Company including Head of Internal Audit and duly appointed Chief Financial Officer (CFO). Acting CFO currently, does not possess such qualification and experience required under the Code.

Based on our review, except for the above instance(s) of non-compliance, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations and the Code as applicable to the Company for the year ended December 31, 2021.

INDEPENDENT AUDITOR'S REPORT
To the Members of PICIC Insurance Limited

Report on the Audit of the Financial Statements

Adverse Opinion

We have audited the annexed financial statements of **PICIC Insurance Limited** (the 'Company'), which comprise the statement of financial position as at December 31, 2021, the profit and loss account, the statement of comprehensive income, the statement of cash flow and the statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion, because of the significance for the matters discussed in the Basis for Adverse Opinion paragraph of our report, to the best of our information and according to the explanations given to us, the statement of financial position, the profit or loss account, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof, does not conform with the accounting and reporting standards as applicable in Pakistan and does not give the information required by the Insurance Ordinance, 2000 and the Companies Act, 2017, in the manner so required and respectively do not give a true and fair view of the state of Company's affairs as at December 31, 2021 and of the loss, total comprehensive loss, the changes in equity and its cash flows for the year then ended.

Basis for Adverse Opinion

- i. The Company losses has been accumulated to Rs. 368.942 million as at December 31, 2021. Further, the operating cash flows of the Company are also negative since 2011. These circumstances, along with the inability of the Company to meet the minimum solvency requirement and sizeable decline in business activities, indicate the material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern and therefore the Company may be unable to realize its assets and discharge its liabilities in the normal course of business. However, the financial statements have been prepared on a going concern basis. In our opinion, Management's use of the going concern assumption in the financial statements is inappropriate.
- ii. The Company has recorded unrealized gain of Rs. 399,000 in respect of investment classified as financial asset under 'Available for Sale' category, in profit or loss account instead of other comprehensive income. Had the Company charged the unrealized gain to the OCI, its OCI for the year would have been increased and loss for the year would have increased by Rs. 399,000.

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

Emphasis of Matter

Without further modifying our opinion, we draw attention to the note 12.1 to the financial statements which describes the uncertainty related to the ultimate outcome of contingencies and hence no provision has been made in the enclosed financial statements.

Key Audit Matters

Except for the matter described in the Basis for Adverse Opinion section, we have determined that there are no other key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other Information. The Other Information comprises the information included in the annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other Information and, in doing so, consider whether the Other Information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. As described in the Basis for Adverse Opinion section above, management use of going concern is inappropriate along with the measurement of gain of investment classified as 'Available for Sale'. Accordingly, we have concluded that the other information is materially misstated with respect to this matter.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan and the requirements of Insurance Ordinance, 2000 and, Companies Act, 2017 (XIX of 2017), and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of

not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the regulatory returns or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the regulatory returns, including the disclosures, and whether the regulatory returns represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) except for the effects of the matters described in the basis for adverse opinion section of the report proper books of account has been kept by the Company as required by the Insurance Ordinance, 2000 and the Companies Act, 2017 (XIX of 2017);

- b) because of the significance of matters described in Basis for Adverse Opinion section, the statement of financial position, the profit or loss account, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have not been drawn up in conformity with the Insurance Ordinance, 2000, the Companies Act, 2017 (XXI of 2017), however are in agreement with the books of account
- c) except for the effects of the matters described in the basis for adverse opinion section of the report investments made, expenditure incurred and guarantees extended during the year were for the purpose of the company's business; and;
- d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980)

The engagement partner on the audit resulting in this independent auditor's report is Imran Shaikh.

PICIC INSURANCE LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2021

1. STATUS AND NATURE OF BUSINESS

- 1.1.** PICIC Insurance Limited (the Company) was incorporated on April 23, 2004 as a public limited Company under the repealed Companies Ordinance, 1984 (replaced by Companies Act 2017) and registered as a non-life insurance company by the Securities and Exchange Commission of Pakistan (SECP) under the Insurance Ordinance, 2000. It is engaged in providing all classes of non-life insurance business. The Company is listed on the Pakistan Stock Exchange Limited. The registered office of the Company is situated at 3rd Floor, Nadir House, I.I. Chundrigar Road, Karachi.
- 1.2.** In accordance with the requirements of the Insurance Ordinance, 2000 and as mentioned in the Insurance Rules, 2017, the minimum solvency requirement (i.e excess of admissible assets over liabilities) is Rs 150 million. The Company is not meeting the minimum solvency requirement as at December 31, 2021.
- 1.3.** The Company has incurred a loss after taxation of Rs. 0.936 million during the current year and its accumulated losses as at December 31, 2021 amounted to Rs 368.942 million. Also the operating cash flows of the Company are also negative since 2011. These financial statements have been prepared under the going concern basis for the reason stated below (Refer note 1.4)

1.4. Merger of Crescent Star Foods (Private) Limited into PICIC Insurance Limited

During the year ended December 31, 2017, the shareholders of the Company have approved in an EOGM dated July 06, 2017 the scheme of merger of PICIC Insurance Limited and Crescent Star Foods (Private) Limited (CSF), whereby CSF will be merged with and into the Company. The intention of the management is to convert the Company into a FMCG Company. Keeping in line with the above intention the management has commenced proceedings for surrendering the insurance license and has filed a petition before the Honourable High Court for the merger scheme which is pending till date.

In this regard, the Company has also entered into an agreement with Crescent Star Insurance Limited (parent company of CSF) for the transfer of insurance related assets and liabilities subject to approval from the SECP and successful surrender of insurance license.

Based on the above mentioned intention and the transfer of operations of Crescent Star Foods (Private) Limited, which is a going concern, to the Company, the management is confident that the company will continue as a going concern.

2. BASIS OF PREPARATION AND STATEMENT OF COMPLIANCE

2.1 Statement of compliance

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Act 2017 and Insurance Accounting Regulations, 2017 provisions of and directives issued under the Companies Act 2017, the Insurance Ordinance, 2000 and Insurance Rules, 2017. In case requirements differ, the provisions or directives of the Companies Act 2017, Insurance Ordinance, 2000, Insurance Accounting Regulations 2017 and Insurance Rules, 2017 shall prevail.

2.2. Accounting Standards, IFRIC Interpretations and amendments which became effective during the year

There are certain new and amended standards, interpretations and amendments that are mandatory for the Company's accounting periods beginning on or after January 01, 2021 but are considered not to be relevant or do not have any significant effect on the Company's operations and therefore not detailed in these financial statements.

2.2.1 Impact of IFRS 9 – Financial Instruments

IFRS-9 'Financial Instruments' and amendments (effective for period ending June 30, 2019) replaces the existing guidance in IAS-39 Financial Instruments: Recognition and measurement.

IFRS-9 provides two alternative options in relation to application of IFRS-9 for entities issuing contracts within the scope of IFRS-9, notably a temporary exemption and an overlay approach. The temporary exemption enables eligible entities to defer the implementation date of IFRS-9. The overlay approach allows an entity applying IFRS-9 from the effective date to remove from the profit or loss account the effects of some of the accounting mismatches that may occur from applying IFRS-9 before IFRS-17 is applied. The Company has adopted for a temporary exemption from application of IFRS 9.

The effective date of the amendments permitting the temporary exemption is for annual periods beginning on or after 01 January 2018. The temporary exemption is available for annual reporting periods beginning before 01 January 2022 and will expire once IFRS 17 becomes effective.

As an insurance company, the management has opted temporary exemption from the application of IFRS 9 as allowed by International Accounting Standards Board (IASB) for entities whose activities are predominantly connected with insurance. Additional disclosures, as required by the IASB, for the financial assets with contractual cash flows that meet the 'Solely for Payment of Principal and Interest' (SPPI) criteria excluding those held for trading and for the financial assets that do not meet the SPPI criteria for being eligible to apply the temporary exemption from the application of IFRS 9.

2.3. Standards, amendments and interpretations to the published standards that are relevant but not yet effective and not early adopted by the Company

The following new standards, amendments to published standards and interpretations would be effective from the dates mentioned below against the respective standard or interpretation.

Standard or Interpretation	Effective Date (Annual periods beginning on or after)
IFRS 17-Insurance Contracts	January 1, 2023

The management anticipates that, except as stated above, adoption of the new standards, amendments and interpretations in future periods, will have no material impact on the financial statements other than presentation and disclosures.

3. BASIS OF MEASUREMENT

These financial statements have been prepared under historical cost convention except for certain investments which are stated at their fair values. Accrual basis of accounting has been used except for cash flow information.

4. FUNCTIONAL AND PRESENTATION CURRENCY

These financial statements are presented in Pakistan Rupees (rounded upto thousand) which is the Company's functional and presentation currency.

5. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all period presented in these financial statements except for format for preparation of these financial statements as disclosed in note 5.1.1.

5.1 Property and Equipment

These are stated at cost less accumulated depreciation and accumulated impairment losses if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the assets' carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance expenditure are charged to the profit and loss account during the financial period in which they are incurred.

Depreciation is calculated on a straight-line basis over the estimated useful life of the asset. The useful lives and depreciation method are reviewed and adjusted, if appropriate, at each reporting date. Depreciation is charged on additions from the date the asset is available for use and depreciation on disposals is charged till the date of disposal.

An item of fixed asset is derecognised upon disposal or when no future economic benefits are expected from its use or disposal.

Gains and losses on disposal, if any, of assets are included in profit and loss account.

5.2 Intangible assets

Insurance contracts are those contracts under which the Company as insurer has accepted insurance risk from the insurance contract holders (insured) by agreeing to compensate the insured if a specified uncertain future event (the insured event) adversely affect the insured. Once the contract has been classified as an insurance contract, it remains an insurance contract for the remainder of its tenure, even if the insurance risk reduces significantly during this period, unless all rights and obligations are extinguished or expire.

Insurance contracts are classified into following main categories, depending on the nature and duration of risk and whether or not the terms and conditions are fixed.

- Fire and property;
- Marine, aviation & transport;
- Motor;
- Accident & health; and
- Miscellaneous

These contracts are normally one year insurance contracts except Marine and some contracts of Fire and property, and miscellaneous class. Normally all Marine insurance contracts and some Fire and property contracts are of three months period.

These contracts are provided to all types of customers based on assessment of insurance risk by the Company. Normally personal insurance contracts e.g. vehicle are provided to individual customers, whereas, insurance contracts of fire and property, marine and transport, accident and other commercial line products are provided to commercial organization.

Fire and property insurance contracts mainly compensate the Company's customers for damage suffered to their properties or for the value of property lost. Customers who undertake commercial activities on their premises could also receive compensation for the loss of earnings caused by the inability to use the insured properties in their business activities.

Marine Insurance covers the loss or damage of vessels, cargo, terminals and any transport or property by which cargo is transferred, acquired or held between the points of origin and final destination.

Motor insurance provides protection against losses incurred as a result of theft, traffic accidents and against third party liability that could be incurred in an accident.

Accident and health insurance contract mainly compensate hospitalisation and outpatient medical coverage to the insured. These contracts are generally one year contracts.

Other types of insurance are classified in miscellaneous category which includes mainly engineering, terrorism, personal accident, worker compensation, travel, products of financial institutions and crop insurance e.t.c.

5.3 Deferred commission expense /Acquisition costs

Commission incurred in obtaining and recording policies of insurance and re-insurance are deferred and recognised as an asset on acquisition of the related policies. Accordingly, these costs are charged to the profit and loss account as an expense based on the pattern of recognition of related premium revenue.

5.4 Provision for unearned premium

Provision for unearned premium represents the portion of premium written relating to the unexpired period of coverage and is recognised as a liability by the Company. This liability is calculated as follows:

- For marine cargo business, as a ratio of unexpired period to the total period of policy applied on the gross premium of the individual policies; and
- For other classes / line of business, by applying 1/24th method as allowed by the Insurance Rules, 2017

5.5 Premium deficiency reserve

The Company is required as per Insurance Rules, 2017, to maintain a provision in respect of premium deficiency for the class of business where the unearned premium reserve is not adequate to meet the expected future liability for claims and other expenses expected to be incurred after the balance sheet date in respect of unexpired policies in that class of business at the balance sheet date. The movement in the premium deficiency reserve is recorded as an expense / income in profit and loss account for the year.

For this purpose, loss ratios for each class are estimated on historical claim development. Judgment is used in assessing the extent to which past trends may not apply in future or the effects of one-off claims. Further, actuarial valuation has been carried out to determine the amount of premium deficiency reserve in respect of accident and health insurance.

5.6 Reinsurance contracts held

The Company enters into reinsurance contracts in the normal course of business in order to limit the potential for losses arising from certain exposures. Outward reinsurance premiums are accounted for in the same period as the related premiums for the direct or accepted insurance business being reinsured.

Reinsurance liabilities represent balances due to reinsurance companies. Amounts payable are estimated in a manner consistent with the related reinsurance contract. Reinsurance assets represent balances due from reinsurance companies. Amounts recoverable from reinsurers are estimated in a manner consistent with the provision for outstanding claims or settled claims associated with the reinsurance policies and are in accordance with the related reinsurance

Reinsurance assets or liabilities are derecognised when the contractual rights are extinguished or expire.

The Company assesses its reinsurance assets for impairment on the balance sheet date. If there is an objective evidence that the reinsurance asset is impaired, the Company reduces the carrying amount of the reinsurance asset to its recoverable amount and recognises that impairment loss in the profit and loss account.

5.7 Receivables and payables related to insurance contracts

Receivables and payables relating to insurance contracts are recognized when due. These include premiums due but unpaid, premiums received in advance, premiums due and claims payable to insurance contract holders. These are recognized at cost, which is the fair value of the consideration given less provision for impairment, if any.

If there is an objective evidence that any premium due but unpaid is impaired, the Company reduces the carrying amount of that insurance receivable and recognizes the loss in profit and

5.8 Segment reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses including revenues and expenses that relate to transactions with any of the Company's other components. All operating segments' results are reviewed regularly by the Company's chief operating decision maker to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete

The Company presents segments reporting of operating results using the classes of business as specified under the Insurance Ordinance, 2000 and the Insurance Rules, 2017. The reported operating segments are also consistent with the internal reporting process of the Company for allocating resources and assessing performance of the operating segments. The performance of segments is evaluated on the basis of underwriting results of each segment. All the Company's business segments operate in Pakistan only.

Based on its classification of insurance contracts issued, the Company has five primary business segments for reporting purposes namely fire, marine, motor, accident and health and miscellaneous. The nature and business activities of these segments are disclosed in note 5.4.

Assets and liabilities are allocated to particular segments on the basis of premium earned. Those assets and liabilities which cannot be allocated to a particular segment on a reasonable basis are reported as unallocated corporate assets and liabilities. Depreciation and amortisation are allocated to a particular segment on the basis of net premium earned.

5.9 Cash and cash equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purposes of cash flow statement, cash and cash equivalents comprise cash in hand, deposits with banks, stamps in hand and short term investments.

5.10 Revenue recognition

- Premium income under a policy is recognised over the period of insurance from the date of inception of the policy to which it relates till its expiry in case of marine cargo business whereas for all other cases of premium income is recognised as a difference between total premium written and provision for unearned premium using 1/24th method as mentioned in note 5.6 to these financial statements.
- Commission income is being taken to the profit and loss account, on a time proportionate basis, in accordance with the pattern of recognition of reinsurance premium to which they relate.
- Administrative surcharge recovered by the Company from policy holders is included in income currently.
- Return on bank balances and government securities is recognised on an accrual basis.
- Dividend income is recognised when the right to receive the dividend is established.
- Gain / loss on sale / redemption of investments is included in the profit and loss account in the period of sale / redemption.
- Income from held to maturity investment is recognised on time proportion basis taking into account the effective yield on the investment. The difference between the redemption and the purchase price of the held to maturity investment is amortised and taken to the profit and loss account over the term of the investment.

5.11 Investments

All investments are initially recognized at cost, being the fair value of the consideration given and includes transaction costs except for investments designated at fair value through profit and loss.

Held to maturity

Investments with fixed or determinable payments and fixed maturity, where the Company has positive intent and ability to hold to maturity, are classified as Held-to-Maturity. Subsequently, these are measured at amortized cost using the effective interest method and taking any discount or premium on acquisition.

Investments at fair value through profit and loss account

Investments which are acquired principally for the purposes of generating profit from short term fluctuation in price are classified as held-for-trading. Subsequent to initial recognition, these are remeasured at fair value. Gains or losses on investments on remeasurement of these investments are recognized in profit and loss account.

5.12 Off-setting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet, if the Company has a legally enforceable right to set-off and the Company intends either to settle the assets and liabilities on a net basis or to realise the asset and settle the liability simultaneously.

5.13 Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are regularly reviewed and adjusted to reflect the current estimate.

5.14 Taxation

Current

Provision for current taxation is based on taxable income at the current rate of taxation after taking into account rebates and tax credits available, if any.

Deferred

Deferred tax is recognised using the balance sheet liability method on all temporary differences at the balance sheet date between the tax base of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax losses and unused tax credits to the extent that it is probable that the taxable profits will be available against which these can be utilised.

The carrying amount of the deferred tax asset is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilised.

5.15 Impairment of assets

The carrying values of the Company's fixed assets are reviewed at each financial year end for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. If any such indication exists, and where the carrying values exceed the estimated recoverable amount, the assets are written down to their recoverable amount. The resulting impairment loss is taken to the profit and loss account.

5.16 Dividend distribution

Dividend distribution to the Company's shareholders is recognized as a liability in the Company's financial statements in the period in which the dividends are approved.

5.17 Management expenses

Expenses of management have been allocated to various classes of business as deemed equitable by management. Expenses not allocable to the underwriting business are charged under other expenses.

5.18 Financial instruments

Financial assets and financial liabilities are recognised at the time when the Company becomes a party to the contractual provisions of the instrument. Financial assets are de-recognised when the contractual right to future cash flows from the asset expires or is transferred along with the risk and reward of ownership of the asset. Financial liabilities are de-recognised when obligation specified in the contract is discharged, cancelled or expired. Any gain or loss on de-recognition of the financial asset and liabilities is recognised in the profit and loss account of the current period.

5.19 Foreign currencies transactions

Foreign currency transactions are translated into Pakistani Rupees at the exchange rates prevailing on the date of transaction. Monetary assets and liabilities in foreign currencies are translated into Pakistani Rupees at the exchange rates prevailing at the reporting date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using exchange rates at the date when the fair value was determined. Exchange gains or losses are included in income currently.

5.20 Earnings / loss per share

The Company presents basic and diluted earnings / loss per share for its shareholders. Basic earnings / loss per share is calculated by dividing the profit or loss attributable to the ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted earnings / loss per share is determined by adjusting the profit or loss attributable to the ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares, if any.

6. CRITICAL ACCOUNTING JUDGMENTS AND ESTIMATES

The preparation of financial statements in conformity with the approved accounting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on the management's experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods. The areas where various assumptions and estimates are significant to the Company's financial statements or where judgment was exercised in application of accounting policies are as follows:

12 CONTINGENCIES AND COMMITMENTS**12.1 Contingencies****12.1.1 Income tax**

The tax assessment of the Company has been finalised upto and including the tax year 2021.

While finalising the tax audit for the tax year 2007, the Taxation Officer had disallowed certain expenses claimed by the Company and increased the tax charge by Rs. 3.128 million. The Company has contested the amended order by filing an appeal before the Commissioner Inland Revenue (Appeals) which has been decided whereby substantial relief has been allowed. However, a second appeal has been filed before the Appellate Tribunal Inland Revenue for the remaining disallowed amount which is pending adjudication.

Further, the Inland Revenue Department has passed amended orders for the tax year 2008, 2014, 2015 and 2016 on account of minimum taxation on gross receipts of the Company and thereby raising the aggregate tax of Rs. 13.85 million. The Company has contested the amended order by filing an appeal before the Commissioner Inland Revenue (Appeals) which is pending adjudication.

The management, based on the advice of its tax advisor, is confident of a favourable outcome in both cases and, accordingly, no provision in this respect has been made in these financial statements.

The tax authorities had filed a writ petition against the Company along with other insurance companies in the High Court of Sindh on alleged default of non-deduction of withholding tax on payments of insurance premium to non-resident reinsurer. The petition has been dismissed by the Court in favor of Insurance Companies. The tax impact of the above amounts to Rs 5.48 million against which no provision has been made in these financial statements, as the Company is confident of a favorable outcome.

12.1.2 Sales Tax

Sindh Board of Revenue has passed an Order-in-original relating to year 2012 and 2013 whereby a total tax demand of Rs. 307,089,727 has been raised. The Company has preferred appeals before the Commissioner against the said orders which are pending for decision.

25 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is an amount for which an asset could be exchanged, or a liability settled, between knowledgeable willing parties in an arm's length transaction.

The carrying values of all financial assets and financial liabilities reflected in the financial statements approximate their fair values.

The different level by valuation method of financial instruments have been defined as follows:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1);
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (Level 2); and
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (Level 3).

26. RISK MANAGEMENT**26.1 Financial risk****(i) Market risk**

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates, foreign exchange rates and market prices.

(a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company is exposed to interest / mark-up rate risk in respect of the following:

-----2 0 2 1-----							
Interest Rates	Interest / mark-up bearing			Interest / mark-up bearing			Total
	Maturity upto one year	Maturity after one year	Sub total	Maturity upto one year	Maturity after one year	Sub total

Unclaimed dividend		-	-	-	195	-	195	195
		-	-	-	93,607	-	93,607	93,607

(b) Price risk

Price risk is the risk that the value of a financial instrument will fluctuate as a result of changes in market prices, whether those changes are caused by factors specific to the individual security, or its issuer, or factors affecting all securities traded in the market. The Company manages its exposure to such risks by maintaining a diversified portfolio of investments.

(c) Claims development tables

The following table shows the development of claims of all classes over a period of time. The disclosure goes back to the period when the earliest material claim arose for which there is still uncertainty about the amount and timing of the claims payments.

(ii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with its financial liabilities. To guard against the risk, the Company maintains balance of cash and other equivalents and readily marketable securities. The maturity profile of assets and liabilities are also monitored to ensure adequate liquidity is maintained. All financial liabilities of the Company are short term in nature.

Liquidity risk is the risk that the Company may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous.

The table below analyses the Company's financial liabilities into relevant maturity groupings based on the remaining period at the balance sheet date to the contractual maturity date on an undiscounted cash flow basis.

	2021			
	Carrying amount	Contractual cash flow	Upto one year	More than one year
	(Rupees in '000)

	<u>93,607</u>	<u>93,607</u>	<u>93,607</u>	<u>-</u>

(iii) Credit risk

Credit risk is the risk which arises with the possibility that one party to a financial instrument will fail to discharge its obligation and cause the other party to incur a financial loss. Credit risk also arises in respect of reinsurance contracts as reinsurance ceded does not relieve the Company from its obligation to policy holders and as a result the Company remains liable for the portion of outstanding claims ceded to the extent that the reinsurance operator fails to meet the obligation under the reinsurance arrangements. The Company attempts to control credit risk by monitoring credit exposures and continually assessing the credit worthiness of counterparties. The table below analyses the Company's maximum exposure to credit risk:

	2021	2020
	----- (Rupees in '000) -----	
- Bank deposits*	<u>22</u>	<u>89</u>

The credit quality of Company's bank deposits and accrued interest can be assessed with reference to external credit ratings as follows:

	Rating		Rating Agency	2021	2020
	Short Term	Long Term		---- (Rupees in '000) ----	
Bank deposits					
MIB Bank Limited	A1	A	PACRA	11	12
Habib Metropolitan Bank Limited	A1+	A	PACRA	11	77
				<u>22</u>	<u>89</u>

26.2 Capital management

Capital requirements applicable to the Company are set and regulated by the SECP. These requirements are put in place to ensure sufficient paid up capital and solvency margins. The Company manages its capital requirement by assessing its capital structure against the required capital level on a regular basis. Currently, the Company has a paid-up capital of Rs 350 million against the minimum required paid-up capital of Rs 300 million set by the SECP for non-life insurance companies through issue of Circular No. 3 dated April 10, 2007 for the year ended December 31, 2020.

In accordance with the requirements of the Insurance Ordinance, 2000 and as mentioned in the Insurance Rules, 2017 (SECP vide SRO 89(1)/2017 dated February 09, 2017), the minimum solvency requirement (i.e excess of admissible assets over liabilities) is Rs 150 million. The Company is not meeting the minimum solvency requirement as at December 31, 2020.
