**SUBJECT: NOC FOR AMALGAMATION OF AWWAL MODARABA (AM) WITH AND INTO AWWAL CORPORATE RESTRUCTURING COMPANY LIMITED (ACRCL).**

Dear Sir,

This is with reference to correspondence resting with your application dated March 15, 2022 regarding the proposed merger of Awwal Modaraba.

It is to inform you that Registrar Modaraba has no objection on the proposed merger of Awwal Modaraba with and into Awwal Corporate Restructuring Company Limited (ACRCL) subject to the fulfillment of the following conditions/ amendments made in draft scheme and petition:

- 1) The Modaraba is a listed entity whereas the surviving entity will not be listed. This fact and its implications may be disclosed in the draft scheme and the petition.
- 2) It has been indicated in draft scheme that ACRCL will be extending authorized capital by Rs.150 million before merger. The reasons/explanation for the same needs to be provided in the scheme and petition.
- 3) In preamble, it has been mentioned that ACRCL is functioning which is not correct as only permission for incorporation has been granted whereas licensing application will only be considered post-merger because of pre-licensing requirement of the minimum paid-up capital of Rs.500 million which will be achieved through merger. The draft scheme needs to be amended accordingly.
- 4) The Registrar and SECP have not granted any approval, so the second last para of the preamble of the draft scheme needs to be amended accordingly.
- 5) Prudential Regulations for Modarabas has already been repealed. Therefore, in the second point of benefit of the scheme, the reference to the prudential regulations need to be replaced with the Modaraba Regulations, 2021.
- 6) Under the scheme's effects, it shall be specifically mentioned that prior to merger, the business is being regulated under the Modaraba Ordinance, 1980 whereas post-merger, the same business will be regulated under the Corporate Restructuring Act, 2016.

- 7) It has been observed that the text of notice for public disclosure through Pakistan Stock Exchange (PSX) has not covered material critical information of buy-back option. Therefore, the same shall be incorporated in the text to the notice through the PSX
- 8) The swap ratio figures mentioned in the scheme and the Swap Ratio Analysis Report should clearly reconcile and the scheme should correctly mention and include the documents used as the basis for swap ratio calculation.
- 9) In the para 9 of the draft petition, reference to NoC from Joint Registrar, CRO Karachi may be omitted, being not applicable.
- 10) It has been incorrectly mentioned in the draft petition that the NoC from certificate holders have been obtained as the same shall be achieved through order of the Court as per first prayer. Therefore, same needs to be removed.
- 11) In Prayer A of the draft petition, Order under section 279(2) is for approval of scheme by the certificate holders and not the sanctioning of the scheme, so it needs to be amended accordingly.

## RECITALS

**WHEREAS** it is proposed that the entire undertaking comprising of all of the Assets, Liabilities and Obligations (as hereinafter defined) of AM at the Effective Date (as hereinafter defined) shall stand transferred to and be vested in and assumed by ACRCL and Awwal Modaraba shall be dissolved without winding-up;

**AND WHEREAS** as on the Effective Date, ACRCL will have the sole rights to manage the post merged/amalgamated Company;

**AND WHEREAS** the Registrar Modarabas, Securities and Exchange Commission of Pakistan has issued No Objection Certificate in respect of the proposed amalgamation of AM with and into ACRCL;

**AND WHEREAS** this Scheme if sanctioned by the Hon'ble Court by an order passed in this behalf, is to be binding on AMML, AM, its Certificate Holders, ACRCL and its Shareholders;

## OBJECTIVES OF THIS SCHEME

The principal object of this Scheme of Arrangement is to give effect to Amalgamate AM with and into ACRCL by transferring to, merging with and vesting in ACRCL the whole of AM, including all Assets, Liabilities and Obligations of AM, as of the Effective Date, against the allotment and issue of ACRCL Shares to the Certificate Holders of AM based on the Swap Ratio as mentioned in the Swap Report, and merging/dissolving AM without winding-up.

It is also hereby clarified that although all of the above steps will take place on the same date and shall be deemed to be effective as of the Effective Date.

## BENEFITS OF THIS SCHEME

### **Increased market reach and business potential**

Core expertise of the team working for AM is distressed asset financing and revival of business through customized advisory/financing/re-profiling solutions to the clients. However, revival business in AM was carried out in a more restricted manner as banks were reluctant to offload their infected portfolios and/or were not willing to take write-offs due to regulatory constraints as well as potential issues of investigative agencies. As per the State Bank of Pakistan's guidelines for Transfer and Assignment of Non-Performing Assets to Corporate Restructuring Companies, the aforementioned constraints have been

*[Handwritten signatures and initials]*

removed which will allow ACRC to operate in a significantly bigger market with a greater potential to structure the revival transactions.

### **Specialised business and Regulatory compliance**

Due to different nature of distressed assets and delinquent clients, non-performance/delayed performance of these assets do not attract provisioning in the Corporate Restructuring Companies as opposed to the issues faced in AM due to provisioning requirements as per Modaraba Regulations 2021.

### **Single Corporate and Tax Reporting**

The Amalgamation will make single corporate and tax reporting possible for the merged/amalgamated entity. It will entail elimination of maintenance of separate records for business operations, marketing, legal, administrative, secretarial and other records under the various laws resulting in duplication of work and higher costs of human resource and operations.

**NOW THEREFORE**, this Scheme is presented as follows:
