## DIRECTORS' REVIEW

On behalf of the Board of Directors, we are pleased to present to you the unaudited financial statements of the Company for the nine months ended June 30, 2022.

### Overview

The comparative summary of operating performance of your Company is as follows:

	Nine Months Ended June 30, 2022	Nine Months Ended June 30, 2021
	Season 2021-22	Season 2020-21
Crushing commenced	15/11/2021	10/11/2020
Crushing ends	05/04/2022	19/03/2021
Operating duration	142 Days	130 Days
Sugar cane crushed	833,340 M.Ton	337,875 M.Ton
Sugar produced	82,039 M.Ton	29,543 M.Ton
Recovery	9.84%	8.74%
Minimum support price - Punjab Zone	Rs.225/40Kg	Rs.200/40Kg

As reported in our Half Yearly Review Report, overall country wide sugar production is 7.80 million M.Tons for the season 2021-22 which is surplus by around 1.00 million M.Tons of our country's requirement. The Industry through its association has approached the Government for approval to export excess production. The surplus production country wide has led to a depressed market for sugar in the absence of a clear export policy. We are hopeful that better sense will prevail and our government which realizes it is in dire need of foreign exchange, will allow the export of surplus sugar while the international market prices are still attractive. This would also give some much needed support to the local market.

### Future Outlook

The Russia / Ukraine war has raised commodity prices worldwide, fuelling global inflation and has resultantly lowered the growth outlook worldwide.

The recent country wide rains have been beneficial for the sugar cane crop and Initial field surveys report slightly higher acreage of sugarcane year over year which would ultimately lead to higher sugar production in the upcoming season.

### 2. BASIS OF PREPARATION

#### 2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan comprise of:

- International Accounting Standard (IAS) 34 'Interim Financial Reporting' issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of, and directives issued under, the Companies Act, 2017.

Where the provisions of, and directives issued under, the Companies Act, 2017 differ with the requirements of IAS 34, the former have been followed.

These condensed interim financial statements do not include all the information and disclosures required in the audited financial statements, and should be read in conjunction with Company's annual audited financial statements as at September 30, 2021.

#### 2.2 Basis of measurement of items in these condensed interim financial statements

These condensed interim financial statements have been prepared under the historical cost convention except for:

- a) freehold land, factory building, non-factory building and plant and machinery which are carried at revalued amounts less subsequent accumulated depreciation charged thereon.
- b) Staff retirement benefits which are carried at the present value of the defined benefit obligation.

#### 2.3 Functional and presentation currency

Items included in these condensed interim financial statements are measured using the currency of the primary economic environment in which the Company operates. These condensed interim financial statements are presented in Pak Rupees which is also the Company's functional and presentation currency.

## 2.4 Judgements and sources of estimation uncertainty

In preparing these condensed interim financial statements, the significant judgments made by management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those applied in the annual financial statements of the Company as at and for the year ended September 30, 2021.

## 2.5 Significant accounting policies

The accounting policies adopted in the preparation of these condensed interim financial statements are consistent with those applied in the preparation of the annual audited financial statements of the Company for the year ended September

#### 11. CONTINGENCIES AND COMMITMENTS

- 11.1 The Company has been in receipt of orders from Assistant Deputy Commissioner (Audit-1) Inland Revenue pertaining to tax year 2014 to tax year 2019 under section 122(1) of the Income Tax Ordinance 2001 which the Company confronted before Honorable Commissioner (Appeals) and subsequently before Honorable Appellate Tribunal Inland Revenue.

On 30 June 2022, the Honorable Appellate Tribunal has remanded back the orders passed by the Honorable Commissioner (Appeals) - FBR for the Tax year 2015 to Tax year 2019. The legal counsel is of the view that the case pertaining to tax year 2014 would be decided in the Company's favour since it bears similar grounds. As the cases are remanded back therefore no provision has been made in these financial statements and hence we don't foresee any contingent liability to arise.

- 11.2 The Deputy Commissioner (Audit-1) Inland Revenue has passed order under section 161(1) pertaining to tax year 2015, tax year 2016, tax year 2017 and tax year 2019 which were confronted by the Company before the Honorable Commissioner Inland Revenue (Appeals).

On 31 March 2022, the Honorable Commissioner Inland Revenue (Appeals) has remanded back the orders for the aforementioned tax years. As the cases are remanded back therefore no provision has been made in these financial statements and hence we don't foresee any contingent liability to arise.

#### 14. FAIR VALUE OF ASSETS AND LIABILITIES

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Company measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

**Level 1:** quoted prices (unadjusted) in active markets for identical assets or liabilities.

**Level 2:** inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

**Level 3:** inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

For assets and liabilities that are recognised in the financial statements at fair value on a recurring basis, the management recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred. However, during the period, there were no transfers between the levels of the fair value hierarchy.

Following is the fair value hierarchy of the assets carried at fair value:
