REPORT OF THE FUND MANAGER Meezan Financial Planning Fund of Funds (MFPF)

Type of Fund

Open-end Shariah Compliant (Islamic) Fund of Funds Scheme.

Objective

The fund aims to generate returns on Investments as per respective Allocation Plans by investing in Shariah Compliant Fixed Income and Equity Mutual Funds in line with risk/return preference of the investor.

Strategy and Investment Policy

MFPF has sixteen Allocation Plans which allow investors to invest according to their risk tolerance levels.

The Aggressive Allocation Plan

This Allocation Plan is suitable for Investors having a relatively higher risk tolerance and/or wish to save for long term. It shall invest at least 65% of its net assets in Shariah Compliant Equity Funds, while the remaining portion is allocated to Shariah Compliant Fixed Income Funds.

The Moderate Allocation Plan

This Allocation Plan is suitable for Investors having a relatively moderate risk tolerance and/or wish to save for medium to long term. It shall invest at least 45% of its net assets in Shariah Compliant Equity Funds, while the remaining portion is allocated to Shariah Compliant Fixed Income Funds

The Conservative Allocation Plan

This Allocation Plan is suitable for Investors having a relatively low risk tolerance and/or wish to save for short to medium term. It shall invest at least 20% of its net assets in Shariah Compliant Equity Funds, while the remaining portion is allocated to Shariah Compliant Fixed Income Funds.

Meezan Asset Allocation Plan – I – IV (MAAP I-IV)

These are closed end Plans which are suitable for Investors having a relatively moderate risk tolerance and/or wish to earn a relatively higher return over the medium term. These can switch exposure between Shariah compliant equity and fixed income mutual funds without any minimum or maximum limits, subject to expectations regarding the market performance.

In line with these different allocation plans, the benchmarks are also a combination of KSE Meezan Index 30's performance and average 6 month Islamic bank deposits as per the following detail:

Report of the *Shari'ah* Advisor – Meezan Financial Planning Fund of Funds

July 29, 2022/ Dhu Al-Hijjah 29, 1443

Alhamdulillah, the period from July 01, 2021 to June 30, 2022 was the Ninth year of operations of Meezan Financial Planning Fund of Funds (MFPPF) under management of Al Meezan Investment Management Limited (Al Meezan). We, Meezan Bank Limited, are the *Shari'ah* advisors of the Fund and are issuing the report in accordance with clause 6.2.7 of the Trust Deed of the Fund. The scope of the report is to express an opinion on the *Shari'ah* compliance of the Fund's activity.

In the capacity of *Shari'ah* Advisor, we have prescribed criteria and procedure to be followed in ensuring *Shari'ah* compliance in every investment.

It is the responsibility of the management company of the fund to establish and maintain a system of internal controls to ensure *Shari'ah* compliance in line with the *Shari'ah* guidelines. Our responsibility is to express an opinion, based on our review, to the extent where such compliance can be objectively verified. A review is limited primarily to inquiries of the management company's personnel and review of various documents prepared by the management company to comply with the prescribed criteria.

In light of the above, we hereby certify that:

- i. We have reviewed and approved the modes of investments of MFPPF in light of the *Shari'ah* guidelines.
- ii. All the provisions of the scheme and investments made on account of MFPPF by Al Meezan are *Shari'ah* compliant and in accordance with the criteria established.
- iii. On the basis of information provided by the management, all the operation of MFPPF for the year ended June 30, 2022 have been in compliance with *Shari'ah* principles.

May Allah bless us with best Tawfeeq to accomplish His cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

TRUSTEE REPORT TO THE UNIT HOLDERS

MEEZAN FINANCIAL PLANNING FUND OF FUNDS

Report of the Trustee pursuant to Regulation 41(h) and Clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We, Central Depository Company of Pakistan Limited, being the Trustee of Meezan Financial Planning Fund of Funds (the Fund) are of the opinion that Al Meezan Investment Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2022 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Meezan Financial Planning Fund of Funds

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Meezan Financial Planning Fund of Funds (the Fund), which comprise the statement of assets and liabilities as at June 30, 2022, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2022, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 5 and 6 to the financial statements)	
	Investments and balances with banks constitute the most significant component of the net asset value. Investments of the Fund as at June 30, 2022 amounted to Rs 616.454 million and balances with banks aggregated to Rs 7.760 million. The existence and proper valuation of investments and existence of balances with banks for the determination of NAV of the Fund as at June 30, 2022 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: <ul style="list-style-type: none">Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2022 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed;Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; andObtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

165

A.F. FERGUSON & CO.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Khattab Muhammad Akhi Baig**.

**MEEZAN FINANCIAL PLANNING FUND OF FUNDS
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2022**

1. LEGAL STATUS AND NATURE OF BUSINESS

1.1 Meezan Financial Planning Fund of Funds (the Fund) was established under a Trust Deed executed between Al Meezan Investment Management Limited (Al Meezan) as the Management Company and Central Depository Company of Pakistan Limited (CDC) as Trustee. The Trust Deed was executed on July 27, 2012 and was approved by the Securities and Exchange Commission of Pakistan (SECP) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations). The Fund is registered as a Notified entity under the NBFC Regulations issued through S.R.O.1203(I)/2008 on November 21, 2008. The registered office of the Management Company of the Fund, is situated at Ground Floor, Block 'B', Finance and Trade Centre, Shahrah-e-Faisal, Karachi 74400, Pakistan.

During the year ended June 30, 2021, the Trust Act, 1882 was repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act). The Fund was required to be registered under the Sindh Trust Act. Accordingly, on August 16, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

1.2 The Fund has been formed to enable the unit holders to participate in a diversified portfolio of securities, which are Shariah compliant. Under the Trust Deed, all the conducts and acts of the Fund are based on Shariah guidelines. The Management Company has appointed Meezan Bank Limited as its Shariah advisor to ensure that the activities of the Fund are in compliance with the principles of Shariah. The investment objectives and policies are explained in the Fund's offering

1.3 The Fund is an open-end Shariah compliant Fund of Funds Scheme listed on the Pakistan Stock Exchange Limited. Units are offered for public subscription on a continuous basis except for Meezan Asset Allocation Plan-I (MAAP-I) in which the offer of units is discontinued after the end of the subscription period. However, the subscription in units may be reopened for fresh issuance by the Management Company with prior approval of SECP after intimation to the Trustee and by providing notice to investors in order to protect the interest of the unitholders. The units of the plan are transferable and can be redeemed by surrendering them to the Fund.

1.4 The Management Company has been assigned a quality rating of 'AM1' by VIS Credit Rating Company Limited dated December 27, 2021 (2021: 'AM1' dated December 31, 2020) and by PACRA dated June 23, 2022 (2021: 'AM1' dated June 23, 2021). The rating reflects the Fund's experienced management team, structured investment process and sound quality of systems and processes.

1.5 The title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

1.6 The Fund is an open-end Shariah compliant Fund of Funds Scheme that aims to generate returns on investment as per allocation plans (sub funds) namely Aggressive Allocation Plan, Moderate Allocation Plan, Conservative Allocation Plan and Meezan Asset Allocation Plan - I by investing in Shariah compliant income, money market and equity mutual funds in line with the risk tolerance of the investor. Investors of the Fund may hold different types of allocation plans and may invest in any one or more of the available allocation plans. The management may also invest in other Collective Investments Schemes available to it with prior approval of the SECP. A brief description of the plans are as follows:

Aggressive Allocation Plan (Aggressive)	High risk - Long term investor This plan invests at least 65 percent of its net assets in Shariah Compliant Equity Funds and the remaining portion in Shariah Compliant Fixed Income Funds.
Moderate Allocation Plan (Moderate)	Moderate risk - Medium and long term investor This plan invests at least 45 percent of its net assets in Shariah Compliant Equity Funds and at the remaining portion in Shariah Compliant Fixed Income Funds.
Conservative Allocation Plan (Conservative)	Moderate risk - Medium and short term investor This plan invests at least 20 percent of its net assets in Shariah Compliant Equity Funds and the remaining portion in Shariah Compliant Fixed Income Funds.
Meezan Asset Allocation Plan I (MAAP-I)	Moderate risk - High return through asset allocation The allocation plan can invest its portfolio between the Equity asset classes / schemes and Fixed Income or Money Market asset classes / schemes based on the macroeconomic view and outlook of such asset classes up to 100 percent. The initial maturity of this plan is two years from the close of the subscription period (i.e. October 20, 2015). Units shall be subject to front end load. An early exit fee shall also be charged in case of redemption before the completion of the initial maturity of the plan. During the year ended June 30, 2018, Meezan Asset Allocation Plan-I (MAAP-I) was reopened for investment, after completion of two years. The plan had a revised maturity date of two years from the close of the re-subscription period (i.e. November 24, 2017). During the current year, the SECP approved the extension of the plan by one year vide its letter No. SCD / AMCW / MFPEF / 137 / 2019 dated November 13, 2019. Further, after the expiry of first extension, during the current year, the SECP again approved

Each allocation plan announces separate Net Asset Value which ranks Pari Passu according to the number of units of the respective allocation plans. The books and records of each plan have been maintained separately.

2 BASIS OF PRESENTATION

The transactions undertaken by the Fund are in accordance with the process prescribed under the Shariah guidelines issued by the Shariah Advisor and are accounted for on substance rather than the form prescribed by the earlier referred guidelines. This practice is being followed to comply with the requirements of the accounting and reporting standards as applicable in Pakistan.

3 BASIS OF PREPARATION

3.1 Statement of compliance

These financial statements have been prepared in conformity with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirements of IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

3.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2021. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

3.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new standards and amendments to the accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2022. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

3.4 Critical accounting estimates and judgments

The preparation of financial statements in accordance with the accounting and reporting standards as applicable in Pakistan requires the management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgments and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgments that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets (notes 4.3 and 6).

3.5 Accounting convention

These financial statements have been prepared under the historical cost convention except for investments classified as at fair value through profit or loss' which are measured at their respective fair values.

3.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupee, which is the Fund's functional and presentation currency.

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

4.1 The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented.

4.2 Cash and cash equivalents

These comprise balances with banks in savings and current accounts and other short-term highly liquid investments with original maturities of three months or less.

4.3 Financial assets

4.3.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

4.3.2 Classification

4.3.2.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- amortised cost;
- at fair value through other comprehensive income (FVOCI); and
- at fair value through profit or loss (FVPL)

based on the business model of the entity.

The investments of the Fund includes investments in units of mutual funds which are categorised as Puttable Instruments and are mandatorily required to be classified as financial assets at fair value through profit or loss.

4.3.3 Subsequent measurement

Subsequent to initial recognition, financial assets are valued as follows:

Financial assets at fair value through profit or loss'

Basis of valuation in the collective investment scheme

The investments of the Fund in the collective investment scheme are valued on the basis of daily net assets value (NAV) announced by the Management Company.

The fair value of financial instruments i.e. investment in mutual funds is based on their net asset value at the reporting date without any deduction for estimated future selling costs.

Net gains and losses arising from changes in the fair value of financial assets carried 'at fair value through profit or loss' are taken to the Income Statement.

4.3.4 Impairment

The Fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets carried at amortised cost and FVOCI. The Fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

4.3.5 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

4.3.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

4.4 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss arising on derecognition of financial liabilities is taken to the Income Statement.

4.5 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

4.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.7 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

4.8 Unit holders' Fund

Unit holders' Fund of each allocation plan representing the units issued by each respective sub fund separately, is carried at the redemption amount representing the investors' right to a residual interest in the respective sub fund's net assets.

4.9 Issuance and redemption of units

Units issued are recorded at the offer price of each allocation plan, determined by the Management Company for the applications received by the distributors during business hours of the day when the applications are received. The offer price of each allocation plan represents the net assets value (NAV) of the units as of the close of that business day plus the allowable sales load, provision of duties and charges and provision for transaction costs, if applicable. The sales load is payable to the distributor and the Management Company.

Units redeemed are recorded at the redemption price of each allocation plan prevalent on the date on which the distributors receive redemption application during business hours on that date. The redemption price represents the net assets value (NAV) per unit as of close of business day less any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

4.10 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

4.11 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between net assets value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the net assets value (NAV) per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' Fund. However, to maintain the same ex-dividend net asset value (NAV) of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders Fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

4.12 Revenue recognition

- (i) Gains / (losses) arising on sale of investments are included in the Income Statement on the date when the transaction takes place;
- (ii) Dividend income is recognized when the Fund's right to receive the same is established. i.e. on the date of book closure of the investee Fund declaring the dividend;
- (iii) Profit on balances with banks is recognised on a time proportion basis using the effective yield method; and
- (iv) Unrealised gains / (losses) arising on revaluation of securities classified as financial assets 'at fair value through profit or loss' are included in the Income Statement in the period in which they arise.

4.13 Expenses

All expenses including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

4.14 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit. The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilised. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Moreover, super tax introduced in the Finance Act, 2022 is also not applicable on Funds (Section 4C of the Income Tax Ordinance, 2001).

4.15 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net income / (loss) of the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings / (loss) per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

4.16 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at period end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

- 10.1** As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) had been passed by the Government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs 0.50 million, was required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to two percent of such income. The matter was taken up by the MUFAP with the Sindh Revenue Board (SRB) collectively on behalf of various asset management companies and their CISs whereby it was contested that mutual Funds should be excluded from the ambit of the SWWF Act as these were not industrial establishments but were pass through investment vehicles and did not employ workers. The SRB held that mutual Funds were included in the definition of financial institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. Thereafter, MUFAP had taken up the matter with the Sindh Finance Ministry to have CISs / mutual Funds excluded from the applicability of SWWF. In view of the above developments regarding the applicability of SWWF on CISs/mutual Funds, MUFAP recommended that, as a matter of abundant caution, provision in respect of SWWF should be made on a prudent basis with effect from the date of enactment of the SWWF Act, 2014 (i.e. starting from May 21, 2015).

During the current year, SRB through its letter dated August 12, 2021 intimated MUFAP that the mutual funds do not qualify as Financial Institutions / Industrial Establishments and are therefore, not liable to pay the SWWF contributions. This development was discussed at MUFAP level and was also taken up with the SECP and the Asset Management Companies, in consultation with the SECP, have reversed the cumulative provision for SWWF recognised in the financial statements of the funds, for the period from May 21, 2015 to August 12, 2021, on August 13, 2021. The SECP also gave its concurrence for prospective reversal of provision for SWWF. Going forward, no provision for SWWF has been recognised in the financial statements of the Fund.

- 10.2** The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 01, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs 0.44 million, Rs 0.537 million, Rs 0.564 million and Rs 3.31 million in Aggressive Allocation Plan, Moderate Allocation Plan, Conservative Allocation Plan and MAAP- I respectively is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the provision of FED not been made, the Net Asset Value of the Fund as at June 30, 2022 would have been higher by Re. 0.11, Re 0.38, Re. 0.27 and Re.2.44 per unit in Aggressive Allocation Plan, Moderate Allocation Plan, Conservative Allocation Plan and MAAP-I (2021: Re 0.10, Re 0.26, Re 0.17 and Re 1.35 per unit) respectively.

The above calculated ratio is within the maximum limit of 2.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as a Fund of Fund scheme.

14 TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. No provision for taxation has been made in these financial statements during the year since the income of the Fund mostly pertains to capital gains (realised and unrealised).

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Moreover, super tax introduced in the Finance Act, 2022 is also not applicable on funds (section 4C of the Income Tax Ordinance, 2001).

17 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

17.1 Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee.

Market risk comprises of three types of risks: profit rate risk, currency risk, and price risk.

(i) Profit rate risk

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. As of June 30, 2022, the Fund is exposed to such risk on its balances held with banks. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds balances with banks which expose the Fund to cash flow profit rate risk. In case of 100 basis points increase/decrease in applicable rates on the last repricing date with all other variables held constant, the net income / loss for the year and net assets of the Fund would have been higher / lower by Rs. 0.078 million (2021: Rs. 0.082 million).

b) Sensitivity analysis for fixed rate instruments

As at June 30, 2022, the Fund does not hold any fixed rate instrument that may expose the Fund to fair value profit rate risk.

The composition of the Fund's investment portfolio and KIBOR rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2022 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at June 30, 2022 can be determined as follows:

----- As at June 30, 2022 -----

17.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

17.1.2 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund has exposure to equity price risk arising from the Fund investments in open end mutual funds. The Fund manages its price risk arising from investments by diversifying its portfolio within the eligible limits prescribed in the Fund's Constitutive Documents, the NBFC Regulations and circulars issued by the SECP from time to time.

In case of 1% increase / decrease in equity prices as at June 30, 2022 with all other variables held constant, the total comprehensive income of the Fund for the year would increase / decrease by Rs. 6.1645 million (2021: Rs. 8.928 million) and the net assets of the Fund would increase / decrease by the same amount as a result of gains / losses on equity securities classified as financial assets at fair value through profit or loss.

17.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement the maximum limit of which is fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions requests during the year.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month:

17.3 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. The table below analyses the Fund's maximum exposure to credit risk:

	2022		2021	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
----- (Rupees in '000) -----				
Financial assets				
Balances with banks	7,760	7,760	8,641	8,641
Investments	616,454	-	892,840	-
Receivable against conversion of units	1	1	376	376
Profit receivable on saving accounts	29	29	57	57
	624,244	7,790	901,914	9,074

Difference in the balance as per the statement of assets and liabilities and maximum exposure is due to the fact that investments in units of mutual funds are not exposed to credit risk.

17.3.1 Credit quality of financial assets

The Fund's significant credit risk (excluding credit risk relating to settlement of equity securities) arises mainly on account of its placements in banks and profit accrued thereon, receivable against sale of units and receivable against sale of investments. The credit rating profile of balances with banks is as follows:

	As at June 30, 2022		As at June 30, 2021	
	(Rs. in '000)	(Percentage)	(Rs. in '000)	(Percentage)
AAA	7,028	90.57	7,357	85.15
AA+	253	3.26	818	9.47
AA	475	6.12	461	5.34
A+	4	0.05	5	0.04
	7,760	100.00	8,641	100.00

None of the financial assets were considered to be past due or impaired as on June 30, 2022.

The Fund does not have any collateral against any of the aforementioned assets.

18 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restriction on the subscription and redemption of units. As required under the NBFC Regulations, 2008 every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum Fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 17, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short-term borrowings, where necessary.

19 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2022, the Fund held the following financial instruments measured at fair values:

	2022			2021

REPORT OF THE FUND MANAGER Meezan Strategic Allocation Fund (MSAF)

Type of Fund

MSAF is a perpetual Shariah Compliant (Islamic) Fund of Funds Scheme.

Objective

The fund aims to generate returns on Investments as per respective Allocation Plans by investing in Shariah Compliant Fixed Income and Equity Mutual Funds in line with risk/return preference of the investor.

Strategy and Investment Policy

MSAF has six Allocation Plans which allow investors to invest according to their risk tolerance levels.

These are closed end Plans which are suitable for Investors having a relatively moderate risk tolerance and/or wish to earn a relatively higher return over the medium term. These can switch exposure between Shariah compliant equity and fixed income mutual funds without any minimum or maximum limits, subject to expectations regarding the market performance.

In line with these different allocation plans, the benchmarks are also a weighted average combination of KSE Meezan Index 30 and Fixed Income/Money Market Schemes performance, according to the invested percentages in both the asset classes.

Meezan Strategic Allocation Plan - I	Weighted avg. return of KMI 30 Index and Fixed Income/ Money Market Scheme as per actual allocation.

Report of the *Shari'ah* Advisor – Meezan Strategic Allocation Fund

July 29, 2022/ Dhu Al-Hijjah 29, 1443

Alhamdulillah, the period from July 1, 2021 to June 30, 2022 was the Sixth year of operations of Meezan Strategic Allocation Fund (MSAF) under management of Al Meezan Investment Management Limited (Al Meezan). We, Meezan Bank Limited, are the *Shari'ah* advisors of the Fund and are issuing the report in accordance with clause 3.7.1 of the Offering Document of the Fund. The scope of the report is to express an opinion on the *Shari'ah* compliance of the Fund's activity.

In the capacity of *Shari'ah* Advisor, we have prescribed criteria and procedure to be followed in ensuring *Shari'ah* compliance in every investment.

It is the responsibility of the management company of the fund to establish and maintain a system of internal controls to ensure *Shari'ah* compliance in line with the *Shari'ah* guidelines. Our responsibility is to express an opinion, based on our review, to the extent where such compliance can be objectively verified. A review is limited primarily to inquiries of the management company's personnel and review of various documents prepared by the management company to comply with the prescribed criteria.

In light of the above, we hereby certify that:

- i. We have reviewed and approved the modes of investments of MSAF in light of the *Shari'ah* guidelines.
- ii. All the provisions of the scheme and investments made on account of MSAF by Al Meezan are *Shari'ah* compliant and in accordance with the criteria established.
- iii. On the basis of information provided by the management, all the operation of MSAF for the year ended June 30, 2021 have been in compliance with *Shari'ah* principles.

May Allah bless us with best Tawfeeq to accomplish His cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

TRUSTEE REPORT TO THE UNIT HOLDERS

MEEZAN STRATEGIC ALLOCATION FUND

Report of the Trustee pursuant to Regulation 41(h) and Clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We, Central Depository Company of Pakistan Limited, being the Trustee of Meezan Strategic Allocation Fund (the Fund) are of the opinion that Al Meezan Investment Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2022 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Meezan Strategic Allocation Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Meezan Strategic Allocation Fund (the Fund), which comprise the statement of assets and liabilities as at June 30, 2022, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2022, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 5 and 6 to the financial statements)	
	Investments and balances with banks constitute the most significant component of the net asset value. Investments of the Fund as at June 30, 2022 amounted to Rs 1,262.953 million and balances with banks aggregated to Rs 10.124 million. The existence and proper valuation of investments and existence of balances with banks for the determination of NAV of the Fund as at June 30, 2022 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: <ul style="list-style-type: none">▪ Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2022 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed;▪ Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and▪ Obtained bank reconciliation statements and tested reconciling items on a sample basis.

AGS

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

AK

A.F. FERGUSON & CO.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Khattab Muhammad Akhi Baig**.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2022**

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Meezan Strategic Allocation Fund (the Fund) was established under a Trust Deed executed between Al Meezan Investment Management Limited as Management Company and Central Depository Company of Pakistan Limited (CDC) as Trustee. The Trust Deed was executed on September 08, 2016 and was approved by the Securities and Exchange Commission of Pakistan (SECP) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003, (the NBFC Rules). The Fund is registered as a Notified entity under Non-Banking Finance Companies and Notified Entities Regulations, 2008, (the NBFC Regulations). The Management Company has been licensed by the SECP to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The registered office of the Management Company of the Fund is situated at Ground Floor, Block 'B', Finance and Trade Centre, Shahrah-e-Faisal, Karachi 74400, Pakistan.

During the year ended June 30, 2021, the Trust Act, 1882 has been repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act). Consequently, the Fund is now required to be registered under the Sindh Trust Act. Accordingly, on September 2, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

1.2 The Fund has been formed to enable the unitholders to participate in a diversified portfolio of Equity Schemes and Fixed Income / Money Market Schemes, which are Shariah compliant. Under the Trust Deed, all the conducts and acts of the Fund are based on Shariah guidelines. The Management Company has appointed Meezan Bank Limited as its Shariah Advisor to ensure that the activities of the Fund are in compliance with the principles of Shariah.

1.3 The Fund is an open-end Shariah compliant Fund of Funds Scheme. Units are offered for public subscription on a continuous basis till the end of the subscription period. The subscription in units may be reopened for fresh issuance by the Management Company with prior approval of the SECP after intimation to the Trustee and by providing notice to investors in order to protect the interest of the unitholders. However, subscription hasn't been re-opened during the current year. The units of the plan are transferable and can be redeemed by surrendering them to the Fund. The Fund is listed on the Pakistan Stock Exchange Limited.

1.4 The Management Company has been assigned a quality rating of 'AM1' by VIS Credit Rating Company Limited dated December 27, 2021 (2021: 'AM1' dated December 31, 2020) and by PACRA dated June 23, 2022 (2021: AM1 dated June 23, 2021). The rating reflects the Company's experienced management team, structured investment process and sound quality of systems and processes.

1.5 The title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

1.6 The Fund is an open-end Shariah compliant Fund of Funds Scheme that aims to generate returns on investment as per allocation plans (sub funds) namely Meezan Strategic Allocation Plan-I (MSAP-I), Meezan Strategic Allocation Plan-II (MSAP-II), Meezan Strategic Allocation Plan-III (MSAP-III), Meezan Strategic Allocation Plan-IV (MSAP-IV), Meezan Strategic Allocation Plan-V (MSAP-V) and Meezan Capital Preservation Plan-III (MCPPIII) by investing in Shariah compliant fixed income / money market and equity mutual funds in line with the risk tolerance of the investor. Investors of the Fund may hold different types of allocation plans and may invest in any one or more of the available allocation plans. Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirements of IFRSs, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

3.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2021. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

3.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2022. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

3.4 Critical accounting estimates and judgments

The preparation of the financial statements in conformity with the accounting and reporting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities and income and expenses. It also requires the management to exercise judgment in the application of the Company's accounting policies. The estimates and associated assumptions are based on historical experience and various other factors, including expectation of future events, that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about carrying value of assets and liabilities. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both the current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification and valuation of financial assets (notes 4.2 and 6).

3.5 Accounting convention

These financial statements have been prepared under the historical cost convention except for investments which have been classified as 'at fair value through profit or loss' and which are measured at fair value.

3.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupees, which is the Fund's functional and presentation currency.

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented.

4.1 Cash and cash equivalents

These comprise balances with banks in savings and current accounts and other short-term highly liquid investments with original maturities of three months or less.

4.2 Financial instruments

4.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

4.2.2 Classification and subsequent measurement

4.2.2.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost;
- at fair value through other comprehensive income (FVOCI); and
- at fair value through profit or loss (FVPL)

based on the business model of the entity.

The investments of the Fund includes investment in units of mutual funds which are categorised as puttable instruments and are mandatorily required to be classified as 'financial assets at fair value through profit or loss'.

4.2.3 Subsequent measurement

Subsequent to initial recognition, financial assets are valued as follows:

a) 'Financial assets at fair value through profit or loss'

Basis of valuation in the collective investment scheme

The investments of the Fund in the collective investment scheme are valued on the basis of daily net asset value (NAV) announced by the management company.

The fair value of financial instruments i.e. investment in units of mutual funds is based on their net asset value at the reporting date without any deduction for estimated future selling costs.

Net gains and losses arising from changes in the fair value of financial assets carried 'at fair value through profit or loss' are taken to the Income Statement.

4.2.4 Impairment

The fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

4.2.5 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

4.2.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss arising on derecognition of financial assets is taken to the Income Statement.

4.3 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss arising on derecognition of financial liabilities is taken to the Income Statement.

4.4 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

4.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.6 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

4.7 Unit holders' fund

Unit holders' fund of each allocation plan representing the units issued by each respective allocation plan separately, is carried at the redemption amount representing the investors' right to a residual interest in the respective allocation plan's net assets.

4.8 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the Management Company / distributors during business hours on the day when the application is received. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load, provision of any duties and charges and provision for transaction costs, if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price prevalent on the date on which the Management Company / distributors receive redemption applications during business hours on that date. The redemption price represents the NAV as on the close of the business day, less any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

4.9 Distribution to unit holders

Distribution to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

4.10 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between Net Asset Value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the NAV per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend NAV of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders' fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

4.11 Revenue recognition

- Gains / (losses) arising on sale of investments are included in Income Statement and are recognised on the date when the transaction takes place;
- Unrealised gains / (losses) arising on re-measurement of investments classified as financial assets 'at fair value through profit or loss' are included in the Income Statement in the period in which they arise;
- Dividend income is recognised when the Fund's right to receive the same is established, i.e. on the commencement of book closure of the investee fund declaring the dividend; and
- Profit on savings account with banks is recognised on time proportion basis using the effective yield method.

4.12 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

4.13 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilised. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

4.14 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net income / (loss) for the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings / (loss) per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

4.15 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

- 10.1 As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) had been passed by the Government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs 0.50 million, is required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to two percent of such income. The matter was taken up by the Mutual Funds Association of Pakistan (MUFAP) with the Sindh Revenue Board (SRB) collectively on behalf of various asset management companies and their CISs whereby it was contested that mutual funds should be excluded from the ambit of SWWF Act as these were not industrial establishments but were pass-through investment vehicles and did not employ workers. The SRB held that mutual funds were included in the definition of financial institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. Thereafter, MUFAP had taken up the matter with the Sindh Finance Ministry to have CISs / mutual funds excluded from the applicability of SWWF. In view of the above developments regarding the applicability of SWWF on CISs / mutual funds, MUFAP had recommended that as a matter of abundant caution provision in respect of SWWF should be made on a prudent basis with effect from the date of enactment of the Sindh WWF Act, 2014 (i.e. starting from May 21, 2015). The Funds had accordingly made provision in respect of SWWF as recommended by MUFAP.

During the current year, SRB through its letter dated August 12, 2021 intimated MUFAP that the mutual funds do not qualify as Financial Institutions / Industrial Establishments and are therefore, not liable to pay the SWWF contributions. This development was discussed at MUFAP level and was also taken up with the SECP and all the Asset Management Companies, in consultation with the SECP, have reversed the cumulative provision for SWWF recognised in the financial statements of the Funds, for the period from May 21, 2015 to August 12, 2021, on August 13, 2021. The SECP also gave its concurrence for prospective reversal of provision for SWWF. Going forward, no provision for SWWF has been recognised in these financial statements of the Fund.

The above ratio is within the maximum limit of 2.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as a 'Fund of Funds' Scheme.

14 TAXATION

The income of the Fund is exempt from income tax under Clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. Since the Fund has incurred net loss during the current year, therefore no provision for taxation has been made in these financial statements.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

17 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

17.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee and regulations laid down by the SECP.

Market risk comprises of three types of risks: profit rate risk, currency risk, and price risk.

(i) Profit rate risk

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. As of June 30, 2022, the Fund is exposed to such risk on its balances held with banks. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds balances with banks which expose the Fund to cash flow profit rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net (loss) / income for the year and net assets of the Fund would have been higher / lower by Rs. 0.101 million (2021: Rs. 0.030 million).

b) Sensitivity analysis for fixed rate instruments

As at June 30, 2022, the Fund did not hold any fixed rate instrument that may expose the Fund to fair value profit rate risk.

The composition of the Fund's investment portfolio and profit rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2022 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at June 30, 2022 can be determined as follows:

As at June 30, 2022					
Effective yield / profit rate	Exposed to yield / profit rate risk			Not exposed to yield / profit rate risk	Total

Cumulative profit rate sensitivity gap	2,999	2,999	2,999		

(ii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

(iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund has exposure to price risk arising from the Fund investment in units of open end mutual funds. The Fund manages its price risk arising from investments by diversifying its portfolio within the eligible limits prescribed in the Fund's Constitutive Documents, the NBFC Regulations and circulars issued by SECP from time to time.

In case of 1% increase / decrease in Net Asset Value per unit of the investee funds as at June 30, 2022 with all other variables held constant, the total comprehensive income / (loss) of the Fund for the year would increase / decrease by Rs. 12.630 million (2021: Rs. 21.895 million) and the net assets of the Fund would increase / decrease by the same amount as a result of gains / losses on equity securities classified as financial assets at fair value through profit or loss.

17.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, 2008, the Fund can borrow in the short-term to ensure settlement the maximum limit of which is fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemption requests during the year ended June 30, 2022.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the assets and liabilities that are receivable / payable on demand including balances with banks have been included in the maturity grouping of one month:

Net financial assets / (liabilities)	2,637	(1,157)	-	-	-	2,189,463	2,190,943

17.3 Credit risk

17.3.1 Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. Credit risk arises from deposits with banks and financial institutions and profit receivable on bank deposits.

Credit risk arising on financial assets is monitored through a regular analysis of financial position of brokers and other parties. In accordance with the risk management policy of the Fund, the investment manager monitors the credit position on a daily basis which is reviewed by the Board of Directors of the Management Company on a quarterly basis.

The table below analyses the Fund's maximum exposure to credit risk:

	2022		2021	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
	(Rupees in '000)			
Balances with banks	10,124	10,124	3,692	3,692
Investments	1,262,953	-	2,189,463	-
Profit receivable on savings account with banks	47	47	12	12
	1,273,124	10,171	2,193,167	3,704

The maximum exposure to credit risk before any credit enhancement as at June 30, 2022 is the carrying amount of the financial assets. Investment in units of mutual funds, however, are not exposed to credit risk and have been excluded from the above analysis.

17.3.2 Credit quality of financial assets

The Fund's significant credit risk (excluding credit risk relating to settlement of equity securities) arises mainly on account of its placements in banks and related profit receivable thereon. The credit rating profile of balances with banks is as follows:

Rating	% of financial assets exposed to credit risk	
	2022	2021
AAA	99.17	98.11
AA+	0.83	1.89
	100.00	100.00

17.3.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic and industry factors similarly affect groups of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. As transactions are entered with credit worthy parties and are within the regulatory limits, therefore any significant concentration of credit risk is mitigated.

All financial assets of the Fund as at June 30, 2022 and June 30, 2021 are unsecured and are not impaired.

18 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2022 and June 30, 2021, the Fund held the following financial instruments measured at fair value:

	2022			2021		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
	(Rupees in '000)			(Rupees in '000)		
Financial assets ' at fair value through profit or loss'						
Units of open ended mutual funds	-	1,262,953	-	-	2,189,463	-

19 UNITHOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restriction on the subscription and redemption of units. As required under the NBFC Regulations, 2008 every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 17, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short-term borrowings, where necessary.

REPORT OF THE FUND MANAGER Meezan Strategic Allocation Fund – II (MSAF – II)

Type of Fund

MSAF – II is a perpetual Shariah Compliant (Islamic) Fund of Funds Scheme.

Objective

The fund aims to generate returns on Investments as per respective Allocation Plans by investing in Shariah Compliant Fixed Income and Equity Mutual Funds in line with risk/return preference of the investor.

Strategy and Investment Policy

MSAF – II has two Allocation Plans which allow investors to invest according to their risk tolerance levels. These are closed end Plans which are suitable for Investors having a relatively moderate risk tolerance and/or wish to earn a relatively higher return over the medium term. These can switch exposure between Shariah compliant equity and fixed income mutual funds without any minimum or maximum limits, subject to expectations regarding the market performance.

In line with these different allocation plans, the benchmarks are also a weighted average combination of KSE Meezan Index 30 and Fixed Income/Money Market Schemes performance, according to the invested percentages in both the asset classes.

Report of the *Shari'ah* Advisor– Meezan Strategic Allocation Fund-II

July 29, 2022/ Dhu Al-Hijjah 29, 1443

Alhamdulillah, the period from July 1, 2021 to June 30, 2022 was the Third year of operation of Meezan Strategic Allocation Fund-II (MSAF-II) under management of Al Meezan Investment Management Limited (Al Meezan). The scope of the report is to express an opinion on the *Shari'ah* compliance of the Fund's activity.

In the capacity of *Shari'ah* Advisor, I have prescribed criteria and procedure to be followed in ensuring *Shari'ah* compliance in every investment.

It is the responsibility of the management company of the fund to establish and maintain a system of internal controls to ensure *Shari'ah* compliance in line with the *Shari'ah* guidelines. Our responsibility is to express an opinion, based on our review, to the extent where such compliance can be objectively verified. A review is limited primarily to inquiries of the management company's personnel and review of various documents prepared by the management company to comply with the prescribed criteria.

In light of the above, I hereby certify that:

- i. I have reviewed and approved the modes of investments of MSAF-II in light of the *Shari'ah* guidelines.
- ii. All the provisions of the scheme and investments made on account of MSAF-II by Al Meezan are *Shari'ah* compliant and in accordance with the criteria established.
- iii. On the basis of information provided by the management, all the operation of MSAF-II for the year ended June 30, 2022 have been in compliance with *Shari'ah* principles.

May Allah bless us with best Tawfeeq to accomplish His cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Meezan Strategic Allocation Fund - II

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Meezan Strategic Allocation Fund - II (the Fund), which comprise the statement of assets and liabilities as at June 30, 2022, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2022, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 5 and 6 to the financial statements)	
	Investments and balances with banks constitute the most significant component of the net asset value. Investments of the Fund as at June 30, 2022 amounted to Rs 794.424 million and balances with banks aggregated to Rs 2.708 million. The existence and proper valuation of investments and existence of balances with banks for the determination of NAV of the Fund as at June 30, 2022 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: <ul style="list-style-type: none">Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2022 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed;Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; andObtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

AF

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Khattab Muhammad Akhi Baig**.

**MEEZAN STRATEGIC ALLOCATION FUND - II
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE PERIOD ENDED AUGUST 27, 2021 AND YEAR ENDED JUNE 30, 2022**

1. LEGAL STATUS AND NATURE OF BUSINESS

1.1 Meezan Strategic Allocation Fund - II (the Fund) was established under a Trust Deed executed between Al Meezan Investment Management Limited as the Management Company and Central Depository Company of Pakistan Limited (CDC) as Trustee. The Trust Deed was executed under the Trust Act, 1882 on January 15, 2018 and was approved by the Securities and Exchange Commission of Pakistan (SECP) on December 14, 2017 under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003, (the NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations). The Fund is registered as a notified entity under the NBFC Regulations issued through S.R.O.1203(I)/2008 on October 10, 2016. The registered office of the Management Company of the Fund is situated at Ground Floor, Block 'B', Finance and Trade Centre, Shahrah e Faisal, Karachi 74400, Pakistan.

During the year ended June 30, 2021, the Trust Act, 1882 was repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act). The Fund was required to be registered under the Sindh Trust Act. Accordingly, on September 2, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

1.2 The Fund has been formed to enable the unit holders to participate in a diversified portfolio of Equity Schemes and Fixed Income / Money Market Schemes, which are Shariah compliant. Under the Trust Deed, all the conducts and acts of the Fund are based on Shariah guidelines. The Management Company has appointed Meezan Bank Limited as its Shariah Advisor to ensure that the activities of the Fund are in compliance with the principles of Shariah.

1.3 The Fund is an open-end Shariah compliant Fund of Funds Scheme. Units are offered for public subscription on a continuous basis till the end of the subscription period. However, the subscription in units may be reopened for fresh issuance by the Management Company with prior approval of SECP after intimation to the Trustee and by providing notice to investors in order to protect the interest of the unit holders. The units of the plan are transferable and can be redeemed by surrendering them to the Fund.

1.4 The title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund. The Fund's property comprises of different types of allocation plans which are accounted for and maintained separately in the books of accounts and collectively constitute the Fund's property.

1.5 The Management Company has been assigned a quality rating of 'AM1' by VIS dated December 27, 2021 (2021: AM1 dated December 31, 2020) and by PACRA dated June 23, 2022 (2021: AM1 dated June 23, 2021). The rating reflects the Company's experienced management team, structured investment process and sound quality of systems and processes.

1.6 The Fund is an open-end Shariah compliant Fund of Funds Scheme that aims to generate returns on investment as per allocation plans (sub funds) namely Meezan Capital Preservation Plan - IV (M CPP - IV), Meezan Capital Preservation Plan - V (M CPP - V), Meezan Capital Preservation Plan - VI (M CPP - VI), Meezan Capital Preservation Plan - VII (M CPP - VII) and Meezan Capital Preservation Plan - VIII (M CPP - VIII) by investing in Shariah compliant Fixed Income / Money Market and Equity Mutual funds in line with the risk tolerance of the investor. Investors of the Fund may hold different types of allocation plans and may invest in any one or more of the available allocation plans. The management may also invest in other Collective Investments Schemes available to it with prior approval of the SECP. A brief description of the plans is as follows:

Each allocation plan announces separate Net Asset Values which ranks Pari Passu according to the number of units of the respective allocation plans. The books and records of each plan have been maintained separately.

- 1.7 During the current year, Meezan Capital Preservation Plan - VIII (MCP - VIII) matured on August 27, 2021 as per the provisions of the offering document.

2 BASIS OF PRESENTATION

The transactions undertaken by the Fund are in accordance with the process prescribed under the Shariah guidelines issued by the Shariah Advisor and are accounted for on substance rather than the form prescribed by the earlier referred guidelines. This practice is being followed to comply with the requirements of the accounting and reporting standards as applicable in Pakistan.

3 BASIS OF PREPARATION

3.1 STATEMENT OF COMPLIANCE

These financial statements have been prepared in conformity with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017, along with part VIIIA of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the requirements of IFRS, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

3.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on or after July 1, 2021. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

3.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new and amended standards, interpretations and amendments that are mandatory for the Fund's accounting period beginning on or after July 1, 2022 but are considered not to be relevant or will not have any significant impact on the Fund's operations and are therefore not disclosed in these financial statements.

3.4 Critical accounting estimates and judgments

The preparation of the financial statements in conformity with the accounting and reporting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities and income and expenses. It also requires the management to exercise judgment in the application of the Company's accounting policies. The estimates and associated assumptions are based on historical experience and various other factors, including expectation of future events, that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about carrying value of assets and liabilities. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both the current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets (notes 4.3 and 6).

3.5 Accounting convention

These financial statements have been prepared under the historical cost convention except for investments which have been classified as 'at fair value through profit or loss' and which are measured at fair value.

3.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupees, which is the Fund's functional and presentation currency.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

4.1 The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented.

4.2 Cash and cash equivalents

These comprise balances with banks in savings and current accounts and other short-term highly liquid investments with original maturities of three months or less.

4.3 Financial assets

4.3.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

4.3.2 Classification

4.3.2.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- at amortised cost;
- at fair value through other comprehensive income (FVOCI); and
- at fair value through profit or loss (FVPL)

based on the business model of the entity.

The investments of the Fund includes investments in units of mutual funds which are categorised as Puttable Instruments and are mandatorily required to be classified as financial assets at fair value through profit or loss.

4.3.3 Subsequent measurement

Subsequent to initial recognition, financial assets are valued as follows:

Financial assets at 'fair value through profit or loss'

Basis of valuation in the units of mutual funds

The investments of the Fund in the Collective Investment Scheme are valued on the basis of daily net assets value (NAV) announced by the Management Company.

The fair value of financial instruments i.e. investment in mutual funds is based on their Net Asset Value (NAV) at the reporting date without any deduction for estimated future selling costs.

Net gains and losses arising from changes in the fair value of financial assets carried 'at fair value through profit or loss' are taken to the Income Statement.

4.3.4 Impairment

The fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

4.3.5 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

4.3.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss arising on derecognition of financial assets is taken to the Income Statement.

4.4 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss arising on derecognition of financial liabilities is taken to the Income Statement.

4.5 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

4.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.7 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

4.8 Unit holders' Fund

Unit holders' Fund of each allocation plan representing the units issued by each respective sub fund separately, is carried at the redemption amount representing the investors' right to a residual interest in the respective sub fund's net assets.

4.9 Issue and redemption of units

Units issued are recorded at the offer price of each allocation plan, determined by the Management Company for the applications received by the distributors during business hours of the day when the applications are received. The offer price of each allocation plan represents the Net Assets Value (NAV) of the units as of the close of that business day plus the allowable sales load, provision of duties and charges and provision for transaction costs, if applicable. The sales load is payable to the distributor and the Management Company.

Units redeemed are recorded at the redemption price of each allocation plan prevalent on the date on which the distributors receive redemption application during business hours on that date. The redemption price represents the NAV as on the close of the business day, less any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

4.10 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

4.11 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between Net Asset Value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the NAV per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend NAV of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders' fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

4.12 Revenue recognition

- Gains / (losses) arising on sale of investments are included in Income Statement and are recognised on the date when the transaction takes place;
- Unrealised gains / (losses) arising on re-measurement of investments classified as financial assets 'at fair value through profit or loss' are included in the Income Statement in the period in which they arise;
- Dividend income is recognized when the Fund's right to receive the same is established. i.e. on the commencement of date of book closure of the investee fund declaring the dividend.
- Profit on savings account with banks is recognised on time proportion basis using the effective yield method.

4.13 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

4.14 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilised. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on enacted tax rates.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. Furthermore, for the purpose of determining distribution of at least 90 percent of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

4.15 Earnings per unit

Earnings per unit is calculated by dividing the net income for the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

4.16 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

10.1 As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) had been passed by the Government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs. 0.50 million, is required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to 2% of such income. The matter was taken up by the Mutual Funds Association of Pakistan (MUFAP) with the Sindh Revenue Board (SRB) collectively on behalf of various Asset Management Companies and their CISs whereby it was contested that Mutual Funds should be excluded from the ambit of SWWF Act as these were not industrial establishments but were pass through investment vehicles and did not employ workers. The SRB held that Mutual Funds were included in the definition of Financial Institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. Thereafter, MUFAP had taken up the matter with the Sindh Finance Ministry to have CISs / Mutual Funds excluded from the applicability of SWWF. In view of the above developments regarding the applicability of SWWF on CISs / Mutual Funds, MUFAP had recommended that as a matter of abundant caution provision in respect of SWWF should be made on a prudent basis with effect from the date of enactment of the Sindh WWF Act, 2014 (i.e. starting from May 21, 2015). The Funds had accordingly made provision in respect of SWWF as recommended by MUFAP.

During the current year, SRB through its letter dated August 12, 2021, intimated MUFAP that the Mutual Funds do not qualify as Financial Institutions / Industrial Establishments and are therefore, not liable to pay the SWWF contributions. This development was discussed at MUFAP level and was also taken up with the SECP and the Asset Management Companies, in consultation with the SECP, have reversed the cumulative provision for SWWF recognised in the financial statements of the funds, for the period from May 20, 2019 to August 12, 2021, on August 13, 2021. The SECP also gave its concurrence for prospective reversal of provision for SWWF. Going forward, no provision for SWWF has been recognised in the financial statements of the Fund.

13 TAXATION

The income of the Fund is exempt from income tax under Clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. Since MCPP - IV has incurred a net loss during the year and the management has distributed the required minimum percentage of income earned by the Plans: MCPP - V, MCPP - VI, MCPP VII, MCPP - VIII for the year ended June 30, 2022 and period ended August 27, 2021 to the unitholders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

17.1 Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee and regulations laid down by the SECP.

Market risk comprises of three types of risks: profit rate risk, currency risk, and price risk.

(i) Profit rate risk

Profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. As of June 30, 2022, the Fund is exposed to such risk on its balances held with banks and investments in sukuk certificates. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds balances with banks which expose the Fund to cash flow profit rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income / loss for the year and net assets of the Fund would have been higher / lower by Rs. 0.03 million (2021: Rs. 0.029 million).

b) Sensitivity analysis for fixed rate instruments

As at June 30, 2022, the Fund did not hold any fixed rate instrument that may expose the Fund to fair value profit rate risk.

The composition of the Fund's investment portfolio, profit rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2022 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at June 30, 2022 can be determined as follows:

As at June 30, 2022					
Effective profit rate (%)	Exposed to yield / profit rate risk			Not exposed to yield / profit rate risk	Total

Total profit rate sensitivity gap (a + b)		2,959	-	-	-
Cumulative profit rate sensitivity gap		2,959	2,959	2,959	2,959

(ii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

(iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund has exposure to price risk arising from the Fund investments in open end mutual funds. The Fund manages its price risk arising from investments by diversifying its portfolio within the eligible limits prescribed in the Fund's Constitutive Documents, the NBFC Regulations and circulars issued by SECP from time to time.

In case of 1% increase / decrease in Net Assets Value per unit of the Investee Funds as at June 30, 2022 with all other variables held constant, the total comprehensive income of the Plan for the year would increase / decrease by Rs. 7.944 million (2021: Rs. 10.975 million) and the net assets of the Plan would increase / decrease by the same amount as a result of gains / losses on units of the mutual funds held by the Plans.

17.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement the maximum limit of which is fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemption requests during the year ended June 30, 2022.

The table below summarizes the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the assets and liabilities that are receivable / payable on demand including balances with banks have been included in the maturity grouping of one month:

Net financial assets / (liabilities)	2,505	(707)	-	-	1,097,473	1,099,271

17.3 Credit risk

17.3.1 Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. The table below analyses the Fund's maximum exposure to credit risk:

	2022		2021	
	Balance as per statement of assets and liabilities (Rupees in '000)	Maximum exposure to credit risk (Rupees in '000)	Balance as per statement of assets and liabilities (Rupees in '000)	Maximum exposure to credit risk (Rupees in '000)
Balances with banks	2,708	2,708	2,959	2,959
Investments	794,424	-	1,097,473	-
Profit receivable on balances with banks	50	50	10	10
	<u>797,182</u>	<u>2,758</u>	<u>1,100,442</u>	<u>2,969</u>

The maximum exposure to credit risk before any credit enhancement as at June 30, 2022 is the carrying amount of the financial assets. Difference in the balance as per the statement of assets and liabilities and maximum exposure is due to the fact that investments in open ended mutual funds of Rs. 794.424 million (2021: Rs. 1,097.473 million) are not exposed to credit risk.

17.3.2 Credit quality of financial assets

The Fund's significant credit risk (excluding credit risk relating to settlement of equity securities) arises mainly on account of its placements in banks and profit accrued thereon, dividend receivable and receivable against sale of units and against investments. The credit rating profile of balances with banks is as follows:

Bank	Amount of financial assets exposed to credit risk (Rupees in '000)		% of financial assets exposed to credit risk (Percentage)	
	2022	2021	2022	2021
AAA	2,708	2,959	100%	100%

17.3.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic and industry factors similarly affect groups of counter parties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. As transactions are entered with credit worthy parties and are within the regulatory limits, therefore any significant concentration of credit risk is mitigated.

All financial assets of the Fund as at June 30, 2022 and June 30, 2021 are unsecured and are not impaired.

18 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2022 and June 30, 2021, the Fund held the following financial instruments measured at fair value:

	2022			2021		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
	(Rupees in '000)			(Rupees in '000)		
Financial assets 'at fair value through profit or loss'						
Units of open ended mutual funds	-	794,424	-	-	1,097,473	-
	-	794,424	-	-	1,097,473	-

19 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restriction on the subscription and redemption of units. As required under the NBFC Regulations every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 17, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short-term borrowings, where necessary.

REPORT OF THE FUND MANAGER Meezan Strategic Allocation Fund – III (MSAF – III)

Type of Fund

MSAF – III is a perpetual Shariah Compliant (Islamic) Fund of Funds Scheme.

Objective

The fund aims to generate returns on Investments as per respective Allocation Plans by investing in Shariah Compliant Fixed Income and Equity Mutual Funds in line with risk/return preference of the investor.

Strategy and Investment Policy

MSAF – III has one Allocation Plans which allow investors to invest according to their risk tolerance levels.

These are closed end Plans which are suitable for Investors having a relatively moderate risk tolerance and/or wish to earn a relatively higher return over the medium term. These can switch exposure between Shariah compliant equity and fixed income mutual funds without any minimum or maximum limits, subject to expectations regarding the market performance.

In line with these different allocation plans, the benchmarks are also a weighted average combination of KSE Meezan Index 30 and Fixed Income/Money Market Schemes performance, according to the invested percentages in both the asset classes.

Meezan Strategic Allocation Plan – III (MCPPIX)	Weighted avg. return of KMI 30 Index and Fixed Income/ Money Market Scheme as per actual Allocation.

Report of the *Shari'ah* Advisor– Meezan Strategic Allocation Fund-III

July 29, 2022/ Dhu Al-Hijjah 29, 1443

Alhamdulillah, the period from July 01, 2021 to June 30, 2022 was the Third year of operations of Meezan Strategic Allocation Fund-III (MSAF-III) under management of Al Meezan Investment Management Limited (Al Meezan). The scope of the report is to express an opinion on the *Shariah* compliance of the Fund's activity.

In the capacity of *Shari'ah* Advisor, I have prescribed criteria and procedure to be followed in ensuring *Shari'ah* compliance in every investment.

It is the responsibility of the management company of the fund to establish and maintain a system of internal controls to ensure *Shari'ah* compliance in line with the *Shari'ah* guidelines. Our responsibility is to express an opinion, based on our review, to the extent where such compliance can be objectively verified. A review is limited primarily to inquiries of the management company's personnel and review of various documents prepared by the management company to comply with the prescribed criteria.

In light of the above, I hereby certify that:

- i. I have reviewed and approved the modes of investments of MSAF-III in light of the *Shari'ah* guidelines.
- ii. All the provisions of the scheme and investments made on account of MSAF-III by Al Meezan are *Shari'ah* compliant and in accordance with the criteria established.
- iii. On the basis of information provided by the management, all the operation of MSAF-III for the year ended June 30, 2022 have been in compliance with *Shari'ah* principles.

May Allah bless us with best Tawfeeq to accomplish His cherished tasks, make us successful in this world and in the Hereafter, and forgive our mistakes.

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Meezan Strategic Allocation Fund - III

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Meezan Strategic Allocation Fund – III (the Fund), which comprise the statement of assets and liabilities as at June 30, 2022, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2022, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1	Net Asset Value (Refer notes 5 and 6 to the financial statements)	
	Investments and balances with banks constitute the most significant component of the net asset value. Investments of the Fund as at June 30, 2022 amounted to Rs 427.603 million and balances with banks aggregated to Rs 4.636 million. The existence and proper valuation of investments and existence of balances with banks for the determination of NAV of the Fund as at June 30, 2022 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures amongst others included the following: <ul style="list-style-type: none">Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2022 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed;Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; andObtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Att

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Khattab Muhammad Akhi Baig**.

MEEZAN STRATEGIC ALLOCATION FUND - III
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2022

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Meezan Strategic Allocation Fund - III (the Fund) was established under a Trust Deed executed under the Trust Act, 1882 between Al Meezan Investment Management Limited (Al Meezan) as Management Company and Central Depository Company of Pakistan Limited (CDC) as Trustee. The Trust Deed was executed on January 24, 2019 and was approved by the Securities and Exchange Commission of Pakistan (SECP) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003, (NBFC Rules) on January 17, 2019. The Management Company has been licensed by the Securities and Exchange Commission of Pakistan (SECP) to act as an Asset Management Company under the Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules) through a certificate of registration issued by the SECP. The registered office of the Management Company of the Fund is situated at Ground Floor, Block 'B', Finance and Trade Centre, Shahrah e Faisal, Karachi 74400, Pakistan.

During the year ended June 30, 2021, the Trust Act, 1882 was repealed due to the promulgation of Provincial Trust Act, namely "Sindh Trusts Act, 2020" (the Sindh Trust Act). The Fund is required to be registered under the Sindh Trust Act. Accordingly, the above mentioned Trust Deed was registered under the Sindh Trust Act on September 2, 2021.

1.2 The Fund has been formed to enable the unitholders to participate in a diversified portfolio of equity schemes and fixed income / money market schemes, which are Shariah compliant. Under the Trust Deed, all the conducts and acts of the Fund are based on Shariah guidelines. The Management Company has appointed Meezan Bank Limited as its Shariah Advisor to ensure that the activities of the Fund are in compliance with the principles of Shariah.

1.3 The Fund is an open-end Shariah compliant Fund of Funds Scheme. Units are offered for public subscription on a continuous basis till the end of the subscription period. However, the subscription in units may be reopened for fresh issuance by the Management Company with prior approval of the SECP after intimation to the Trustee and by providing notice to investors in order to protect the interest of the unitholders. The units of the plan are transferable and can be redeemed by surrendering them to the Fund. The Fund is listed on Pakistan Stock Exchange Limited.

1.4 Title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund. The Fund's property comprises of different types of allocation plans which are accounted for and maintained separately in the books of accounts and collectively constitute the Fund's property.

1.5 The Management Company has been assigned a quality rating of AM1 by VIS dated December 27, 2021 (2021: AM1 dated December 31, 2020) and by PACRA dated June 23, 2022 (2021: AM1 dated June 23, 2021). The ratings reflect the Company's experienced management team, structured investment process and sound quality of systems and processes.

1.6 The Fund generates returns on investment as per allocation plan (sub fund) namely Meezan Capital Preservation Plan - IX (MCCP - IX) by investing in Shariah compliant fixed income / money market and equity mutual funds in line with the risk tolerance of the investor. The management may also invest in other Collective Investments Schemes available to it with prior approval of SECP.

1.7 A brief description of the plan is as follows:

<p>Meezan Capital Preservation Plan - IX (MCCP - IX)</p>	<p>Medium risk - High return through asset allocation</p> <p>This allocation plan commenced its operations from May 14, 2019 and can invest its portfolio between the Equity asset classes / Schemes and Fixed Income or Money Market asset classes / Schemes based on the macroeconomic view and outlook of such asset classes. The initial maturity of this plan was two and a half years from the close of the subscription period i.e. January 29, 2022. However, the SECP has approved extension and in accordance with such extension granted vide letter No. SCD/AMCW/MSAFIII/227/2022 dated January 25, 2022, the plan shall now mature on September 30, 2024. Units shall be subject to front end load.</p>
--	---

2 BASIS OF PRESENTATION

The transactions undertaken by the Fund are in accordance with the process prescribed under the Shariah guidelines issued by the Shariah Advisor and are accounted for on substance rather than the form prescribed by the earlier referred guidelines. This practice is being followed to comply with the requirements of the accounting and reporting standards as applicable in Pakistan.

3 BASIS OF PREPARATION

3.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

3.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2021. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

3.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new and amended standards, interpretations and amendments that are mandatory for the Fund's accounting period beginning on or after July 1, 2022 but are considered not to be relevant or will not have any significant impact on the Fund's operations and are therefore not disclosed in these financial statements.

3.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets (notes 4.3 and 6).

3.5 Accounting convention

These financial statements have been prepared under the historical cost convention except for investments which are carried at their fair values.

3.6 Functional and presentation currency

Items included in these financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupee, which is the Fund's functional and presentation currency.

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

4.1 The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented unless otherwise stated.

4.2 Cash and cash equivalents

These comprise balances with banks in savings and current accounts and other short-term highly liquid investments with original maturities of three months or less.

4.3 Financial instruments

4.3.1 Classification

4.3.1.1 Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVPL)

based on the business model of the entity.

The investments of the Fund includes investments in units of mutual funds which are categorised as Puttable Instruments and are mandatorily required to be classified as financial assets at fair value through profit or loss.

4.3.2 Subsequent measurement

Subsequent to initial recognition, financial assets are valued as follows:

a) 'Financial assets at fair value through profit or loss'

Basis of valuation in the collective investment scheme

The investments of the Fund in the collective investment scheme are valued on the basis of daily net assets value (NAV) announced by the management company.

The fair value of financial instruments i.e. investment in mutual funds is based on their net asset value at the reporting date without any deduction for estimated future selling costs.

Net gains and losses arising from changes in the fair value of financial assets carried 'at fair value through profit or loss' are taken to the Income Statement.

4.3.3 Impairment

The fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets carried at amortised cost and FVOCI. The fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- An unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

4.3.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset. Regular way purchases / sales of assets require delivery of securities within two days from the transaction date as per the stock exchange regulations.

4.3.5 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

4.3.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

4.4 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

4.5 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

4.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.7 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

4.8 Unit holders' Fund

Unit holders' Fund of each allocation plan representing the units issued by each respective sub fund separately, is carried at the redemption amount representing the investors' right to a residual interest in the respective sub fund's net assets.

4.9 Issuance and redemption of units

Units issued are recorded at the offer price of the allocation plan, determined by the Management Company for the applications received by the distributors during business hours of the day when the application is received. The offer price of each allocation plan represents the Net Assets Value of the units as of the close of that business day plus the allowable sales load, provision of duties and charges and provision for transaction costs, if applicable. The sales load is payable to the distributor and the Management Company.

Units redeemed are recorded at the redemption price of each allocation plan prevalent on the date on which the distributors receive redemption application during business hours on that date. The redemption price represents the Net Assets Value per unit as of close of that business day less any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

4.10 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

4.11 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between net assets value (NAV) per unit on the issuance or redemption date, as the case may be, of units and the net assets value (NAV) per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' Fund. However, to maintain the same ex-dividend net asset value (NAV) of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders Fund is refunded on units in the same proportion as dividend bears to accounting income available for distribution.

4.12 Revenue recognition

- Gains / (losses) arising on sale of investments are recorded on the date at which the transaction takes place.
- Unrealised gains / (losses) arising on re-measurement of investments classified as 'financial assets at fair value through profit or loss' are recorded in the period in which these arise.
- Dividend income is recognized when the Fund's right to receive the same is established. i.e. on the commencement of date of book closure of the investee fund declaring the dividend.
- Profit on balances with banks is recognised on an accrual basis.

4.13 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

4.14 Taxation

Current

Provision for current taxation is based on taxable income at the current rates of taxes after taking into account tax credits and rebates, if any. The charge for current tax is calculated using the prevailing tax rates.

Deferred

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit.

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unitholders. Provided that, for the purpose of determining distribution of at least 90% of the accounting income, the income distributed through bonus units shall not be taken into account.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

4.15 Earnings / (loss) per unit

Earnings / (loss) per unit is calculated by dividing the net income / (loss) for the year after taxation of the Fund by the weighted average number of units outstanding during the year.

Earnings / (loss) per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating EPU is not practicable.

4.16 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at period end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

10.1 As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) had been passed by the Government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs. 0.50 million, is required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to 2% of such income. The matter was taken up by the Mutual Funds Association of Pakistan (MUFAP) with the Sindh Revenue Board (SRB) collectively on behalf of various Asset Management Companies and their CISs whereby it was contested that Mutual Funds should be excluded from the ambit of SWWF Act as these were not industrial establishments but were pass through investment vehicles and did not employ workers. The SRB held that Mutual Funds were included in the definition of Financial Institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. Thereafter, MUFAP had taken up the matter with the Sindh Finance Ministry to have CISs / Mutual Funds excluded from the applicability of SWWF. In view of the above developments regarding the applicability of SWWF on CISs / Mutual Funds, MUFAP had recommended that as a matter of abundant caution, provision in respect of SWWF should be made on a prudent basis with effect from the date of enactment of the Sindh WWF Act, 2014 (i.e. starting from May 21, 2015). The Funds had accordingly made provision in respect of SWWF as recommended by MUFAP.

During the current year, SRB through its letter dated August 12, 2021, intimated MUFAP that the Mutual Funds do not qualify as Financial Institutions / Industrial Establishments and are therefore, not liable to pay the SWWF contributions. This development was discussed at MUFAP level and was also taken up with the SECP and all the Asset Management Companies, in consultation with the SECP, have reversed the cumulative provision for SWWF recognised in the financial statements of the Funds, for the period from May 20, 2019 to August 12, 2021, on August 13, 2021. The SECP also gave its concurrence for prospective reversal of provision for SWWF. Going forward, no provision for SWWF has been recognised in the financial statements of the Fund.

13 TOTAL EXPENSE RATIO

The Total Expense Ratio of the Plan (MCPP - IX) for the year ended June 30, 2022 is 0.46% (2021: 1%) which includes 0.03% (2021: 0.37%) representing government levies such as Sales Tax and annual SECP fee. This ratio is within the maximum limit of 2.5% prescribed under the NBFC Regulations for a Collective Investment Scheme categorised as a Fund of Funds Scheme.

14 TAXATION

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non Banking Finance Companies and Notified Entities Regulations, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unitholders. Since the management has distributed the required minimum percentage of income earned by the Fund for the year ended June 30, 2022 to the unitholders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

15 TRANSACTIONS AND BALANCES WITH CONNECTED PERSONS / RELATED PARTIES

15.1 Connected persons include AI Meezan Investment Management Limited being the Management Company, Central Depository Company of Pakistan Limited (CDC) being the Trustee, Meezan Bank Limited being the holding company of the Management Company, Directors and Executives of the Management Company, other Collective Investment Schemes managed by the Management Company, Pakistan Kuwait Investment Company (Private) Limited being the associated company of the Management Company, AI Meezan Investment Management Limited Employees' Gratuity Fund and unitholders holding 10 percent or more of the Fund's net assets.

15.2 Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges and distribution payments to connected persons. The transactions with connected persons are also in the normal course of business, at contracted rates and at terms determined in accordance with market rates. The management considers that the transactions between the related parties / connected persons are executed in accordance with the parameters defined in the Offering document, trust deed and NBFC regulations which are publicly available documents and hence, the transactions are considered to be on an arm's length basis.

15.3 Remuneration payable to the Management Company and the Trustee is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed, respectively.

17 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

17.1 Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee.

Market risk comprises of three types of risks: yield / profit rate risk, currency risk, and price risk.

(i) Yield / profit rate risk

Yield / profit rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market profit rates. As of June 30, 2022, the Fund is exposed to such risk on its balances held with banks. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds balances with banks which expose the Fund to cash flow profit rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income / loss for the year and net assets of the Fund would have been higher / lower by Rs. 0.048 million (2021: Rs. 0.005 million).

b) Sensitivity analysis for fixed rate instruments

As at June 30, 2022, the Fund does not hold any fixed rate instrument that may expose the Fund to fair value profit rate risk.

The composition of the Fund's investment portfolio and profit rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2022 is not necessarily indicative of the impact on the Fund's net assets of future movements in profit rates.

Profit rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on the settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at June 30, 2022 can be determined as follows:

As at June 30, 2022					
Effective profit rate (%)	Exposed to yield / profit rate risk			Not exposed to yield / profit rate risk	Total

(ii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

(iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund has exposure to price risk arising from the Fund investments in open end mutual funds. The Fund manages its price risk arising from investments by diversifying its portfolio within the eligible limits prescribed in the Fund's Constitutive Documents, the NBFC Regulations and circulars issued by SECP from time to time.

In case of 1% increase / decrease in Net Assets Value per unit of the Investee Funds as at June 30, 2022 with all other variables held constant, the total comprehensive income of the Fund for the year would increase / decrease by Rs. 4.276 million (2021: Rs. 1.001 million) and the net assets of the Fund would increase / decrease by the same amount as a result of gains / losses on units of the mutual funds held by the Fund.

17.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

As per the NBFC Regulations the Fund can borrow in the short-term to ensure settlement the maximum limit of which is fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemption requests during the year ended June 30, 2022.

The table below summaries the maturity profile of the Fund's Financial Instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month:

17.3 Credit risk

17.3.1 Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. The table below analyses the Fund's maximum exposure to credit risk:

	2022		2021	
	Balance as per statement of assets and liabilities (Rupees in '000)	Maximum exposure to credit risk (Rupees in '000)	Balance as per statement of assets and liabilities (Rupees in '000)	Maximum exposure to credit risk (Rupees in '000)
Balances with banks	4,636	4,636	508	508
Investments	427,603	-	100,108	-
Profit accrued on balances with banks	19	19	2	2
	<u>432,258</u>	<u>4,655</u>	<u>100,618</u>	<u>510</u>

The maximum exposure to credit risk before any credit enhancement as at June 30, 2022 is the carrying amount of the financial assets. Difference in the balance as per the statement of assets and liabilities and maximum exposure is due to the fact that investments in open end mutual funds of Rs. 427.603 million (2021: Rs. 100.108 million) are not exposed to credit risk.

17.3.2 Credit quality of financial assets

The Fund's significant credit risk arises mainly on account of its placements in banks and profit accrued thereon. The credit rating profile of balances with banks is as follows:

Rating	2022		2021	
	Amount of financial assets exposed to credit risk (Rupees in '000)	% of financial assets exposed to credit risk	Amount of financial assets exposed to credit risk (Rupees in '000)	% of financial assets exposed to credit risk
AAA	4,655	100%	500	98.04%
AA	-	-	10	1.96%
	<u>4,655</u>	<u>100%</u>	<u>510</u>	<u>100%</u>

17.3.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic and industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. As transactions are entered with credit worthy parties and are within the regulatory limits, therefore any significant concentration of credit risk is mitigated.

All financial assets of the Fund as at June 30, 2022 are unsecured and are not impaired.

18 UNIT HOLDERS' FUND RISK MANAGEMENT

The Unit Holders' Fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

As required under the NBFC Regulations, 2008 every Open End Scheme shall maintain fund size (i.e. net assets of the Fund) of Rs. 100 million at all times during the life of the scheme. However, during the year, the Fund was non compliant with the aforementioned limit from July 6, 2021. Subscription to the units of the Fund was reopened from January 31, 2022 till March 31, 2022 and as a result, the Fund became compliant from February 1, 2022 onwards.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 17, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short term borrowings, where necessary.

19 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the Statement of Assets and Liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2022, the Fund held the following financial instruments measured at fair values:

	2022		
	Level 1	Level 2	Level 3
