جو ڈائریکٹر بورڈ میٹنگ اجلاس میں حاضر نہیں ہو سکے ان کو چھٹی کی منظوری دی گئی تھی۔

۹۔ حصص داران کا کردار

بورڈ کا مقصد اس بات کو یقینی بنانا ہے کہ کمپنی کے حصص داران کو کسی بھی ایسی اہم پیش رفت سے بروقت مطلع کیا جائے، جو کمپنی کے معاملات پر اثر انداز ہو۔ اس مقصد کو حاصل کرنے کیلئے حصص داران کو سہ ماہی، نصف اور سالانہ رپورٹ کی معلومات فراہم کی جاتی ہے۔ بورڈ آف ڈائریکٹرز اعلیٰ سطحی احتساب کو یقینی بنانے کے لیے حصص داروں کو سالانہ اجلاس میں شرکت کی حوصلہ افزائی کرتے ہیں۔

۱۰۔ ڈویڈنڈ / منافع کی ادائیگی

کمپنی کے نقصان میں ہونے کی وجہ سے ڈائریکٹرز نے اس سال حصص داران کو ڈویڈنڈ دینے کی سفارش کی ہے۔

۱۱۔ آڈیٹرز

موجودہ آڈیٹرز میسرز شائن ونگ حمید چوہدری اینڈ کمپنی، چارٹرڈ اکاؤنٹنٹس، لاہور، سالانہ اجلاس عام تک ریٹائرڈ ہو جائیں گے اور انہوں نے خود کو دوبارہ تقرری کے لیے پیش کیا ہے۔ آڈٹ کمپنی نے کوڈ آف کارپوریٹ گورننس کے ضابطہ کے مطابق، بورڈ آف ڈائریکٹرز نے آڈیٹرز کو 30 جون 2023 مالی سال کے اختتام تک مقرر کرنے کی گزارش کی ہے۔

۱۲۔ ضابطہ برائے کاروباری نظم و نسق

کمپنی کارپوریٹ گورننس کے اعلیٰ ترین معیارات کے لئے پرعزم ہے اور اپنا کاروبار کوڈ آف کارپوریٹ گورننس اور پاکستان اسٹاک ایکسچینج لیمنڈ کے لسٹنگ ریگولیشنز کے بہترین طریقوں کے مطابق کام کرتی ہے۔ مزید تفصیلات کے لئے براہ کرم لسٹڈ کمپنیوں کے ساتھ تعمیل کا بیان (کوڈ آف کارپوریٹ گورننس) ریگولیشنز دیکھیں۔

۱۳۔ اعتراف

ڈائریکٹرز نے کمپنی کے لیے شاف کی محنت کو سراہا ہے۔

بورڈ قابل قدر حصص داروں کا شکر گزار ہے جنہوں نے مشکل وقت میں کمپنی کا ساتھ دیا اور کمپنی پہ اپنا بھروسہ رکھا، جس کی وجہ سے کمپنی موجودہ چیلنج میں سرخرو ہوئی۔

منجانب بورڈ

ARPAK INTERNATIONAL INVESTMENTS LIMITED
INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE MEMBERS OF ARPAK INTERNATIONAL INVESTMENTS LIMITED
Review Report on the Statement of Compliance Contained in the Listed
Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of **ARPAK INTERNATIONAL INVESTMENTS LIMITED** (the Company) for the year ended June 30, 2022 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2022.

ARPAK INTERNATIONAL INVESTMENTS LIMITED

AUDITORS' REPORT TO THE MEMBERS

Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of **ARPAK INTERNATIONAL INVESTMENTS LIMITED** (the Company), which comprise the statement of financial position as at June 30, 2022, and the statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2022 and of the loss, other comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditors' Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors is responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;

- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditors' report is Osman Hameed Chaudhri.

ARPAK INTERNATIONAL INVESTMENTS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2022

1. CORPORATE INFORMATION

Arpak International Investments Limited (the Company) was incorporated in Pakistan on July 26, 1977 as a Public Company and its shares are quoted on Pakistan Stock Exchange Ltd. The registered office of the Company is situated at 20-A, Markaz F-7, Islamabad. The Company is principally engaged in investment business of various forms.

2. BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017 (the Act); and
- Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRSs, the provisions of and directives issued under the Companies Act, 2017 have been followed.

2.2 Basis of measurement

These financial statements have been prepared under the historical cost convention except as disclosed in the accounting policies.

Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates. These financial statements are presented in Pak Rupees, which is the Company's functional currency. All financial information has been rounded off to the nearest thousand of Rupees unless otherwise stated.

3. INITIAL APPLICATION OF STANDARDS, AMENDMENTS OR INTERPRETATIONS TO EXISTING STANDARDS

3.1 Standards, amendments and interpretations to accounting and reporting standards that became effective during the year

New and amended standards mandatory for the first time for the financial year beginning July 1, 2021:

Amendments to IFRS 16 'Leases' is applicable on accounting periods beginning on or after June 1, 2020 and April 1, 2021. Under IFRS 16, rent concessions often met the definition of a lease modification, unless they were envisaged in the original lease agreement. The amendment exempts lessees from having to consider individual lease contracts to determine whether rent concessions occurring as a direct consequence of the covid-19 pandemic are

lease modifications and allows lessees to account for such rent concessions as if they were not lease modifications. It applies to covid-19-related rent concessions that reduce lease payments due on or before June 30, 2021. The Board has extended the practical expedient by 12 months – i.e. permitting lessees to apply it to rent concessions for which any reduction in lease payments affects only payments originally due on or before June 30, 2022. This optional exemption gives timely relief to lessees and enables them to continue providing information about their leases that is useful to investors. The amendment does not affect lessors. The amendment has no impact on the Company's financial statements.

The other new standards, amendments to published accounting and reporting standards and interpretations that are mandatory in Pakistan for the financial year beginning on July 1, 2021 are considered not to be relevant or to have any significant effect on the Company's financial reporting and operations.

3.2 Standards, amendments to approved accounting standards and interpretations that are not yet effective and have not been early adopted by the Company

The following new standards and amendments to approved accounting standards are not effective for the financial year beginning on July 1, 2021 and have not been early adopted by the Company:

(a) IAS 37 Onerous contracts Effective: January 01, 2022

Under IAS 37 'Provisions, Contingent Liabilities and Contingent Assets', a contract is 'onerous' when the unavoidable costs of meeting the contractual obligations – i.e. the lower of the costs of fulfilling the contract and the costs of terminating it – outweigh the economic benefits. The amendments clarify that the 'costs of fulfilling a contract' comprise both the incremental costs – e.g. direct labour and materials; and an allocation of other direct costs – e.g. an allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract.

(b) IAS 16 Proceeds before an asset's intended use Effective: January 01, 2022

Amendment to IAS 16 'Property, Plant and Equipment' prohibit a company from deducting from the cost of property, plant and equipment amounts received from selling items produced while the Company is preparing the asset for its intended use. Instead, a Company will recognise such sales proceeds and related cost in profit or loss. The amendments apply retrospectively, but only to items of PPE made available for use on or after the beginning of the earliest period presented in the financial statements in which the Company first applies the amendments.

(c) IAS 1 Disclosure of accounting policies Effective: January 01, 2023

Amendments to IAS 1, 'Presentation of Financial Statements' includes requiring companies to disclose their material accounting policies rather than their significant accounting policies, clarifying that accounting policies related to immaterial transactions, other events or conditions are themselves immaterial and as such need not be disclosed and also clarifying that not all accounting policies that relate to material transactions, other events or conditions are themselves material to a Company's financial statements.

The Company has assessed that the impact of these amendments is not expected to be significant.

There are number of other standards, amendments and interpretations to the approved accounting standards that are not yet effective and are also not relevant to the Company and therefore, have not been presented here.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted in the preparation of these financial statements are set-out below. These policies have been consistently applied to all the years presented except for the change as stated in note 6 to the financial statements:

4.1 Taxation

(a) Current and prior year

Provision for current year's taxation is determined in accordance with the prevailing law of taxation on income enacted or substantively enacted by the end of the reporting period and is based on current rates of taxation being applied on the taxable income for the year, after taking into account tax credits and rebates available, if any, and taxes paid under the Final Tax Regime. The tax charge also includes adjustments, where necessary, relating to prior years which arise from assessments finalised during the year.

(b) Deferred

Deferred tax is recognised using the statement of financial position liability method on all temporary differences arising between the tax basis of assets and liabilities and their carrying amounts appearing in the financial statements. Deferred tax liability is recognised for all taxable temporary differences. Deferred tax asset is recognised for all deductible temporary differences to the extent that it is probable that temporary differences will reverse in the future and taxable income will be available against which the temporary differences can be utilised.

Deferred tax asset and liability is measured at the tax rate that is expected to apply to the period when the asset is realised or the liability is settled, based on tax rates that have been enacted or substantively enacted by the reporting date.

4.2 Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

4.3 Financial liabilities

Classification & subsequent measurement

Financial liabilities are classified as measured at amortized cost or 'at fair value through profit or loss' (FVTPL). A financial liability is classified as at FVTPL if it is classified as held for trading, it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in the statement of profit or loss.

Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in the statement of profit or loss. Any gain or loss on derecognition is also recognized in the statement of profit or loss.

Derecognition

Financial liabilities are derecognized when the contractual obligations are discharged or cancelled or have expired or when the financial liability's cash flows have been substantially modified.

4.4 Dividend and appropriation to reserves

Dividend distribution to the Company's shareholders and appropriation to reserves are recognised in the period in which these are approved.

4.5 Property, plant and equipment

These are stated at cost less accumulated depreciation except freehold land which is stated at cost. Depreciation is taken to statement of profit or loss applying reducing balance method at the rates stated in note 12 to write-off the cost over estimated remaining useful life of assets. The assets' residual values and useful lives are reviewed at each financial year-end and adjusted if impact on depreciation is significant.

Depreciation on additions to fixed assets is charged from the month in which an asset is acquired or capitalised while no depreciation is charged for the month in which the asset is disposed-off.

Normal repairs and replacements are taken to statement of profit or loss. Major improvements and modifications are capitalised and assets replaced, if any, other than those kept as stand-by, are retired.

Gain / loss on disposal of property, plant and equipment, if any, is taken to statement of profit or loss.

4.6 Investment property

Property not held for own use or for sale in the ordinary course of business is classified as investment property. The Company uses cost model for valuation of its investment property; freehold land has been valued at cost whereas building on freehold land has been valued at cost less accumulated depreciation and any identified impairment loss.

4.7 Financial assets

Initial measurement

The Company classifies its financial assets in the following three measurement categories:

- fair value through other comprehensive income (FVTOCI);
- fair value through profit or loss (FVTPL); and
- measured at amortized cost.

A financial asset is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition.

Subsequent Measurement

- *Equity Instruments at FVTOCI*

These assets are subsequently measured at fair value. Dividends are recognized as income in the statement of profit or loss. Other net gains and losses are recognized in statement of other comprehensive income and are never reclassified to the statement of profit or loss.

- ***Debt Instruments at FVTOCI***

These assets are subsequently measured at fair value. Interest / mark-up income calculated using the effective interest method, foreign exchange gains and losses and impairment are recognized in the statement of profit or loss. Other net gains and losses are recognized in statement of other comprehensive income. On derecognition, gains and losses accumulated in statement of other comprehensive income are reclassified to the statement of profit or loss.

- ***Debt Instruments at FVTPL***

These assets are subsequently measured at fair value. Net gains and losses, including any interest / mark-up or dividend income, are recognized in the statement of profit or loss.

- ***Financial Assets measured at amortised cost***

These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest / mark-up income, foreign exchange gains and losses and impairment are recognized in the statement of profit or loss.

Derecognition

Financial assets are derecognized when the rights to receive cash flows from the financial assets have expired or have been transferred and the Company has transferred substantially all risks and rewards of ownership.

Investments in Associated Companies

Investments in Associated Companies are accounted for using the equity method of accounting. Under the equity method, the investments are initially recognised at cost, and the carrying amounts are increased or decreased to recognise the Company's share of profit or loss of the investee after the date of acquisition.

The Company's share of post acquisition profit or loss is recognised in the statement of profit or loss, and its share of post acquisition movements in other comprehensive income is recognised in statement of other comprehensive income with the corresponding adjustment to the carrying amount of the investment. When the Company's share of losses in Associates equals or exceeds its interest in the Associates the Company does not recognise further losses, unless it has incurred legal or constructive obligations or made payments on behalf of the Associates.

The Company determines at each reporting date whether there is any objective evidence that the investments in the Associates are impaired. If this is the case, the Company calculates the amount of impairment as the difference between the recoverable amount of the Associates and its carrying values and recognises the amount adjacent to share of profit / loss of Associates in the statement of profit or loss.

4.8 Cash and cash equivalents

Cash and cash equivalents are carried in the statement of financial position at cost. For the purpose of statement of cash flows, cash and cash equivalents consist of balances with banks.

4.9 Revenue recognition

Return on bank deposits

Return on bank deposits / interest income is recognized using applicable effective interest rate. Income is accrued as and when the right to receive the income establishes.

Dividend income

Dividend income is accrued as and when the right to receive the income establishes.

Rental income

Rental income is accrued 'accrual basis' as and when the right to the income establishes.

4.10 Off-setting of financial assets and liabilities

Financial assets and liabilities are off-set and the net amount is reported in the financial statements only when there is a legally enforceable right to set-off the recognised amounts and the Company intends either to settle on a net basis or to realise the assets and to settle the liabilities simultaneously.

5. CRITICAL ACCOUNTING ESTIMATES, ASSUMPTIONS AND JUDGEMENTS

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to estimates are recognized prospectively.

The areas where various assumptions and estimates are significant to the Company's financial statements or where judgment was exercised in application of accounting policies are as follows:

(a) Income taxes

In making the estimates for income taxes, the Company takes into account the current income tax law and decisions taken by appellate authorities on certain issues in the past. There may be various matters where the Company's view differs with the view taken by the income tax department at the assessment stage and where the Company considers that its view on items of a material nature is in accordance with the law. The difference between the potential and actual tax charge, if any, is disclosed as a contingent liability.

(b) Property, plant and equipment

The Company reviews appropriateness of the rates of depreciation, useful lives and residual values for calculation of depreciation on an on-going basis. Further, where applicable, an estimate of recoverable amount of asset is made if indicators of impairment are identified.

6. SHARE CAPITAL

6.1 The Premier Sugar Mills & Distillery Company Ltd. and Azlak Enterprises (Pvt.) Ltd. (Associated Companies) respectively hold 379,649 (2021: 379,649) and 464,943 (2021:464,943) ordinary shares of the Company.

25. FINANCIAL INSTRUMENTS

The Company has exposures to the following risks from its use of financial instruments:

- Credit risk;
- Liquidity risk; and
- Market risk.

The Board of Directors (Board) has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board is also responsible for developing and monitoring the Company's risk management framework.

25.1 Credit risk

Credit risk represents the accounting loss that would be recognised at the reporting date if counterparties fail completely to perform as contracted. The financial assets subject to credit risk are tabulated below:

	2022	2021
	--- Rupees ---	
Loan to an Associated Company	31,250,000	43,750,000
Current portion of loan to an Associated Company	12,500,000	-
Short term investment	20,749,666	21,528,835
Advances to employees	139,750	399,750
Accrued mark-up	2,351,696	2,523,095
Other receivables	6,280	1,286,153
Bank balances	1,001,294	693,423
	67,998,686	70,181,256

Concentration of credit risk arises when a number of counter parties are engaged in similar business activities or have similar economic features that would cause their abilities to meet contractual obligation to be similarly effected by the changes in economic, political or other conditions. The Company believes that it is not exposed to major concentration of credit risk.

Credit rating of short term investment - at fair value through statement of profit or loss

The analysis below summarises the credit rating of the Company's investment:

	Rating	Rating assigned by
Habib Assets Management Limited	AM2	PACRA

25.2 Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure as far as possible to always have sufficient liquidity to meet its liabilities when due. The Company is not materially exposed to liquidity risk as all obligations of the Company are short term in nature and are restricted to the extent of available liquidity. As at reporting date, accruals and other payables are the only financial liability of the Company that are due within next twelve months.

25.3 Market risk

Market risk is the risk that changes in market price, such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The Company is exposed to market risk on its quoted long term investments and short term investment.

(a) Currency risk

Foreign currency risk mainly arises where receivables and payables exist due to transactions with foreign undertakings. The Company is not exposed to foreign exchange risk as it does not have any foreign currency receivables or payables.

(b) Interest rate risk

At the reporting date carrying amount of the mark-up / profit rate profile of the Company's significant financial assets was as follows:

	2022	2021
	--- Rupees ---	
Loan to an Associated Company	31,250,000	43,750,000
Current portion of loan to an Associated Company	12,500,000	-
Bank balances - deposit accounts	791,692	582,910
	<u>44,541,692</u>	<u>44,332,910</u>

The effective mark-up / profit rates for the monetary financial assets have been mentioned in respective notes to the financial statements.

(c) Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk). Other price risk arises from the Company's investment in Units of Mutual Fund and ordinary shares of a listed Company. To manage its price risk arising from aforesaid investment, the Company diversifies its portfolio and continuously monitors developments in equity and capital markets. In addition, the Company actively monitors the key factors that affect price movements.

The effects of a 10% increase in redemption value of Units of Mutual Fund and share price of investment would be as follows:

	2022	2021
	--- Rupees ---	
Effect on statement of profit or loss	<u>2,074,967</u>	<u>2,152,884</u>

The sensitivity analysis prepared is not necessarily indicative of the effects on statement of profit or loss, equity and assets of the Company.

25.4 Fair value of financial instruments and hierarchy

Fair value is the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date. Underlying the definition of fair value is the presumption that the Company is a going concern and there is no intention or requirement to curtail materially the scale of its operation or to undertake a transaction on adverse terms.

The carrying amounts of all financial assets and liabilities reflected in the financial statements approximate their fair values.

The following table shows the fair value measurements of the financial instruments carried at fair value by level of the following fair value measurement hierarchy:

Level:1	Quoted prices (unadjusted) in active markets for identical assets or
Level:2	Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices).
Level:3	Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs).

The Company's investments in equity instruments of a listed Company have been measured at fair value using year-end quoted price. Fair value of these investments falls within level 1 of fair value hierarchy as mentioned above.

The Company's investment in Mutual Fund have been measured at fair value using year-end Net Assets Value as computed by the respective Assets Management Company. Fair value of these investments falls within level 2 of fair value hierarchy as mentioned above.

Valuation techniques used to determine fair values

Level 1: The fair value of financial instruments traded in active markets is based on quoted market prices at the reporting date. A market is regarded as active if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis. These instruments are included in Level 1.

Level 2: The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques. These valuation techniques maximize the use of observable market data where it is available and rely as little as possible on entity-specific estimates. If all significant inputs required to measure the fair value of an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.
