## Directors' Report

The Board of Directors of Dewan Farooque Motors Limited is pleased to present its annual report along with the Company's audited financial statements for the year ended June 30, 2022 and welcomes you to the 24th Annual General Meeting.

### Industry Overview

Sales of automobile sector in the category of passenger cars, SUV and LCV segments have shown an increase of 54% with total units sold 279,267 as compared to 181,397 last year. But, in the second half of the year, political instability in the country, hike of exchange rate, higher inflation, raised interest rates, increase in minimum wages, exorbitantly inflated Fuel & Electricity prices have impacted the industry negatively. Furthermore, due to ban on imports of certain items for some time in the country along with the burden of duties by Customs department and exchange control measures by the State Bank of Pakistan have further pushed the automobile sector in difficult scenario that have caused some of the plants to suspend their production facilities temporarily.

### Company's performance

The summary of financial performance for the year, along with the comparative figures of financial year 2022 is as follows:

	Year ended June 30, 2022	Year ended June 30, 2021
	—(Rupees in thousand)—	
Gross Sales	169	1,846
Gross loss	(83,129)	(80,897)
Operating loss	(98,134)	(95,031)
Net loss after tax	(176,830)	(189,252)

The production of the company during the year under review remained suspended due to working Capital constraints. The management is putting its best endeavors to overcome the current financial situation of the Company by adopting various countermeasures for its revival and resumption of production facilities. Management is looking for consideration of multiple possible options for their finalization and implementation in order to enable the company to resume its production that will create considerable value in the standard of living, employment and income of the inhabitants in the vicinity of plant on one side and contributing in the economic development and revenues of the province and of the country as a whole on the other. Moreover, the Company has once again taken up the issue of re-profiling / rescheduling of its debts with financial institutions with no markup condition. This time along with the Company, the financial institutions are also eager to resolve the matter and agree on the debt restructuring proposal on sustainable terms to enable the plant to be operational for the benefits of all stakeholders. The Company is confident and hopeful that its operations will be resumed in the near future.

### Observation in the Auditors' Report:

The Auditors have qualified the report due to significance of the matters as referred in Para (a) and (b) of the Auditors' Report.

### Going concern assumption:

These financial statements have been prepared on going concern assumption because the conditions being faced by the company are temporary and would reverse. The management is confident that the outcome will be positive as the company is negotiating reprofiling of its debt with the lenders and the same is expected to be finalized soon.

### **Provision of markup:**

The Company has not made provision of markup amounting to Rs. 589.709 million on its loans.

The management has approached its lenders for restructuring of its long-term debts and is confident that the Company's restructuring proposals without markup will be accepted by the financial institutions / bankers. Therefore, accordingly, the Company has not made any provision of markup as the markup will not be payable.

The Board Comprises of one independent director, one executive and five non-executive Directors. The following are the names of Directors:

- Mr. Abdul Basit
- Mr. Waseem-ul-Haque Ansari

## INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF DEWAN FAROOQUE MOTORS LIMITED

### **Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2019**

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of Dewan Farooque Motors Limited (the Company) for the year ended June 30, 2022 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Following instances of Non-compliances with the requirements of the Code were observed which are not stated in the Statement of Compliance.

- a) The composition of board includes one independent director Mr. Aziz ul Haque, whereas in our opinion he does not meet the criteria of independence due to his cross director ship in other group companies. Further, Code requires independent directors shall not be less than two or one third of the total members of the board, whichever is higher, whereas board include one independent director.
- b) The chairman of Audit committee and Human Resource and Remuneration Committee shall be an independent director, whereas in our view Mr. Aziz ul Haque does not meet the criteria of independence due to the reason reflect in para (a) above.

Based on our review, except for the above instances of non-compliance, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2022.

Furthermore, we highlight that one director of the company are serving as directors in more than seven listed Companies and three of the directors are qualified under the Directors' Training Program as reflected in the note 3 and 9 of the Statement of Compliance respectively.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS  
OF DEWAN FAROOQUE MOTORS LIMITED  
Report on the Audit of the Financial Statements****Adverse Opinion**

We have audited the annexed financial statements of Dewan Farooque Motors Limited (the Company), which comprise the statement of financial position as at June 30, 2022, and the statement of profit or loss, statement of Comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, because of the significance of the matters described in Basis for Adverse opinion Section, the statement of financial position, the statement of profit or loss, the statement comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof do not conform with the accounting and reporting standards as applicable in Pakistan and do not give the information required by the Companies Act, 2017, in the manner so required and respectively do not give a true and fair view of the state of the Company's affairs as at June 30, 2022 and of the loss, the changes in equity and its cash flows for the year then ended.

**Basis for Adverse Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

- a) The financial statements of the company for the year ended June 30, 2022 as disclosed in note 1.1 to the financial Statements reflect loss after taxation of Rs. 176.830 (2021: Rs. 189.252) million and as of that date it has accumulated losses of Rs. 4.399 (2021: Rs. 4.222) billion which resulted in net capital deficiency of Rs. 3.011 (2021: Rs. 2.834) billion and its current liabilities exceeded its current assets by Rs. 4.671 (2021: Rs. 4.641) billion and total assets by Rs. 2.995 (2021: Rs. 2.817) billion without providing the markup as refer in below para (b). The operations of the company were closed from November 2010 to November 2013 and reclose since February 2014 due to working capital constraints. Furthermore, the company has been unable to ensure timely repayments of debts owing to financial institutions due to liquidity problems as disclosed in note 13 to the Financial statements and short term finance facilities have expired and not been renewed by banks as disclosed in note 19 to the Financial statements. Following course, certain lenders have gone into litigation for repayment of liabilities through attachment and sale of company's hypothecated / mortgaged properties as disclosed in note 20.4 to the financial Statements. These conditions lead us to believe that the going concern assumption used in preparation of these financial Statements is inappropriate; consequently the assets and liabilities should have been stated at their realizable and settlement amounts respectively.

- b) The company has not made provision of markup for the year amounting to Rs. 589.709 (2021: Rs. Rs. 383.967) million (refer note 24) on account of restructuring proposal offered to the lenders as described in note 1.1 to the financial statements. Non-provisioning of markup is based on management's hope that the restructuring proposal will be accepted by lenders in the proposed manner. In our opinion, since the proposal has not been accepted by the lenders so far and the lenders, instead of accepting the restructuring proposal, have preferred filing suits against the company, therefore the provision of markup should be made in these financial statements. Had the provision of markup been made in the financial statements, the loss after taxation for the year would have been higher by Rs. 589.709 (2021: Rs. 383.967) million and markup payable would have been higher and shareholders' equity would have been lower by Rs. 7.185 (2021: Rs. 6.595) billion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the Key Audit Matters:

S. No.	Key Audit Matters	How the matter was addressed in our audit
1.	<b>Contingencies</b>	
	<p>The Company is subject to material litigations involving in various courts pertaining to Custom duty, Sales tax and Recovery of Loans by Financial Institutions, which requires management to make assessment and judgments with respect to likelihood and impact of such litigations.</p> <p>Management have engaged independent legal counsel on these matters. The accounting for, and disclosure of, contingencies is complex and is a matter of most significance in our audit because of the judgments required to determine the level of certainty on these matters.</p> <p>The details of contingencies along with management's assessment and the related provisions are disclosed in note 19 to the financial statements.</p> <p>There is an inherent risk that legal exposures are not identified and considered for financial reporting purposes on a timely basis, therefore, considered to be a key audit matter. Importantly, the decision to recognize a provision and the basis of measurement are judgmental.</p>	<p>In response to this matter, our audit procedures included but were not limited to:</p> <p>Discussing legal cases with the legal department to understand the management's view point and obtaining and reviewing the litigation documents in order to assess the facts and circumstances.</p> <p>Obtaining independent opinion of legal advisors dealing with such cases in the form confirmations.</p> <p>We also evaluated the legal cases in line with the requirements of IAS 37: Provisions, contingent liabilities and contingent assets. The disclosures of legal exposures and provisions were assessed for completeness and accuracy</p> <p>In view of the significant judgments required, we evaluated the Company's assessment of the nature and status of litigation, claims and provision assessments, if any, and discussed with management to understand the legal position and the basis of material risk positions. We received legal letters from the Company's external counsel setting out their views in major cases.</p>

S. No.	Key Audit Matters	How the matter was addressed in our audit
1.	<b>Contingencies</b>	<p>Specifically, we challenged the timing of recognition for cases where there was potential exposure but it was not clear that a provision should be raised e.g. where obtaining reliable estimates are not considered possible.</p> <p>As set out in the financial statements, the outcome of litigation and regulatory claims are dependent on the future outcome of continuing legal and regulatory processes and consequently the calculations of the provisions are subject to inherent uncertainty.</p>

**Information Other than the Financial Statements and Auditor's Report Thereon**

Management is responsible for the other information. The other information comprises the information in the Annual Report, but does not include the financial statements and our auditor's reports thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. As described in the basis for adverse opinion section of our report, we have concluded that the other information is materially misstated for the same reason.

**Responsibilities of Management and Board of Directors for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Accounting and Reporting Standards as applicable in Pakistan and requirements of companies Act 2017 (XIX of 2017), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, Future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

Based on our audit, except for the possible effects of matters discussed in basis for adverse opinion section of our reports, we further report that in our opinion:

- (a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- (b) because of the significance of matters described in Basis for Adverse Opinion section, the statement of financial position, the statement of profit or loss, Statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have not been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) however, the same are in agreement with the books of account and returns;
- (c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- (d) No zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Mohammad Ghilab.

### 1.2 GOING CONCERN ASSUMPTION

The company has incurred a loss after taxation of Rs.176.830 million (2021: Rs.189,252 million) during the year ended June 30, 2022. As of that date it has accumulated losses of Rs.4.399 billion (2021: Rs.4.222 billion) and its current liabilities exceeded its current asset by Rs. 4.671 billion (2021: Rs.4.641 billion). Furthermore, cumulatively the company has not provided markup from banks and financial institutions amounting to Rs.7.185 billion (2021: Rs.6.595 billion). The working capital constraints resulted in closure of production activities leading to gross loss situation. The Company could not continue its production from November 2010 till August 2013 and again had to close the production since March 2014. The Company manufactured vehicles on contract basis under an agreement with related party from March 2018 to June 2018 after that Plant got reclosed till date. Further, the company has been unable to ensure timely repayments of debts owing to financial institutions due to liquidity problems and the short term facilities have not been renewed by banks/financial institutions. Following course most of the lenders have gone into litigation for repayment of liabilities through attachment and sale of Company's hypothecated / mortgaged properties and certain lenders have also filed winding up petitions. These conditions indicate the existence of material uncertainty, which may cast significant doubt about Company's ability to continue as going concern.

# Notes to the Financial Statements

For The Year Ended June 30, 2022

These financial statements have been prepared on going concern assumption because the above conditions are temporary and would reverse. The management is confident that the outcome will be positive as the company is negotiating reprofiling of the debt with all the lenders and is expected to be finalized in due course.

## 2 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan with the exception of departure of IFRS as mentioned in note 23 to the financial statements, for which the management concludes that provisioning of mark-up would conflict with the objectives of the financial statements. The accounting and reporting standards applicable in Pakistan comprise of:

- a) International Financial Reporting Standard issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- b) Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS, the provisions of and directives issued under the Companies Act, 2017 have been followed.

### 2.1 BASIS OF MEASUREMENT

These financial statements have primarily been prepared under the historical cost convention without any adjustments for the effect of inflation or current values, except for the financial assets and liabilities which are carried at their fair values and revalued amounts(if any) and stock in trade which are valued at net realizable value (if any), if it is less than the cost and for cash flow information.

### 2.2 STANDARDS, AMENDMENTS, INTERPRETATION AND IMPROVEMENTS APPLICABLE TO THE FINANCIAL STATEMENTS

Amendments to approved accounting standards and the framework for financial reporting that became effective during the current year

The Company has adopted the following amendments to International Financial Reporting Standards (IFRSs) which became effective for the current year:

## 2.3 Significant Accounting estimates adjustments and Assumptions

The preparation of financial statements in conformity with approved accounting standards require management to make estimates and assumptions that affect the reported amounts of assets and liabilities, income and expenses. It also requires management to exercise judgement in application of the company's accounting policies. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

Significant accounting estimates and areas where judgements were exercised by management in the application of accounting policies in the financial statements are as follows:

- Useful lives of Property, Plant and equipment (notes 2.4 and 3.1)

# Notes to the Financial Statements

For The Year Ended June 30, 2022

- ii. Provision for doubtful trade debts (note 2.8)
- iii. Income taxes (note 2.11)
- iv. Classification and valuation of investments (note 2.5)
- v. Provision for Slow moving stores and spares (note 2.6)
- vi. Provision for Slow moving stock in trade (note 2.7)

## 2.4 Tangible fixed assets

### 2.4.1 Property Plant and Equipment Owned

These are stated at cost less accumulated depreciation except for land and capital work in progress which are stated at cost. Cost of certain fixed assets and capital work in progress comprises of historical cost and the cost of borrowings during construction / erection period in respect of specific loans / borrowings.

Depreciation is charged to income using the reducing balance method whereby the cost of an asset is written off over its estimated useful life. The rates of depreciation are stated in note 3.1 to the accounts. Depreciation is charged in proportion to the use of assets in the respective year.

The assets' residual values and useful lives are reviewed at each financial year end, and adjusted , if appropriate, at each statement of financial position date.

Maintenance and normal repairs are charged to income as and when incurred whereas major renewals and improvements are capitalized and the assets so replaced, if any, are retired.

Gain or loss on disposal of fixed assets are included in income currently.

### 2.4.2 Judgement and estimates

The useful lives, residual values and depreciation method are reviewed on a regular basis. The effect of any changes in estimate is accounted for on a prospective basis.

### 2.4.3 Capital work-in-progress

All expenditures connected to the specific assets incurred during installation and construction period are carried under capital work-in-progress. These are transferred to specific assets as and when assets are available for use.

### 2.4.4 Impairment of non-financial assets other than inventories

The assets that are subject to depreciation or amortisation are assessed at each reporting date to determine whether there is any indication that the assets are impaired. If there is an indication of possible impairment, the recoverable amount of the asset is estimated and compared with its carrying amount.

# Notes to the Financial Statements

For The Year Ended June 30, 2022

An impairment loss is recognized if the carrying amount of an asset exceeds its estimated recoverable amount. The impairment loss is recognised in the statement of profit or loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

An impairment loss is reversed only to the extent that the asset carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised. The Company recognises the reversal immediately in the statement of profit or loss, unless the asset is carried at a revalued amount in accordance with the revaluation model. Any reversal of an impairment loss of a revalued asset is treated as a revaluation increase.

## 2.4.5 Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received as applicable. Unless the Company is reasonably certain to obtain ownership of the leased asset at the end of the lease term, The right-of-use asset is depreciated using the straight line method over the shorter of the lease term and the asset's useful life . The estimated useful lives of assets are determined on the same basis as that for owned assets. In addition, the right-of-use asset is periodically reduced by impairment losses, if any.

## 2.4.6 Lease Liability

The Company assesses at contract inception whether a contract is, or contains, a lease, i.e. if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company applies a single recognition and measurement approach for all leases, except for short-term leases. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating a lease, if the lease term reflects the Company exercising the option to terminate. The variable lease payments that do not depend on an index or a rate are recognised as expense in the period on which the event or condition that triggers the payment occurs.

# Notes to the Financial Statements

For The Year Ended June 30, 2022

In calculating the present value of lease payments, the Company uses the incremental borrowing rate at the commencement date of the lease if the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the in-substance fixed lease payments or a change in the assessment to purchase the underlying asset."

## 2.5 Investment

- 2.5.1** The management determines the appropriate classification of the investments, in accordance with the IFRSs, at the time of purchase depending on the purpose for which the investments are acquired and re-evaluate this classification on a regular basis. The existing investment of the company has been categorized as available for sale.

Available for sale investments are initially recognized at cost being the fair value of the consideration given including acquisition charges associated therewith.

After initial recognition, investment which are classified as available for sale are remeasured at fair value. Unrealized gains and losses on available for sale investments are recognized in equity till the investment is sold or otherwise disposed off, or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is included in income.

## 2.5.2 Investment in Associates

Associates are entities over which the Company exercises significant influence. Investment in associates is accounted for using equity basis of accounting, under which the investment in associate is initially recognised at cost and the carrying amount is increased or decreased to recognise the Company's share of profit or loss of the associate after the date of acquisition. The Company's share of profit or loss of the associate is recognised in the Company's profit and loss account. Distributions received from associate reduce the carrying amount of the investment. Adjustments to the carrying amount are also made for changes in the Company's proportionate interest in the associate arising from changes in the associates' other comprehensive income that have not been recognised in the associate's profit or loss. The Company's share of those changes is recognised in other comprehensive income of the Company. The carrying amount of the investment is tested for impairment, by comparing its recoverable amount (higher of value in use and the fair value less costs to sell) with its carrying amount and loss, if any, is recognised in profit or loss. If the Company's share of losses of an associate equals or exceeds its interest in the associate, the Company discontinues recognising its share of further losses. If the associate subsequently reports profits, the investor or joint venturer resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

### 2.6 Stores and spares

These are valued at cost determined on weighted average basis. Items in transit are valued at cost comprising of invoice values plus other charges incurred thereon accumulated to the statement of financial position date.

Stores, Spares and Loose tools are regularly reviewed by the management and any obsolete items are brought down to their NRV.

### 2.7 Stock-in-trade

Raw materials and Components are valued at cost. Those in transit are stated at invoice price plus other charges paid thereon upto the statement of financial position date. Cost is determined on a moving average basis.

Work-in-process is valued at material cost consisting of CKD kits, local vendor parts and consumables.

CBU (finished goods) in hand are valued at the lower of cost and net realizable value. Cost is determined on moving average basis.

Goods-in-transit are valued at purchase price, freight value and other charges incurred thereon upto the statement of financial position date.

Stock-in-trade is regularly reviewed by the management and any obsolete items are brought down to their NRV.

Net realizable value signifies the estimated selling price in the ordinary course of business less cost necessary to make sale.

### 2.8 Trade debts and other receivables

Trade debts and other receivables are stated initially at fair value and subsequently measured at amortised cost using the effective interest rate method less an allowance for expected credit losses , if any. Allowance for expected credit losses is based on lifetime ECLs that result from all possible default events over the expected life of the trade debts and other receivables. Bad debts, if any, are written off when considered irrecoverable.

### 2.9 Staff retirement benefits

Effective from January 1, 2004, the company has, in place of gratuity scheme, established a recognized provident fund scheme (defined Contribution Plan) for its permanent employees. Equal contributions are being made in respect thereof by company and employees in accordance with the terms of scheme.

# Notes to the Financial Statements

For The Year Ended June 30, 2022

## 2.10 Long term loans / Borrowings

Long term loans/ Borrowings are initially recognized at cost. After initial recognition same are measured at original recorded amount less principal repayments thereof.

## 2.11 Taxation

### Current

The charge for current taxation is based on taxable income at current rates of taxation after taking into account tax rebates and credits available, if any, or one percent of turnover or Alternate Corporate Tax whichever is higher. Alternate Corporate Tax is calculated in accordance with the provisions of Section 113C of Income Tax Ordinance.

### Deferred

Deferred tax is provided, using the liability method, on all temporary differences at the statement of financial position date between the tax bases of assets and liabilities and their carrying amounts. Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized to the extent that it is probable that taxable profits will be available against which the deductible temporary differences and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the assets is realized or the liability is settled, based on tax rates that have been enacted or substantially enacted by the statement of financial position date.

## 2.12 Trade and other payables

Liability for trade and other amounts payable, are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received.

## 2.13 Warranty obligations

These are accounted for on the basis of claims lodged on the company.

## 2.14 Foreign currency translation

Foreign currency transactions are translated into Pak Rupees at exchange rates prevailing on the date of transaction. All monetary assets and liabilities in foreign currencies are translated at the rate of exchange prevailing at the statement of position date except for liabilities covered under forward exchange contracts, if any, which are translated at the contracted rates. Exchange differences on foreign currency translations are included in income along with any related hedge effects.

## 2.15 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective assets. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

## 2.16 Financial instruments

### Financial assets

The financial assets of the Company mainly include trade debts, loans, deposits, short-term investments, other receivables and cash and bank balances.

Under IFRS 9, on initial recognition, a financial asset is classified as measured at: amortised cost; Fair Value through Other Comprehensive Income (FVOCI) – debt investment; FVOCI – equity investment; or Fair Value through Profit or Loss (FVTPL). The classification of financial assets under IFRS 9 is generally based on the business model in which a financial asset is managed and its contractual cash flow characteristics. Based on the business model of the Company, the financial assets of the Company are measured and classified under IFRS 9 as follows;

Trade debts and other financial assets previously classified as 'loans and receivables' are now classified as 'amortised cost'. These assets are measured at amortised cost using the effective interest rate method less an allowance for expected credit losses, if any.

Short-term investments are designated at FVTPL at initial recognition. These are carried in the unconsolidated statement of financial position at fair value with net changes in fair value recognised in the unconsolidated statement of profit or loss.

### Financial liabilities

There are no changes in classification and measurement for the Company's financial liabilities on the adoption of IFRS 9.

### Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gains or losses on liabilities held for trading are recognised in the unconsolidated statement of profit or loss. Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in IFRS 9 are satisfied. The Company has not designated any financial liability as at fair value through profit or loss.

# Notes to the Financial Statements

For The Year Ended June 30, 2022

## **Impairment of financial assets**

IFRS 9 replaces the 'incurred loss' model in IAS 39 with an 'expected credit loss' (ECL) model. The new impairment model applies to financial assets measured at amortised cost, contract assets and debt investments at FVOCI, but not to investments in equity instruments.

ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive. The shortfall is then discounted at an approximation to the asset's original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

A financial assets written off when there is no reasonable expectation of recovering the contractual cashflows. However, in certain cases, the Company may also consider a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the out standing contractual amounts in full before taking into account any credit enhancements held by the Company.

At each date of statement of financial position, the Company assesses whether financial assets are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Loss allowances for financial assets measure data amortised cost are deducted from the gross carrying amount of the respective asset.

The Company uses the standards simplified approach and calculates ECL based on lifetime ECL on its financial assets. The Company has established a provision matrix that is based on the Company's historical credit loss experience, adjusted for forward-looking factors specific to the financial assets and the economic environment.

## **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the unconsolidated statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

## **Impairment of non-financial assets**

The carrying amounts of non-financial assets other than inventories and deferred tax assets are assessed at date of statement of financial position to ascertain whether there is any indication of impairment. If such an indication exists, the asset's recoverable amount is estimated to determine the extent of impairment loss, if any. An impairment loss is recognised, as an expense in the unconsolidated statement of profit or loss. The recoverable amount is the higher of an asset's fair value less cost to disposal and value in use. Value in use is ascertained through discounting of the estimated future cash flows using a discount rate that reflects current market assessments of the time value of money and the risk specific to the assets.

### 2.17 Revenue recognition

Sales are recognized as revenue when goods are invoiced to customers. Revenue is recognised when the control of the goods/vehicle is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods according to the terms. Performance obligation is satisfied at the point of time when control of goods has been transferred to the customers.

Return on bank deposits are on an accrual basis.

Markup on loan to associated undertaking is recognized on an accrual basis.

Agency commission is recognized when shipments are made by the principal.

Unrealized gains / loss arising on re-measurement of investments classified as "financial assets at fair value though "profit or loss" are included in the profit and loss account in the period in which these arise.

Realised capital gains / loss on sale of investments are recognized in the profit and loss account at the time of sale.

Dividend income is recognised when the right to receive the dividend is established.

Revenue from contracts with customers is recognized when the control of the goods is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods according to the negotiated contractual terms. The Company has generally concluded that it acts as a principal in its revenue arrangements because it typically controls the goods or services before transferring them to the customer.

Performance obligations held by the Company are not separable, and are not partially satisfied, since they are satisfied at a point in time, when the customer accepts the products. Moreover, the payment terms identified in most sources of revenue are short-term usually 30 to 60 days upon delivery, without any variable considerations, financing components and guarantees.

The Company recognizes an account receivable when the performance obligations have been met, recognizing the corresponding revenue. Moreover, the considerations received before satisfying the performance obligations are recognized as advances from customer.

### 2.18 Cash and cash equivalents

Cash and cash equivalents are carried in the statement of financial position at cost. For the purpose of the cash flow statement, cash and cash equivalents comprise cash in hand and at banks and short term finances. The cash and cash equivalents are subject to insignificant risk of changes in value.

## 2.19 Related Party transactions and transfer pricing

The Company enters into transactions with related parties on an arm's length basis. Except interest free Loan Obtained to meet the Working capital requirements of the Company From Sponsors of the Company.

## 2.20 Provisions

Provisions are recognized when the company has present obligation, legal or constructive, as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provisions are reviewed at each statement of financial position date and adjusted to reflect the current best estimate.

## 2.21 Off setting of financial assets and financial liabilities

Financial assets and liabilities are offset and the net amount is reported in the financial statements only when the company has a legally enforceable right to offset the recognized amounts and the company intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

## 2.22 Dividends distribution and transfer between reserves

Dividends declared are transfers between reserves made subsequent to the statement of financial position date are considered as non-adjusting events and are recognized in the financial statements in the year in which such dividends are approved / transfers are made.

## 2.23 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates. The financial statements are presented in Pakistani Rupees, which is the Company's functional and presentation currency.

## 2.24 Segment Reporting

The Company uses management approach for segment reporting, under which segment information is required to be presented on the same basis as that used for internal reporting purposes. Operating segments have been determined and presented in a manner consistent with the internal reporting provided to the chief operating decision-maker. The company has determined operating segments on the basis of business activities i.e. manufacturing and trading activities. Segment assets have not been disclosed in these financial statements as these are not reported to the chief operating decision-maker on a regular basis.

- 19.3** The facilities are secured by way of pari passu charge against hypothecation of the company's stock in trade and book debts and are generally for a period of one year, renewable at the end of the period.
- 19.4** Since the company is in litigation with banks confirmations from most of them have not been received.

## 20. CONTINGENCIES AND COMMITMENTS

### Contingencies

- 20.1** The company, in the past, received demand notices from the Customs Authorities claiming short recovery of Rs. 269.9 million in aggregate on account of custom duties, sales tax and income tax on royalty paid to Hyundai Motor Company (HMC) and Kia Motor Corporation (KMC), taking the view that the royalty pertains to the imported CKD kits as opposed to company view that the same is independent of the import of CKD kits and relates to the local manufacturing of the motor vehicles.

The Customs Appellate Tribunal has decided the matter in company's favor resulting in reversal of demand to the extent of Rs.182.8 million. Against the decision of Customs Appellate Tribunal, the Custom Authorities have filed an appeal before the High Court of Sindh which is pending for hearing. It is expected that the decision will be in favour of the Company. The company also expect a similar decision against the cases for the balance amount of Rs.87.1 million, as the facts of the cases and questions of law involved are identical.

- 20.2** Sales tax Appeal against order in original no. 31/2004 dated 28-2-2004 in respect of demand of Rs 3.2 million filed before Commissioner Inland Revenue (Appeal I) Karachi has been decided in favor of the company as per order passed as per STA/35/LTU/2013 dated 17-6-2013 by CIR (Appeals-I) Karachi. The Commissioner Inland Revenue, Zone I, LTU, Karachi has filed appeal before the Appellate Tribunal Inland Revenue, Karachi against the order No. STA-35/LTU/2013 dated 17-6-2013 which is pending for adjudication.
- 20.3** Letter of guarantees issued by the banks amounting to Rs. 250.336 (2021: Rs. 250.336) million.
- 20.4** In respect of liabilities towards banks / financial institutions disclosed in note 13 and 19 to the financial statements, the banks /financial institutions have filed suits in Honorable High Court of Sindh at Karachi for recovery of their liabilities through attachment and sale of Company's hypothecated / mortgaged properties. The aggregate suits amount is Rs. 6.884 billion.

## Notes to the Financial Statements

For The Year Ended June 30, 2022

The management has disputed the claims and is strongly contesting the cases. The management filed counter claims that the banks claims are highly exaggerated as they have charged markup on markup and other levies higher than the rate of markup agreed and other charges in violation of State Bank of Pakistan rules and all other applicable laws of Pakistan. The management is hopeful that the decision will be in favor of the company and the base less suits shall be rejected by the concerned courts. Since all the cases are pending before Honorable Courts therefore the ultimate outcome cannot be established at this stage.

### Commitments

### 24 FINANCE COST

During the year ended June 30, 2022 the company has not provided the markup on Long term and short term borrowings from banks and financial institutions to the extent of Rs. 589.709 million (2021: Rs. 383.967 million), accumulated Rs. 7.185 billion (2021: Rs. 6.595 billion). The management is hopeful that the restructuring proposal will be accepted by the lenders & decision of the court will be in favor of the company. However had the company provided this amount in the financial statements during the year the loss of the company would have been increased by Rs. 589.709 million (2021: Rs. 383.967 million) and consequently the Share holders equity would have been lower and accrued markup would have been higher by Rs. 7.185 billion (2021: Rs. 6.595 billion). The said non provisioning is the contravention with the requirements of IAS 23 "Borrowing Costs".

## متوافق صورت حال:

جیسا کہ اور پہیاں کیا گیا ہے کمپنی کے مالی سال کے اختتام اور اس رپورٹ کے اختتام تک کمپنی کی مالی حیثیت میں کوئی خاطر خواہ تبدیلی واقع نہیں ہوئی۔

## کاروباری و مالیاتی رپورٹنگ کا تجربہ:

-1 مورخہ 30 جون 2022ء کو مکمل ہونے والے مالی سال کے لئے کمپنی کی میجمنٹ کے تیار کردہ مالی گوشوارے اپنے ادارتی امور، عملدرآمد کے نتائج، لین دین اور ایکوئی میں تبدیلی کے شفاف مظہر ہیں۔

-2 کمپنی کے لین دین کاریکارہ مرتب کرنے کے لئے کتابیں مرجو تو نہیں کے مطابق تیار کی جاتی ہیں۔

-3 مورخہ 30 جون 2022ء کو مکمل ہونے والے مالی سال کے لئے بانی گوشواروں کی تیاری میں مجوزہ اکاؤنٹنگ پالیسیاں عمل میں لائی گئی ہیں اور اکاؤنٹنگ تجھیے موزوں اور انصاف پر ہیں۔

-4 انٹریشنل فائل رپورٹنگ اسٹینڈرڈ (آئی ایف آر ایس) جو کہ پاکستان میں رائج ہیں کو مالی گوشواروں کی تیاری اور نہیں نے میں بروئے کار لایا گیا ہے اور ہر مالی امور کو مذکورہ گوشواروں میں واضح کیا گیا ہے۔

-5 داخلی کنٹرول کا نظام ڈیزائن کے لحاظ سے منظم ہے جس کے نفاذ میں موثر انداز سے نگرانی کی گئی ہے۔

-6 انتظامیہ نے نوٹ 1.1 میں چلتے ہوئے ادارے کے طور پر کمپنی کی اہلیت کا تفصیلی جائزہ پیش کیا ہے اور مسئلہ حالیہ گوشواروں کے نوٹ 24 میں مارک اپ کی نان پر وویٹنگ کے بارے میں واضح کیا ہے۔

-7 پاکستان اسٹاک ایچینٹنگ کے سلسلہ ریگولیشنز کی تفصیلات کے مطابق کارپوریٹ گورننس کے بہترین عملدرآمد میں کوئی کوئی نہیں کی گئی۔

-8 گزشتہ نو سال کی مختصر کری آپرینٹنگ اور مالی اعداد و شمار رپورٹ کے ہمراہ مسلک ہیں۔

-11 بورڈ آف ڈائریکٹرز کے تمام افراد اپنی بہترین صلاحیتوں اور بھرپور معلومات کے ساتھ کمپنی کے مقاصد کے حصول میں بہرپیکار ہیں۔ دوران سال

بورڈ آف ڈائریکٹرز کے چار اجلاس منعقد ہوئے جس میں حاضری مندرجہ ذیل رہتی۔

### تشویش کا مفروضہ:

یہ مالیاتی بیانات تشویش کے مفروضے پر تیار کیے گئے ہیں کیونکہ کمپنی کو جن حالات کا سامنا ہے وہ عارضی ہیں اور جلد ہر ہر ہو جائیں گے انتظامیہ کو یقین ہے کہ نتیجہ ثابت ہو گا کیونکہ کمپنی قرض دہندگان کے قرض کی ری پروفائلنگ پر بات چیت کر رہی ہے اور تو ق ہے کہ جلد اسے جتنی شکل دی جائے گی۔

### مارک اپ کا تجھیہ:

کمپنی نے 589.709 ملین کی رقم پر مارک اپ کا تجھیہ نہیں لگایا جب کہ یہ واجب الادا ہے۔

انتظامیہ نے اپنی طویل مدتی ذمہ داریوں کی تنظیم نو کے لئے اپنے بیکرزاں مالیاتی اداروں سے رابطہ کیا ہے۔ انتظامیہ کو یقین ہے کہ انتظامیہ کی طرف دی کئی کمپنی کی تنظیم نو کی تجوادیز کو مالیاتی ادارے / بیکرزاں قبول کر لیں گے۔ چونکہ مارک اپ کی ادائیگی نہیں کی جائے گی اس لئے کمپنی نے مارک اپ کے لئے کوئی تجھیہ ریکارڈ نہیں کیا ہے۔

بورڈ میں ایک خود مختار، ایک ایگزیکٹو اور پانچ نان ایگزیکٹو ائریکٹرز پر مشتمل ہے۔ ڈائریکٹرز کے نام مندرجہ ذیل ہیں۔

1- جناب عبدالباسط
2- جناب ویم احمد انصاری
3- جناب محمد سلیم بیگ
4- جناب عران احمد جاوید
5- جناب غنیفر بابر صدیقی
6- جناب عزیز الحق
7- محمد مندرجہ ذیل جمیل

دوران سال 30 جون 2022ء کو خالی ہونے والی اسمائی بورڈ آف ڈائریکٹرز نے 18 جولائی 2022ء کو پُر کی۔

دیوان فاروق موڑ زلمی پاکستان میں اپنے بیکرزاں کمپنی کی حیثیت سے کام کرتی ہے اور پاکستان اسٹاک ایکچیٹ میں اس کا نام موجود ہے۔ کمپنی کی بنیادی سرگرمیوں میں گاڑیوں کی اسsemblنگ، معاہداتی اسsemblنگ، گاڑیوں کی ترقیاتی تیاریاں اور گاڑیوں کی فروخت شامل ہے۔

### بنیادی خطرات اور غیریقینی صورتحال:

کمپنی مندرجہ ذیل چیزوں کو کلیدی خطرہ سمجھتی ہے۔

- 1- ایل سی وی، ایم بی اور پیچنگ گاڑیوں کے درمیان مسابقت۔
- 2- امریکی ڈالر کے مقابلے میں پاکستانی روپیہ کی قدر میں کمی۔
- 3- بینک لائنز کی عدم دستیابی۔

مذکورہ بالا خطرات اور غیریقینی صورتحال کے اثرات سے بچنے اور اسے کم کرنے کے لئے کمپنی اپنی داخلی اور خارجی سطح پر کوششیں کر رہی ہے۔
